This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

They would also offer the following resolutions, as embodying the results of their examination of this report of the labours of our Board of Foreign Missions during the year past, viz:

1. *Resolved*, That in the success with which efforts in the Foreign Missionary field have been crowned during the year, there is much occasion for devout thanksgiving to the great Head of the Church, and for an increase in our faith in the blessed promise given in connection with the missionary commission of the Church: "Lo, I am with you always, even unto the end of the world."

2. *Resolved*, That the Assembly heartily approve of the manner in which the Board, the Executive Committee and officers, to whom the management of the Foreign Missionary operations of our Church have been committed, have conducted those operations during the year.

3. *Resolved*, That in the multiplied openings for missionary labours, which God, in his providence, has made during the past year, as well as in the blessings with which he has crowned our efforts as a Church, the Assembly recognize the obligations laid upon the Church for an increase, both of the number of the men and the amount of the means devoted to this work.

4. *Resolved*, That the Assembly would earnestly commend this whole subject of an increase, both of missionaries and missionary funds, to the careful and prayerful consideration of the pastors and sessions of all our churches, that they may adopt such measures as, in their judgment, will best secure the attention, awaken the Christian sympathies, and call forth the cheerful and liberal contributions of all the members of their respective churches.

WEDNESDAY MORNING, May 24.

The Assembly met, and was opened with prayer.

This was accordingly presented by the Rev. B. M. Smith, Corresponding Secretary of the Board, and then referred to the standing Committee on the Board of Publication.

An Overture from the Presbytery of Cedar, respecting the translation of our standards into the German language, was referred to the same Committee.

On motion, the second order of the day was suspended, to give Dr. Adger, from the Committee on the Board of Domestic Missions, an opportunity to present a report, which was read and adopted, and is as follows, viz:

The Committee on the Report of the Board of Domestic Missions have carefully considered the matter of the Assembly's Church in Washington City. In various parts of the country, misconceptions of the plan have attached themselves to it. Rightfully understood, your committee are perfectly satisfied that it has strong claims upon our friendly regard. But we are not called on to consider the subject as an original question. The Assembly is committed, and your committee unanimously recommend that in this matter we "take no step backwards." Were there no other considerations forbidding us to falter, the effects of such a course upon the interests and influence of our brethren in Washington, would be enough. They tell us in their memorial, and no doubt they tell us well, "the project came to us from abroad. We appreciate the kindness of the movement, but it will be for our deep injury if not efficiently executed. It was a step which once taken can never safely be delayed. Our character is largely at stake. It is now to be seen whether in this capital we represent a Church hasty in resolving, but feeble in action, or one which wisely counts the cost, and unflinchingly executes its plans."

With reference to the best way of accomplishing what we have commenced, your committee are perfectly aware that this Assembly cannot compel any action on the part of our Presbyteries or churches. The General Assembly can only plead with some the intrinsic merits of the plan, rightly understood, and with others that they should lay aside every objection that is not a pure matter of conscience and of principle, and come forward to relieve this body from the embarrassments that surround it.

The Committee accordingly recommend the following:

Resolved, 1. That the Church Extension Committee of the City of Washington, appointed by the Presbytery of Baltimore, be requested by this Assembly to continue to act, with the addition of the Rev. Messrs. Gurley and Henry as members of the same.

Resolved, 2. That the papers presented to this Assembly on this subject, to wit, the memorial of ministers in Washington, Georgetown, and Alexandria, the memorial of the Presbytery of Baltimore, and the report of the

Church Extension Committee of the City of Washington, be appended to the Minutes of this Assembly.

Resolved, 3. That this Assembly appoint one minister or elder in every Presbytery, to whom, as to a beloved son, this body will commit the charge of this business in the bounds of the several Presbyteries; that these ministers or elders be requested to adopt any plan which they in their wisdom may deem best for the speedy completion of this work; that they be requested, as far as possible, to carry this effort into every particular congregation, however small or feeble; and that they be requested to report as soon as possible, and remit the funds collected to Charles Stott, Esq., Treasurer of the Church Extension Committee of the City of Washington, or to Samuel D. Powel, of Philadelphia, Treasurer of the Board of Missions.

Resolved, 4. That all our Presbyteries be requested to take measures, at their fall sessions, to carry out the wishes of this body as above expressed, in all cases of failure from whatever cause.

On behalf of the Committee,

JOHN B. ADGER, *Chairman*.

The second order of the day was then taken up, viz., the Report of the Committee on Theological Seminaries in relation to the Seminary at Danville. The question being on the adoption of this report, Dr. McMaster offered the following amendment,

Provided, That it is expressly understood, that nothing in the action of the General Assembly in relation to the Danville Seminary, is intended in any way to interfere with the Theological Seminary at New Albany; or with any of the Synods which shall continue to be united in the support and control of that Institution; or the churches under the care of such Synods.

This paper was discussed till the hour of adjournment.

The Rev. A. Eldridge, from the General Association of Massachusetts, took leave of the Assembly, with parting salutations returned in a brief address by the Moderator.

The Assembly then adjourned till 3½ o'clock, P. M.

Closed with prayer.

WEDNESDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Minutes of yesterday were read and approved.

Mr. White, from the Committee to nominate delegates to Corresponding Bodies, reported in part. This report was recommitted; and, on motion, a resolution proposing to suspend correspondence with the German Reformed Church was referred to the same Committee.

The order of the day, to hear reports from the Committees on Synodical Records, was postponed, and the unfinished business, the report on the Seminary at Danville, was resumed; Dr. MacMaster having the floor, in support of his amendment.

The discussion was continued by Dr. Breckinridge, till the hour of adjournment, when the Assembly adjourned, to meet to-morrow morning at 9 o'clock. Closed with prayer.

THURSDAY MORNING, May 25.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of yesterday were read and approved.

A communication from the Rev. Dr. Joseph H. Jones, on behalf of "The Corporation for relief of poor and distressed Presbyterian Ministers, and of the poor and distressed widows and children of Presbyterian Ministers," was read, and made the order of the day for Monday next, at 11 o'clock, A. M.

Dr. Hall, from the standing Committee on the Board of Education, reported; and the report was accepted, and made the order of the day for Monday next, at 10 o'clock, A. M.

The Committee on the Board of Foreign Missions, recommended that the resolution referred to them, respecting a mission to Palestine, be referred to the Board of Foreign Missions—the Assembly expressing no opinion thereon. This was adopted, and the resolution is as follows:

Resolved, That the Assembly recommend to the Board of Foreign

Missions, the establishment of a mission within the limits of Palestine, as soon as it shall deem such an enterprise practicable.

The Committee to nominate delegates to Corresponding Bodies, reported the following, who, on motion, were accordingly appointed; viz.

To the General Association of Connecticut—Rev. Wm. S. Plumer; or Rev. A. A. Porter.

To the Evangelical Consociation of Rhode Island—Rev. D. X. Junkin, or Rev. H. M. Painter.

To the General Association of Massachusetts—Rev. Stuart Robinson, or Rev. John H. Legget.

To the General Association of Vermont—Rev. William Cox, or Rev. A. R. Banks.

To the General Association of New Hampshire—Rev. T. L. Janeway, or Rev. E. E. Seeley.

To the General Conference of Maine—Rev. Samuel M. Hamill, or Rev. S. C. Logan.

To the General Synod of the Reformed Dutch Church—Rev. John M. Krebs, or Rev. M. T. Adams.

The Committee further reported to the House, for serious consideration, the resolution referred to them respecting our correspondence with the German Reformed Church, and which is as follows:

Resolved, That without intending to deny, as a general principle, governing their correspondence with sister Churches, that the formally acknowledged creeds and symbols of faith are to be taken as a true representation of the doctrinal views of the ministers and people of any branch of the Church of Christ, in the official action of this Assembly in relation to them: yet, in view of the peculiar position of the General Synod of the German Reformed Church toward the Theological Seminary at Mercersburgh, whose Professors, we are pained to witness, have so notoriously become antagonistic to Protestantism; and lest a continuance of our correspondence might be understood as countenancing the fundamental errors which they are labouring to disseminate; and lest we be regarded as disapproving the course of those in that communion who have so nobly contended against them—a respectable number of whom, we learn, have wholly withdrawn from the General Synod, on account of the alarming prevalence of these errors in that body: therefore, this General Assembly will suspend its correspondence with the General Synod of the German Reformed Church, and decline sending a delegate to that body.

This part of the report was put on the docket.

The following resolution was moved by Dr. Edgar, and unanimously adopted; viz.

Resolved, That a copy of the discourse delivered by the Rev. Dr. Spring, on the evening of the 24th of May, on the subject of Domestic Missions, be requested by this Assembly for publication; and that, to this end, it be referred to the Board of Missions.

The order of the day for 10 o'clock was then taken up—the Report of the Committee on Finance—which was read and adopted, and is as follows, viz.

To the General Assembly of the Presbyterian Church in the United States of America:

The Committee on Finance, to whom the Reports of the Treasurer of the Trustees, and of the Board of Trustees of the General Assembly, and the memorial of members of the Committee on Finance of 1852, were referred, respectfully report, that they have examined the Report of the Treasurer for the year past, and find the same correctly stated from the Treasurer's books, and recommend that it be approved.

The whole financial affairs of the Board of Trustees have been thoroughly investigated twice within three years; first, by an able special committee appointed by the General Assembly in 1851, who reported in 1852; and again by an able special committee of the Board of Trustees, whose report is presented to the present General Assembly. Both committees have thoroughly explored the sources of financial information, from the commencement of the funds and accounts; have expended months of faithful labour with untiring perseverance, to furnish all the intelligence it was possible to glean from books and papers, and have performed a work of exceeding value and importance to the interests of the General Assembly. It is but just that these labours, both of the special committee of 1852, and the committee of the Board, prompted by love to Zion and her interests, should be gratefully acknowledged by the General Assembly.

Your committee recommend that the losses sustained heretofore by the trust funds, be repaired; and that a special committee be appointed by the General Assembly for that purpose.

The principle of averaging the losses that have heretofore occurred, between the several trusts represented in the common fund invested at the time the losses occurred, seems to your committee, under the circumstances set forth in the Report of the Board of Trustees, equitable; but in future, this committee recommend that there be endorsed on each security held, a distinct designation of the particular trust or trusts to which it belongs, so that any future losses shall fall upon the trust or trusts interested in the investment.

The Report of the Board of Trustees is reported to the General Assembly, with the recommendation that the following resolutions be adopted:

1. *Resolved*, That the Report of the Board of Trustees is approved, and it is recommended by the General Assembly to the Board of Trustees to open a new set of books in accordance with the Report of the Board, and to cause hereafter a distinct account of each trust fund, to be kept therein.

2. *Resolved*, That (unless the authors of the fund otherwise specially direct) any investment may cover more than one trust, at the discretion of the Board of Trustees, *provided* the amount of the interest of each trust in the investment shall be indorsed on the mortgage or ground-rent; so that hereafter, in case of loss, the same may be charged to the account of the trust or trusts interested in the security.

3. *Resolved*, That so much of the direction of the General Assembly of 1852 to the Board of Trustees as implied that each trust must be separately invested, be rescinded.

4. *Resolved*, That a copy of these resolutions be furnished by the Stated Clerk to the Board of Trustees, and that the reports of the Treasurer, and of the Board of Trustees, with the memorial of members of the Committee on Finance of 1852, referred to this Committee, be printed in the Appendix to the Minutes of the present General Assembly.

The special Committee recommended in the foregoing report, was accordingly appointed, and consists of Messrs. Cortlandt Van Rensselaer, John C. Backus, Kensey Johns, Stacy G. Potts, R. L. Stuart, and James N. Dickson.

It was then

Resolved, That the thanks of the Assembly be given to the two committees referred to in this report, and their chairmen respectively, the Hon. Stacy G. Potts, and the Hon. Kensey Johns, for their time, labour, and skill in preparing their reports on the finances of the Assembly, and that the Clerk send them a copy of this resolution.

A memorial from the Directors of the Western Theological Seminary, and

others, relating to the nomination reported by the Directors of the Seminary at Princeton, was read, and referred to the Committee on Theological Seminaries.

The unfinished business, respecting the report on the Seminary at Danville, was then resumed, Dr. Breckinridge having the floor, who continued the discussion till the hour of adjournment. The House refusing to adjourn at the appointed time, the remarks of Dr. Breckinridge were concluded.

The Assembly then adjourned, to meet this afternoon at 3½ o'clock.

Closed with prayer.

The Minutes of Saturday were read, amended, and approved.

On motion, the Permanent Clerk was directed to omit a record of invitations to the members of the General Assembly, which merely convey expressions of courtesy from citizens or institutions in the places where the Assembly may be holding its sessions.

The order of the day for 9½ o'clock was postponed, to allow the special committee on Systematic Benevolence to present their report. This report was accepted, and put on the docket.

The order of the day for 10 o'clock was then taken up: the report of the standing committee on the Board of Education; which, after extended discussion, was adopted, and is as follows, viz:

The standing committee on the Board of Education would respectfully report that they have considered the Annual Report of the said Board, and would recommend to the Assembly the adoption of the following resolutions:

1. *Resolved*, That in view of the greatness of the office of the Christian ministry, in its origin, its work, and its necessity in the divine economy of salvation, the diminution of candidates in our own and in other evangelical Churches for several years past, is deeply to be deplored, especially as the signs of the times at home and abroad indicate an increased necessity for a greater number of wise, devoted, and amply qualified ministers; and that this necessity is a providential enforcement upon the Church of the injunction of her Great Head to pray—to pray in private and in the sanctuary—to pray habitually that the Lord of the harvest will send forth labourers into the harvest.

2. *Resolved*, That the increase of new candidates during the past year demands our gratitude to God, who alone is able to turn the hearts of the sons of the Church from secular pursuits to the self-denying labour of preaching Christ and him crucified.

3. *Resolved*, That the Assembly, in view of the hopeful signs of increase in the number of candidates, enjoin upon Presbyteries the exercise of great vigilance to guard against the introduction of the unworthy to a course of preparation for the sacred office, while at the same time they make earnest efforts to enlarge the ministerial resources of our Church.

4. *Resolved*, That the Assembly approve of the recommendation of the Board, to increase appropriations to candidates, so that those in the academical course shall receive $80, those in the collegiate course $100, and those in the theological course $120, with liberty, in special cases, of increasing the appropriations on the recommendation of Presbyteries.

5. *Resolved*, That the Assembly regard Christian training at all periods of youth, and by all practicable methods, especially by parents at home, by teachers in institutions of learning, and by pastors through catechetical and Bible-classes, as binding upon the Church, according to the injunction, "Train up a child in the way he should go," and as having a vital connection with the increase of the numbers and efficiency of the ministry, and of the stability and purity of the Church.

6. *Resolved*, That the efforts of the Presbyterian Church in behalf of schools, academies, and colleges, on a definite religious basis, and under her own care, have met with a success, important in present results, and hopeful for the future, and that these operations deserve to be continued and enlarged, with entire friendliness to all other educational efforts, not positively injurious in their tendency; and especially that institutions under the management of members of our own Church, either privately or in corporations not subject to ecclesiastical supervision, in which religion is duly inculcated, ought to be regarded as entitled to confidence.

7. *Resolved*, That the General Assembly (by affirming the Church to be one of the parties in education, and by acting on that principle, in accordance with the practice of all the Reformed Churches) has never denied the importance of State co-operation in this great work, however defective it may be in some parts of the country; but, on the contrary, rejoices in the general enlightenment of the masses under the public school system, and hopes that all Presbyterians, besides supporting their own institutions, will continue, as heretofore, to be known as the true friends of general education throughout the country, and as the advocates of the Bible in common schools.

8. *Resolved*, That the mode of conducting the operations of the Board on their enlarged scale, be referred to the Board itself, to take such action as shall prevent either department interfering with the other, and as may continue to keep prominently before the churches the education of pious and indigent young men for the gospel ministry.

9. *Resolved*, That the last Thursday of February next be recommended as a day of special prayer for the outpouring of God's Spirit on the churches, and of public instruction on Christian education, especially with reference to the necessity of an enlargement of the ministerial resources of the Church.

The Committee on Bills and Overtures reported

Overture No. 13, from the Presbytery of New Brunswick, asking for the appointment of a special committee on the principles and policy of the Board of Education, to report to the next General Assembly.

The Committee offered a Minute to the effect that it is deemed unnecessary, at the present time, to raise a special committee on this subject; and it was on motion,

Resolved, That in view of the action just taken, adopting the report from the Committee on the Board of Education, no further action be taken on the subject by this Assembly.

The result of the election for Professors in the Seminaries at Princeton and Danville was then announced by the Moderator. It appeared that Alexander T. McGill, D.D., was duly chosen to the Professorship of Pastoral Theology, Church Government, and the Composition and Delivery of Sermons, in the Seminary at Princeton; and that the Rev. John N. Waddell, D. D., was duly chosen to the Professorship of the same title in the Seminary at Danville.

Drs. Spring and Musgrave, and Mr. Holmes were appointed a Committee to inform Professor McGill of his election. Drs. Edgar and McMullen, and Mr. Palmore were appointed a Committee to inform Dr. Waddell of his election.

On motion, it was ordered that the salary of the Professor elect to the Seminary at Princeton be the same as that of the other Professors.

panied with a copy of his book; also a communication from the Rev. Messrs. Joseph Claybaugh, James Prestley, and David R. Kerr, a Committee on behalf of the General Synod of the Associate Reformed Church in the West, inviting this Assembly to co-operate with them in obtaining an improved version of the Book of Psalms, adapted to the wants of the various Presbyterian bodies in our country, accompanied with a statement of the principle to be observed in making such version; the Committee having been satisfied, on an examination of these principles, that a book of Psalmody, prepared in view of them, would not meet the wants of our Church, recommend the resolution, that although the General Assembly recognizes the right of our churches and members to use the version of Psalms commonly called Rouse's, if they prefer it, yet it respectfully declines the invitation to co-operate in the projected work, while it desires, at the same time, to express the strongest sentiments of fraternal affection for the brethren of the Associate Reformed Church of the West, and pray that the Great Head of the Church may ever guide and bless them, and prosper them in the work committed to their hands. Adopted.

On motion it was ordered, that the unfinished business, Judicial Case No. 2, should take precedence of the order of the day for this afternoon.

The Assembly then adjourned, to meet at 3 o'clock P. M.

Closed with prayer.

MONDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Committee on the Records of the Synod of Georgia reported, recommending that they be approved. The report was adopted.

Judicial Case No. 2 was then resumed, and conducted according to the book till the case was concluded. The complaint of the Wooster church and James H. Baird, against the Synod of Ohio, was sustained, the final vote being 126 to sustain, 6 to sustain in part, and 40 not to sustain. Drs. Hodge, MacMaster, and McLean, and Messrs. Lincoln Clarke and George T. Swann, were appointed a Committee to prepare a minute expressing the sense of the House.

On motion, Overture No. 7, respecting Judicial Commissions, was then taken up, and discussed till the hour of adjournment.

The Assembly then adjourned to meet to-morrow morning at 8½ o'clock.

Closed with prayer.

It was made the order of the day for 10½ o'clock this morning, to hear the report from the Committee on the Board of Domestic Missions.

It was made the next order of the day for this morning, to take up the report on Overture No. 8, respecting a division of the Synod of Pittsburgh.

Next to this business, it was ordered that reports of the Committees on Synodical Records be called for.

The Committee appointed to prepare a minute expressing the sense of the Assembly with reference to Judicial Case No. 2, the complaint of the session of Wooster church and James H. Baird, against the Synod of Ohio, recommended the following, which was adopted, viz:

Whereas, It appears from the record, that Dr. Day was removed from the session of the church of Wooster by his own resignation of his office in that church, and not by the judicial action of the session, it was not competent to the Presbytery to order his restoration to office by the session; and therefore the judgment of the Synod of Ohio, confirming such action of the Presbytery, was erroneous, and ought to be and is hereby reversed, and the complaint of the session, so far as it relates to this point, is sustained.

The Committee appointed to inform Professor McGill of his election to the vacant Professorship at Princeton, reported the following correspondence, viz:

BUFFALO, May 29, 1854.

To the Rev. Alexander T. McGill, D. D.

Dear Sir—The undersigned were appointed by the General Assembly of the Presbyterian Church to inform you of your election by that body to the chair of Church Government, Pastoral Theology, and the Composition and Delivery of Sermons, in the Theological Seminary at Princeton. It affords us great pleasure to announce to you an appointment so harmoniously secured, and personally so gratifying to ourselves.

We trust that the God of Zion will graciously direct you in your decision, and incline your heart to this new sphere of labour. The only considerations we will now urge, in favour of a prompt and affirmative reply to this appointment, are the importance of the office, and the qualifications of the candidate.

We are, beloved and respected brother, your friends and brethren,

GARDINER SPRING,
G. W. MUSGRAVE,
SILAS HOLMES.

BUFFALO, *Tuesday Morning*, May 30, 1854.

To the Rev. Drs. Gardiner Spring and G. W. Musgrave, and Mr. Silas Holmes, Committee, &c.

Dear Brethren—Your courteous note of yesterday is acknowledged with deep sensibility.

I thank my brethren of this Assembly, and of former Assemblies, for the confidence with which they entrust to me the great responsibility of bearing a part in theological instruction.

The unity of our Church, and the fraternal love with which different localities are represented in the General Assembly, authorize me to believe that no transference of my service which the Assembly is pleased to order, will abate the kind indulgence and constant prayer on my behalf, without which I could not hope to justify their confidence.

I therefore accept the position now offered to me, with purpose to enter on its labours as early as the circumstances of my relation to the Western Theological Seminary will warrant me to withdraw from that cherished Institution.

Very respectfully and affectionately yours,

ALEXANDER T. MCGILL.

On motion, it was made the order of the day for 8 o'clock this afternoon to elect a Professor for the Western Theological Seminary.

The unfinished business, Overture No. 7, respecting Judicial Commissions, was then taken up: a substitute for the report of the Committee, as an overture, to be sent down to the Presbyteries, was moved, and discussed till the hour appointed for hearing the report from the Committee on the Board of Domestic Missions. This report was accordingly presented and read by Dr. Adger. After extended discussion, it was amended and adopted, and is as follows, viz:

The Committee on the Report of the Board of Domestic Missions have unanimously agreed to recommend to the General Assembly the following resolutions:

1. *Resolved*, That considering the present and prospective population of our country, and the influence it seems destined to exert on all the nations, as set forth in the report of our Board, the work of Domestic Missions, which the Assembly has committed to that Board, is exceeded in its importance and magnitude by no other interest of our Church.

2. *Resolved*, That this Assembly expresses its approbation of the diligent and faithful execution on the part of our Board and its officers of their important trusts, and its thankfulness to God for the measure of success which he has been pleased to vouchsafe to them.

3. *Resolved*, That this Assembly deplores the fact presented in this report, that while our Church is not only increasing in wealth, but is steadily developing itself by an increase of members, churches, ministers, Presbyteries, and Synods, there is yet no commensurate increase in her Domestic Missionary efforts, as evidenced by the circumstance that the average annual increase of contributions for this object through our Board during the past four years is only $1913, but during the ten years which preceded the past four years, it was $2692, and the circumstance that we now have actually forty-seven Domestic Missionaries less than we had four years ago.

4. *Resolved*, That in connection with this discouraging view of the past four years, taken into comparison with the preceding ten, the Assembly would record with devout gratitude, that during the year just closed, there has been an increase of the regular church contributions to this cause,

amounting to $6000, and would express the hope that this regular flow of the charities of our churches may henceforth never know an ebb.

5. *Resolved*, That this Assembly would express their special approbation of the earnest appeals made in this report by the Board to our Presbyteries, in favour of more vigilant and energetic Presbyterial action in behalf of Domestic Missions.

6. *Resolved*, That this Assembly, whilst deprecating any wasteful or unnecessary expenditure of Domestic Missionary funds, would express particular approval of the conduct of the Board in increasing as they have done the salaries of missionaries in the field. The Assembly would express further the assurance that the Board may proceed to a much larger increase in the allowance to their missionaries, fully relying on the justice and liberality of our people to supply the Board with such an increase of means as will enable it to lessen, to some extent, the privations now endured by our brethren; and while the Assembly express thus decidedly their view of the duty of the Board, they would most earnestly exhort the churches to greatly increased exertions to meet the increased demands on the funds of the Board which must result from any attempt to do justice to our missionary brethren.

7. *Resolved*, That it be recommended to the Board of Missions to encourage, as far as possible, the organization of the missionary field into districts, embracing several points of labour, with a view to adapting the system to the work of pioneering by an itinerant ministry.

8. *Resolved*, That it be recommended to the Presbyteries to encourage more and more the union of several small congregations in the support of one pastor, which, separately, are unable of themselves to sustain a minister, with a view to the more efficient support of the ordinances of God among them, with less expense to the missionary fund.

9. *Resolved*, That the following named ministers and ruling elders be appointed to fill the vacancies reported in the Board of Domestic Missions.

MINISTERS.	RULING ELDERS.
W. S. Plumer,	W. C. Brooks,
James Hoge,	M. Newkirk,
C. W. Shields,	W. S. Martien,
J. J. Janeway,	G. Brown,
John Gray,	J. M. Harper,
J. B. Spotswood,	J. N. Dickson,
F. McFarlane,	J. D. Williams,
S. J. P. Anderson,	J. Cooper,
D. Magie,	Paul T. Jones.
J. H. Jones,	
L. J. Halsey,	
J. C. Young,	
J. W. Alexander,	
A. Macklin,	
D. McKinney.	

10. *Resolved*, That Rev. Dr. R. J. Breckinridge be appointed to preach the next annual sermon before the Assembly, and that the Rev. John A. McClung be his alternate.

The Committee submitted two further reports, one from a majority, the other from a minority, relating to the mode of conducting Church Extension.

A motion was made to adopt the report of the majority, and another was made to lay this motion on the table.

Before this motion was put to the House, the Assembly adjourned till 3 o'clock this afternoon.

Closed with prayer.

TUESDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Judicial Committee reported

Judicial Case No. 3. The appeal and complaint of G. A. Hotchkiss against the Synod of Indiana. The Committee reported that the papers appear to be in order, and recommended that the Assembly appoint some member to manage the case in behalf of the appellant. Mr. Robinson was appointed accordingly, and the case was put on the docket.

Judicial Case No. 4. The appeal and petition of Wm. M. Lively against the Synod of New York. The Committee reported that they have no evidence that the steps prescribed by the Book of Discipline have been complied with, in relation to the notice of an intention to appeal; and recommend that the case be dismissed, and the papers be returned. The report was adopted.

The unfinished business was resumed—the reports from the majority and minority, respectively, of the Committee on the Board of Domestic Missions, in relation to the mode of conducting Church Extension.

The motion to lay on the table a motion to adopt the report of the majority was withdrawn; and it was moved and carried, to lay both reports on the table, and to refer the whole subject of Church Extension to the Board of Missions.

The order of the day was then taken up—to elect a Professor for the Western Theological Seminary. Messrs. Burwell and Turnbull were appointed tellers.

Overture No. 8—Papers in relation to a division of the Synod of Pittsburgh—was then taken up. The papers were read, and the matter was discussed at length, when the previous question was called, and the petition of the Synod was granted; which petition is as follows:

"*Resolved*, That the next General Assembly of the Presbyterian Church in the United States, be petitioned to erect a new Synod, embracing that part of the Synod of Pittsburgh which lies west and north of the Allegheny and Ohio rivers; and in case it shall erect the new Synod for which this Synod asks, to call it by the name of the 'Synod of Allegheny,' and to appoint its first meeting to be held in the First Church, City of Allegheny, at the same time at which the Synod of Pittsburgh shall hold its next meeting; to be opened with a sermon by the Rev. William Annan, who shall preside until the election of a Moderator."

The Moderator announced, as the result of the election for a Professor in the Western Theological Seminary, that the Rev. Wm. S. Plumer, D. D., was duly chosen.

Messrs. L. R. McAboy, Stuart Robinson, and James Schoonmaker, were appointed a Committee to inform Dr. Plumer of his election.

The following resolution, moved by Mr. Brownson, was then adopted.

Resolved, That should the Professor elect accept, the Board of Directors of this Seminary, in connection with the Professors, be authorized to make such an adjustment of the departments of instruction as to them may seem best; provided, that the rights of each Professor be duly regarded, and that any changes adopted shall be reported to the next Assembly, for approval and sanction.

On motion of Mr. McAboy, it was

recommended to the said Synod, that a just and equitable representation be allowed to the new Synod of Allegheny, in the management and control of the affairs of the Board of Colportage of the Synod of Pittsburgh, in which heretofore, as members of the same body, they have been joint stockholders.

The House then proceeded to call for reports on Synodical Records.

The Records of Albany, New York, New Jersey, Philadelphia, Wheeling, Ohio, Indiana, and Iowa, were approved, without exceptions.

The Records of Pittsburgh were approved, with exception of the action, against which a dissent is entered, on page 159, and signed by A. T. McGill, L. R. McAboy, and others.

The Records of Northern Indiana were approved, with the following exceptions, viz:

1. On page 160, the Record is defective, in that the exceptions taken to the Records of the Presbyteries of Fort Wayne and Crawfordsville, are not spread upon the Records of Synod.

2. Of four judicial cases issued, the Records do not show that the house was charged, as is required by the Book, in judicial cases.

The Records of Illinois were approved, with the exception that in mentioning the action of Synod on a certain overture, the title and character of that overture was not mentioned.

The Records of Buffalo, Cincinnati, Wisconsin, and Missouri, not having been brought up to the Assembly, the Committees appointed to receive them, respectively, were discharged.

The Records of Kentucky were before the House, with the report of the Committee, when the hour of adjournment arrived.

Before the Assembly adjourned, the following resolution was, on motion of Dr. Hodge, adopted, viz:

Whereas, It appears from the Report of the Board of Missions, that very inadequate efforts have hitherto been made in reference to the work of Church Extension, the Assembly would earnestly enjoin on the Board to take the most efficient measures to awaken more interest in the churches on this subject, and to secure its vigorous prosecution.

The Assembly then adjourned, to meet this evening at 8 o'clock.

Closed with prayer.

TUESDAY EVENING.

The Assembly met, and was opened with a prayer by the Moderator, having special reference to the church of the Vaudois, (Waldenses,) in accordance with a request transmitted from the Moderator of their Synod.

On motion, the report of the Committee on Systematic Benevolence was taken up, and a resolution, moved by Mr. Robinson, was embodied in the series, and the resolutions are as follows, viz:

1. *Resolved*, That this Assembly hereby enjoin upon the pastors of our churches to give greater prominence, in the ministration of the word, to the doctrine of the Scripture, as interpreted and set forth in our standards, (more particularly in Chap. XXVI. Sec. 2, of the Confession of Faith; in Question 141 of the Larger Catechism; in Chap. VII. of the Form of Government, and in Chap. IV. Sec. 5, of the Directory for Worship,) viz: that "Saints, by profession, are bound to maintain an holy fellowship and communion in relieving each other in outward things, according to their several abilities and necessities, which communion, as God offereth opportunity, is to be extended unto all those who in every place call upon the Lord Jesus," "giving and lending freely according to their abilities;" and, in conformity to this doctrine, recognizing as one of the ordinances established by Christ,

in connection with the sermon, prayer, and praise, "a collection raised for the poor and other purposes of the Church."

2. *Resolved*, That the Presbyteries which have not anticipated the provisions of this action of the Assembly are most earnestly and affectionately enjoined, 1st. At their meetings following the rising of this Assembly, to take order that the ministers and church sessions in their bounds shall be directed to adopt some practicable method by which an opportunity shall be afforded, and an invitation given, to all the members of their congregations to contribute regularly to the objects of Christian benevolence recognized by the Assembly in the organization of the Boards of the Church, and to such other institutions as to them may seem right. 2d. And at every spring meeting to institute a proper inquiry into the diligence of ministers and church sessions in executing the provisions of such method.

3. *Resolved*, That the Presbyteries are farther enjoined to enter on record, and report to the next Assembly, their action on the first part of the foregoing resolution; and also to record at their next and all subsequent spring meetings, the result of the inquiry prescribed, and report the same to the General Assembly with the usual Annual Presbyterial Report, stating the delinquencies and diligence of pastors and church sessions.

4. *Resolved*, That there shall be appointed a standing committee on Systematic Benevolence by the Assembly, which shall be charged with the reception and examination of such reports, and the presentation to the Assembly of their aggregate results.

5. *Resolved*, That the Boards of the Church are invited to aid in the proper execution of the foregoing arrangements of the churches in such official communications with the Presbyteries, as may seem proper.

6. *Resolved*, That the Professors in our Theological Seminaries are respectfully requested to give proper attention to the right training of the future pastors of the Church, in view of the duties herein contemplated.

Further, the Committee recommend the following plans for contribution:

1. A committee may be appointed by the session for each object of benevolence, and a particular month assigned in which they are to do their work, by calling upon the people, or otherwise obtaining contributions.

2. All the objects to be aided may be presented in separate columns, and each contributor called upon to say what he will give quarterly or annually.

3. Weekly or monthly collections may be taken up, and thrown into a benevolent fund, which the session may divide among the several objects approved by them, in such proportion as they think proper.

The whole paper was then adopted.

It was further ordered that a Committee of three, including the Corresponding Secretary of the Board of Publication, be appointed to publish it, as an address of the General Assembly to the churches.

Nominations were made to fill vacancies in the Board of Directors at Princeton, Allegheny, and Danville, respectively; and it was made the first order of the day for to-morrow morning to elect these Directors.

It was made the second order of the day for to-morrow morning, to hear the report of the special committee on Ministerial Support.

The unfinished business, reports on Synodical Records, was then resumed, the question being on the report of the Committee on the records of the Synod of Kentucky. This, after amendment, was adopted, approving the records, with an exception, as follows: The Synod, in dismissing the judicial case recorded page 184, acted unconstitutionally, and established a dangerous precedent.

The Records of the Synods of Virginia, Nashville, Alabama, Mississippi, and Memphis, were approved, without exception.

The Records of the Synod of South Carolina were approved, with the remark, that the Stated, and not the Temporary Clerk, should sign them.

The Records of the Synods of North Carolina, Arkansas, Texas, and Pacific, not having been brought up, the Committees appointed to review them were discharged.

The Assembly then adjourned, to meet to-morrow morning at 8½ o'clock. Closed with prayer.

WEDNESDAY MORNING, May 31.

The Assembly met, and was opened with devotional exercises.

The Moderator announced Messrs. B. M. Smith, Stuart Robinson, and James N. Dickson, as the special committee to publish and circulate the report of the Committee on Systematic Benevolence, as an address to the churches.

Judge Fine, from the special committee on Ministerial Support, presented a report, which was read, amended, and adopted, the resolutions being as follows, viz:

1. *Resolved*, That we affectionately and earnestly recommend to the churches under our care, that they scrupulously avoid holding out any inducements to a minister to become their stated supply, or settled pastor, which will not be realized.

2. *Resolved*, That we earnestly recommend to every Presbytery, that unless suitable provision be made for the support of a minister or stated supply, they decline to give their aid or sanction, as a Presbytery, to settle him in any congregation which is able to furnish such suitable provision.

3. *Resolved*, That we recommend to the elders, and deacons, and trustees of our churches and congregations, to meet together on some day before the 1st of November next, and yearly thereafter, or oftener if necessary, and institute the inquiry whether the minister or stated supply is properly and fully supported; and if they find that he is not so supported, to take immediate measures to increase his support, and report to their Presbytery at its next meeting.

4. *Resolved*, That we recommend to the Presbyteries to require of every minister to preach on the subject of Ministerial Support—"that laying aside all false delicacy, they enlighten their people upon this, as upon any other branch of Christian duty, pleading not for themselves, but for their Master, if happily they may reclaim their respective charges from a grievous sin, which must bring down God's displeasure;" and that the Presbyteries call upon every minister to answer whether he has complied with their injunction.

5. *Resolved*, That Messrs. B. M. Smith, Stuart Robinson, and James N. Dickson, be appointed a Committee to publish this report, and that the pastors be directed to read it from the pulpit at such time as may be considered most convenient.

On motion, the report of the majority of the Committee on the Board of Missions was taken up. A substitute was offered by Dr. Hodge, and amendments were offered, which were discussed till the hour of adjournment.

Before the Assembly adjourned, it was made the order of the day for this afternoon at 3 o'clock, to hear the report of the standing Committee on the Board of Publication.

The Assembly then adjourned, to meet this afternoon at 3 o'clock.

Closed with prayer.

WEDNESDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The unfinished business—the report of a majority of the Committee on the Board of Missions, with reference to the work and mode of Church Extension—was resumed.

After further discussion, the previous question was called, and the substitute of Dr. Hodge was adopted, and is as follows:

Whereas, The Assembly has referred the whole subject of Church Extension, or the building of church edifices, to the Board of Missions; and whereas this Assembly believes this subject to be one of vast importance to the welfare of our whole Church; therefore,

Resolved, That the Board of Missions, in order to give greater efficiency to this work, be instructed, 1. To enlarge the Committee of Church Extension. 2. To appoint a Secretary for this specific department, if they shall deem it necessary. 3. To bring the cause before the churches in such way as they may deem best suited to secure attention to the importance of the work. 4. To report separately to the Assembly the receipts and disbursements of this fund. And further, this Assembly would earnestly and affectionately enjoin it upon all our churches to take up separate collections annually for this object, (to be reported in a separate column in the Appendix to the Minutes of the Assembly,) and upon all our Presbyteries to see that this is done.

The Committee on Foreign Correspondence reported in part, recommending that the letter from the General Assembly of the Presbyterian Church in Ireland, read to this body, be not answered. This recommendation was adopted.

It was also voted to instruct this Committee that in the present perturbed condition of Europe, it be considered inexpedient to send a delegate from this body to the Association of Evangelical Churches in France.

The general report of the Committee on Theological Seminaries, was taken up; and the whole paper, having been amended, was adopted, and is as follows, viz:

The Committee on Seminaries report to the General Assembly that there have been various papers relating to the Princeton, Union, Western, and Danville Theological Seminaries referred to it, which having considered, they submit the following report:

The *Theological Seminary at Princeton*. The papers relating to this Seminary are, the annual report of the Board of Directors, the annual report of the Board of Trustees, and two letters from Dr. Boardman, one to the chairman of a committee of the last General Assembly, and the other to the President of the Board of Directors of the Seminary, on the subject of the Professorship to which he had been elected, and which he declined.

This committee recommends that the two reports above alluded to, be approved, and printed in the Appendix to the Minutes; and that the Assembly appoint a day on which they will proceed to the election of a suitable person to fill the vacant Professorship in that Institution, and the vacant places in the Board of Directors.

Union Theological Seminary. The papers relating to this Seminary are, reports of the Board of Directors to the General Assembly for the year ending the 13th of June, 1853, and the year ending on the 8th of May, 1854.

This committee recommends that these two reports be approved, and printed in the Appendix to the Minutes. As the Professors and Directors of that Seminary are not elected by the General Assembly, no action is necessary in regard to them.

Western Theological Seminary. The papers relating to this Seminary are the annual report of the Board of Directors, and the annual report of the Board of Trustees to the General Assembly.

The committee recommends that these reports be approved, and printed in the Appendix to the Minutes, and that a day be appointed for the election of suitable persons to fill the vacancies in the Board of Directors of said Seminary.

Danville Theological Seminary. The papers relating to this Seminary are, a plan for the government of the Seminary, reported to this General Assembly by a committee appointed by the General Assembly of 1853; a report from the committee of endowment appointed by the Assembly of

1858; a report from the committee on charters, covenants, &c., appointed by the same Assembly; the first annual report of the Board of Directors; the first annual report of the Board of Trustees; an agreement between the Synod of Kentucky and the General Assembly; an agreement between the General Assembly and the Centre College of Kentucky; and a charter, with an amendment thereto, granted by the Legislature of Kentucky to a Board of Trustees, under the care of this General Assembly.

This committee recommends that the plan be approved by the General Assembly, certified by the Stated Clerk, and transmitted to the Board of Directors of the Seminary for publication; and that the remaining papers be approved and printed in the Appendix to the Minutes; that the charter granted by the Legislature of Kentucky be accepted by the General Assembly, and that the agreements between the General Assembly and the Synod of Kentucky, and the Centre College of Kentucky, be ratified by the General Assembly; and that the committees on endowment, and on charters, covenants, &c., be discharged, the latter having fully accomplished their work, and the unfinished part of the work of the former being hereby, according to their request, turned over to the Board of Trustees of the Seminary. And that a day be appointed by the General Assembly for the election of some suitable person as a professor in said Seminary, the Board of Directors being permitted, according to their suggestion, to retain the services of the Rev. Joseph G. Reasor as teacher of Oriental and Biblical Literature for the present, and for the election of suitable persons to the vacant places in the Board of Directors.

The committee, upon a careful examination of all these papers, touching all these Seminaries, see abundant reason why the Church should rejoice and thank God for the measure of prosperity and success granted to them all. In the course of the past year all of them have had to encounter difficulties more or less serious, one of them by the destruction of its building by fire, one of them by the death of a very able professor, one of them by all the circumstances attending its recent establishment, and all of them by vacancies in professorships contemplated by their respective plans. Nevertheless, the great work committed to them has been prosecuted with energy, fidelity, and success, and with many tokens of the divine blessing.

It is recommended that a special committee be appointed to bring in a minute on the lamented removal by death of the late Professor F. S. Sampson, D. D., of Union Theological Seminary.

The committee also report that two overtures have been referred to them, one from the Synod of South Carolina, and one from the Presbytery of Oxford, proposing that the several Seminaries under the care of the General Assembly, should be transferred to the Synods in whose bounds they are respectively located; to which overtures this committee recommends that the General Assembly answer, that such transfer would be inconsistent with the legal and moral obligations which the Assembly has assumed in relation to those Institutions.

In regard to the first overture, from the Presbytery of West Lexington, propounding the question whether candidates for the ministry ought not to be required to put themselves under the care of Presbytery at the commencement of the two years prescribed in Form of Government, Chap. XIV. Sec. 6, for their study of divinity, the committee recommends that this question be answered by referring the Presbytery to Chap. XIV. in the Form of Government, and would recommend no response, at present, to the second overture of said Presbytery.

The unfinished business, Overture No. 7, relating to judicial commis-

sions, was then taken up; the discussion was continued on the substitute offered by Dr. MacMaster, for the report of the Committee on Bills and Overtures, till 5 o'clock, when the order of the day was called up, the report of the standing Committee on the Board of Publication.

This was presented by Mr. McMullen, and after amendment, was adopted, and is as follows:

The Committee on the Board of Publication beg leave to report, recommending the adoption of the following resolutions:

1. *Resolved*, That the Assembly recognise the power of the evangelical press as a powerful and efficient means, under God, in christianizing the world.

2. *Resolved*, That the Assembly have learned, with peculiar pleasure, of the successful operations of the colporteur enterprize, and commend that subject to the special favour of the churches.

3. *Resolved*, That the Board be directed to have an edition of our music book published, with seven characters, and that they also publish an abridged edition of the Psalmodist for the use of Sabbath-schools and for family worship, both in round and shaped notes, together with a simple course of instruction for youth; and the Assembly urge upon all the Presbyteries and churches the necessity of greatly increased efforts in the study of sacred music.

4. *Resolved*, That the Board be directed to have an accurate edition of the Confession of Faith published in the German language, and also such tracts from time to time as they may deem best.

5. *Resolved*, That the Assembly are highly gratified at the financial condition of the Board, as exhibited in their report, and especially at the amount of money which has been raised without formal agency.

6. *Resolved*, That it be recommended to the Board to inquire whether still greater efficiency cannot be given to the colporteur enterprise by making some increase in the salaries of the colporteurs.

7. *Resolved*, That the Presbyteries be urged to establish local depositories for the more general diffusion of the books of the Board.

8. *Resolved*, That it be recommended to the Board to pursue still further the policy of gratuitous distribution to the destitute, so far as may consist with the safety of their financial operations, and for this purpose to appeal to the liberality of the churches.

Dr. Kirkpatrick, from the Committee on the Narrative, reported; the report was adopted, and it was ordered that it be printed in the usual form, in the Appendix to the Minutes.

On motion, Judicial Case No. 3 was made the order of the day for 8 o'clock this evening.

The Assembly then adjourned, to meet this evening at 8 o'clock.

Closed with prayer.

WEDNESDAY EVENING.

The Assembly met, and was opened with prayer.

Mr. Samuel J. P. Anderson, from the Committee to prepare a minute in reference to the decease of the Rev. Francis S. Sampson, D. D., Professor of Oriental Literature in the Union Theological Seminary, submitted the following, which was adopted, viz:

The Assembly, in recording a memorial of this severe bereavement, would express its deep sense of the greatness of the loss which the Church has sustained in the death of one of her most learned, talented, and pious ministers. Fitted by nature and by grace for great and extended usefulness, he had devoted all his powers to the cause of Christ, undeterred by sacrifices which that consecration demanded, and which were remarkable in their degree, and protracted in their duration. He was eminently suited to the high and responsible post to which the voice of the Church had called him—a post which he again and again refused to abandon, even when tried by offers most tempting to human cupidity, love of ease, and ambition. To a varied and accurate scholarship he added uncommon powers of communicating knowledge and stimulating the intellects of his pupils, and a heart on fire with love to God and zeal for his service. As a preacher, a theologian, and an instructor, he occupied a place in the front rank.

The withdrawal of such a labourer from the field at such a juncture, is a loss to be felt by the whole Church, and to be recognized as one of those mysterious providences that are to be met in humble and adoring silence, rather than in a spirit of proud inquiry.

The Assembly, in view of this loss, would tender its affectionate Christian sympathies to the Directors and remaining Professors of the bereaved Institution, and would unite with them in beseeching the Great Head of the Church to raise up for them speedily, another of like mind and heart, to take his place and fulfil his duties.

The House proceeded to the order of the day for 8 o'clock:

Judicial Case No. 3. The Appeal and Complaint of G. A. Hotchkiss against the Synod of Indiana, for sustaining the session of Pleasant Township church and the Presbytery of Madison, in censuring him for absenting himself from public worship, on account of disagreement with his pastor. The papers were read in order; the regular process prescribed in the Book was observed, and the Assembly voted unanimously that the action of the inferior courts be sustained and confirmed.

The following Memorial and Protest was presented and read, and on motion admitted to record:

This, the Memorial and Protest of the undersigned, respectfully showeth: That Mr. Charles Yale, formerly a member of the Presbytery of Tuscaloosa, but now or lately resident in the State of Wisconsin, having been, by regular and actual process by that Presbytery, deposed from the Gospel

ministry, and excommunicated from the Church, complained of said action of the said Presbytery to the Synod of Alabama; that his complaint was heard and issued by that Synod, and *not sustained;* that Mr. Yale afterwards, though not within the time prescribed, gave notice to the Stated Clerk of that Synod of his intention to appeal or complain of that decision to this General Assembly; that Mr. Yale has nevertheless not appeared before this Assembly to prosecute his appeal or complaint; that the subscribers, members of the Synod of Alabama, have waited until this, the last day of the sessions of this Assembly, to afford opportunity for the prosecution of said appeal or complaint;

And that therefore we do now, in our own name, and on behalf of the Synod of Alabama, *protest* against the future prosecution of said appeal or complaint.———That the said appeal or complaint is fallen from, ——— and that the sentence of the Synod of Alabama shall be considered as final, agreeably to a standing rule of the General Assembly.

And the undersigned respectfully ask that this their *Protest* may be admitted to record in the Minutes of your present session.

A. A. Porter, Presbytery of South Alabama.
Alexander McLeod, Presbytery of South Alabama.
Robert Hett Chapman, Presbytery of Talladega.
John A. Minniece, Presbytery of Tuscaloosa.
J. M. McKee, Presbytery of East Alabama.
A. P. Silliman, Presbytery of Tuscaloosa.

The unfinished business—overture No. 7, on Judicial Commissions—was resumed; and after some further discussion, the whole subject was laid on the table.

On motion, it was

Resolved, That the Reports of the various Boards be referred to the Boards for publication, and that an abstract of the Reports be printed in the Appendix to the Minutes.

Overture No. 9 was taken up, and the report of the Committee was adopted—granting the transfer of the church of Decatur and their minister to the Presbytery of Sangamon.

The Committee on Bills and Overtures reported

Overture No. 15. From sundry individuals, ruling elders and ministers, in the Presbytery of Tombeckbee, and Synod of Mississippi, containing a request for a certain change in the boundaries of said Presbytery. The Committee recommended that the request be not granted. The report was adopted.

Overture No. 16. From the Presbytery of Susquehanna, asking the General Assembly to decide two questions in regard to the rights and duties of witnesses.

1st. Must a member of a judicatory, taking testimony, be cited ten days before he is bound to testify as a witness?

2d. Can such member, being present in the judicatory, decline testifying, on the ground of not having been cited ten days previously, without being guilty of contumacy?

The Committee recommend answering both these questions by the adoption of the following resolution:

Resolved, That a member of a judicatory, present when the judicatory is taking testimony, is bound, if called upon to do so, to give his testimony in the case that is in process, and that his refusal to do so, on the ground

that he had not been cited beforehand, would subject him to censure for contumacy.

Overture No. 17. From the Synod of Indiana, asking the Assembly to change the 17th and 18th general rules for the conduct of judicatories, and thus abolish the use of the previous question in our courts. The Committee recommend that the Assembly should not change these rules. Adopted.

Overture No. 18. From the Synod of South Carolina, recommending the adoption of the resolution found on page 467 of the Minutes of the last General Assembly, and referred to the present Assembly, for raising a Committee to report from year to year on the subject of Psalmody. The Committee recommended the adoption of the resolution referred to.

On motion, the whole subject was laid on the table.

Overture No. 19. From a member of the Presbytery of Lexington, asking whether a minister who is a member of one Presbytery, can be installed as pastor over a church in another Presbytery; and if so, what are the proceedings proper in the case. The Committee recommend the Assembly to answer that he should not be installed in such a case. Adopted.

Overture No. 20. From James Cameron, containing sundry questions touching the peculiar and distinctive duties of Elders and Deacons. The Committee recommend that these questions be answered by a reference to our Form of Government, Chapters V. and VI., and new Digest, page 1. Adopted.

The resolution of Mr. Robinson, respecting correspondence with the German Reformed Church, was indefinitely postponed; and it was moved and carried, that the General Assembly decline sending a delegate to the German Reformed Church this year.

On motion of Dr. Monfort, it was

Resolved, That in the statistics appended to the Minutes of the General Assembly, after the present year, the Synods be enrolled in the chronological order of their constitution.

The order of the day for 11 o'clock on Monday last, which had been postponed, was taken up, and the Rev. B. M. Smith was heard for a few minutes in a statement respecting the nature and importance of "The Corporation for the relief of poor and distressed Presbyterian Ministers, and of the poor and distressed widows and children of Presbyterian Ministers."

On motion, it was

Resolved, That the Synods which have neglected to send up their Records this year for review, be required to send them up next year.

On motion of Dr. Edgar, it was

Resolved, That in appointing Commissioners to the General Assembly, it be recommended to all our Presbyteries, hereafter, to appoint such as shall be prepared, Providence permitting, to remain at least two weeks after their names are enrolled as members of the Assembly, provided the business thereof should require them to remain so long.

On motion of Mr. McPherson, the thanks of the General Assembly were then voted to the citizens of Buffalo, for their kindness and hospitality to the members during the session; also, to the pastors and other officers of evangelical churches in the city, who have tendered the use of their houses for worship; with special thanks to the pastor, session, and trustees of the Central Church, for their particular attention to the accommodation of the Assembly.

The Railroad and Steamboat Companies that offered the facilities of travel to the members at reduced rates of fare, were also mentioned in this vote of thanks.

The calling of the roll was dispensed with.

It was then, on motion,

Resolved, That this General Assembly be dissolved; and that another General Assembly, chosen in like manner, be required to meet in the First Presbyterian Church of Nashville, Tennessee, on the third Thursday of May, A. D. 1855, at 11 o'clock, A. M.

Closed with singing, prayer, and the apostolic benediction.

PERMANENT CLERK.

SPECIAL PRAYER FOR THE GENERAL ASSEMBLY.

In the Minutes of the General Assembly for the year 1821, is the following important rule, which was adopted by the Assembly.

"An overture from the Synod of North Carolina was received and read, and is as follows, viz:

"Whereas the General Assembly is the highest and most important judicatory of the Presbyterian Church: and whereas, to obtain the divine blessing on that judicatory, must appear to every Christian of our denomination to be a matter of the utmost moment; therefore,

"*Resolved*, That the Synod do respectfully suggest to the General Assembly the propriety of recommending to all the churches under their care, to observe, annually, *the afternoon or evening previous to the meeting of that body*, as a season of special prayer to Almighty God for his blessing; that he would, of his infinite mercy, condescend to superintend and direct all their measures, deliberations, and decisions; so that all may redound to the promotion of His own glory, and the general prosperity of that particular Church to which we belong."

NARRATIVE OF THE STATE OF RELIGION

ADOPTED BY THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES, AT THEIR SESSIONS, AT BUFFALO, N. Y., MAY 1854, AND ADDRESSED TO THE CHURCHES UNDER THEIR CARE.

Beloved Christian Brethren:

The General Assembly once more presents to you a Narrative of the State of Religion throughout the churches in our connection. The materials for this sketch are derived from the Reports transmitted to us from the numerous Presbyteries represented in the body. Our office has been simply to collate the statements thus supplied, and so arrange them as to exhibit, in one view, a full and accurate picture of the condition and prospects of the Church, in the various aspects of its important interests and movements during the ecclesiastical year now closed.

It behoves us, first of all, to call upon you to unite with us in devout thanksgivings to our Heavenly Father, for his abundant mercies toward the Church at large, and in all its departments. Never, perhaps, since the founding of this branch of Christ's kingdom upon the Western Continent, has there existed greater harmony in doctrine, in feeling, and in aims, than, as it appears from the accredited reports from our Presbyteries, now prevails in every part of our widely dispersed churches and people. When we consider the vast region embraced in this statement, and the great diversity of views and interests on other subjects, that will of necessity arise between different sections, such a union as that which binds us in Christian fellowship and love, must be accounted as a signal proof of the continued favour of the Great Head of the Church, manifested in the constant presence and everywhere prevalent power of his Holy Spirit.

The general condition of our churches, as we gather from the accounts submitted to us, is in a high degree prosperous. The past year has been characterized by peace and by progress. Our Presbyteries uniformly report that the attendance on the public ministrations of the word and ordinances of the gospel has been large and increasing, calling, in many cases, for enlarged accommodations in our houses of worship. Forty-one Presbyteries report that revivals of religion have been enjoyed in one or more of their churches. In some instances, the work of grace has been signally marked by the power of God; in each one important additions have been made to the number of Christ's followers. Besides the churches visited thus extensively by the influences of the Holy Spirit, other Presbyteries report that some of their churches have been blessed with seasons of refreshing, resulting in the conversion of some souls, and in the evident improvement of God's people in the graces of the Christian character. The Presbyteries in which distinct revivals have occurred are as follows, viz:—Donegal, Allegheny City, Elizabethtown, Northumberland, Huntingdon, West Jersey, Passaic, Susquehanna, Lake, Findlay, Zanesville, Indianapolis, New Albany, Logansport, Paducah, East Hanover, Des Moines, Ebenezer, St. Louis, Montgomery, Lexington, Missouri, Crawfordsville, Peoria, St. Clairsville, Potosi, New Brunswick, Ogdensburgh, Connecticut, Newton, Fayetteville, Concord, Louisville, Greenbrier, Charleston, South Alabama, Hopewell, Tuscumbia, Talladega, Tombeckbee, and Nashville.

In connection with this account of the revivals enjoyed by our churches, we would record, with special gratitude to our ascended Lord, that he has remembered, in the visitations of his grace, three of our seminaries of learning, viz: Westminster College in Missouri, Oglethorpe in Georgia, and the Witherspoon Institute in Pennsylvania. In the two first named it is stated that the work of grace, resulting, as is hoped, in the conversion of a goodly number of young men, and destined, as it is also hoped, to supply our Church with some faithful ministers of the gospel, commenced on the day appointed by the last General Assembly to be observed as a season of special prayer on behalf of our colleges and schools.

The past year has proved a season of general health throughout the country, with the exception—but it is an important one—of the prevalence of the epidemic which, during the summer and autumn, swept with unparalleled fatality over an extensive region in each of the States of Alabama, Mississippi, Louisiana, and Texas. In common with other of the inhabitants, our people suffered heavily under the judgments of the Almighty. Many valuable members of our churches were removed from the sphere of their much needed labours. It is gratifying, however, to know that our ministers, putting their trust, whether for life or for death, in God's mercy, remained at their posts to comfort the sick, and bury

the dead of their afflicted folds; and although some of them were brought to the verge of the grave under the power of disease, the lives of all were graciously spared. The general prevalence of the pestilence, and the numbers in every community who became its victims, afforded an opportunity for the exhibition of Christian philanthropy, on the part of those whom God shielded from the plague, toward the sick and dying, such as the history of our race has rarely, if ever, presented, and which could have been made only where the benign influences of our religion of love and kindness are felt.

The year now ended has been characterized by a high degree of prosperity and advancement in all the departments of worldly business, in which our members have shared with other citizens. The means have thus been afforded them of aiding with unusually large outlays of money, those enterprises of benevolence which they have felt a zeal in promoting; nor are we without evidence that the augmented ability to do good in the cause of Christ, by contributing of their worldly substance for its advancement, which God has given to his people, has in some measure been employed for his glory.

Several of our Presbyteries state that an unusual attention has been given to the improvement of the houses of worship, and to the erection of additional ones. We rejoice in every indication of an awakened interest and enlarged donations to the important object, whether it appears in more liberal support of the Church Extension of the Assembly, or in the more vigorous prosecution of enterprises of an independent and local character. Much may have been done, but much more remains to be done. Some of our Presbyteries, which cover territory but sparsely occupied with members of our communion, mention the insufficient number of church edifices, and the inadequate means of a people to provide more, as a formidable obstacle to the progress of religion. They appeal to their brethren, in more favourable regions, for assistance in making a provision, which is essential to the permanent establishment and growth of the Church. Surely, in the abounding wealth of the land, and of the Church, an appeal so reasonable will not be disregarded.

You will learn from the Reports of the Boards of Domestic Missions, of Foreign Missions, of Education, and of Publication, which are widely dispersed through our churches, and abstracts of which are published in the Appendix to the Minutes of this body, that the several plans of Christian benevolence committed to the Boards enjoy, in an eminent degree, the favour of God, and by his blessing upon their judicious management, are advancing steadily toward the consummation of the purposes for which they have been instituted. Earnestly desiring that you should read these Reports, we shall not here present any details of their contents. But, confining ourselves to the information furnished us directly by the Presbyteries, as to the zeal manifested by the churches at large on behalf of the objects of the Boards, we regret that our report cannot be one of unqualified pleasure and approbation. Many of our Presbyteries, indeed, inform us that there has been evident progress among their people; that more interest is felt, and larger contributions made. Others inform us that whilst there may not have been any diminution of zeal or of liberality, there has not been that increase in either which is demanded by the increasing destitutions of our own country and the providential openings for missionary labour in foreign fields every day becoming wider and wider. Others again bring us the painful and humiliating intelligence that in many of their churches little interest is manifested, and that the contributions are small and irregularly made. In some of our churches no aid is given. These things, brethren, ought not to be so. The highest trust ever confided to men, is that which our risen Lord and Redeemer committed to his Church when he constituted the Church his agent upon the earth in carrying out the purposes of his mission into our world, as these concern the universal spread of his truth, and the subjugation of the whole family of man to the dominion of his grace. The common sentiment of Christ's followers throughout the world would reproach us as criminally delinquent in a point of duty, second to none other in importance, if our Church, in its aggregate capacity, were neglecting to execute any part our Lord's commission, given in terms so authoritative and solemn. You would feel, and we should feel, in such case, that we were wanting in one of the most certain marks of a true Church of Christ, and that we could not lawfully hope that his blessing would abide with us. What, in this respect, belongs to the Church as a whole, belongs to each particular church, and to each individual within the limits of their abilities. What is our duty, is your duty also.

From a large number of our Presbyteries we have received alarming complaints of the inadequate supply of ministers either for the churches already planted, or for the extensive destitute regions prevailing on every hand, and promising rich returns to faithful labour. If all the candidates now prosecuting their preparatory studies were qualified to enter during this year upon the work of the ministry, the field at home would be but partially supplied,

and that without furnishing a single missionary for our service abroad. The Board of Education has, from time to time, addressed the most fervent appeals to our churches. Seminaries of learning, of various grades, for the religious training of the young, have been multiplied. Revivals of religion have been enjoyed by many of these institutions. Year after year, the Assembly has appointed days for the special instruction of our people as to their duty on this subject, and of special prayer for the increase of labourers in our Lord's kingdom. Yet, notwithstanding all, we are constrained to believe that a very general and lamentable apathy prevails, both in regard to the real wants of the Church, and in the use of the proper means for the supply of those wants. We need many more messengers of salvation to our dying race. It is the great distinguishing need of our Church, and of the times in which we live. Without more ministers, we cannot carry forward with success any of the operations of the Church; our Boards of Missions will be rendered comparatively impotent for the accomplishment of their ends; the ground we now occupy cannot be maintained; much less shall we be able to advance in our conquests, and extend the boundaries of the Redeemer's kingdom. In your prayers, and labours, and benefactions, we beseech you, beloved brethren, not to overlook that department of the Church's functions upon which the perpetuation of her existence, her life, and strength, and glory depend. Let your supplications continually go up to the Lord of the harvest, that, having now ascended on high to give good gifts unto men, he would be pleased to shed down upon our youth in their homes, and as assembled in our schools and colleges, such measures of his grace as shall constrain them to consecrate themselves to his service in the work of the ministry.

The Reports before us afford gratifying proof of a growing interest among our churches generally, on behalf of the religious instruction of the young in the Sabbath-school. The Catechisms of the Church, which at one time were so commonly banished or omitted from the ordinary routine of studies pursued in this institution, have been to a great extent restored to their proper position. From their use in all our Sabbath-schools, we hazard nothing in predicting that the piety of our children and youth, to whom God should sanctify the knowledge derived from their study, would be at once enlightened, symmetrical, and robust, eminently qualifying the rising generation of Christians for the arduous conflict with error and iniquity which awaits the Church at no distant day. We should hail it as an infallible omen of good to all future times, if, even to a greater extent than can now be claimed, these incomparable manuals should supersede, in all our methods and schemes for the instruction of the young, the numerous works, superficial in character, avowedly, and sometimes boastingly, negative in doctrine, and often enervating both mentally and morally, by which our Catechisms themselves have been supplanted.

We would not, however, conceal from you the fact that some of the Presbyteries which tell us of the flourishing condition of their Sabbath-schools, and many others, which speak not so favourably on the subject, report to us that there exists among their church members an alarming delinquency in the proper instruction of the young at the domestic hearth, under parental oversight. There is, we are assured, no necessary conflict between the Sabbath-school and the family, as institutions in which this class may be trained in the knowledge of God's word. They may be made, and ought to be made, mutual help one to the other. Yet it is not to be disguised that the effect of the privileges offered by the Sabbath-school may be, in some cases, to relieve the minds of parents from the sense of the personal responsibility resting upon them. Hence, they are led to consign the religious instruction of their children chiefly, if not wholly, to the Sabbath-school teacher. If such a result were inevitable, or even general, then should the Sabbath-school institution be condemned as a curse to the Church. God has laid upon parents the command to bring up their children "in the nurture and admonition of the Lord." The obligation is recognized as one personal to themselves, in the covenant into which they enter when presenting their children to God in the ordinance of baptism. In this matter there can be no transfer of responsibilities, no substitute in the discharge of duties. The Sabbath-school teacher cannot answer for the parent in the day of final reckoning; neither should the parent's work be committed to his hands in this life. The instruction of the children is so important an element of all domestic religion, that when it is neglected, it is to be feared that family worship, and other kindred duties, are also but slightly regarded. As on various occasions heretofore, we would now exhort you, brethren, to all diligence and fidelity in the whole duty of family religion, not omitting the regular instruction of your children in the word of God, and the Catechisms of the Church.

The reports sent to us from the Presbyteries covering the portion of the Church in which there is a large slave population, reveal the gratifying fact that the zeal hitherto

Digitized by Google

manifested on behalf of the religious welfare of this class, instead of abating, is evidently growing more ardent and active. In their houses of worship, provision at once special and liberal is made for the accommodation of the coloured people, so that they may enjoy the privileges of the sanctuary in common with the whites. Besides this, nearly all our ministers hold a service in the afternoon of the Sabbath, in which the exercises are particularly adapted to their capacities and wants. In some instances, ministers are engaged in their exclusive service—not ministers of inferior abilities, but such as would be an ornament and a blessing to the intelligent, cultivated congregations of the land. In a still larger number of instances, the pastor of a church composed of the two classes, inasmuch as the blacks form the more numerous portion, devotes to them the greater share of his labours, and finds among them the most pleasing tokens of God's smiles upon his work. Besides the preaching of the word to which they have free access, in many cases a regular system of catechetical instruction, for their benefit, is pursued, either on the Sabbath at the house of worship, or during the week on the plantations where they reside. Thus we give thanks unto God, our common Father, that he has inspired the hearts of our brethren, in the parts of our Church referred to, with love to the souls of this numerous race, and that he has opened among them a wide and effectual door of usefulness. At the same time, reminding these brethren that the work is great, and is yet far from its full accomplishment, we would exhort and encourage them to persevere and abound more and more therein, assuring them of the sympathies and prayers of the entire Church for them in their self-denying labours. The position taken by our Church with reference to the much agitated subject of slavery, secures to us unlimited opportunities of access to master and slave, and lays us under heavy responsibilities before God and the world, not to neglect our duty to either.

There are two other subjects relating to the state of piety in our churches, to which frequent allusions are made in the reports before us. One of these is the desecration of the Christian Sabbath. We would remind you, brethren, that with respect to the observance of this holy day, our Church has always taken high ground. We believe that we have the sanction of God's word to uphold us in that position, and we cannot recede from it. It is, therefore, with exceeding pain we learn that among our members the Sabbath is frequently violated, especially by travelling. We entreat you, brethren, carefully to abstain from a sin so detrimental to all the interests of piety, and so much in defiance of God's authority. The large influx into every part of our country, of a foreign population, whose principles and practices are at variance with ours with regard to the divine authority and proper sanctification of the Sabbath, requires of us great boldness in proclaiming our doctrines, and great firmness in resisting the temptations by which we are assailed. But we exhort you to yield not in your principles or practices. Show to them the better way. Teach them, by precept and example, to honour the law of God, which enjoins upon you and them alike, to remember the Sabbath day to keep it holy.

The other subject alluded to, is the prevalence of a *worldly spirit*, which is reported to us in terms of deep and earnest complaint and lamentation, by almost every Presbytery in our connection. The prosperity with which God has been pleased to bless the various forms of labour and enterprise of our citizens, seems to have seduced the hearts of his people into an undue anxiety for the accumulation of wealth, and a criminal conformity to the customs of a wicked world. Hence, it is easy to account for the fact, that although the attendance upon the public ministry of the word on the Sabbath is large, the social prayer-meeting, and the monthly concert, and the duties of family religion, are, as many complaints show, too much neglected. Hence, too, the preaching of the gospel to congregations so numerous, has been followed by such rare and slight evidences of its power; for although an unusually large number of Presbyteries report the existence of revivals in some of their churches during the year, none of them mention a general, wide-spread work of grace, and most of them deplore the low state of vital godliness and active zeal throughout their bounds. Worldliness has invaded the Church. It is the evil of our times. It becomes us to humble ourselves before God on account of our sin in this matter. We have abused the bounties of his providence to the disparagement of his grace and the detriment of our souls.

Finally, brethren, farewell! May the God of peace, that brought again from the dead our Lord Jesus, the great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work, to do his will, working in you that which is well pleasing in his sight through Jesus Christ, to whom be glory for ever and ever. Amen!

Abstract of the Report of the Board of Missions, presented to the General Assembly in Buffalo, May, 1854.

In presenting their Fifty-second Annual Report to the General Assembly, the Board of Missions desire to express their devout gratitude to Almighty God for the measure of success which he has vouchsafed to his servants in the prosecution of the missionary work assigned them during the year. There has been an increase both in the number of our missionaries and in the contributions of the churches during the year; and, what is

Digitized by Google

of far higher importance, the Spirit of God has evidently accompanied the labours of our missionaries, and made them instrumental of saving good to multitudes of souls.

OPERATIONS OF THE YEAR.

1. Of Missions.—*Statistical Details.*—The number of Missionaries in commission, April 1, 1853, was 288, to which have been added to April 1, 1854, 235, making the whole number 523, or more by eight than the year previous.

The number of churches and missionary stations, wholly or in part supplied (so far as reported) by our missionaries, is 933.

The number of newly organized churches is 52.

The number of admissions on examination is 2006; and on certificate 1823; making a total of admissions of 3829.

The number in communion with churches connected with the Board is 21,060.

The number of Sabbath-schools is 495; of teachers, 3481; and of scholars, 22,387.

The number of baptisms is 2238.

And the number of houses of worship, erected or finished, is 61.

Of the 523 missionaries who have been in commission during the year, 146 have sent in no special report for the Assembly—more than one-fourth of the whole number—consequently we must increase all the returns one fourth to make them correct.

2. Appropriations.—The appropriations made to our missionaries, from April 1, 1853, to April 1, 1854, have been, at the office in Philadelphia, $42,547.50, and at the office in Louisville, $32,874.42, making a total of $75,421.92.

The appropriations made from April 1, 1852, to April 1, 1853, were, at the office in Philadelphia, $32,273.58, and at the office in Louisville, $21,637.50, making a total of $56,911.08. From this statement, it appears that the appropriations made at the office in Philadelphia, *exceeded* those made the year before, $7,273.92; and at the office in Louisville, $11,236.92, thus making the total *excess* of appropriations this year above the year preceding, $18,510.84. The churches ought to understand distinctly, that these large appropriations cannot be continued, unless the treasury is replenished by their equally liberal contributions.

3. Receipts.—The total amount of receipts from all sources, from April 1, 1853, to April 1, 1854, is $75,207.80; to which add balances on hand in the different treasuries, April 1, 1853, $17,753.22; making the available resources of the Board during the year, $92,961.02.

The amount paid out at the different treasuries, for the same time, is $70,306.44; leaving an available balance in all the treasuries, April 1, 1854, of $22,654.58. The amount due the missionaries, at the same date, was $11,076,84; leaving an unexpended balance of $11,577.74.

We are gratified in being able to state, that while the aggregate receipts have fallen off, as compared with the preceding year, $6,247.53, the receipts *from the churches* have *increased* $5,805.29—the falling off has been in individual or special donations and legacies.

4. Reinforcement and Enlargement of the Church.—During the year, the Board have established *new missions* in many of the larger cities and towns, and in various rural districts, and have to a considerable extent reinforced our missionaries in the newer States and Territories.

5. State of our Missions.—The reports of our missionaries during the year have been encouraging. Nearly all of them report a good and increasing attendance upon the means of grace on the part of their people, and some of them have enjoyed the special visitations of the Holy Spirit. We have, indeed, great cause for thankfulness, that God has vouchsafed to his servants so good a measure of success, and have great reason to be encouraged in the further prosecution of the missionary work.

6. Clothing.—Clothing valued at $5,896.60, has been received during the year, and distributed among the missionaries who needed it. From their acknowledgments we have reason to believe that the clothing sent has been very gratefully received, and has added very much to the comfort of the missionaries and their families.

CHURCH EXTENSION.

The balance of the Church Extension Fund on the 1st of April, 1853, was $6,211.33. The receipts from April 1, 1853, to April 1, 1854, were, from individuals, $3,211.93, and from churches, $3,086.16; making the receipts $6,298.09; which added to the amount

Digitized by Google

in hand on April 1, 1853, makes a total of $12,509.42. The appropriations paid from April 1, 1853, to April 1, 1854, amount to $6,177.25; which leaves a balance in the treasury April 1, 1854, of $6,332.17. There are, however, unpaid appropriations amounting to $8,178.07, which would more than consume this balance, and leave the Church Extension Fund in debt $1,845.90.

Appropriations have been made, during the year, to sixty-three churches, scattered over twenty-two Synods, and within the bounds of forty-four Presbyteries. Thirty-five churches have been finished during the year, and have received their respective appropriations.

For the purpose of comparison we state, that the receipts for Church Extension from the 1st of April, 1852, to the 1st of April, 1853, were as follows: From individuals, $3,250.95, and from churches, $3,247.39; making a total of $6,498.34. From this it appears that the receipts this year were two hundred dollars and twenty-six cents *less* than the year preceding. The number of churches which were finished last year, and which received their appropriations was seventeen, or less by eighteen than this year.

As it may be desirable to know the gross amount that has been received from the commencement of the Church Extension Fund, we add the following statement: Cash received for Church Extension from July 20, 1844, to April 1, 1854, from individuals, $46,042.03, and from churches, $17,255.55; making a total of $63,297.58. The whole number of churches which have received appropriations during this period, is three hundred and thirty-three; and these are scattered over every section of our Church.

IMPORTANCE OF DOMESTIC MISSIONS.

OBJECTS OF THE BOARD.—The objects of the Board of Missions are two-fold:

(1.) To supply vacant churches, and assist weak and feeble congregations in the support of pastors.

(2.) To extend the boundaries of the Church, by employing ministers to preach the gospel, organize new congregations, and form churches in the hitherto neglected and waste places of our country.

Hundreds of our churches are so weak and feeble, that it would be impossible for them to maintain their pastors or stated supplies without the aid of others. And how shall new churches be formed, and the kingdom of Christ extended throughout our land, unless the heralds of the cross are sent forth and sustained by those who already enjoy and appreciate the blessings of the gospel?

THE VASTNESS OF THE FIELD OF OUR LABOURS.—The field assigned to the Board of Domestic Missions is our own country, in the thorough evangelization of which, not only we, but the whole world, have the deepest concern.

In 1850, the area of the United States was estimated at about three millions and five hundred thousand square miles, which exceeds the whole of Europe by about five hundred thousand square miles. What a country! What an immensity of territory!

PRESENT AND PROSPECTIVE POPULATION OF OUR COUNTRY.—In 1850, according to the census then taken, the total population of our country exceeded twenty-three millions. The total number now must be about twenty-five millions.

Advancing at our present rate, both naturally and by immigration, in 1870 we shall number thirty-nine millions of people, in 1890 we shall number seventy-four millions, and in 1900 above one hundred millions! What a field! What a population for missionary enterprise!

1. DEMAND FOR MISSIONARIES.—We have often wished, while reading the earnest and affecting appeals that are made to us for missionaries, that the letters could be read by every member in our communion. From the North and the South, from the East and the West, the Macedonian cry is raised, "Come over and help us."

2. INADEQUATE SUPPORT OF MANY OF OUR MISSIONARIES.—The difficulty is not merely to supply the demand for missionaries from so many places; the Board have often been embarrassed, from the deficiency of pecuniary means, in their efforts to sustain adequately the missionaries actually in the field. If the hearts of our people would be affected could they read the appeals that are made to us for ministers, they would be much more deeply grieved could they read the letters of many of the missionaries themselves, describing their arduous labours and self-denials, the numerous deprivations, and some-

Digitized by Google

times actual sufferings of themselves and families, from the want of adequate pecuniary support.

There is no class of men, considering the qualifications and labours that are required of them, who are so poorly paid as our missionaries. Their average salary during the year was only $403.00. The average salary paid by the Board was $152.00, and the average amount received by them from their people was $251.00; thus making the average sum received by our missionaries, both from the Board and their people, $403.00.

The Board, during the year, have increased the average salary of the missionaries from $132.00 (which was the average salary paid by the Board the year preceding) to $152.00. This average increase of twenty dollars in the salary of five hundred and twenty-three missionaries, makes an aggregate of more than ten thousand dollars. Had their *people* advanced their part of their salary in the same proportion, the missionaries would have been still further relieved. It is worthy of notice that two-thirds of the increase in the salary of the missionaries were advanced by the Board, and only one-third by their people.

3. The Churches ought to Contribute more generally and liberally.—In view of the inadequate support of our missionaries already in the field, and the immense territory yet to be supplied with the preaching of the gospel, ought not the churches to contribute more generally and liberally to this cause? It is scarcely credible, but such is the melancholy fact, that not more than one-half of our churches contribute anything to our Domestic Missionary Board; and but for the special and liberal donations of a few individuals, the amount contributed by the churches would not be sufficient to sustain the comparatively small number of missionaries employed by the Board!

If this matter is examined more closely, it will be found that in the churches which contribute, the mass of the people give little or nothing. Frequently if you subtract the subscriptions of a few individuals, the remainder of the sum contributed by the rest of the congregation amounts to a mere trifle. It is obvious that many give nothing at all! Surely this ought not so to be.

4. Importance of Presbyterial Vigilance and Activity.—If the Presbyteries would see to it that collections are taken up in all the churches, the annual receipts of the Board would be greatly augmented, and their ability to aid in the support of the missionaries, and to extend the boundaries of the Church, would be correspondingly increased.

Ought not the Presbyteries to inquire more particularly into the actual ability of the churches to support their pastors when they apply for missionary aid? Could they not, in some cases, induce them to become self-sustaining, and thereby increase the ability of the Board to help those who really need assistance, and to send missionaries into fields that are as yet entirely destitute?

5. Churches receiving aid should endeavour to become Self-Sustaining and Contributing.—It is manifestly the duty of the churches to sustain the gospel among themselves, without the aid of others, when they are able to do so; and such churches cannot apply for any assistance from the missionary fund without great injury to themselves and injustice to others who really need the funds which they unnecessarily absorb. Churches receiving assistance from the Board should endeavour to become, as fast and as fully as practicable, self-sustaining and contributing churches.

6. All our Missionaries ought to take up an Annual Collection for the Board.—We have observed, with surprise and regret, that many of our missionaries have not reported any collections for the Board during the year. If it is a divinely commanded duty to contribute towards the support and diffusion of the gospel, it is evidently the duty of every minister to bring this subject before his people, and to give them an opportunity of discharging their personal obligation with regard to this matter, and there are special reasons why our missionaries ought to attend to this subject. Men who are either in whole or in part supported by the missionary fund of the Church, ought certainly not to neglect to present the claims of the Board, nor fail to afford their people an opportunity of contributing to it.

Abstract of the Annual Report for 1854.

Part 1. MINISTERIAL EDUCATION.—The importance of the work of the Board of Education is seen in the greatness of the office of the Christian ministry. With an origin from God, with the truth of God as the subject of its teachings, with the Spirit of God as the breath of its power, with the providence of God as the witness of present and eternal blessings, and with the glory of God to encircle its aims and results, the Christian ministry stands pre-eminent among the vocations of men.

The decrease of candidates for the ministry is then referred to, and statistics are introduced into the Report, showing that evangelical churches at home and abroad are all suffering from this source. The Methodist, Episcopal, Baptist, Congregational, and the different branches of the Presbyterian Church in the United States, as well as the Free Church of Canada, the Congregational churches of Great Britain, the Free Church of Scotland, and the Irish Presbyterian Church, all make the same complaint of a deficiency or decrease of candidates for the ministry. This decrease commenced in our own Church in 1844, and the Report of that year ascribes as the grand reason for the decrease, the "low state of religion throughout our churches." The present Report concurs in the correctness of that statement, and gives some reasons why no other causes can adequately account for it.

Another fact, in direct opposition to the fewness of candidates, is that ministers were never in greater demand. (1.) The field accessible to ministers at home and abroad was never so great as at the present time. (2.) The present is a period of great events and rapid issues in the world's history. (3.) Satan is organizing error with unwonted stratagem in opposition to the kingdom of God. (4.) The influence of our own country upon the destiny of the world is another plea in behalf of a greatly augmented ministry.

Prayer, as the means of securing an adequate ministry, is then insisted upon in the Report. Prayer was both enjoined and practised by Christ; and prayer brings the Church directly to God, and thus not only cherishes dependence upon Him, but arouses the Church to activity and effort.

Statistics of Candidates. The number of *new* candidates this year is 104, a greater number than has been reported since the days of Dr. John Breckinridge. The *total* number on the roll is somewhat less than last year, being about 340. The reasons for believing that there will be an increase of candidates, and that our Church has probably reached its lowest point of decline, are then stated.

Recommendations to the General Assembly. First, to raise the appropriations to *eighty* dollars for academical students, one *hundred* dollars to collegiate students, and one *hundred and twenty* dollars to theological students. The quarterly appropriations would then be for each class respectively, twenty, twenty-five, and thirty dollars. The average increase would be about *one-fifth*, involving an additional expenditure of five thousand dollars. The Board to have the liberty of increasing the appropriations in special cases, when recom-

mended by the Presbyteries. The other recommendation is to provide some way by which the education cause may be systematically brought before all our churches.

Conclusion. Two ideas are dwelt upon in the Report. (1.) The necessity of *greater caution* than usual in bringing young men into the ministry, at a time when a re-action in favour of this great profession seems about to take place. (2.) The importance of *unremitting effort* in the use of means tending to increase the number of candidates.

Part II. CHRISTIAN EDUCATION in schools academies and colleges.—*Parochial or primary schools.* The religious part of the instruction is promoted in three ways:—First, by acts of worship, such as prayer, reading the Scriptures, and singing. Secondly, by religious instruction in the Bible and Catechism; and thirdly, by Christian government and discipline. A number of new schools have been established during the year; and the munificent offer of $5000 in aid of the cause has been of the most essential use. The number of schools is over 100. Some of the older scholars have professed religion during the year.

Presbyterial Academies. The two points which require the constant care of Presbyteries are, first, to give religion its due prominence in the course of instruction; and secondly, to make the Academies first-class institutions in all the departments of secular instruction. A large number of youth in our Academies have made a profession of religion during the year. The average would give at least two to an Academy. The number of our Academies is *forty-seven.* The Ashmun Institute, designed for the education of coloured youth, under the care of Newcastle Presbytery, is nearly ready for organization.

Colleges. There are *fifteen* Colleges under Synodical supervision, of which nine are well established, the others being of recent origin. In addition to these, *three* others have charters. After giving a brief account of each College, the Report refers to Colleges not under the direct care of the Church, and advocates the position, that when such Colleges have the confidence of the Synods, they should be regarded as Presbyterian institutions. The Report expresses the hope that fraternal co-operation will prevail in this department.

Miscellaneous and Teachers' Department.—Thirteen young men have received aid during the year, and among them several sons of our ministers. Two have professed religion during the year.

General Remarks.—1. The right of the Church to educate, does not imply an *exclusive* right, or the necessity of *always exercising* that right; nor does it *compel* parents to send their children to Church institutions. Furthermore, it does not *depreciate* other educational agencies besides the Church. 2. The apprehension that Church education brings too much business into our Judicatories, may be removed by leaving most of the management to trustees. 3. The withdrawal of our influence from the State system is then considered. The education of our own children religiously need not, and does not, prevent us from supporting the public system, any more than the charge which our deacons have of the poor in the Church prevents them from sympathizing with the poor in the community who are outside of the Church. Besides, there is room enough for all classes of schools; and the influence of religious schools will be most salutary upon the State schools, especially in improving their religious character. 4. The centralization of too much power in the Board is met by the fact that, in the Presbyterial system, the entire internal management of the institutions is in the Judicatories. 5. The propriety of blending the two departments of the Board in one administrative agency is left entirely to the judgment of the Assembly. Whether another Secretary shall be appointed, or a separate Board be established, or whether the affairs shall be conducted on the present plan, are questions, whose decision by the Assembly, in any way, will be acquiesced in by the Board without the least concern.

PUBLICATIONS.—The Board have continued to occupy six pages of the Home and Foreign Record. Of the Foreign Missionary, 20,000 copies of the newspaper, and 3500 of the pamphlet form, (enlarged to 32 pages,) have been published. Of the last Annual Report, 4300 copies of the pamphlet, and 10,000 of the newspaper form have been issued; also a number of circulars and missionary papers.

A Manual of Missions, giving a brief and succinct account of the history and present condition of the Missions of the Board, has also been prepared by one of the Secretaries, and published, but not at the expense of the Board.

MISSIONARIES AND ASSISTANT MISSIONARIES SENT OUT.—Nine missionaries, (one of whom was a returned missionary on a visit to this city,) and twelve male and female assistant missionaries—making in all twenty-one—have been sent out.

AGENCIES.—Rev. William S. Rogers spent eleven months, and Rev. James Wilson five and a half months, as agents of the Board in the North-western States. One of the Secretaries spent two months in the autumn in meeting the Synods of the West and South, and in preaching to a few churches in that region. The clerical Secretaries have preached in as many of the churches in New York, Philadelphia, and their vicinity, at the time of their annual collection for missions, as was found compatible with their duties at the Missionary Rooms. At the present, and for some time past, the Board has not had a single agent in the field; and they have depended, therefore, upon the ministers of the churches to do this work themselves; and in a large number of cases it has been done with good effect.

MISSIONS AMONG THE INDIAN TRIBES.—The Board has seven missions among the Indian tribes of our own country, viz: among the Choctaws, Chickasaws, Creeks, Seminoles, Iowas and Sacs, Otoes and Omahas, and the Chippewas of the State of Michigan.

Connected with these missions are eight ordained missionaries—Rev. Messrs. A. Reid, A. M. Watson, H. Balantine, Robert M. Loughridge, William H. Templeton, S. M. Irvin, William Hamilton and Peter Dougherty—and sixty-one male and female assistant missionaries; eleven churches, and upwards of one hundred native communicants; eight boarding and three day-schools; in which there are about six hundred pupils in various stages of their education.

Additions have been made to most of the churches, and the prospects of these missions

Digitized by Google

were never more promising than at the present time. Several of these tribes, especially the Choctaws, the Chickasaws, the Creeks, and the Chippewas, are making decided progress in almost every department of civilization; and the time is not far distant when they may be safely incorporated with our government, and be placed on a footing of entire social and civil equality with the white inhabitants of the country.

Missions in Africa.—The Board has two missions in Western Africa; one of which is in Liberia, and the other near the equator, and known as the Corisco Mission. Connected with these there are six stations and out-stations; six ordained missionaries—Rev. David A. Wilson, James M. Priest, James L. Mackey, George McQueen, Edwin T. Williams, and William Clemens; one licentiate preacher, and eight male and female assistant missionaries; five churches, and about one hundred and twenty communicants; seven schools, (one of which is a classical institution,) and embracing in all about two hundred and fifty pupils. All of the churches have received accessions; and one has experienced a season of special reviving.

The Alexander High School is in a flourishing condition, and is doing as much for the moral, social, and intellectual improvement of this infant Republic, as any institution that has ever been established in that country. The missionaries at Corisco have enjoyed good health, and one of their number has penetrated the country to the distance of one hundred and fifty miles, and has brought to the knowledge of the Church a new and most inviting field for missionary enterprise; and the Board hope that the day is not far distant, when the blessings of the gospel may be extended from this point to the very heart of this great continent.

Missions in India.—In Northern India the Board have four missions, viz: Lodiana Furrukhabad, Agra, and Allahabad; thirteen stations and out-stations; twenty-six ordained missionaries, (two of whom are natives of India)—Rev. Messrs. John Newton, John H. Morrison, Charles Forman, Golok Nath, Levi Janvier, Adolph Rudolph, Jesse M. Jamieson, James H. Orbison, James R. Campbell, Joseph Calwell, John S. Woodside, John J. Walsh, Julius F. Ulman, David E. Campbell, Augustus H. Seeley, John E. Freeman, James L. Scott, Joseph Warren, Robert S. Fullerton, Robert E. Williams, Joseph Owen, Robert M. Munnis, Lawrence G. Hay, Horatio W. Shaw, and Gopee Nath Nundi; one licentiate preacher; twenty-one female assistant missionaries from this country; twenty-five native helpers; nine churches, with about two hundred and sixty native communicants; four printing-presses, from which have issued nearly 3,000,000 pages; twenty-seven schools, (several of which are high-schools,) with nearly 3000 pupils.

The missionaries entertain the most encouraging views of their work. There is a more general and a more decided desire among the people to listen to the claims of the gospel. Hinduism is evidently losing its hold upon the mind and heart of the people; and when the 3000 youths whom our missionaries have under religious and intellectual training, go forth among their countrymen, their influence must be felt, and be productive of immense good.

Mission in Siam.—In Siam there is one mission, connected with which there are two ordained missionaries, Rev. Stephen Mattoon, and Samuel R. House, M. D.; one licentiate preacher; one female assistant missionary; one native helper; one boarding-school, with about thirty pupils. A large amount of labour has been performed in preaching, distributing religious books and tracts, and itinerating among the people. Mrs. Mattoon has free access to the female members of the royal family, and it is believed that her visits will result in good to those who would otherwise be inaccessible to the gospel.

China.—In China there are three missions; *Canton*, *Ningpo*, and *Shanghai*.

Connected with these there are twelve ordained missionaries; Rev. Messrs. Andrew, P. Happer, John B. French, Charles F. Preston, Richard Q. Way, Henry V. Rankin, Samuel N. Martin, John L. Nevius, John W. Quarterman, M. Simpson Culbertson, Joseph K. Wight, Reuben Lowrie, and D. B. McCartee, M. D., and Joseph Kerr, M. D.; two physicians; thirteen female assistant missionaries, three native helpers; seven schools, with one hundred and seventy pupils; one printing press, from which have been issued eight separate volumes or tracts, and between two and three million of pages. The missionaries have been actively employed in the various duties of preaching, translating, teaching, distributing religious books and tracts; and those of the medical profession in the duties of the dispensaries, in addition to their other labours.

The present posture of affairs in China is one of immense interest, and the conviction on the mind of the Christian public is growing stronger every day that the country is on

Digitized by Google

the eve of a great crisis, which it is believed will be eminently favourable to the spread of Christianity; and in view of this, it is exceedingly desirable that these missions should be strengthened and greatly enlarged.

California and South America.—The Board has recently commenced missions for the Chinese of California, and for the Roman Catholic population in South America; connected with these are Rev. Messrs. William Speer and Thomas L'Hombral; both of which, it is hoped, will be productive of great good to the communities for whose welfare they have been established.

Missions in Papal Europe.—The Board has no missionaries in Papal Europe under their immediate direction. Their appropriations have been made to Evangelical Societies, which are known to be prosecuting the work of evangelization with zeal, prudence and wisdom; and the results of their labours, especially in France and Italy, are of the happiest and most encouraging nature. The appropriations made to these Societies for the promotion of the work of evangelization, including $7,786 73 invested for the endowment of the seminary at Latour, have been $15,942 17.

Missions to the Jews.—The Board has three missions to the Jews in this country, viz: in New York, Philadelphia, and Baltimore; connected with which, are three ordained ministers—Rev. Messrs. John Neander, Bernard Steinthal, Frederick J. Neuhaus, and Julius Straus, and one licentiate preacher. They have free access to their kinsmen according to the flesh; and in many instances, it is believed, with the happiest results.

Summary.—The Board has under its direction, independent of what it has done for Papal Europe, twenty-two separate missions; fifty-nine ordained missionaries; three licentiate preachers; one hundred and nine male and female assistant missionaries; twenty-nine native helpers; twenty-six churches, and about five hundred native church members; fifty-three schools, and 4050 scholars; six printing presses; and have published more than 6,000,000 pages.

In conclusion, the Board would express the hope, that this work of mercy and love, in which they are engaged, may continue to grow and expand, until the kingdoms of this world shall become the kingdoms of our Lord and his Christ.

Abstract of the Annual Report, presented to the General Assembly May, 1854.

PUBLICATIONS.

During the year ending March 31st, 1854, fifteen new books in the English, and one in the German language have been published, giving a total of 38,250 copies. Nine tracts

in 12mo, and one in 18mo, have been issued, of which 26,000 copies were printed. The reprints of former publications have been 506,500 copies, making a total of 595,750 copies, which makes the total issues of the Board amount to 4,747,650 copies of books and tracts. The Publishing Committee report at the close of the year, March 31st, several other works in course of preparation for the press, and several actually in the printer's hands. But for unavoidable delays, these would have been included in the catalogue of new publications.

A new impression of the 64mo. Hymn Book is in press, whose print is both larger and more distinct; advantages which are very desirable, and which will not materially affect the size of the volume. It will still be adapted for the purposes for which it was designed.

The circulation of the Sabbath-School Visitor has now reached 41,000 copies. It is computed that there are about 150,000 families connected with our Church, and it is highly desirable that this valuable auxiliary to the work of parental and Sabbath-School instruction should be found in every one.

COLPORTEUR ENTERPRISE.

During the year one hundred and fifty-one colporteurs have been in commission, of whom one hundred and forty-four have laboured in twenty-five States, six in the British provinces, and one in India. The distribution of these colporteurs in the several States has been as follows:—*Three* in Maine, *two* in New Hampshire, *twenty-two* in New York, *four* in New Jersey, *sixteen* in Pennsylvania, *one* in Maryland, *two* in Virginia, *twelve* in North Carolina, *six* in South Carolina, *fifteen* in Georgia, *two* in Florida, *one* in Alabama, *one* in Mississippi, *one* in Louisiana, *five* in Texas, *one* in Arkansas, *two* in Kentucky, *one* in Michigan, *six* in Tennessee, *nine* in Ohio, *three* in Iowa, *four* in Indiana, *ten* in Illinois, *four* in Missouri, and *one* in Wisconsin—twenty-five States having been thus included in our field.

Including about 28,000 volumes, and 48,000 pages of tracts, distributed by the Synods of Virginia and Pittsburgh, and 6517 volumes and 381,000 pages of tracts, the amount of donations stated below, the entire distribution of the year amounts to 135,983 volumes, and 1,300,547 pages of tracts. These amounts each exceed one-half of the aggregates for the three years ending March 31st, 1853, and added to those aggregates give the the totals for four years, 373,980 volumes and 3,335,829 pages of tracts.

Our colporteurs have visited 68,185 families, in 15,354 of which they have held religious services. They report 2340 Presbyterian families without the Confession of Faith, and 1603 other families with no religious book other than the Bible. The entire time spent by colporteurs equals forty-one years and a few days.

DONATIONS

Have been made to the amount of $2358.89, viz:—To Sabbath-schools, 2535 volumes; to naval and military stations and ships of war, 142; to humane institutions, 60; literary and theological institutions, 226; ministers, 850; feeble churches, 1376; individuals for gratuitous distribution, 1328. Total volumes, 6517, and 381,032 pages of tracts. These donations are of course exclusive of those made by colporteurs.

The aggregates of donations made since 1847, are, 32,285 volumes, and 1,441,532 pages of tracts.

THE FINANCES

Are in a very healthy condition. The Institution is entirely free from debt, and sustains itself fully.

Receipts from sales, $77,647.37; contributions, $15,867.25; other sources, $10,029.84. This last item includes $6111.09 on account of the *Sabbath-School Visitor*, $1413.75 for distribution of books and tracts, and $1105 for stereotyping certain books and tracts. The total receipts are $103,544.46, exceeding those of last year by $12,052.35, or nearly 14 per cent. The income of the Board has been trebled in ten years. The Board is entirely dependent on the contributions of the churches for sustaining the colporteur enterprise; and it is a subject of regret that these have fallen short of the expenditures by $2,819.75; yet it is pleasing to know that these contributions exceed those of the last year by over $3500; thus manifesting a considerable increase of interest on the subject among our churches. The excess of expenditure has been mainly owing to the settlement of colporteur accounts of former years.

REPORT OF THE TRUSTEES OF THE GENERAL ASSEMBLY.

To the General Assembly of the Presbyterian Church in the United States of America:

The Board of Trustees respectfully report:—That they have had under consideration the several matters referred to them, by the General Assembly of 1853, and which are found upon pages 450, 451, and 457 of the printed minutes; and, that in answer to the several topics of inquiry therein set forth, they are of opinion,

1. That all the trust funds which have been, or be may hereafter committed to the management of this Board, (except in cases where the conditions of the trust, or the resolutions or orders of the General Assembly otherwise specifically direct,) may properly be blended in making investments thereof.

2. That each of the trust funds should, however, form the subject of a distinct and independent account on the books of the Trustees; that each should be debited with its appropriate investments, where it has been the subject of separate investment, or with its proportion of the general and blended investments, where it has been included in investment with others; that it should be further debited from time to time with its appropriate accruing income, and that it should be credited with all monies paid out by the Trustees on account thereof.

3. That a new set of account books should be now opened, and that each trust fund should be therein debited, in the first instance, with the amount now standing in its favour according to schedule D, annexed to the report of the Committee of this Board, herewith submitted.

4. And that, as to the other topics of inquiry specifically included in the resolutions of the General Assembly, the Board adopts the conclusions of the said Committee, as expressed in their said report.

All which, together with the report of the said Committee, is respectfully submitted.

WM. NEILL, President.

JAS. BAYARD, Secretary.

Philadelphia, May 4th, 1854.

REPORT OF COMMITTEE REFERRED TO IN THE FOREGOING COMMUNICATION.

The Committee appointed under the resolution of the Board of Trustees, on the 9th of June, 1853, to consider and report upon the several matters embraced in the recommendation and resolution of the last General Assembly, respectfully report:

That it appears, the subjects referred to your Committee are contained in pages 450 and 451 of the printed minutes of the General Assembly of 1853, being so much of the additional report of the Financial Committee of the Assembly which recommends "That the Trustees be directed to examine the books and covenants in relation to the said several funds, and see which of said funds can be properly blended in making investments thereof, and to what extent; and recommend in what manner they shall hereafter be invested, and the accounts in relation to the same shall be kept, so as to simplify, as far as practicable, the accounts of the Treasurer; and if they shall deem it expedient, to review the statements of the report of the special Finance Committee made to the General Assembly of 1852, in relation to the present amount and value of each of the funds, which is permanent in its character. That said Trustees also endeavour to recommend some plan for restoring the original capital of such of the scholarships under the control of the Trustees of the General Assembly, as have sustained losses upon their capitals, or such of them as cannot properly be united and consolidated with the assent of the donors or their representatives, and to recommend such other measures as to the management of the Finances under the control of the Trustees, as they shall deem expedient.

Also the second resolution, on page 457 of the printed minutes of the last General Assembly; being the remonstrance of the Board of Missions.

Upon the several matters embraced in the preceding recommendation and resolution of the last General Assembly, your Committee have, as far as practicable, bestowed their careful investigation and deliberation. The books and accounts have been examined, and the Ledger has been found to balance. The minute book of the Trustees, commencing with the first meeting, and the printed minutes of the General Assembly, commencing

with the first meeting of that body, have been examined; the covenants have not been within reach of the Committee.

The Committee consider the investment of the funds to be blended: no separation of investments with respect to each can be traced out, except the Nephew, Colt, and Hollond Scholarships, the Boudinot Missionary Fund, and Eastburn's Bequest.

The Committee submit an adjustment, according to the best light the subject can be viewed in. It will be seen, that their plan is to deduct overdrafts belonging to specific accounts, as far as they have been able to trace them out, and then to distribute the loss upon each of the funds or trusts, that are chargeable with loss:—they ascertain the loss they have charged, by adding to the amount at the debit of the profit and loss account in the Ledger, the loss to be sustained on the stocks still held, (of the present value of which they furnish herewith a certificate from two Stock Brokers of high character,) deducting therefrom the overdrafts disposed of as above mentioned. To make an equitable assessment, there should be an adjustment of interest between the different Trust Funds; but this adjustment of interest would now be very difficult, if not impossible, and as the beneficiaries have, so far as they could, acquiesced in the distribution of income amongst them, as being the best that could have been done under the circumstances, the Committee have not felt called upon to undertake to estimate the interest.

The Committee recommend that a new set of books be opened, with the funds and other accounts adjusted, according to the statement now furnished.

The present system of accounts is free from material objection, if the investments, as belonging to each Trust Fund, should in every case be written on the face of the account, in the Ledger; and they recommend, that the Committee of Finance of the Trustees of the General Assembly, be requested to make a periodical examination of the books and accounts.

The next subject submitted to our consideration, relates to the classification of the several Trust Funds, and deciding which can be properly blended in making investments thereof, and to what extent. Your Committee cannot perceive any advantage or necessity for such classification of the Trust Funds for separate investments; the effect thereof would probably be to embarrass the Trustees, by restricting their loans, so as to occasion much trouble, and sometimes loss. The Trustees are exclusively the legal party; in their name all loans must be made and securities taken. It is always important to obtain the first mortgage or security on real estate, and to accomplish this, it is necessary to offer large sums. It might so happen, that the funds of any class we might designate, would be insufficient, when the amount, to be invested from all sources, would, in the aggregate, secure a safe investment. Sometimes, from the smallness of the sum, it might be impossible to effect a loan, and it would have to remain uninvested, and occasion a loss of interest, when by union with other Trust Funds, it would be productive. But as the loans, if made of the funds, of classes of trusts which we might designate, would always be in the name of the Trustees, and the interest of the trust could only be apparent by indorsement, the classification would seem to be productive of no other result than that of multiplying the number of mortgages in the hands of the Trustees, when the object would be as well and better accomplished by a single mortgage, and the risk more generally distributed. Your Committee, therefore, (when the author of the trust has not otherwise specially directed,) in lieu of the classification, recommend that when any investment covers more than one trust, that the amount of interests of the several trusts should be indorsed on the mortgage or ground rent; and they advise, that the direction of the General Assembly to the Trustees to invest separately, be rescinded, and that hereafter all investments shall be made on first mortgages and ground rents.

The Committee have reviewed the report and statement of accounts furnished by the special Finance Committee made to the General Assembly in 1852. We should have been relieved from much of the difficulty incident to the subjects of our investigation, if we could have adopted the basis on which it is founded, by discovering that the distribution of the trust funds, as therein stated to have been made in 1835, had been so made or sanctioned by order of the Trustees. But, from the best information we have been able to obtain, this distribution and apportionment of the trust funds was probably made by the Treasurer, without the order of the Trustees, and therefore has not been followed by such subsequent action as to indicate that the blended condition of the trust funds was thereby determined. The statement made by that Committee on page 377 of printed Minutes of Assembly in 1852, "that the stock and other securities held, were in 1835 apportioned among the several funds," we have not been able to regard as well founded, especially, when accompanied with the remark, "that no distinct or separate account is

Digitized by Google

even yet kept, in a Ledger regularly posted up, of the amounts due, received, and paid on account of each fund."

For the purpose of ascertaining whether, at any time, the stocks and other securities had been apportioned among the several trusts, we made a full examination. Although, in some of the annual reports of the Trustees, it is said detailed statements of the several trust funds were exhibited, yet, after diligent search, we have failed to obtain such statement, either from the Minutes of the General Assembly, or of the Trustees, or from the papers filed. In the absence of any information showing an authorized distribution, we have concluded, that none has been made, and that, as we have stated, the invested funds are blended. It necessarily results from this conclusion, that whatever losses occurred, from the purchase and sale of securities or stocks, must fall generally on all the funds, in proportion to the capital of each invested, and that the overdrafts made for the benefit of any fund, will be a legitimate charge against such fund.

There are a few trusts, whose funds have been separately invested, in conformity with the special directions of the authors of the trusts; they are not included in the average, but will remain as heretofore. And the items numbered 40 to 55 in the tabular statement D, with the exception of 54, are also excluded.

The Committee recommend that the losses be repaired, and that the original capital of the trust funds should be made good. We can suggest no other mode than the appointment by the General Assembly of a special Committee for that purpose.

The remonstrance of the Board of Missions has been considered, in connection with the whole subject, and the principles adopted in this report, by your Committee, will afford the relief sought.

The Committee recommend that a duplicate sett of books be made, (to be designated duplicates;) that they may be forwarded to any point, where the General Assembly may see fit to meet—leaving the originals in a secure place; and they ask that attention should be given, to provide a safe place for all the books and papers of the General Assembly and Board of Trustees.

The Committee have found, in the course of the examination of the Minutes, reference made to property, about which they found no particulars; for instance, they find no distinct record in the books of the real estate under charge of the Trustees; would it not be well to take some measures to ascertain what real estate is held by the Trustees, and how it is situated?

Your Committee would also remark, that they consider the practice of assessing the contingent expenses of the Board of Trustees, upon the different funds, is open to serious objection; and if these expenses could be provided for in the same manner as the Commissioner's Fund of the General Assembly, or in some other way, it would be desirable.

The Committee furnish their notes of examination, as they may be useful.

The result of the labours of your Committee will be found in schedule A to D, inclusive, appended to this report.

The Committee have received valuable assistance from Mr. Edelman in this investigation, and they bear testimony to his skill and zealous desire to advance the interests of the Church.

MEMORIAL TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH OF THE UNITED STATES OF AMERICA, 1854, ON THE FINANCES.

The undersigned, one of the special Committee of Finance, appointed by the General Assembly in 1851, requests the privilege of presenting to the General Assembly, and of entering upon their printed Minutes, some statements in regard to certain opinions expressed in the Report of the Board of Trustees of the General Assembly of the present year, so far as said opinions relate to the *basis of the Report* made by the special Committee to the Assembly of 1852.

The funds of the General Assembly were principally invested in mortgages and other authorized securities of the State of Pennsylvania, until the years 1834 or 1835. Such investments were also kept separate, so that each Trust Fund was charged with its proper capital, and received its income according to its capital. In the years 1834 and 1835, when the Trustees made new investments, they threw all the funds into a common stock, and managed their affairs on the principle of making *pro rata* dividends. It appears, however, that in 1835, a distribution was made of their property among the several Trust Funds, so that the true position of each fund could be readily ascertained at any future time.

The Assembly of 1851, wishing to restore to each fund its true capital, appointed a Special Committee of Finance to inquire into the matter. This Committee adopted the distribution of 1835, as the true basis on which each fund was to recover its capital, after deducting the losses which have subsequently accrued. The Committee further maintained, that the Board of Trustees had no right to manage the funds in this blended form; one of the unjust results of which was, that after the assets of some funds were lost and others remained whole, an equal dividend of losses was made. It was believed by the Committee that the stock which was safe, was not justly chargeable with the losses on stock which proved to be bad. The Report of the Trustees of the present year adopts as its basis the distribution of the blended stocks to their several funds on the principle of dividing losses among all the funds, and then giving to each its proportion of the remainder.

The question is, Was the distribution of the property of the Board among the several funds in 1835 an authorized distribution? The Report of 1852 is based upon the assumption that the distribution was by authority.

The report of 1852 is drawn up from the detailed statement entered into a book of the Treasurer of the Corporation. The distribution of the property among the several Trust Funds is recorded from the very beginning, in 1802, when investments were first made. Many new investments were made in 1834 and 1835; and the interest or right of each fund in the new investments is recorded, even to *fractions of shares* of stock. This distribution of the property which, it will be noted, was made before any losses occurred, appears on the book of the Treasurer of the Corporation, which book was furnished to the Special Committee of the Assembly, from the Treasurer's Office. The undersigned believes that this distribution in the Treasurer's book must be taken at this day to have been made and adopted by the Corporation, unless the contrary appears. A Corporation cannot, after so many years, repudiate so important an act as this, recorded by one of its own officers, and acting *prima facie* under its eye and authority. There must be at least some *evidence* that the act was unauthorized. The *onus probandi* is on the other side.

Two facts, undisputed and indisputable, stand in view. First: The Board of Trustees did authorize, and did make a distribution of its funds corresponding in character to that in the Treasurer's book. The Committee of 1854 admit, that "in some of the Annual Reports of the Trustees, *detailed statements of the several Trust Funds* were said to be exhibited." This fact is, indeed, distinctly recorded in the Report of the Trustees, made to the General Assembly in 1836, and found on page 304 of the Minutes, as follows: "A *detailed account* of the several investments of stock and other *securities appropriated to the different funds*, is also furnished." And that these financial exhibits were sanctioned, not only by the Financial Committee for the year, but by the Board of Trustees also, appears from the following additional clause: "*To these exhibits* the Trustees respectfully refer the Assembly for particular information in relation to the state of the several funds under their charge." There can, therefore, be no doubt whatever that a distribution o

the property of the Board among the several Trust Funds was actually made, and *sanctioned by its authority*, as appears by the last resolution.

The SECOND fact is, that a book is now in the Treasurer's Office, which contains a financial exhibit, corresponding in all respects to the references made to it in the Report of the Trustees to the Assembly of 1836. This exhibit, furthermore, was made in the same financial year in which the Report, referring to it, was presented to the Assembly, and it is admitted by all to be in the handwriting of the Treasurer.

These two facts it is very difficult to set aside. The Committee of 1854 state they have made "diligent search" for these financial exhibits accompanying the Reports of the Board; but they have failed to obtain them "either from the Minutes of the General Assembly, or of the Trustees, or from the papers filed." The undersigned respectfully suggests whether there is not a fourth place, where a search might have been advantageously instituted, namely, *among the books of the Treasurer's Office*. The official place of the accounts does actually contain exhibits exactly like those referred to, and they are recorded by the official officer of the Board.

The suggestion of the Committee of 1854, that "the distribution and apportionment of the Trust Funds was probably made by the Treasurer *without the order of the Trustees*," the undersigned, with all due submission to the authority of the honoured members of the Committee, considers entirely untenable in view of the two facts already presented. He will further state, that this distribution is recorded, with every appearance of the same official sanction as all the other recorded transactions. It has its place in a book which contains official reports, balances, certificates of settlements, &c., and is headed "Accounts of the stocks of the Trustees of the General Assembly, May 9th, 1835." If this distribution was "probably made by the Treasurer, without the order of the Trustees," then many other very improbable things are equally probable. Besides, the undersigned would deem it a serious impeachment of the mode in which the Board transacts its business, to suppose that such illegal and impertinent intermeddling of the Treasurer should not only never have been rebuked by the Board, but have been allowed to stand upon its official records, unaltered to this day.

The Committee of 1854 assert that the subsequent distribution of the *income* of the Board on the principle of blended investment, proves that no distribution of the *capital* was made in 1835. This Committee, however, have already admitted that "in some of the Annual Reports, detailed statements of the several Trust Funds were said to be exhibited;" and the Report of the Trustees of 1836 declares that there was attached to it a "detailed account of the several investments of stock and other securities, appropriated to the different funds." The inference of the Committee of 1854, that the subsequent blending of the funds shows that the distribution was without authority, cannot be correct and valid; for the Report of 1836 says that *such a distribution was actually exhibited* to the Assembly in that year, although the income for that year was distributed on the principle of blended investment.

The Committee of 1854 state, that there is no special vote on the minutes of the Board authorizing the distribution on the Treasurer's book. To this objection, the obvious reply is, that the subject was under the control of the Finance Committee and the Treasurer—that the latter was subject to the authority of the former—and that the exhibits made by their joint action were presented to the Board of Trustees, who approved of the whole Report and its documents, and ordered it by a specific vote to be sent up to the General Assembly. The Board thus confirmed the Report of the Finance Committee, and sanctioned the distribution.

The fact that this distribution of the funds among the different trusts was authorized, is further established by the transactions of 1839. In 1839, the Board of Trustees appointed a Committee to ascertain the condition of the funds in the following words: "Resolved, That ——— be a Committee to ascertain and report to this Board what are the funds in the possession or custody of this Corporation; and from what sources, in what manner, and on what trusts the same have been received." This Committee was subsequently "authorized to employ some person to prepare a detailed statement thereof, under the direction of the Committee." The information presented in the elaborate Report, made by this officer, selected by the Committee, who was no other than the *Treasurer himself* (a new Treasurer appointed in 1836,) corresponds with the financial exhibits of 1835, and thus gives the testimony of at least two Treasurers of the Board that the basis of the Report of 1852 is the true one.

The undersigned further states, that the Report and the accompanying exhibits, made by the Trustees in 1836, received the sanction of the Assembly on June 2d of that year.

The Financial Committee of the Assembly reported that they have examined the books of the Treasurer and find them in perfect order, *exhibiting all the different funds of the Church* in a clear and perspicuous manner," &c.; whereupon the Assembly adopted the following resolutions, viz: "Resolved, That the General Assembly *approve the proceedings* of the Board of Trustees, *as detailed in the Report* of May 10th," &c. Even if the distribution, found on the books of the Treasurer of that year, had been an altogether arbitrary one, and originally made by the Treasurer without authority—neither of which suppositions is admitted by the undersigned—yet the General Assembly had a right to sanction that distribution. If the blended funds could not be all distinctly traced, the Assembly had the right *ex necessitate rei* to order an equitable distribution. Such a distribution appears on the Treasurer's book in 1835—it is distinctly alluded to in the Report of the Trustees of 1836—and it was sanctioned by the Assembly of 1836—as has been shown. If these facts are so, then the rights of the *cestuy que* trusts must be held to have VESTED, and cannot now be lightly set aside. Notwithstanding the subsequent blending of the income of funds, it is believed that the Assembly should go back to the distribution, made in 1835, before any losses accrued, and to require that *henceforth* the income be disbursed according to the distribution of the principal of each separate fund, as it then appeared on the books of the Corporation.

The undersigned begs leave to say, in conclusion, that he has no desire to prolong a controversy, which practically makes no very great difference in the amount of the different trusts, however it may be decided. If the General Assembly shall adopt the basis of the Report of the present year, and undo the proceedings of 1852, all parties will probably regard it as a final settlement of the question. In making the statements contained in this paper, the sole object has been to show that the basis of the Report made to the Assembly in 1852, is correct.

If the Report of 1854, controverting the basis of the Report of 1852, is printed in the Minutes of the Assembly, the undersigned, in justice to the former Committee, requests that this paper may go along with it; the Report of 1852 having assumed the distribution of 1835 to be correct, without supposing at that time that there was any necessity for stating the reasons of their opinion.

All of which is respectfully submitted,

C. VAN RENSSELAER,
A Member of the Committee of 1852, and a Trustee of the General Assembly.

Also, Daniel McGilvary, Warren S. Blauvelt, and James M. Chaney, who had not graduated.

The whole number of students, whose names have been on the roll during the whole, or a part of the session, is 107; besides two resident licentiates, who have attended on the instructions of the Seminary.

One student, viz., Alfred Philips, died in the Seminary in the course of the session.

In regard to the religious character and deportment of the students, the Professors reported to the Board, that these have been consistent and exemplary; the meetings for spiritual improvement have been maintained with the usual frequency and seriousness; and some of the students have devoted themselves to the work of Foreign Missions, and others have the matter under prayerful consideration.

The Professors also reported, that "a very unusual number have left the Institution before the close of the present session, which is attributable, in some cases, to a partial failure of health; but in a greater number, to a desire to abridge their course, consequent upon the early period of their licensure, or by encroaching upon the end of the term to gain a larger time for employment yielding pecuniary profit, than the vacation would itself afford."

At the close of the session, the students were examined for a week, in presence of a Committee of the Board. The Committee reported to the Board, that "the examinations were, in the main, well sustained, and so as to reflect credit upon the Professors and their pupils.

Certificates of having finished the whole course prescribed in the Plan were conferred on the following *fourteen* young men, viz:—Andrew H. Barkley, Charles W. Cooper, Charles H. Foote, John C. Graham, John Jones, Ebenezer D. Junkin, William F. Junkin, William Life, Isidor Loewenthal, Joseph H. Mathers, Robert McMullin, Samuel H. McMullin, Andrew B. Morse, and Joseph G. Symmes. The above *fourteen*, who continued in the

Seminary until they had completed the full course of three years, belonged to a class that at one time numbered more than *thirty*.

The Board have to inform the Assembly, that the Rev. Dr. Henry A. Boardman, who was elected by the last General Assembly, Professor of Pastoral Theology, Church Government, and the Composition and Delivery of Sermons, has declined his appointment, and the Professorship is therefore still vacant. The letters of Dr. Boardman, declining the appointment, are herewith laid before the Assembly. In consequence of this declinature, the Board made temporary arrangements for the performance of the duties of the vacant chair. Dr. Hodge has given instruction in Church Government, Professor Green in Pastoral Theology, and the Rev. Dr. Hugh N. Wilson in the Composition and Delivery of Sermons.

The Board, at their present meeting, unanimously passed the following preamble and resolution, viz:

Whereas, The Board have learned that there will probably be a proposition presented to the approaching General Assembly, to limit the Professors in our several Theological Seminaries to the number of *three*,

Resolved, That in the opinion of this Board, the interests of this Seminary require that the number of Professors therein should be *four*.

The Board have also to inform the Assembly, that after deliberate consideration, they resolved to recommend to the Assembly a person to be elected to fill the vacant Professorship, when the Rev. Dr. *Alexander T. McGill* was unanimously recommended.

The Board have only further to report, that the term of office of the following Directors expires during the sessions of the Assembly, viz:

Ministers.	*Ruling Elders.*

George Potts, D. D.	Ebenezer Platt,
John Johnston, D. D.	Ira C. Whitehead.

Respectfully submitted.

Samuel Williams,	"	Washington College, Pa.
Alexander Sinclair,	undergraduate,	Nova Scotia.

Besides these, John Hochuley, graduate of Kenyon College, and connected with Gambier Theological Seminary, and the Protestant Episcopal Church, attended partially to the studies of the senior year.

The highest number on the roll was 54. The highest number in actual attendance during the year, at any one time, was 49.

The following seven students have completed the regular course of studies prescribed, and received the usual certificate awarded to such, viz:—James Caldwell, David Hall, Alonzo Linn, Joseph Mateer, William F. Morgan, James L. Wilson, and W. Swan Wilson.

The Faculty report to the Board, that John M. Barnett, James W. Hanna, Edward H. Leavitt, and Thomas H. Robinson, although enrolled in the senior class, and substantially entitled to credit as regular students, having been absent from actual attendance more than comports with a fair enforcement of rules, are hereby reported as less complete than the foregoing so far as relates to a formal certification.

The students were examined at the close of the year in the presence of a Committee of the Board, who report their approbation of the examinations so far as the time allotted permitted them to be continued, while they regretted, both on account of the Professors and students, that the time did not allow them to be more extended and particular.

The Faculty report that there has been good order, good health, and becoming diligence in study among the students in actual attendance; also considerable interest has existed in missionary inquiry; and several students, we believe, entertain the purpose of giving themselves to the foreign field.

The Faculty again call the attention of the Board to the irregularity of attendance, and frequent interruptions in the studies of the young men in the Seminary, as a great evil, and suggest for their consideration the propriety of a change in the term of study and the length of the sessions, as a remedy for this evil, so as to have the term made six months in the year, and the course protracted to four years, instead of three.

For the views of the Faculty and the action of the Board on this subject, see Records of the Board of Directors.

The Board further report, that the Rev. Alex. T. McGill, D. D., accepted the Professorship to which he was re-elected by the last General Assembly, and entered on his duties at the opening of the term.

During the past year two dwelling-houses for Professors of Theology and Oriental and Biblical Literature, have been erected and paid for, and are now occupied by those Professors, respectively. The means for this improvement have been derived, first, from the sale of a farm in Mercer county, Pennsylvania, which was given by Jas. S. Spencer, Esq., of Philadelphia, for the express purpose of erecting a house for the Professor of Theology, and the following donations, by subscription, viz:—Rev. Dr. Beattie, $1000; Rev. Professor Jacobus, $500; Henry M. Alexander, Esq., John C. Green, Esq., Wilber and Scott, and Mrs. H. E. Beattie, $250 each; Wm. M. Lyon, $100; G. B. Lamar, Rev. Dr. J. C. Lowrie, George P. Smith, G. E. Warner, James Laughlin, Stephen Colwell and George Chambers, each, $50; James Wilson, James P. Wallace, Henry Butler, John Laidlaw, J. H. Shepard, C. H. Rogers, George G. Sampson, D. Kimberly, Rev. Dr. Van Rensselaer, J. N. Dickson, Wm. Dulty, George W. McClelland, B. A. Fahnestock, B. R. Bradford, H. Lee, R. T. Kennedy, T. H. Nevin, Rev. D. E. Nevin, James Park, jr. R. Dalzell, Robert Beer, J. Irwin, jr., H. Irwin, and A. Laughlin, $25 each.

Smaller donations in New York and Brooklyn, amounting to $108. Through Dr. Elliott, $257. Balance by Rev. Dr. Beattie, $685.

Arrangements are being made to erect a dwelling house for the other Professor, and the necessary funds are pledged to meet the expense. The expense of graduation and leveling of the ground (which will be considerable) has been assumed by John T. Logan, Esq.

The most memorable event in the history of the year, was the calamitous conflagration of our edifice, which occurred on the evening of the 23d of January, not only destroying our buildings and almost the whole of our Library, but consuming the furniture and much of the clothing, books &c., of the students.

The loss of property, both to the Institution and individuals, was very great, and equally so the inconvenience. The Board of Trustees immediately took measures, and with other citizens of Pittsburgh and Allegheny, provided by a subscription of more than a thousand dollars for remunerating these losses and inconveniences of the Students and Steward.

Since the destruction of our buildings, the Institution has been generously accommodated by the use of rooms in the basement of the First Presbyterian Church, Allegheny City, for recitation and the accommodation of the Library.

Digitized by Google

The Insurance offices, without difficulty, made arrangements to pay the respective amounts on the building and Library; but this by no means covers our losses or provides for the necessary replacement of property. Appeals were made to individuals and the Churches, which, we trust, are in the way of being met, in many quarters, with considerable liberality. Contracts have been made for the erection of a new edifice on the reserved ground, to contain rooms for recitation, library and some dormitories for the Students; and we hope, in God's good providence, this calamity may be issued in a greater interest for the Seminary among the Churches and enlarged benefactions towards it.

Nothing has been done towards the endowment of a fourth Professorship, nor do we see what provision could be made under present circumstances for the support of an additional Professor, however desirable it might be for the interest of the Seminary.

In addition to the Scholarships reported last year, we have the Ohio Smith Scholarship, founded by the bequest of Mr. Robt. W. Smith, of Fairfield Co., Ohio.

Upon the recommendation of the Committee appointed to revise the Constitution and Plan of the Seminary, after full discussion, it was resolved to recommend to the Synods the following alterations of the Plan, viz:

FIRST ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE DANVILLE THEOLOGICAL SEMINARY, TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH.

Danville, Ky., May 9th, 1854.

The Board of Trustees of this Theological Seminary, in submitting its first Annual Report to the General Assembly of the Presbyterian Church in the United States of America, in the first place, direct the attention of that venerable body to its own order, passed on the 30th of May, 1853, by virtue of which it became the duty of this Board to organize itself, under the charter granted by the Legislature of Kentucky; and also to the eleventh section of said charter—now submitted, along with an amendment thereto, making the charter perpetual—which section makes it the duty of this Board to lay before the General Assembly, at least once every year, an exact statement of the accounts and funds of the Corporation.

On the 25th of February, the amended charter was approved by his Excellency, the Governor of Kentucky; and on the 8th of the next month, (March) the Board of Trustees met in Danville—constituted under the charter—and commenced the regular discharge of its duties.

The Board found the Danville Seminary already organized and in successful operation. It also found two previous charters in existence, both of them of great value, which had already been used for the purposes of Theological Education, by the Synod of Kentucky. The first of these, granted by way of an amendment to the charter of the Centre College of Kentucky, was passed in 1824, and placed no limit to the amount of funds that might be held by that Corporation for Theological Education. Under this charter, the Synod of Kentucky had invested, a number of years after, the sum of $5,500, which sum is still held by that Corporation; and by the agreement of the said Synod, and by virtue of arrangements already perfected, the interest of that fund is to be paid half yearly into the Treasury of this Board, for the use of the Danville Theological Seminary.

The second charter alluded to above, was granted in 1850, to the Trustees of the Theo-

logical Fund of the Synod of Kentucky; and under it that Synod had invested the sum of $21,694, which amount is still held by that Corporation; and by the agreement of that Synod with the General Assembly, already cited, arrangements have been made in regard to the semi-annual interest of this fund, precisely similar to those already spoken of, with regard to the other and smaller fund. It is devoted to the perpetual use of this Seminary.

These two funds were liquidated on the 1st of January, 1854. They amount together to the sum of $27,194, producing an interest of $1,631.64 per year, payable half yearly.

The Boards of Trustees of both the above named Corporations are elected by the Synod of Kentucky. The members of this Board of Trustees are elected by the General Assembly itself; to obtain which result was one great reason for seeking the charter under which this Board acts. The charters of both the other Boards of Trustees are laid before the General Assembly, with the charter of this Board.

It is probable that the greater part of the funds that may be collected directly for the Danville Theological Seminary, if not the whole of them, will be placed in the hands of this Board. The funds formerly collected by the Synod of Kentucky, as above stated, will, it is presumed, remain in the hands of the Corporations heretofore entrusted with them, the interest of them being paid over half yearly to this Board, which will take the immediate management of all other funds and property of the Seminary.

There has been considerable effort made to raise funds in the bounds of the Synod of Kentucky within the year now closing, and that effort has been attended with great success. The following statement will present the actual result, up to this time, in a clear point of view.

1. Funds held by the Synod of Kentucky, before the overture made to the Assembly of 1853, by the Commissioners from Kentucky in that Assembly, to raise $60,000, upon condition of the location of the Seminary at Danville, and its support and control by the Assembly, to wit:

Funds in the hands of the Trustees of Centre College, - - -	$5,500 00
Funds in the hands of the Trustees of the Theological Fund of the Synod of Kentucky, - - - - - - - - -	21,694 00
Total of old Fund, liquidated on 1st January, 1854, and bearing interest from that date, payable half-yearly, - - - - -	$27,194 00

2. Funds raised in Danville and its immediate vicininty, part of the basis of the offer made to the Assembly in 1853, to wit:

Subscriptions partly collected, chiefly reduced to bonds, and bearing interest from September 1, 1853, payable half yearly, - - -	$20,000 00
Stocks, the par value of which is as here stated, but which at present are not productive, being in unfinished public works, - - -	1,600 00
Land, 10 acres in the immediate vicinity of Danville, which can be sold for	2,000 00
Total of Funds collected in Danville and vicinity for the Theological Seminary under the care of the General Assembly - - - -	$23,600 00

3. Funds collected under the effort made through the Endowment Committee of the General Assembly, the general result only being reported to the Board of Trustees, and the work being as yet in an unfinished condition, as will more fully appear by the report of the Endowment Committee to the General Assembly, to wit:

Collections and subscriptions in the bounds of the Presbytery of Louisville,	$9,000 00
Collections and subscriptions in the bounds of the Presbytery of Transylvania, excluding Danville and its immediate vicinity, - - - -	7,075 00
Collections and subscriptions in the bounds of the Presbytery of West Lexington, - - - - - - - - -	6,165 00
Collections and subscriptions in the bounds of the Presbytery of Ebenezer,	3,834 00
Total of collections and subscriptions in those four Presbyteries; the work reported unfinished in them all, and no effort as yet made in the Presbyteries of Muhlenburg and Paducah.	$26,074 00
Making the total funds of the Danville Theological Seminary, as reported through Board of Trustees, - - - - - -	$76,868 00

The precise condition of the Fund of $26,074.00, contained under the third section of the above statement, as to its accruing interest, has not been, as yet, reported to this Board

from the four Presbyteries in Kentucky, in which the whole of it has been secured. Some part has been paid in money; a still larger part in the form of bonds; and a portion, including all the balance, is in written subscriptions.

It is the purpose of the Board to go on, under the charter granted to them by the Legislature of Kentucky, and in obedience to the acts already passed, and such as may be hereafter passed by the General Assembly of the Presbyterian Church, with the collection of funds for the Seminary, until a sufficient amount shall be raised to accomplish in an economical, and yet a complete and permanent manner, the objects contemplated by the Western Synods in seeking from the Assembly the establishment of this Seminary and those designed by the Assembly in its erection. In doing this the Board of Trustees will be happy to co-operate with the Committee of Endowment appointed by the Assembly of 1853, or with any committee, at any time appointed, by any Assembly.

It is proper also to state, that in executing this part of its duty, the Board of Trustees feels that the whole Presbyterian Church is the field open for its efforts; and that, in the terms of the acts of Assembly creating this Seminary, while those churches which lie in the wide region which will be first and most largely blessed by it, may be expected to be most deeply interested in it, yet the prompt and efficient liberality of all the churches under the care of the Assembly may be relied on, in a matter which deeply concerns the whole Church, and which the Assembly declared was undertaken under the manifest leadings of divine Providence. As yet, nothing has occurred to weaken, in the smallest degree, the conviction so strongly felt and so clearly expressed by the Assembly of 1853, that through the blessing of God, "what has been projected can be surely executed." On the contrary, four Presbyteries, in a single Synod, have, within a year, raised about $50,000 for the object; and although this cannot be taken as a sample of what may be expected from more distant Presbyteries, yet we dare to hope, and see no reason to doubt, that it is a true and fair indication of what the Lord will put it into the hearts of his people to do in a work which, according to the deliberate judgment of his Church, so deeply concerns his own glory.

The time which has elapsed since the organization of this Board—about two months only—is too short to have enabled it to gain such an insight into the detail of the expenditure which will be necessary to carry on the Seminary, as would make any regular statement, in the form of an account, possible at this time. The main item of annual expense must always be the salaries of the Professors, to which at present something must be added, for the agencies necessary in obtaining further donations, and collecting subscriptions. Heretofore, the large subscriptions taken up have been secured almost entirely by the official action of the church courts, the voluntary agency of the friends of the Seminary, and the spontaneous liberality of the people of God; and the great liberality of the Board of Trustees of the Centre College of Kentucky, has saved this Seminary much expense, while it furnished its professors and students with conveniences and comforts in the discharge of their duties, without which they would have been extremely embarrassed. Without attempting, therefore, to enter into detail upon this part of the subject committed to this Board, a single statement will place the whole matter clearly before the Assembly. When the Assembly of 1853 met, there was no fund, no charter, no Board, no Seminary; when the Assembly of 1854 met, there was a Seminary, with three teachers, and twenty-four regular students, which had concluded its first year of instruction; there were adequate charters and Boards, and there was a fund of nearly $77,000 secured, and the greater part bearing interest, and there were no debts. Having such a pecuniary position within a year, it would not only be faithless, but childish, to feel serious anxiety about the question of current expense for the future.

The actual condition of the Seminary has obliged the Board of Trustees to make provision for its accommodation, in advance of the erection of permanent buildings for it. It has therefore purchased, in the town of Danville, improved property, very suitable to this object, which can be occupied indefinitely, as the future interests or necessities of the Seminary may require, and which may be sold again, as it is hoped, without loss, whenever the Seminary shall have been provided with those permanent accommodations which form a part of its plan. The funds employed in this purchase, are a part of the funds of the Seminary, and will be returned to those funds when this property is sold: in the mean time, the only loss, even of income—if any—will be the difference between the interest on the cost of the property, and the rent of the rooms occupied by students in it. The aggregate cost of the property, including certain necessary repairs—the exact amount of the latter not being known at present—will come short of $4,000: the facili-

ties afforded, sufficient for the present, and capable of accommodating a class of sixty students, with all public accommodations, and about twenty of them with lodging.

By the 7th section of the charter of the Seminary, this Board of Trustees is empowered to take charge, manage, and dispose of any property or funds committed to them by the General Assembly, for other objects than the Danville Theological Seminary; and in all such cases as fall under this section, the General Assembly has power to give special directions, which this Board is required by its charter to obey, in the management and disposition of everything thus committed to it. In other words, this Board, besides its functions as a Board of Trustees for the management of the special pecuniary interests of the Danville Theological Seminary, is competent to be a Board for the management of any property or fund which the Assembly may see fit to commit to its hands: the Assembly being thus provided, in it, with a perpetual corporation in the West, both special and general in its character.

Acknowledging its entire dependence on God, and offering to the General Assembly its congratulations on the work already accomplished, and the prospect of greater things yet to be achieved, this Board holds itself prepared to attempt, under the general direction of the Assembly, whatever may be thought best, in the promotion of the object, a portion of which has been specially committed to its care.

All which is respectfully submitted.

By order of the Board,

J. T. Boyle, *Secretary.*

REPORT OF THE COMMITTEE OF ENDOWMENT OF DANVILLE THEOLOGICAL SEMINARY.

The Committee appointed by the last General Assembly to take charge of the whole matter of raising funds to endow the Danville Theological Seminary, report as follows:

The Commissioners from the Presbyteries in the Synod of Kentucky, to the last General Assembly, pledged the people and Synod of the State, on condition that the Assembly would establish at Danville a Theological Seminary of the first class, to give the sum of $60,000 towards the endowment of three chairs in the Institution.

The Report of the Trustees of the Seminary, which will be laid before the present Assembly, will show that this pledge has been redeemed by raising a sum which, with funds before secured and now dedicated to this object, amounts to more than $70,000. The amount received under the immediate direction of this Committee, in notes, subscriptions, and cash, amounts to about $27,000.

The agency employed has been voluntary and unpaid, except a single person for a few weeks special service, at a small expense. The effort has been wholly confined to the Synod of Kentucky.

The Synod of Nashville has engaged to raise the sum of $25,000, and instituted an agency to that work, to which this Committee gave its cordial concurrence; but having received no account of its operations, we are unable to report them to the Assembly.

A Board of Trustees for the Seminary, with ample powers, having been created by the Legislature of Kentucky, we respectfully suggest that this Committee be discharged, after having settled its accounts with the said Board, and that the further work of endowment be committed to that Board.

In behalf of the Committee,

W. L. Breckinridge, *Chairman.*

REPORT OF THE COMMITTEE ON THE CHARTERS, COVENANTS, &c., RELATING TO THE DANVILLE THEOLOGICAL SEMINARY.

The Committee appointed by the General Assembly of 1853, consisting of the undersigned, along with Thomas W. Bullock, Benjamin Warfield, Richard Pindell, James Matthews, J. Wood Wilson, John A. Lyle, and John D. Matthews—any three of whom were authorized to act as a quorum—has, in obedience to the order of the Assembly passed on the 30th of May, 1853, executed the whole of the duties required by said order; and now submits the statements which follow, as a succinct account of its proceedings:

1. On the 30th of June, 1853, four members of this Committee, along with three members of the Board of Trustees of the Centre College of Kentucky, acting as a Committee appointed by that Board, executed and signed an agreement between that Corporation and the General Assembly, agreeably to the terms of the order, under which the Committee of the Assembly was appointed. That agreement has been ratified by the Board of Trustees of the College, and by the Synod of Kentucky, under whose care the said College is conducted, and it is now laid before the Assembly for its approval. It will be seen that it secures very important advantages to the Danville Theological Seminary; and that, on the other side, the interests of the College, which are likely to be promoted by the said agreement, are interests which the General Assembly earnestly desires to promote.

2. On the 12th of October, 1853, three of the four members of the Committee of the Assembly, who had executed in its name the agreement alluded to in the last preceding paragraph, acting with a Committee of four members of the Synod of Kentucky, appointed by that venerable Court, then in session, executed and signed an agreement between the General Assembly and that Synod, in the terms of the order of the General Assembly; which agreement was ratified by the said Synod, and it is now submitted to the Assembly for its approval. It will be seen that this agreement puts at the disposal of the Assembly, upon the terms stated in its own acts of 1853, touching the Danville Theological Seminary, two important charters, and a large sum of money, (*about* $27,000) for the perpetual use of said Seminary.

3. On the 28th of January, 1854, the Governor of the Commonwealth of Kentucky approved the charter granted by the Legislature of that State; and on the 25th of February, 1854, he approved the amendment to said charter passed by said Legislature; both of which were obtained by said Committee of the Assembly, under the order already several times alluded to; and which charter and amendment thereto are now submitted to the Assembly for its approval. This charter is of the most extensive and liberal description, and when taken in connection with the two which are mentioned in the two preceding paragraphs, leave the Assembly nothing to desire in the way of legal facilities for carrying on, not only the Danville Theological Seminary, but other great enterprises, to which the Assembly may see fit to direct its efforts in any portion of the Church.

4. On the 8th of March, 1854, the Board of Trustees created by the Legislature of Kentucky, as stated in the last preceding paragraph, following the order passed by the Assembly on the 30th of May, 1853, met, constituted, and took charge of the funds collected for the Danville Theological Seminary; a result which the previous agreements between the Committee of the General Assembly and the Trustees of Centre College, and the Synod of Kentucky, herein before explained, had greatly simplified and facilitated.

5. As the Assembly's Committee on the Endowment of the Danville Theological Seminary, and also the Board of Directors and the Board of Trustees of that Seminary, will, no doubt, each report to the General Assembly of 1854, it is the less necessary for this Committee to go beyond the line of its immediate duty, in making any general statements in regard to the result of its several efforts herein before set forth. It may not be out of place, however, to state, that besides what has been done in the actual organization of the Seminary, the aggregate of collections and subscriptions of all sorts, taken up for it within a year, in the State of Kentucky, and which will pass almost entirely into the hands of the last named Board of Trustees, amounts, at present, to about $49,000, exclusive of the $27,000 before alluded to.

6. This Committee, in giving account of its proceedings according to the order of the Assembly, and having fully executed the duties with which it was charged, has only to add further, that so great has been the goodness of God towards them in the work upon which they were set, that they have encountered no serious difficulty, or even delay; but found the greatest readiness of mind, and the fullest providential preparation of all things, to accomplish the wishes and purposes of the Assembly.

R. J. Breckinridge, *Chairman of the Committee.*

AGREEMENT BETWEEN THE SYNOD OF KENTUCKY AND THE GENERAL ASSEMBLY.

Extracts from the Minutes of the Synod of Kentucky, in session at Danville, October 12, 1853.

The joint Committee on behalf of the Synod of Kentucky and the General Assembly, then presented their report, which was received, approved, and is as follows, viz:

The joint Committee of the Synod of Kentucky and the General Assembly of the Presbyterian Church of the United States of America, to arrange the terms and conditions on which the General Assembly can use and enjoy, on its own behalf, and for the purposes of the Theological Seminary, under the care of the Assembly, lately established at Danville, the charters, franchises, funds and benefits of whatever kind, held and enjoyed by said Synod, under the laws of the Commonwealth of Kentucky, or by the Trustees of Centre College of Kentucky, which college is under the care and patronage of said Synod, or by the Trustees of the Theological Fund of said Synod, have agreed and covenant as follows, viz:

1. The inducement on the part of the Synod to all its covenants, stipulations, and acts in the premises is, that the General Assembly, on its part, will in good faith establish, endow, and control a Theological Seminary of the first class, in the town of Danville, in Kentucky, or in its immediate neighbourhood, and one great part of the inducement on the part of the General Assembly to select Danville as the place for the establishment of the new Seminary, was the pledge made on its behalf, that many and important facilities could be offered to the new Institution by means of the charters, franchises, and funds, held by said Synod, or for its use and benefit, and that the sum of $60,000 would be provided by said Synod, or within its bounds, towards the endowment of said Seminary.

2. The Synod ratifies and confirms the agreement entered into on the 20th of June, 1853, between the Committee of the General Assembly and a Committee of the Board of Trustees of Centre College, and all the parts thereof, which agreement was subsequently ratified by the said Board of Trustees, and which said agreement is appended to this agreement, and is made, in its terms, a part hereof; the Synod of Kentucky placing the Theological Seminary, established by the General Assembly at Danville, with reference to all the Theological funds held and which may be hereafter held by the Board of Trustees of Centre College for the use of theological education, collected by or under the authority of said Synod, and with reference to the charters and franchises of said College, precisely on the same footing as if the said Synod had established the said Seminary, and transferring to the said General Assembly the exclusive right to appoint Theological Professors, so far as it is held under the charter of said College by said Synod.

3. The Synod agrees that the whole amount of funds, now held by the Trustees of the Synodical fund and all subsequent additions to that fund, shall be held for the use and benefit of the new Theological Seminary, established by the General Assembly at Danville; and it directs the Trustees of the fund to collect all the debts due to them, and to secure all the subscriptions and payments made to them, and to invest, according to their best discretion, all the capital now and hereafter in their hands, in such safe, productive, and permanent manner as may seem best to them, from time to time, and to pay over the whole income of all such funds half yearly, for the benefit of said Seminary, in the manner hereinafter agreed on and directed.

4. The Trustees of Centre College of Kentucky shall liquidate and settle the theological fund, heretofore and now in their hands, on the 1st day of January, 1854, and thereafter consider and treat as capital whatever amount may be in their hands, and all the interest and income of that fund accruing thereafter shall be paid half yearly, according to the directions of the General Assembly, for the support of said Seminary, as the said interest and income may accrue. And as additional funds are collected by said Trustees, they shall be added to the capital of said Theological fund, reserving, however, so much as may be needful, in addition to the income of all the funds belonging to said Synod and said new Seminary, to pay the salaries of the Professors therein, and to pay the necessary current expenses of said Seminary. And the Trustees of the Theological fund of the Synod shall liquidate the funds in their hands, on the said 1st day of January, 1854, and shall thenceforth consider and treat as capital the whole amount in their hands at that time, and shall consider and treat as capital all new subscriptions and payments hereafter made to them. But the interest accruing on all the funds in their hands, after said 1st day of January, 1854, shall be paid half yearly, according to the directions of the General Assembly, for the support of said Seminary at Danville. And any funds that may

be received by them, after said first of January, 1854, which is interest on unpaid subscriptions, and not the principal of said subscriptions, shall be considered and used as income, and not as capital.

5. The Synod of Kentucky accepts the obligations involved in the overtures laid before the last General Assembly, by the Commissioners in that body, from the Presbyteries in the bounds of this Synod, and will, with God's aid, perform them all, relying on the good faith of the whole Church, to perform on its part, the corresponding obligations resting on it.

AGREEMENT BETWEEN THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH AND THE TRUSTEES OF CENTRE COLLEGE.

Report of a Committee of the Board of Trustees of Centre College and of the General Assembly, adopted June 30th, 1853.

The undersigned, acting as a Joint Committee, one portion of whose members has been appointed by the General Assembly of the Presbyterian Church in the United States of America, and the other portion appointed by the Board of Trustees of the Centre College of Kentucky, after mutual conference, agree upon the following particulars, as embracing the matters requiring to be settled for the benefit of the Theological Seminary established in Danville by the said Assembly:

1. It is agreed, that said Board of Trustees will hold and manage whatever funds, bonds, stocks, or moneys may be placed in their hands, for the benefit of said Theological Seminary, faithfully for the uses thereof, according to the terms of the charter of said College, and the several amendments thereto, and according to the wishes of said General Assembly, from time to time, legally made known, either by the direct action of said Assembly, or by any authorized Committee, Board of Directors, or Board of Trustees thereof.

2. The present fund, held by said Board of Trustees, called the Theological Fund, and all additions that may hereafter be made to that particular fund, shall be held and managed according to the terms or the intent of the foregoing resolution—the said fund, described in this section, having been contributed and paid under the procurement of the Synod of Kentucky.

3. The public buildings belonging to the said College, in the town of Danville, shall be subject to the use of said Theological Seminary, until proper buildings for said Seminary can be erected, under the general superintendence of the Faculty of said College, so far as may be practicable, without interfering with the interests of the College itself, or the comfort of the teachers and students thereof; and the Professors and pupils of both institutions shall be entitled to use the libraries of both of them, on terms of mutual accommodation; and any of the pupils of said Theological Seminary who may desire to do so, shall be allowed to attend upon any of the regular classes and instructions of said College, so far as the public accommodations of said College will permit, free of all charge for instruction during the time of their actual connection with said Seminary.

4. The inducement, on the part of the said Board of Trustees to enter into this agreement, is the confident expectation that the General Assembly aforesaid will go on in good faith to endow and sustain a Theological Seminary of the first class, in the said town of Danville or its immediate vicinity.

5. This agreement is to be of force as soon as it is ratified by said Board of Trustees, and thenceforward till the Synod of Kentucky shall either ratify or reject it. If ratified by said Synod, it shall thenceforward continue in force till the General Assembly aforesaid shall either ratify or reject it. If said Assembly shall ratify it, it shall thenceforward be of perpetual obligation, subject to alterations by the mutual agreement of the said General Assembly and the said Board of Trustees of the Centre College of Kentucky.

6. The Committee, on behalf of said College, is to seek the ratification hereof by said Board of Trustees, and both Committees are to seek the ratification of it by the said Synod and the General Assembly. So that the whole matter, if approved by those bodies respectively, may be finally accomplished with the least practicable delay.

FIRST ANNUAL REPORT OF THE BOARD OF DIRECTORS OF THE THEOLOGICAL SEMINARY AT DANVILLE, KENTUCKY.

The Directors of the Theological Seminary at Danville, Kentucky, respectfully present to the General Assembly their first Annual Report, as follows:

Pursuant to the order of the last General Assembly, the Board of Directors convened in Danville, Kentucky, on the first day of September, 1853. The Board was organized by the appointment of the usual officers. Letters were received from the brethren who were appointed to the several Professorships by the Assembly. The Rev. R. J. Breckinridge, and the Rev. E. P. Humphrey, signified their readiness to accept, and the Rev. P. D. Gurley, and the Rev. B. M. Palmer, their purpose to decline their several appointments. On the 13th day of October following, the two first named brethren were inaugurated in the usual form, to the Professorships assigned them by the Assembly.

For the vacant department of Oriental and Biblical Literature, the Directors made

such arrangements as secured the service, for the year, of the Rev. Joseph G. Reasor, of the Presbytery of New Lisbon, Ohio, who has discharged his duties to the entire satisfaction of the Board. At the recommendation of the Professors, the Board have continued this appointment until the further order of the Board or of the General Assembly, affixing thereto the compensation of $1,000 per annum.

The vacant department of Church Government, Pastoral Theology and the Composition and Delivery of Sermons, has been supplied by the incumbent Professors, so that a full course of instruction, in all the departments, has been given, so far as practicable, in a single session.

During the year twenty-four students have matriculated, viz:

Robert V. Moore, Resident Licentiate from the Cincinnati Theological Seminary.
J. J. Wheat, from Princeton Theological Seminary.
John N. Young, do. do. do.
William W. Duncan, from New Albany Theological Seminary.
David R. Todd, from Cincinnati do. do.
John Hunter, graduate of Centre College,
Samuel McKee, do. do. do.
Chas. W. Price, do. do. do.
J. C. Randolph, do. do. do.
O. T. Rogers, do. do. do.
S. De Soto, do. do. do.
S. H. Stevenson, do. do. do.
William P. Lemaster, from Hanover College.
James McKee, do. do. do.
Daniel P. Young, do. do. do.
W. Harrison Honnell, from Miami University.
Joseph H. Marshall, do. do. do.
W. S. Doak, from Tusculum College.
George Frazer, from Jefferson College.
Joseph L. Hendrich, from Montgomery Masonic College.
G. M. Miller, from Muskingum College.
W. R. Milsaps, from Ia. Asbury University.
James W. Bulloch, from Richland Academy, Kentucky.
John L. Smith, from Danville, Kentucky.

Besides these, a few other candidates for the Ministry have been permitted to take particular portions of the course, without matriculation.

As to the method of instruction adopted in the Seminary, the Faculty report to the Directors that the word of God is made the most prominent text-book in every department; the object being to enable the pupils to ascertain what is revealed in the Bible, and to make them as familiar as possible with its contents. With the Professor of Didactic Theology, the class has read select portions of the Gospels and Epistles in the original text. With the Professor of Church History, they have read in the Greek text the larger part of the Acts of the Apostles, and the historical portion of the Epistles; and with the Teacher of Biblical Literature, portions of the historical, poetical, prophetical and doctrinal Scriptures, in the original text of both the Old and New Testaments. In all the instructions given in the Seminary, the Scriptures have held the central point.

The Faculty further state, that with one partial exception, connected with a single study, there has been no division of the students into classes, but all of them have been taught together as one class, as in all schools of the other learned professions. Every student attends every Professor at every public exercise; the only exception being, that in the Hebrew language they have been divided from necessity, into two sections. By this arrangement, not only is every student brought under the instruction of every Professor, from the beginning to the end of his course, but the students who are commencing their course are brought into daily association and contact with those who are advanced in their professional study. The plan affects fundamentally, and as the Faculty believe, every way beneficially, the method of teaching, the course of studies, the question of text-books, and the general character of the Institution itself, as a place of the professional education of candidates for the Ministry.

The Board take pleasure in stating to the General Assembly, that the Professors have laboriously and faithfully discharged their duties in their respective departments, and have also afforded instruction in the vacant Chairs, with great ability and acceptance. The Board feel it due to the Professors, to state that they have given entire satisfaction to all concerned.

A number of the Directors attended the examination of the students which has just occurred, and are not only gratified at the evidence furnished by this examination of the truth of all which we have stated above, as to the ability and faithfulness of the Professors, but they feel constrained to express their gratitude to the great Head of the Church, for the unparalleled success which has thus far, by his gracious blessing, attended our new institution.

The Faculty report the deportment of the students to have been, without exception, exemplary; and they have given profitable attention, not only to study, but to the means instituted in the Seminary for spiritual improvement. They have prosecuted extensive inquiries into the subject of missions, Foreign and Domestic, and some of them have already consecrated themselves to the work of Foreign Missions.

The citizens of Danville have, by their kindness and hospitality, contributed greatly to the comfort of both the Faculty and their pupils.

Mr. William W. Duncan of Missouri, and Mr. W. S. Doak of Tennessee, have completed the prescribed course of study, and have been licensed to preach the gospel, by the Presbyteries to which they belong.

The brethren who were elected by the last Assembly, one as Professor of Oriental and Biblical Literature, and the other as Professor of Church Government, Pastoral Theology, and the Composition and Delivery of Sermons, having declined their appointments, it appertains to the present General Assembly to supply instruction in those departments.

The Board acknowledges the donation to the Seminary of books for the Library, some of them of great value, from the Rev. Dr. Van Rensselaer, Rev. B. M. Hobson, Rev. J. R. Lyle, Rev. R. V. Moore, Dr. W. L. Dutton, and Mr. A. Davidson, and from the Board of Publication a full set of their books. The Board has not yet been able to obtain the books and funds which were tendered to the last General Assembly, for the use of this institution, by the Board of Directors of the Cincinnati Theological Seminary.

The endowment of the Seminary has proceeded during the year with energy and success; though as yet the efforts made have been confined entirely to the State of Kentucky. There will no doubt be laid before the Assembly, a report from the Board of Trustees of the Seminary, lately chartered by the Legislature of Kentucky, and other reports from the several Committees upon the Seminary appointed by the Assembly last year, to which this Board refers the Assembly for complete information on this important point. It is, however, most gratifying to observe, with what earnestness and liberality our brethren in Kentucky have addressed themselves to the great work of building up this important institution, and how promptly and fully they have redeemed every pledge made to the last General Assembly in their name. There can be no doubt of the duty of the whole Church to come to the aid of these brethren, in a spirit corresponding at once to the Christian liberality they have manifested, and to the pledges and undertakings of the Assembly of 1853. Nor do we allow ourselves to doubt that it will be done. Certainly this Board will feel it to be one of its highest obligations to exercise all the powers vested in it by the Assembly, in the execution of that great object, as the Board of the whole Church, striving to found and manage an institution belonging in the fullest sense to the Church.

The 20th day of September, 1854, is the time fixed for opening the next session.

The Board have only further to report, that the term of office of the following Directors expires during the session of this Assembly.

MEMORIAL OF THE MINISTERS IN WASHINGTON, GEORGETOWN, AND ALEXANDRIA.

To the General Assembly of the Presbyterian Church of the United States:

The undersigned memorialists, ministers in Washington City, Georgetown, and Alexandria, respectfully represent:

That, in their belief, the interests of Christianity require a speedy completion of the Metropolitan Church recommended by several preceding General Assemblies.

The City of Washington has constantly a floating population, unusually large in proportion to the resident inhabitants. It includes our rulers, on whom the public destinies of the nation depend. These, with many others, attracted by business or pleasure, constitute a numerous and important class, strongly affecting our moral atmosphere, and yet not interested to sustain our local institutions. Could the veil be withdrawn from around them, it would be seen how many are on the edge of a precipice, led by those who aim at selfish ends. Removed for months together from the protection of *home influences*, they are a conspicuous mark for evil agencies gathered from the whole country. Whatever this Republic can supply for moral injury, comes to us intensely concentrated under the threefold pressure of ambition, avarice, and worldly dissipation.

So far as the poison takes effect, it is on the heart's blood of the nation. It is on persons whose social or political standing makes their example, both here and at home, of very serious moment. Thus the religious and moral interests of our city are eminently national, and justly claim national sympathy and support.

The people of Christ, in Washington, are much less wealthy than an equal number of equally intelligent Christians in other flourishing cities. Many of them live on limited salaries. Exposed to risk of removal from office, those whom we call resident, often regard this city rather as a transient, uncertain abode, than as their home. It is neither possible nor natural for them to erect churches for visitors. But one church in our connection here has strength for efficient self-support; the other two ought rather to receive than give assistance. Yet, in our weakness, under an imperative sense of the call for more churches, we wish to establish two, additional to the Metropolitan, in destitute parts of our city. This, with the support of existing churches, is more than enough to exhaust our ability.

Great as is the need of providing for so many, and such, strangers, and unable as we are to make this provision, the project of the Metropolitan Church came to us from abroad. We appreciate the kindness of the movement, but it will be for our deep injury if not efficiently executed. It was a step which, once taken, can never safely be delayed. Our character is largely at stake. It is now to be seen whether, in this capital, we represent a Church hasty in resolving, feeble in action, or one which wisely counts the cost and unflinchingly executes its plans.

Our whole Church is on trial, in this regard, before the country; but we in Washington must bear the heaviest evil from delay. Others act with great success, whilst we move slowly. Our Methodist brethren formed a similar plan, after ours. Many of their ministers made and redeemed pledges to raise certain sums, and thus, we understand, have secured $30,000 out of $50,000 needed.

A good lot has been obtained, well situated for strangers, and also for a local congregation. Many of our communion worship with others from want of such a church in that vicinity.

Every one of us regards the interests of our churches in this city as involved in the speedy completion of this scheme. Confiding in the guidance of our Divine Saviour, we can see a safe and practicable action which will make the enterprise a great aid to our entire cause in Washington.

We, therefore, ask that you will adopt whatever measures may best lead to the speedy completion of the Metropolitan Church.

THE PRESBYTERY OF BALTIMORE TO THE GENERAL ASSEMBLY.

The Presbytery of Baltimore respectfully ask leave to lay before the General Assembly the following statement of their views in reference to the erection of a new church building in the city of Washington.

This subject has been so long before the Assembly and the Church, that the Presbytery do not feel it to be necessary to say anything as to the circumstances which gave origin to the enterprise; but they have reason to believe that serious misapprehensions have existed, and do exist, in regard to the animus of the movement. It has been suggested by some, that it was merely a Church Extension scheme for the city of Washington; that the Presbyterian people of that place were anxious to have a church which would give them greater prominence alike before the permanent and the floating population, but were unwilling to contribute the amount of money required for the purpose, and therefore appealed to the *esprit du corps* of the Church at large. These apprehensions are without foundation. It is not denied, but on the contrary urged, in the appeals heretofore made by this Presbytery and its representatives to the Assembly, that the interests of the cause in that city demand the erection of such a building; but it is not true that the people are unwilling to contribute according to their ability, or that the advantages of a new church, such as the one proposed, would accrue exclusively to themselves. It is well known that a very large proportion of the people of Washington live on stated salaries, on incomes which do not rise and fall with the fluctuations of the market; that these salaries are not only fixed, but small, and, consequently, that in the majority of instances, they furnish a bare support, leaving no surplus to be devoted to an enterprise like this. They who know the Presbyterian people of that city, and what they have done towards extending the denomination within their own borders in the last two or three years, know that their backwardness in this business has not been the result of a want of will. The same considerations go to show that the advantages of the proposed church would not belong exclusively to themselves. The very fact that the population is, to so large an extent, fluctuating, is proof of the importance of the enterprise. The minister of Jesus Christ in that city, though *settled* over a particular congregation, really, in some sort, exercises an *itinerant ministry;* he is stationary, but his congregation is itinerant; so that all the churches in the country have an interest in this matter. We say nothing as to the probable influence of a strong spiritual church, under a faithful and able ministry, upon the different branches of the Government.

Again, it has been suggested that the Presbyterian people of Washington did not want another church at all, even if the Church at large were willing to build it; and that the friends of the enterprise had, without sufficient reason, encroached upon a sphere which did not belong to them. In regard to this, the Presbytery take pleasure in stating that the ministers, elders, and people in the District of Columbia (as will appear from their own statement addressed to the Assembly,) are all united as one man in this cause; and if their ability were equal to their zeal, the Assembly would only be asked to rejoice with them over the completion of the work.

It may also be added, that it is not the intention of the friends of the enterprise to make this church a theatre for the display of the abilities of the great men in the denomination, or a "tabernacle," in which strangers only, or chiefly, are expected to worship, as some brethren seem to fear. It is to be a regularly organized, self-sustaining church, upon the same general plan with the other churches of the city, with greater and more careful provision for the accommodation of transient persons.

So much the Presbytery deem it necessary to say, in bringing this subject again to the notice of your venerable body, and in once more invoking your approbation and the exercise of your great interest in its behalf. Your first action in the premises, at your sessions in Richmond in 1847, gave an impetus to other denominations, and the brethren of the Methodist Episcopal Conference are actually building their house. The Presbytery are assured that the hinderances in the way of a warm and general interest in the enterprise are not insuperable; that they arise, for the most part, from misconception and mistake; and with this assurance, they throw themselves and this cause, with confidence, once more upan the candid consideration of their brethren.

By order of the Presbytery.

R. C. GALBRAITH, *Stated Clerk of Baltimore Presbytery.*

REPORT OF THE CHURCH EXTENSION COMMITTEE OF THE CITY OF WASHINGTON.

The Church Extension Committee of the City of Washington beg leave to make the following report to the General Assembly of the Presbyterian Church:

At its sessions in Charleston the General Assembly adopted the following minute:

"*Whereas*, it is very important to the interests of our whole Church in this land that our doctrine and order be well and respectably maintained at the Seat of Government, and that our cause there keep pace with the growing population of the Metropolis, and

Whereas, on the account of the absence of local wealth, the fluctuating character of a large portion of its population, the consequent want of the usual local incentives to Christian enterprise, and other obstacles peculiar to the Capital of our elective Republic, it cannot be expected that funds adequate to the erection of suitable churches can be procured in that city, therefore

Resolved, 1st. That it be recommended to the Presbytery of Baltimore to appoint suitable persons resident in the District of Columbia to act as a Committee of Church Extension for the City of Washington.

2*d*. That it be hereby recommended to all the pastors and churches in connection with the Assembly to take up a collection in aid of this object on some Sabbath in the month of October next, and transmit the same to the Treasurer of the Church Extension fund, to be paid over by him to those appointed by the Presbytery of Baltimore to take charge of this enterprise, so soon as the work shall have been begun."

Your Committee, appointed in accordance with the former of these resolutions, directed its first efforts to preparing the churches for the October collection. Accordingly they published in the *Presbyterian*, and other newspapers, the recommendation of the Assembly, together with a full statement of the grounds on which they held its observance to be in the highest degree important. They also published in the form of a circular a more succinct statement to the same effect, which was sent to the pastors and vacant churches of our denomination throughout the Union, with the request that it should be read from the pulpits. A letter was also addressed to the Stated Clerk of each of the Presbyteries, asking him to call the attetion of the Presbytery to the subject at its autumnal meeting. Finally, an urgent request was transmitted to some one minister of influence in every Synod, begging him to secure, if possible, due attention to this matter in his own region of country.

Notwithstanding all this, collections were made in but a small number of churches, and amounted altogether only to about twenty-three hundred dollars, ($2300.) Convinced that there existed at this stage of proceedings very valid objections to the employment of a salaried agent, the Committee requested two of their own body to visit the cities of New York and Philadelphia, in behalf of the enterprise. The request was acceded to, and resulted in securing some six thousand five hundred dollars, ($6500,) in addition to what had been already raised through the more spontaneous action of the churches.

Such were our circumstances at the meeting of the last General Assembly. In the discussion of the subject before that body, far the greater number of speakers advocated with warmth the prosecution of the work to its accomplishment. More than once it was intimated, that had the views of the Committee been more enlarged, had they looked forward to the erection of a more costly and imposing edifice, less difficulty would have been found in raising the necessary funds. By a very large vote the Assembly renewed its expression of approbation, and its recommendation of the work to the liberality of the churches. It also directed the Committee "to appoint a suitable agent or agents forthwith to raise a sum not less than fifty thousand dollars for the erection of such a house of worship." It was likewise resolved, "that the Committee be requested to purchase the most eligible site for a church to be found in the City of Washington, as soon as in their judgment it be expedient." Acting upon the last of these resolutions, your Committee have, with great care, and after frequent conferences and examinations of the ground, agreed upon a site, (with a house upon it renting for $500,) which has been secured at a cost of nearly twenty-seven thousand dollars, ($27,000.) Well situated with respect to the principal hotels and public buildings, beautiful, elevated and commodious, it may be safely declared to combine greater advantages than any other lot in the whole city.

With respect to the collection of funds, far less has been done since the meeting of Assembly than your Committee had hoped to effect. Feeling the importance of securing for the agency the services of a tried and efficient man, soon after the rising of the Assembly we made application to the Rev. Thomas P. Hunt. That gentleman informed us that as

soon as an engagement with the Trustees of Lafayette College should be terminated, he would be ready to enter upon the proposed work. The West, from which we had received many flattering assurances of interest, was assigned to Mr. Hunt as his field of operations. Various hinderances prevented him from entering on his agency until about the commencement of winter. At last accounts he had collected ———, and with the aid of several brethren, whose assistance as voluntary agents he had secured, he had made arrangements to revisit and present his cause in some cities, which, on first visiting them, he had not found prepared to do anything.

The Rev. Mr. Major was employed for some months in visiting the churches of Huntingdon and Carlisle Presbyteries. His reception, however, was not as cordial as might have been hoped, and his collections were small.

In the course of the past winter, one of the members of our body visited New York, but not finding the churches of that city then prepared to make such contributions as he deemed essential to the success of the enterprise, he declined to present the object.

Another member of the Committee is now engaged in prosecuting the work in Baltimore.

The whole contributions made thus far to this object, amount, as nearly as we can ascertain, to about fifteen thousand dollars, ($15,000,) including collections taken up in some sixty of our Presbyteries, and largely upwards of one hundred of our churches, some of them among the feeblest and most distant of our body. The whole cost of the proposed edifice, with the lot already secured, cannot fall much, if at all, short of sixty thousand dollars, (60,000).

In these circumstances your Committee would respectfully urge upon the Assembly the adoption of some measures through which, if possible, the completion of this important work may be effected.

THE CONTINGENT FUND.

There is still a necessity for calling the particular attention of the Churches and Presbyteries to this Fund. The expenses for which it provides are indispensable, not only to the vigorous working, but to the maintenance of our ecclesiastical organism. And in this certainly every church, and every member of the church, will feel an interest.

TO THE STATED CLERKS OF SYNODS.

It is the duty of the Stated Clerks of the respective Synods to send up to the Stated Clerk of the General Assembly an annual report, stating, in brief, the number of Presbyteries, ministers, churches, licentiates, and candidates, within their bounds, and particularly all changes which may have been made in the arrangement of Presbyteries. By the Assembly of 1841, (see p. 425,) it has been made their duty also to transmit to the Stated Clerk of the Assembly the time and place of meetings of their respective Synods.

THE STATED CLERKS OF PRESBYTERIES

Are earnestly requested,

1. To make their Annual Reports to the Assembly, if they have no printed blanks, after the form on page 238 of these Minutes. Blanks can always be obtained on application to the Stated Clerk.

2. To make their Reports in fair, distinct writing, especially the columns of figures.

3. To make them as accurate and full as possible. If, in any instance, churches do not report to Presbyteries, it is desirable that their number of communicants should be inserted from their last report.

4. To report *no cents*. The Assembly has so ordered. If therefore they are reported, the Stated Clerk of the Assembly is obliged to throw them out altogether, or to incorporate them with the dollars. This costs him a serious amount of labour, to which he ought not to be subjected.

5. To *add up* each column of figures with care. Many still neglect this, and thus oblige the Clerk of the Assembly to do what they should do themselves.

6. To append to the statistics of Presbyteries a brief account of changes which have occurred during the year, such as the *number* of licensures, ordinations, installations, dismissions of pastors, organization of new churches, and the names of ministers deceased.

7. To transmit their Reports to the Stated Clerk, either at the meeting of the Assembly, or to Philadelphia, not later than the first day of June.

REGULATION RESPECTING THE MINUTES.

Adopted by the Assemblies of 1836 *and* 1837, *and directed to be republished in the Appendix to the Minutes.*

"Each Presbytery shall forward to the Treasurer, for the *Contingent Fund* of the Assembly, at or before the meeting of the Assembly in each year, a sum equal to *fifty cents* for each member of the Presbytery, and for any licentiate or other person who shall desire the Minutes, and whose post-office address shall be given. And the Stated Clerk shall not forward the Minutes to the members of any Presbytery from which no such remittance shall be made, but only to the Stated Clerk of such Presbytery, and to such members as shall forward the sum above stated.

REGULATION RESPECTING THE MINUTES.

Adopted by the Assemblies of 1836 *and* 1837, *and directed to be republished in the Appendix to the Minutes.*

"Each Presbytery shall forward to the Treasurer, for the *Contingent Fund* of the Assembly, at or before the meeting of the Assembly in each year, a sum equal to *fifty cents* for each member of the Presbytery, and for any licentiate or other person who shall desire the minutes, and whose post-office address shall be given. And the Stated Clerk shall not forward the Minutes to the members of any Presbytery from which no such remittance shall be made, but only to the Stated Clerk of such Presbytery, and to such members as shall forward the sum above stated."

In addition to the above, where copies are sent by mail, *five cents* additional must be forwarded to pre-pay postage.

THE CONTINGENT FUND.

There is still a necessity for calling the particular attention of the Churches and Presbyteries to this Fund. The expenses for which it provides are indispensable, not only to the vigorous working, but to the maintenance of our ecclesiastical organism. And in this certainly every church, and every member of the church, will feel an interest.

TO THE STATED CLERKS OF SYNODS.

It is the duty of the Stated Clerks of the respective Synods to send up to the Stated Clerk of the General Assembly an annual report, stating, in brief, the number of Presbyteries, ministers, churches, licentiates, and candidates, within their bounds, and particularly all changes which may have been made in the arrangement of Presbyteries. By the Assembly of 1841, (see p. 425,) it has been made their duty also to transmit to the Stated Clerk of the Assembly the time and place of meetings of their respective Synods.

THE STATED CLERKS OF PRESBYTERIES

Are earnestly requested,

1. To make their Annual Reports to the Assembly, if they have no printed blanks, after the form on page 474 of these Minutes. Blanks can always be obtained *gratis* on application to the Stated Clerk.

2. To make their Reports in fair, distinct writing, especially the columns of figures.

3. To make them as accurate and full as possible. If, in any instance, churches do not report to Presbyteries, it is desirable that their number of communicants should be inserted from their last report.

4. To report *no cents*. The Assembly has so ordered. If therefore they are reported, the Stated Clerk of the Assembly is obliged to throw them out altogether, or to incorporate them with the dollars. This costs him a serious amount of labour, to which he ought not to be subjected.

5. To *add up* each column of figures with care. Many still neglect this, and thus oblige the Clerk of the Assembly to do what they should do themselves.

6. To append to the statistics of Presbyteries a brief account of changes which have occurred during the year, such as the *number* of licensures, ordinations, installations, dismissions of pastors, organization of new churches, and the names of ministers deceased.

7. To transmit their Reports to the Stated Clerk, either at the meeting of the Assembly, or to Philadelphia, not later than the first day of June.

Dr. Thornwell, at his own request, was excused from serving as first of the Committee on the Narrative, and Dr. James Smith was appointed in his place.

On motion, it was ordered, that half an hour of this and of every morning, during the sessions of this body, be given to devotional exercises, under the direction of the Moderator.

The Annual Report of the Board of Foreign Missions was presented, in pamphlet form, by Mr. Lowry, and referred to the standing committee on this Board.

On motion, it was made the order of the day for Saturday morning next, at ten o'clock, to receive the report of the Board of Education; for Monday next, at the same hour, the Board of Domestic Missions; for Tuesday morning next, at the same hour, the Board of Foreign Missions; and for Wednesday next, at the same hour, the Board of Publication.

The Assembly then proceeded to appoint the time and place for the meeting of the next General Assembly. The First Presbyterian Church in the City of New York was chosen unanimously as the place, and the usual time appointed.

On motion, the name of Hiram Ayres for that of James N. Dickson was substituted, at the request of the latter, on the Committee on Finance.

On motion of Dr. E. C. Wines, it was

Resolved, That the Judicial Committee be instructed to inquire into the expediency of some action looking to the relief of the General Assembly in the trial of judicial cases, whether such action be the appointment of a Commission, to hear and issue such cases, or the adoption of an overture, to be sent down to the Presbyteries for their judgment upon such a plan, or action of some other kind, and to report to the Assembly at as early a day as practicable.

Reports from the Presbyteries on Systematic Benevolence, in pursuance of the action of the last General Assembly, were called for, and referred to a special committee, consisting of Messrs. Thornwell, Backus, Fine, and Carter.

On motion of Mr. Fine, it was

Resolved, That the Rev. Dr. Boardman be requested to furnish a copy of his sermon at the opening of the Assembly, to the Board of Publication, with the recommendation of the Assembly that the Board issue the same in such form as they may think proper.

Dr. Wilson, from the Committee to appoint Delegates to Corresponding Bodies, reported, in part, that the Rev. H. G. Comingo, as principal, and the Rev. Robert Davidson, D. D., as alternate, be appointed to attend the next meeting of the General Synod of the Reformed Dutch Church. The report was adopted, and the committee directed to inform these brethren of their appointment.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock. Closed with prayer.

SATURDAY MORNING, May 19.

The Assembly met, and was opened with prayer.

After a season of further devotional exercises, the minutes of the preceding day were read and approved.

The following additional Commissioners appeared and were enrolled, viz. James M. Harlow, Minister, from the Presbytery of Buffalo City; J. G. Shipman, Ruling Elder, from the Presbytery of Newton; J. W. Blythe, Minister, from the Presbytery of New Brunswick; William Wilson, Ruling Elder, from the Presbytery of Raritan; Joseph G. Bearly, Ruling Elder, from the Presbytery of New Brunswick; John Sailor, Minister, from the Presbytery of Erie; Edward Taylor, Ruling Elder, from the Presbytery of Cincinnati; S. R. Alexander, from the Presbytery of Vincennes; James Blake, Ruling Elder, from the Presbytery of Indianapolis; Henry M. Bacon, Minister, from the Presbytery of Crawfordsville; H. B. Gardiner, Minister, from the Presbytery of Dane; William Sheets, Ruling Elder, from the Presbytery of Muncie; Jacob Winters, Minister, from the Presbytery of Greenbrier; B. M. Smith, D. D., Minister, from the Presbytery of Lexington; A. McCallum, Ruling Elder, from the Presbytery of East Mississippi; and John Edwards, Minister, from the Presbytery of Indian.

The Rev. Jacob Cummings also appeared, with credentials as Delegate from the General Association of New Hampshire.

The Committee on Elections reported that they had satisfactory evidence that the Rev. Charles Huntington, of the Presbytery of Susquehanna, and Mr. E. A. Moore, Ruling Elder, of the Presbytery of Miami, who appear without regular commissions, were duly appointed by their respective Presbyteries, and recommended that their names be enrolled. The report was adopted.

Dr. Boardman, from the Committee on Bills and Overtures, returned to the Assembly a large number of memorials, placed in the hands of this committee, on the subject of Church Extension, designated as Overture No. 1, and recommended that the same be referred to the Standing Committee on the Board of Missions.

Also, that Overture No. 2, being a memorial from the Presbytery of Cedar, on the subject of providing proper religious education for our German population, be referred to the Standing Committee on the Board of Education.

Also, that Overture No. 4, from the Presbytery of Cedar, on the inade-

quate salaries of our Domestic Missionaries, be referred to the Standing Committee on the Board of Missions.

The report was adopted, and these papers were accordingly transferred.

Overture No. 5, from the Presbytery of South Alabama. In April, 1854, this Presbytery received, on probation, the Rev. William Meikle, previously a member of the Presbytery of Kirkaldy, Scotland. After due examination, Mr. Meikle was authorized to supply for twelve months the pulpit of the Third Church in Mobile. At the close of this period he was further examined by the Presbytery; his credentials were found to be in order; his ministrations were highly acceptable to the congregation; and the Presbytery, with a view to his reception into their body, directed his papers to be laid before this General Assembly, in conformity with the requisitions of our Book. By some casualty these papers have been lost or mislaid; and the Presbytery asks leave, nevertheless, to receive Mr. Meikle.

The Committee on Bills and Overtures, while aware of the jealousy with which the Assembly has always guarded the reception of foreign ministers, are satisfied, from the documents submitted to them, that the Presbytery has proceeded in this matter with due caution, and that their application ought to be granted. It is recommended, therefore, to the Assembly, that they be allowed to receive Mr. Meikle. Adopted.

Overture No. 3, from the Synod of Cincinnati, as follows: "Does the language of the Book of Discipline, Chap. vii. Sec. 4, imply, that when notice of complaint is given to a judicatory of the Church, *reasons* for such complaint must be given, as in the case of appeal."

A majority of the committee recommend that the question propounded in the overture be answered in the affirmative. The minority are of the opinion that it should be answered in the negative.

It was moved that the Assembly sustain the answer of the majority in the affirmative.

Pending a discussion on this motion, the order of the day for 10 o'clock was announced by the Moderator and taken up by the house.

Dr. Van Rensselaer then presented the Annual Report of the Board of Education, which being read, was referred to the Standing Committee of this Board.

Dr. Lapsley, from the Committee on Devotional Exercises, presented a report, which was adopted.

Dr. Lacy, from the Judicial Committee, reported Case No. 1, the complaint of James Russell against the Presbytery of Flint River and the Synod of Georgia.

The Committee report, that the case has already been adjudicated by the General Assembly, in Philadelphia, in the sessions of 1853, and cannot properly come again before *this* body; and therefore recommend that the case be dismissed, and the papers be returned to Mr. Russell. Adopted.

Case No. 2, the complaint of the Rev. Charles Yale, against the action of the Synod of Alabama.

The Committee report, that the complaint of Mr. Yale was prepared for, and should have been addressed to the last General Assembly; that it was unaccompanied with any of the proceedings of the lower court, and is, of course, not in proper order for the action of this Assembly. The Committee therefore recommend that the case be dismissed, and the papers be returned to the complainant. Adopted.

Mr. Gildersleeve, from the Committee on Elections, reported, that they have satisfactory evidence that O. M. Hoagland, a Ruling Elder, from the Presbytery of Schuyler, was regularly appointed, though present without commission, and recommend that his name be enrolled. Adopted.

The Rev. B. M. Smith, D. D., was added to the Committee on Systematic Benevolence.

The Assembly then resumed the consideration of Overture No. 3, relating to the interpretation of the book respecting the requisition of reasons, as well as notice, on the part of complainants, to the court below.

The motion to answer the Overture in the affirmative, was carried.

The Assembly then adjourned, to meet on Monday morning at 9 o'clock. Closed with prayer.

MONDAY MORNING, May 21.

The Assembly met, and was opened with prayer.

After the appointed season of devotional exercises the house proceeded to business.

The minutes of the preceding session were read and approved.

Additional Commissioners appeared, and were enrolled, viz.

A. Tanner, Ruling Elder, from the Presbytery of Erie; Ezra Howe, Ruling Elder, from the Presbytery of Ebenezer; Thomas Elcock, Minister, from the Presbytery of Findlay; W. Addison Smith, Minister, and R. F. Urquhart, Ruling Elder, from the Presbytery of Western Texas.

Mr. C. A. Spring was added to the Committee on Systematic Benevolence.

Dr. Boardman, from the Committee on Bills and Overtures, offered the following resolution, which being amended, was adopted, and is as follows, viz.

Resolved, That in order to secure more completeness and accuracy in the statistics of the Church, it be enjoined upon the Presbyteries, wherever practicable, to require the sessions of the churches under their care to send in their sessional reports at the spring meetings of the Presbyteries, and that said Presbyteries also require their respective Stated Clerks to prepare their reports to the General Assembly, and read them in Presbytery, for sanction and approval. Adopted.

Dr. Lacy, from the Judicial Committee, reported Case No. 3, the application of James Martin, a foreign licentiate, to be received under the care of the Second Presbytery of Philadelphia.

The Committee recommend to the General Assembly, to grant leave to the Second Presbytery of Philadelphia to take under their care Mr. James Martin, whose papers are all regular and in order. Adopted.

Dr. Boardman, from the Committee on Bills and Overtures, reported Overture No. 11, from the Church of Paris, Illinois, viz. "When a congregation and minister agree on the amount of salary to be paid and received, and both parties being fully satisfied, request that the pastoral relation be constituted, according to the order of the Presbyterian Church, has Presbytery the right to refuse to install, because, in their judgment, the salary is insufficient?"

The Committee recommend that this Overture be answered in the affirmative.

On motion, this report was put on the docket.

Mr. Banks offered the following resolution, which was seconded and adopted, viz.

Resolved, That the Rev. Dr. Rice is hereby requested to furnish a copy of the discourse which he delivered in this church on the evening of the 17th instant to the Presbyterian Historical Society, to the Board of Publi-

cation, with a recommendation that it be published by that Board; and that the Stated Clerk be directed to communicate this resolution to said Board.

The Committee on the Records of the Synod of Wheeling, reported, recommending that they be approved. Adopted.

The order of the day for 10 o'clock having been called, Dr. Musgrave presented the Annual Report of the Board of Missions, which, being read, was referred to the Standing Committee on this Board.

Dr. Wines, from the Standing Committee on the Board of Education, reported a series of resolutions, which, being amended, were adopted, as follows, viz.

1. *Resolved*, That the Assembly has heard, with emotions of fervent gratitude to God, of the prosperity which has attended the operations of the Board during the past year; that our joy, in view of the increased number of candidates for the ministry, is proportioned to the sorrow felt in former years at the smallness of the numbers reported as seeking this holy office; and that we offer solemn thanksgiving to the Head of the Church for these gracious tokens of his favour.

2. *Resolved*, That while all suitable scriptural efforts should be made to enlighten the young men of the church on the nature and importance of the Christian Ministry, and so to direct their thoughts to that field of labour, yet our Presbyteries ought to use great care in requiring of their candidates such gifts of intellect, learning, piety, and aptness to teach, as give reasonable assurance of usefulness in the sacred calling.

3. *Resolved*, That as the knowledge of God is almost the only knowledge that men cannot do without, so religious instruction is almost the only kind of instruction that may not be excluded from our schools, it being "the end of learning to repair the ruins of the fall, by teaching to know God aright, and out of that knowledge to love him and obey him;" that, therefore, the General Assembly reaffirms its approval, so often expressed in former years, of the policy of the Board in reference to the establishment of Christian schools, academies and colleges.

4. *Resolved*, That this General Assembly, in recommending the establishment of institutions under its own care, has never intended to depreciate truly Christian schools, academies or colleges under private, corporate, or State management, but cordially acknowledges and welcomes them as co-partners in a great work, and invokes the blessing of God upon their instructions. And although the public schools are far from being what they ought to be, in respect to religious teaching, yet, instead of the withdrawal of Presbyterians from the support of the public system, the General Assembly recommend the putting forth of earnest efforts, wherever practicable, to improve their condition; especially by keeping in the public schools the Bible, as the great text-book of human instruction.

5. *Resolved*, That the Presbyteries be reminded of the increased wants of the Board, and the necessity of increased contributions to meet them, and that they be requested to adopt such measures for the accomplishment of the end in view as to them may seem proper.

6. *Resolved*, That the General Assembly has a high appreciation of the importance of infant baptism as an ordinance of God and means of grace, and enjoins it upon the Pastors and Elders of our Churches to enlighten Christian parents on their duty and privilege, and to use all proper means to induce them to dedicate their offspring to God in this holy sacrament. Further, the Assembly earnestly calls the attention of the lower judicatories to the relation of baptized children to the Church, and recommends to Church Sessions to maintain a Christian watchfulness over these lambs of the

flock, and to use faithful and affectionate efforts to bring them to the Communion of the Church.

7. *Resolved*, That the Assembly has full confidence in the efficacy of prayer, and therefore, while it would exhort the members of all the churches under its care to "pray without ceasing," that "the Lord of the harvest would send forth labourers into his harvest," it appoints the last Thursday of February, eighteen hundred and fifty-six, to be observed as a day of special prayer for the outpouring of the Spirit on our youth and baptized children, more particularly those who are under instruction in our various institutions of learning, and recommends that public services be held in all our churches on that day.

Dr. Silas M. Andrews was substituted for Dr. James Smith, as chairman of the Committee on the Narrative, at the request of the latter.

On motion, it was made the first order of the day for to-morrow (Tuesday) afternoon, to hear the Delegates from the General Association of Massachusetts.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

MONDAY AFTERNOON.

The Assembly met, and was opened with prayer.

Dr. Backus presented memorials from ministers and ruling elders in the Presbyteries of Baltimore and Carlisle, one signed by 16 ministers and 9 ruling elders, the other by 13 ministers and 22 ruling elders, remonstrating against the organization of the Synod of Baltimore by the last Assembly, and praying this body to rescind that action, or modify it. Papers to the same effect, from the Synod of Philadelphia and the Presbytery of Philadelphia, were read. Mr. Henry presented, from the records of the Synod of Baltimore, and from those of the Presbytery of Baltimore, countervailing memorials and protests, which were also read; and, on motion, these papers were all referred to a Special Committee of nine, who were subsequently designated by the Moderator, viz: Messrs. Charles Phillips, Krebs, Stuart Mitchell, Lapsley, Van Doren, Paull, Edward Taylor, Blake, and Spring.

The order of the day having been called, the Rev. Jacob Cummings, from the General Association of New Hampshire, addressed the Assembly, and the Moderator responded.

Dr. Boardman, from the Committee on Bills and Overtures, reported

Overture No. 9, from David McCord: "What action should be taken with a member of the church, who is in regular standing in the communion of the church, but who does not contribute any or his just and proper proportion, according to his ability, for the support of the gospel, and for the defraying of the incidental expenses of the church?"

The Committee recommend that the Assembly answer, it is deemed inexpedient to prescribe any imperative directions on this subject; and it is left to sessions and Presbyteries to act at their discretion on cases as they may arise. Adopted.

Overture No. 12. From the Rev. Angus Johnson: "Are not baptized persons who are regular attenders and supporters of the church, entitled to vote for ministers, in accordance with our Form of Government, Chap. xv. Sec. 4, though not regular members?"

The Committee recommend the following answer, viz.

The Form of Government (Chap. xv. Sec. 4), leaves it to each congregation to prescribe the qualifications of electors in the choice of a pastor, subject only to the *limitation* imposed in the following paragraph:

"In this election, no person shall be entitled to vote who refuses to sub-

mit to the censures of the church, regularly administered; or who does not contribute his just proportion, according to his own engagements, or the rules of that congregation, to all its necessary expenses."

It accords with the general spirit of our system, and is, in the nature of the case, proper and important that all communicants in good standing, and baptized persons having attained their majority, who "do not refuse to submit to the censures of the church," should be allowed to vote in their respective congregations, in the election of pastors. And the General Assembly recommend that this usage be adopted.

Pending a discussion on this report, a motion to adopt, another to amend, and another to postpone indefinitely, the hour of adjournment having arrived, the Assembly adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

TUESDAY MORNING, May 22d.

The Assembly met, and was opened with prayer, and a continuance of devotional exercises for half an hour.

The minutes of the preceding day were read and approved.

Mr. George T. Taylor, ruling elder, from the Presbytery of Mohawk, appeared, and was enrolled as an additional Commissioner.

The Moderator announced that the Rev. D. V. Smock was substituted for the Rev. D. Coulter on the Standing Committee on the Board of Missions, at the request of the latter.

Dr. Lacey, from the Judicial Committee, reported Case No. 4—the referference of the resolution of Dr. Wines, instructing the committee to inquire into the expediency of some action looking to the relief of the General Assembly, by the appointment of a Commission, or otherwise. The committee deem it unconstitutional for the General Assembly to appoint a Commission, and inexpedient to send down an overture to the Presbyteries to that effect; and they further report, that it is inexpedient to attempt any innovation upon the long established procedure of the Church in judicial cases.

Mr. Gildersleeve, on behalf of the majority in this committee, presented and read to the Assembly a paper embodying their views; and Mr. Fine, on behalf of the minority, presented and read another paper.

On motion of Dr. Plumer the whole case was made the first order of the day for to-morrow (Wednesday) afternoon.

Dr. Jacobus, from the Committee on Foreign Correspondence, presented the following report, which was accepted and adopted, viz.

No. 1. Whereas it has come to the knowledge of your committee that a courteous and Christian letter was received last year from the Waldensian Synod and was by some means left unanswered by our last Assembly:

Resolved, That this Assembly send greeting to our brethren of the Waldensian Synod, and do hereby express our cordial interest in their evangelical work, and our tender sympathy with them in their trials, giving thanks to God and the Father on their behalf, joying and beholding their order and the steadfastness of their faith in Christ, and praying always earnestly for their Christian unity and enlargement more and more.

2. That their letter addressed to us at the last General Assembly, and by some inadvertence of their committee passed by, be answered.

3. That the Rev. George Potts, D. D. of New York, be authorized to lay

before our brethren, in person, this expression of our fraternal confidence and regard.

Paper No. 2. On the paper from the Synod of Cincinnati, asking the General Assembly to resume the correspondence with the Presbyterian Church of Ireland, which was dropped by our last Assembly, the committee report, that they have no new facts before them, nor even the letter which our last Assembly declined to answer. They, therefore, recommend no action at this time.

The same report covers the paper from the Presbytery of Chillicothe, calling for the re-opening of all the foreign correspondence which has been closed by previous Assemblies.

Dr. Wines, from the Standing Committee on the Board of Education, reported on the memorial from the Presbytery of Cedar, respecting theological education for Germans in the German language.

On motion of Dr. Jacobus, the report was recommitted to the same committee.

On motion of Dr. Krebs, the following resolution was adopted, viz.

Resolved, That the impersonal method of keeping the minutes of the General Assembly be discontinued, and that, in accordance with the general usage of deliberative bodies, the Clerk hereafter record the names of the movers, with the resolutions and other papers inserted in the minutes.

Mr. Warren, from the Standing Committee on the Board of Foreign Missions, submitted the following report, which was accepted; and after addresses by Messrs. Lowrie and Warren, was adopted, viz.

The committee, to whom was referred the report of the Board of Foreign Missions, having examined the report, recommend to the Assembly that it be approved, and printed for circulation.

They would also recommend the adoption of the following resolutions, embodying subjects suggested by the report:

1. *Resolved*, That this Assembly desires to express the unabated interest of the Church in the work of Foreign Missions; still to approve the principles on which this work has been carried on by the Executive Committee and officers of the Board; and to render to our Divine Master sincere thanks for all the encouragements that have attended it, during the past year, in connection with the Missions.

2. *Resolved*, That we are especially bound to be grateful for the degree of interest felt on this subject by the churches, as manifested by the support the Board has received during a year of financial embarrassment, the donations from the churches having largely increased, when no collecting agents were employed.

3. *Resolved*, That while the Assembly are encouraged by the advance of the spirit of evangelization, which is the spirit of Christ, thus exhibited by the churches, they are still grieved to recognize, in the absence of contributions, year after year, from many churches, the evidence that much is yet to be done to secure for the foreign missionary cause a proper place in the hearts of the people of God. Out of our 2976 churches only 1357 have reported collections for this cause.

4. *Resolved*, That it is the duty of every Christian in our communion to work for foreign missions; and that, therefore, our pastors and church sessions will have failed in their duty until an opportunity shall have been afforded to every member of our churches to aid this cause.

5. *Resolved*, That the present remarkable state of the countries in both Europe and Asia, calls loudly upon us to extend greatly our operations for the evangelization of the world; because our opportunities and means are the measure of our duty.

6. *Resolved*, That, in order to enlarge our operations among the Indian tribes of North America, an opportunity for doing which has been so graciously afforded us, the Board be authorized and encouraged to employ such additional assistance as the exigencies of this branch of the missionary work may require.

The committee would also recommend the following resolution for adoption by the Assembly:

Resolved, That this Assembly rejoices in what God has wrought for and by the ancient and honoured Church of the Waldenses; and, regretting that there is still lacking the sum of $7000, of the $20,000 which it was intended to raise in this country for the Theological Seminary of that Church, recommends the completion of that scheme to the benevolence of all our people, especially to those to whom God has entrusted abundant means.

The unfinished business, Overture No. 12, relating to the qualifications of voters for pastors, was then taken up, on motion of Dr. Boardman; the question being on indefinite postponement, Dr. Boardman offered the following amendment:

"In adopting this minute, the Assembly designs no reference to the case of those persons, not members of the church, who contribute to the expenses of the congregation, agreeably to the section just quoted."

The Moderator ruled this motion out, as not in order. Mr. Banks then asked leave to withdraw his motion to postpone indefinitely the whole subject, which was granted. Dr. Wines offered a substitute, which was not admitted as in order. Mr. Fine then moved to lay both the report of the Committee and the amendment of Dr. Plumer on the table, with a view to take up as a substitute the proposition that the Assembly answer the overture simply in the affirmative. This motion was carried, and the question came up on this substitute. Dr. Plumer moved that the overture and other papers before this body on the subject of persons having a right to be electors in the choice of a pastor, be referred to a committee of three, who shall report to the General Assembly of 1856. Dr. Patterson moved to lay the whole subject on the table. Before this motion was put to a vote, the House adjourned, to meet this afternoon at 3½ o'clock.

Closed with prayer.

TUESDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Rev. T. Thayer appeared with credentials as delegate from the Evangelical Consociation of Rhode Island.

The first order of the day was called, and the Rev. Messrs. Sabin and Storrs, from the General Association of Massachusetts, and the Rev. T. Thayer, from the Evangelical Consociation of Rhode Island, addressed the Assembly, and the Moderator responded.

The Rev. L. Sabin then took leave of the Assembly.

On motion of Dr. Van Rensselaer, the Rev. Alfred Hamilton was invited to address the Assembly in relation to the Ashmun Institute, under the care of the Presbytery of New Castle.

Dr. Plumer then offered the following resolutions, which, after addresses by Messrs. Plumer, B. M. Smith, Boardman, and Wilson, were adopted, viz.

Resolved, That this General Assembly has heard with pleasure of the design and practical effort on the part of the Presbytery of New Castle to establish a school in which coloured young men of piety may receive a thorough classical and theological education, fitting them for the work of the

ministry and for teaching among the destitute thousands of this country, and the millions of Africa.

Resolved, 2. That we regard this work as an important preliminary work, aiming at the highest good of the African race, wherever found; and hereby express our cordial approbation of it, and recommend our churches cheerfully and liberally to co-operate in this work of faith and labour of love.

Dr. Backus, from the Standing Committee on the Board of Missions, presented a report, which was read and accepted. The part relating to Church Extension, was, on motion of Mr. Robertson, made the second order of the day for to-morrow morning. The other part, relating to the work of missions particularly, was adopted, after a motion of Dr. Plumer was carried, to strike out from the annual report of the Board so much as relates to a division of the funds now raised for Foreign Missions, at the monthly concert of prayer. This paper thus adopted, is as follows:

1. *Resolved*, That this General Assembly has reason to express profound gratitude to Almighty God for the success with which he has been graciously pleased to crown the efforts of our Church in the prosecution of this most important and interesting work. Notwithstanding the past year has been one of uncommon commercial embarrassment and extensive failure of the crops throughout the country, which has affected nearly all benevolent operations, yet the receipts of the Board have been but very slightly diminished; and the Board has been able to increase the number and enlarge the salaries of its missionaries. And the Great Head of the Church, while granting no little encouragement to nearly all our missions, has visited many of the churches under the care of the Board with special outpourings of the Holy Spirit.

2. *Resolved*, That this Assembly would express their approbation of the faithful, judicious and efficient execution, on the part of the Board and its officers, of the important trusts committed to them; and they would call the attention of the Presbyteries and churches to the earnest appeals made in the Report in favour of a more diligent and liberal co-operation in this great work. No cause has a stronger claim upon the Christians of this land, with its immense territory and rapidly increasing population, than that of Domestic Missions. The Assembly is pained, therefore, to learn that 1546 of our churches—more than one-half—still withhold their contributions from this important work.

3. *Resolved*, That this Assembly approve of the conduct of the Board in increasing its appropriations to its missionaries, and while they earnestly desire that the present scale should be continued, and even increased, yet they cannot recommend such an anticipation of funds as would involve any large debt at the close of the year; but they would urge the Board and the Presbyteries to renewed efforts to bring out the liberality of the churches, that while graduating their appropriations according to their receipts, they may still further increase them, that thus our missionaries may be relieved of many of those privations they have endured, and their efficiency and usefulness be greatly increased.

The Assembly, moreover, would embrace this opportunity to urge upon all our churches to cherish a deeper sense of their responsibility in this matter, and systematically to contribute of their substance to meet the increasing demands of our country and the world.

4. *Resolved*, That Rev. John A. McClung be appointed to preach the next Annual Sermon before the Board, and H. M. Robertson be his alternate.

It was made the first order of the day for to-morrow morning, along with

the election for members of the Board of Foreign Missions, to elect members to fill vacancies in this Board; and nominations were made accordingly.

The Committee on the Records of the Synod of South Carolina reported, recommending that they be approved. Adopted.

Dr. Wines, from the Standing Committee on the Board of Education, reported, again, on the Overture from the Presbytery of Cedar, on the education of German students for the ministry: that the Committee regard said Overture as asking the Assembly to establish a College or Theological Seminary, or both; and they recommend the adoption of the following resolution, viz.

Resolved, That the General Assembly, with cordial respect towards the petitioners, deem it inexpedient to undertake the work suggested.

A motion was made to adopt this report; and before it was put to a vote, the house adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

WEDNESDAY MORNING, May 23.

On motion, this resolution was referred to the Committee on Systematic Benevolence. And Mr. Van Doren was added to this Committee.

Mr. Strahan, from the Committee on the Records of the Synod of Cincinnati, reported, recommending the approval of the same, with exceptions. This report was docketed.

On motion of Mr. Benjamin T. Phillips, it was made the first order of the day for to-morrow afternoon, to hear reports from all the Committees on Synodical Records that have not yet reported.

The order of the day for 10 o'clock was then called, and the Annual Report of the Board of Publication was presented and read by the Corresponding Secretary, Mr. Schenck; and on motion, referred to the Standing Committee on this Board.

Dr. Lacy offered the following resolutions, which were unanimously adopted, viz.

Resolved, 1st. That the General Assembly have heard of the sudden illness of the Rev. Dr. Lindsley, a member of this body, with deep interest and sorrow.

2d. That the Moderator and Dr. Plumer be, and they are hereby requested to visit Dr. Lindsley and his afflicted family, at their earliest convenience, and assure them of the profound sympathy of the Assembly, in this dispensation of Providence, and of their earnest prayer for his recovery, and for their spiritual support and consolation.

Dr. Thornwell, from the Committee on Systematic Benevolence, presented and read a report, which was accepted, and put on the docket.

The second order of the day for this morning—that part of the report of the Committee on the Board of Missions which relates to Church Extension—was called up, and read: whereupon,

Dr. Plumer moved that the report be recommitted to the same committee,

with instruction to substitute a Fifth Board, to be located in the city of St. Louis; instead of a committee, as recommended in the present report.

An extended discussion ensued, in which Messrs. Plumer, B. M. Smith, Backus, Fine, Cowles, and Robertson, participated, until the hour of adjournment. Before the house adjourned, it was

Resolved, On motion of Dr. Boardman, to change the regular times of meeting and adjournment, to 9 in the morning for meeting, and 12 for adjournment; 4 P. M. for meeting, and 6½ for adjournment.

The Assembly then adjourned to meet this afternoon, at 4 o'clock.

Closed with prayer.

WEDNESDAY AFTERNOON.

The Assembly met, and was opened with prayer.

Mr. Senour, from the Committee on the Records of the Synod of Georgia, reported, recommending that they be approved to page 269. Adopted.

Mr. Berryman, from the Committee on Finance, presented the following report, which was accepted and approved.

The Committee on Finance, to whom has been referred the report of the Treasurer of the Trustees of the General Assembly, respectfully report, that they have examined the accounts of the Treasurer, and found them correct, leaving a balance in his hands on the first day of the present month, of $3097.71, and recommend that the same be approved.

On page 25 of the Minutes of the General Assembly of last year, we find that a Special Committee was appointed to repair the losses of the various trust funds which occurred in former years. What plans have been adopted for this purpose, are unknown to this Committee.

The Committee would further report that the Trustees have complied with the requirements of the last General Assembly, instructing them to open a new set of books for the purpose of keeping more accurate separate accounts of the different trust funds under their charge.

Dr. Steel, from the Committee on Theological Seminaries, presented and read a report on the various reports from the Theological Seminaries, referred to them; which was put on the docket.

The first order of the day was taken up—the report of the Judicial Committee, No. 4, on the resolution of Dr. Wines, relating to the appointment of a Judicial Commission.

The papers from the majority and the minority, respectively, were read.

Dr. Wines offered as an amendment to the motion to adopt the report of the Committee, the following resolution:

Resolved, That so much of the report of the Judicial Committee on the subject of a commission for the trial of judicial cases as affirms that such a commission is contrary to the constitution of the Presbyterian Church, is not approved by the General Assembly.

An extended discussion arose, in which Messrs. Wines, Fine, and Plumer participated, and the amendment was lost by a large majority; whereupon,

On motion of Dr. Krebs, the whole subject was indefinitely postponed.

The unfinished business, relating to Overture No. 12, on the qualifications of electors for pastors, was then taken up.

The question being on the motion of Dr. Patterson, to lay the whole subject on the table, this motion was carried, by a vote of 108 to 81.

Dr. Dumont moved that the Assembly adjourn on Saturday evening next.

After some discussion, this motion was laid on the table.

Mr. Carter, from the Committee on Mileage, made a report, which was accepted and approved.

The amount for the Commissioners' Fund, paid into the treasury, is $451.81. The number of miles travelled by Commissioners applying to this fund, is 10,631, allowing 4½ cents per mile.

The Permanent Clerk, from the Committee on Commissions, announced that D. Monfort, minister, from the Presbytery of Indianapolis, and Samuel Lowes, ruling elder, from the Presbytery of Huntingdon, have appeared to-day, and are enrolled as additional members.

Also, that the Rev. Robert P. Lee, D. D., Delegate from the General Synod of the Reformed Dutch Church, had appeared, with proper credentials.

Dr. Samuel Wilson requested, for reasons which he gave to the Assembly, that the officers of the Synod of Pittsburgh be authorized to change the place of meeting appointed by that body for next fall. The request was granted.

It was moved by Dr. B. M. Smith and Mr. Erskine, that the Assembly reconsider the vote, striking out the part of the Report from the Board of Missions which proposed a division of the funds collected at the monthly concert.

The Assembly refused to reconsider.

An invitation to the members of the Assembly was presented, through Mr. Putnam, from the officers of the Tennessee and Alabama Railroad, to take an excursion on this road, at such time as may suit the convenience of the body.

On motion of Dr. Krebs, the thanks of the Assembly were voted for this courtesy, and the matter was committed to Messrs. Putnam, Alexander, and Winters, to consider it, and report to the House.

The unfinished business, relating to Church Extension, was made the first order of the day for to-morrow morning.

On motion of Dr. Boardman, Overture No. 11, relating to the power of a Presbytery to refuse to install a minister, when it is deemed that the salary is insufficient, was taken up from the docket.

The Assembly answered this Overture in the affirmative.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

THURSDAY Morning, May 24.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer; Dr. Boardman presiding, in the absence of the Moderator through indisposition.

The Minutes of the preceding day were read and approved.

Mr. B. C. Swan, from the Committee on the Records of the Synod of Indiana, reported, recommending them for approval.

This report was adopted.

The unfinished business, relating to Church Extension, was then taken up, the question being on the motion of Dr. Plumer, to recommit the report of the Committee on this subject, with instructions to substitute a Fifth Board, to be located in the city of St. Louis.

A motion by Mr. Findlay, to lay it on the table, was lost.

Discussion was continued by Messrs. John A. Steel, Coe, Van Rensselaer, Gladney, Beach, Candee, Herron, Ewing, and S. R. Wilson.

The Permanent Clerk reported, that Mr. H. A. Crane had appeared, as a Ruling Elder, from the Presbytery of Georgia, and was enrolled as an additional Commissioner.

The regular time having arrived, the Assembly adjourned, to meet this afternoon at 4 o'clock.

Closed with prayer.

THURSDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The first order of the day was called—reports from the Committees on Synodical Records.

The Records of Albany, Allegheny, Ohio, Virginia, North Carolina, Illinois, New York, Memphis, Nashville, and New Jersey, were approved without exception.

The Records of Northern India, Northern Indiana, Texas, Arkansas, Pittsburgh, Pacific, Mississippi, Iowa, and Buffalo, were reported as not sent up for review, and the respective committees were discharged.

Mr. Erskine, from the Committee on the Records of Buffalo, reported, that according to their information, these records have not been sent up for three years.

The Records of the Synod of Kentucky were approved, with the exception that there does not seem to be uniformity of action respecting members not punctual in attendance; some appearing on the third day of their sessions, were permitted to take their seats without assigning reasons for late attendance, while others were required to assign reasons—pp. 164, 165, and 84.

The Records of the Synod of Baltimore were approved, with the exception, that it does not appear the required notice and injunction were given, when the Synod was about to sit in a judicial capacity.

Mr. Woodbridge, from the Committee appointed to examine them, reported as another exception, that the parties to an appeal were allowed to remain in the house while the members expressed their opinion and the final vote was taken.

This exception was, on motion of Dr. Backus, stricken out.

After an extended discussion, in which Messrs. Backus, Hays, Woodbridge, Plumer, Krebs, Van Rensselaer, Van Doren, S. R. Wilson, Samuel Steel, and Dumont participated, the records of the Synod of Cincinnati were approved, with the following exceptions, viz.

1. On page 315, the Judicial Committee is said to report on a case of complaint, but the report is not put on record; and the Synod decide that the complaint is not properly before them, without giving the reasons for such decision.

2. In regard to the case presented in these minutes, (page 312,) with reference to the doctrine of the Atonement, which seems to have occasioned much discussion in the Synod, and which gave rise to various papers which are spread on its records, this Committee is of opinion that any action of the Assembly touching the Minutes of the Synod, ought to be considered as leaving the Assembly wholly uncommitted as regards the entire action of the Synod in this matter.

The Records of the Synod of Philadelphia were approved, with the exceptions:

1. In Judicial Case No. 2, (pp. 242 and 243,) the act or decision of the Presbytery complained of, is only alluded to, not stated.

2. The reasons upon which the decision of the Synod in the case was based, are not given, as required by Dis., Chap. iv. Sec. 28, (see p. 246.)

The Records of the Synod of Alabama were approved, with the following exceptions, viz.

1. There is no evidence in the action of the Synod on the Records of the Presbyteries of South Alabama and Talladega, that they were approved or censured.— *Vide* p. 292.

2. A Commission is spoken of as having been appointed, to ascertain the guilt or innocence of an accused, (*vide* p. 299,) which is a verbal inaccuracy.

3. A case brought up to Synod by a suspended minister, who submitted himself to trial by Presbytery, is denominated a complaint, instead of an appeal.— *Vide* pp. 262 and 272.

The Records of the Synod of Missouri were approved, with the remarks, that erasures and interlineations mar some of the pages; and that these Records have not been before the Assembly for review since the spring of 1851.

On motion of Dr. Patterson, the Synods whose records have not been forwarded this year, were instructed and required to send them up for review next year.

Dr. Lapsley, from the Committee on Devotional Exercises, presented another report, which was amended and adopted.

Dr. Samuel Wilson, from the Committee to nominate Delegates to corresponding bodies, read the reports of Delegates appointed last year, viz.

Messrs. William S. Plumer, John M. Krebs, H. M. Painter, Samuel M. Hamill, A. R. Banks, Stuart Robinson, and Edward E. Seelye.

He then submitted a report, which being amended, was adopted, as follows, viz.

The Committee appointed to nominate Delegates to foreign bodies, would respectfully present the following nominations, viz.

1. To the General Consociation of Rhode Island, the Rev. Joseph G. Montfort, D. D., principal, and Rev. Cyrus C. Riggs, alternate.

2. To the General Association of Massachusetts, the Rev. Alfred Nevin, principal, and Rev. James McDonald, D. D., alternate.

3. To the General Convention of Vermont, the Rev. William E. Schenck, principal, and Rev. William M. Scott, Danville, Ky., alternate.

4. To the General Association of New Hampshire, the Rev. Nicholas Murray, D. D., principal, and Rev. John C. Rankin, alternate.

5. To the General Conference of Maine, the Rev. Joseph Warren, principal, and Rev. A. O. Patterson, D. D., alternate.

In regard to the General Association of Connecticut, your Committee would recommend to the Assembly, for its adoption, the following minute, viz.

Whereas, The General Association of Connecticut, at their meeting in June, 1854, adopted and published to the world certain resolutions, wherein they charge that "the silence of the supreme judicatories of the Presbyterian Churches in correspondence with them," in regard to certain legislation of our National Government, "gives painful evidence of delinquency in respect to principles and sympathies that are *essential to Christian integrity*;"

And whereas, The said action was taken without any preliminary correspondence with us in regard to the alleged delinquency;

And whereas, The said Association, by its steadfast refusal to investigate, or to procure the investigation of charges laid before it repeatedly and in various forms by large numbers of its own members or constituencies, has made itself liable to the charge of espousing or protecting flagrant heresies in regard to the *Trinity, Incarnation, and Atonement*, and has greatly

weakened the confidence of the Presbyterian Church in the fidelity of said Association to the "first principles of the doctrine of Christ."

And whereas, By this course, according to the testimony among themselves, the value of correspondence with them is greatly impaired, if not wholly destroyed, all which more fully appears from a certain complaint presented to that body in 1853, by more than fifty ministers, whose zeal for sound doctrine this Assembly delights to honour, and from the other documents therein mentioned; therefore,

Resolved, That the interchange of Delegates between the General Assembly and the General Association of Connecticut be, for the present, discontinued.

A discussion arose on a part of the report, which gave reasons for declining to nominate a Delegate to the General Synod of the German Reformed Church, in which Messrs. Lacy, Hays, Emerson, Fleming, Krebs, Pelan and Boardman took part.

On motion of Mr. Emerson, this part of the report was stricken out.

And on motion of Dr. Krebs, the Committee were instructed to nominate a Delegate to this corresponding body also.

Dr. Boardman, on behalf of the Rev. Dr. Lee, from the General Synod of the Reformed Dutch Church, who is hindered from attending by indisposition, presented the minutes, and sundry documents from that body, in relation to an alleged grievance on the part of the North River Presbytery.

The whole case was, on motion, referred to the Committee to nominate Delegates to Corresponding Bodies.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

FRIDAY MORNING, May 25.

The Assembly met, and was opened with prayer, singing, and reading the Scriptures.

The Minutes of the preceding day were read and approved.

Alfred Simpson, ruling elder, from the Presbytery of Red River, and Sidney S. Baxter, ruling elder, from the Presbytery of Baltimore, appeared with regular commissions, and were enrolled as additional members.

Dr. Dumont, from the Committee on Leave of Absence, reported, that leave had been given to John Van Zandt, ruling elder, from the Presbytery of Elizabethtown; R. M. Patton, ruling elder, from the Presbytery of Tuscumbia; Charles P. Cummins, minister, from the Presbytery of Clarion; Samuel Cooper, minister, from the Presbytery of Huntingdon; J. H. Bates, minister, from the Presbytery of Londonderry; William Wilson, ruling elder, from the Presbytery of Raritan; William Sheets, ruling elder, from the Presbytery of Muncie; Alfred Leyburn, ruling elder, from the Presbytery of Lexington.

A letter from Mr. Senour to the Moderator was read, excusing himself from further attendance, on account of sickness in his family, and urgency, which allowed him no opportunity of seeing the Standing Committee.

This report was approved, and Mr. Senour was excused.

The unfinished business—that of Church Extension—was then taken up, the question being on recommitting the report, with instructions to substitute a Fifth Board, to be located at St. Louis.

Drs. Thornwell, Krebs, and Plumer continued the discussion till the regular time of adjournment.

The Assembly then adjourned, to meet this afternoon at 4 o'clock.

Closed with prayer.

FRIDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Moderator announced that the Rev. Dr. Philip Lindsley had died at 1 o'clock.

It was, on motion of Drs. Jacobus and Krebs,

Resolved, That the body of the deceased be brought to this house to-morrow morning at 8 o'clock, and that the General Assembly attend the funeral in a body.

That a Committee of Arrangements be appointed, to conduct the services of this solemnity.

And that when the Assembly adjourns this evening, it adjourn till 10 o'clock to-morrow morning, to give time to the house for this duty.

The Moderator appointed Drs. Jacobus, Van Rensselaer, and Jones this Committee of Arrangements.

On motion of Dr. Steel, it was made the second order of the day for to-morrow morning, to elect members to fill vacancies in the several Boards of Directors of the Theological Seminaries under the care of the Assembly.

Dr. Krebs, from the Special Committee to whom was referred the communication respecting Church Extension in the city of Washington, submitted a report, which was read and accepted, and put on the docket.

On motion of Dr. Backus, it was

The unfinished business was resumed, Dr. Plumer having the floor.

The discussion was continued by Messrs. Plumer, Strahan, and James Smith.

On motion of Mr. Emerson, the previous question was called and sustained.

The vote being taken on the motion of Dr. Plumer to recommit, with instructions to substitute a Fifth Board, to be located at St. Louis, it was lost, by 102 for and 106 against it.

The report of the Committee on the Board of Missions was then before the house.

A discussion arose on the motion to adopt, and Dr. Boardman had the floor until the hour of adjournment.

Dr. Jacobus, from the Committee of Arrangements for the funeral of Dr. Lindsley, stated, that the family of the deceased desired to postpone the funeral till Monday next at 8 A. M.

On motion of Dr. Krebs, the arrangements of the Assembly were changed conformably to this desire.

Mr. Putnam, from the Committee to whom was referred the invitation of the Tennessee and Alabama Railroad Company, reported, that while appreciating highly the courtesy and kindness of this invitation, they recommend that the General Assembly decline it, on account of the pressure in our business, and other considerations making it impracticable.

The report was adopted.

The Assembly then adjourned, to meet to-morrow morning at 8 o'clock.

Closed with prayer.

The report of the Standing Committee on Theological Seminaries was then taken up from the docket and adopted, and is as follows:

The Committee on Theological Seminaries report to the General Assembly, that the papers placed in their hands relate to Princeton, Union, Western, and Danville Theological Seminaries. And these papers having been examined, your committee beg leave to submit the following report:

1. *The Seminary at Princeton.*—The annual report of the Board of Directors, and that of the Board of Trustees, contain all needed information in regard to this Seminary. It appears that the Directors, at their meeting on the 8th inst., passed a resolution, recommending to the Assembly, "that in view of the greatly increased expenses of living, the salary of each Professor of the Seminary be increased to two thousand dollars, with a house." Your committee are not in possession of such information on this point as to authorize them to give a decided expression of opinion regarding it. We, therefore, beg leave to refer it back to the Assembly for their consideration and decision. With this exception, we recommend that both these reports be approved, and printed in the Appendix to the Minutes.

2. *Union Theological Seminary.*—The report of the Board of Directors for the year ending May 14th, 1855, has been placed in our hands; and your committee recommend that said report be approved, and printed in the Appendix.

The report of the Board for the year ending May, 1854, was approved by the last Assembly, and an order given to print it in the Appendix to the Minutes of that year. For some reason unknown to your committee, this was not done. We, therefore, recommend, in order to a continuous history of the Seminary, that it be printed in the Appendix to the Minutes of the present year.

3. *The Western Theological Seminary.*—The papers relating to this Seminary are the annual reports of the Boards of Directors and Trustees. We recommend, in accordance with the request of the Directors, that this General Assembly make the same alterations in the plan of Allegheny Seminary which they did in that of Princeton, as recorded in the Minutes of the Assembly of 1840, p. 293. This change will conduce to the convenience and usefulness of the institution, we think, and yet do no violence to any of our established principles. We also recommend that the request to alter the titles of the Professorships be granted; so that Dr. Elliott's chair be entitled that of Polemic and Historical Theology and Church Government; Dr. Jacobus's chair, that of Oriental and Biblical Literature and Exegesis;

Digitized by Google

and Dr. Plumer's, that of Didactic and Pastoral Theology. And that the remaining chair, now vacant, be called that of Ecclesiastical History and the Composition and Delivery of Sermons.

In the report of the Board of Trustees, it is proposed that Dr. James Carothers be elected a member of said Board to fill the vacancy caused by the death of F. Lorenz. In answer to this suggestion, your committee presumes that no such election should take place until the General Assembly shall hold its meeting in the State of Pennsylvania.

With these remarks, your committee recommend that these reports be approved, and printed in the Appendix to the Minutes.

4. *Danville Theological Seminary.*—The Board of Directors and Trustees of this Seminary have also reported. As to the matter referred to in the report of the Directors, on the practical difficulty of cooperating in certain cases with the Board of Education, the following minute is submitted:

The committee, after conference with the Corresponding Secretary of the Board of Education, and one of the Professors of the Seminary making the representation to this Assembly, are of opinion that the matter should be so arranged that where one or more Professors in any Theological Seminary are authorized by any Presbytery—as a member of its Committee on Education—to act in the premises, his, or their recommendation should be sufficient as to students actually belonging to that Seminary, so long as he is thus authorized by his Presbytery.

Your committee recommend the approval of these reports, and that they be printed in the Appendix to the Minutes.

After an examination of all the forgeoing papers, your committee are of opinion that the Presbyterian Church has much reason for gratitude to God for the tokens of divine favour manifested to all her Seminaries during the past year. Their work has been prosecuted with diligence and success; and those having charge of these important institutions should feel encouraged and stimulated to go forward with renewed zeal and fidelity in their efforts to furnish the Church and the world with able ministers of the New Testament.

On motion of Dr. Patterson and Mr. Fine, the item referred back to the Assembly, respecting the salaries of the Professors at Princeton, was considered, and the recommendation of the Board of Directors was granted; and it was accordingly ordered, that the salary for each Professor be two thousand dollars and a house.

On motion of Mr. L. Merrill Miller, the following resolution was adopted, viz. That this Assembly regrets the small degree of interest manifested by our churches towards increasing the "Fund for superannuated ministers and their families," and hereby urgently recommend that our Presbyteries and church sessions introduce the subject before their courts with a view to adopt such measures as will tend, in their judgment, to increase this fund; or a just and adequate support for those who have spent the strength of their days in promoting the interests of the Church.

Dr. Jones, from the Committee on the Board of Publication, submitted a report which was read and accepted, and put on the docket.

Professor Phillips, from the Committee on the papers relating to the organization of the Synod of Baltimore, reported, and the report was accepted, and put on the docket.

Dr. Wilson, from the Committee to nominate Delegates to Corresponding Bodies, presented the nomination of Luther Halsey Van Doren, principal, and F. Senour, alternate, to the General Synod of the German Reformed Church. This report was put on the docket.

Dr. Jacobus, from the Committee of Arrrangements for the funeral of Dr. Lindsley, reported the following minute, which was adopted, viz.

Whereas, it has pleased the Great Head of the Church to remove from his seat in this Assembly our revered father and beloved co-Presbyter, the Rev. Philip Lindsley, D. D.:

This Assembly would record with deep emotion the dealing of Divine Providence toward this body, and pray that it may be blessed to our admonition and spiritual edification. "The Fathers—where are they?—and the Prophets—do they live for ever?"

Our honoured and endeared father died in the midst of his children, in the circle of his early friends and fellow citizens, and in the arms of his beloved Church. He was called, as he could have wished, in the midst of active labour; found at his post and faithful to the last. From serving this General Assembly he was transferred, as we trust, to his blessed seat in "the General Assembly and Church of the first-born, which are written in heaven." The suddenness made it, to him, only the more of a translation. "He walked with God, and he was not—for God took him."

Full of years and full of labours—the accomplished scholar—the successful educator—the eminent Professor—the able ruler—the sound divine—the beloved disciple—it was allowed him, according to the willingness which he expressed only a few moments before the fatal stroke, to die here and now, in this city of his early friendships, among his children and brethren in the Lord.

We were privileged to take sweet counsel here with him; and his fraternal and faithful words, up to the last, in this body, leave his memory fresh and fragrant, as is fit. It is the pleasure of this Assembly to attend his mortal remains to the tomb, in confidence of his happy transition, and of his glorious resurrection.

Like the great Patriarch, "after he had served his generation, by the will of God he fell asleep."

Resolved, That this Assembly do tender to the bereaved widow and family of the deceased their Christian sympathies and earnest prayers, and that the Stated Clerk be directed to furnish them with a copy of this action.

Mr. S. R. Wilson offered the following resolution, which, on motion, was laid on the table, viz. That a committee, consisting of three ruling elders, be appointed to report to the next General Assembly, on the subject of Life Assurance, as a means of providing for the widows and orphans of ministers of the gospel.

The unfinished business, the report of the Committee on the Board of Missions respecting Church Extension, was resumed. Dr. Boardman having the floor, he moved to strike out the second resolution of the committee, and substitute the following, viz.

1. *Resolved*, That in conducting the work of Church Extension the Board of Missions be directed to change the centre of operations of the Church Extension Committee from Philadelphia to St. Louis, and to appoint a committee convenient to the latter city; and that said committee shall have power to appoint all necessary officers, and shall report quarterly to the Board of Missions.

2d. *Resolved*, That this General Assembly re-affirm its sense of the great importance of church erection, commenced under its own authority, in an organized form, in 1844; and that the sessions, Presbyteries, and Synods are affectionately and earnestly recommended to co-operate, with renewed activity, in carrying forward the operations of the Church in this department of Christian benevolence.

The discussion was continued by Messrs. Thornwell, Coe, Van Rensse-

laer, and Pelan. On motion of Mr. Pelan, these resolutions of Dr. Boardman were laid on the table for a substitute, as follows, viz.

2d. That in order to carry out the purpose of the foregoing resolution, there be elected by the General Assembly, as long as it shall be found necessary, a Committee of Church Erection, consisting of ——— ministers and ——— ruling elders, one-third to be elected for one year, one-third for two years, and one-third for three years, to superintend the business of collecting, appropriating, and disbursing the necessary funds, with power to appoint a Corresponding Secretary and Treasurer.

Dr. Thornwell moved to lay this paper on the table, with a view to take up these resolutions, viz.

1. *Resolved*, That this whole work of Church Extension is a legitimate department of the Board of Domestic Missions.

2. *Resolved*, That in order to give it greater efficiency and success, the Board of Domestic Missions be transferred to ———.

3. *Resolved*, That the Committee on that Board be instructed to report the changes necessary to the transfer.

The motion was lost.

The hour of adjournment was postponed till 1 o'clock.

Dr. Patterson moved the call of the previous question, but at the request of others withdrew it, that Dr. Rice might be heard.

After this, Dr. B. M. Smith moved to lay the motion of Mr. Pelan on the table. This was lost.

And the question coming up on the substitute of Mr. Pelan, it was carried, by a vote of 134 for it, and 57 against it.

Dr. Wines moved that the word "Board" be substituted for "Committee."

The motion was lost.

It was then ordered that the blanks be filled with twenty-four for the number, and St. Louis for the location of this Committee.

The vote was then taken on the whole paper, as amended and filled, and it was adopted; and the resolutions are together as follows, viz.

Resolved. 1st. That in view of the peculiar emergencies of the case, and the increasing demand for aid in erecting churches in the new and the destitute settlements of our country, some more vigorous organized effort than is now in operation ought to be made by our Church at large to supply this need.

2d. That in order to carry out the purpose of the foregoing resolution, there be elected by the General Assembly, as long as it shall be found necessary, a Committee of Church Extension, consisting of twelve ministers and twelve ruling elders, one-third to be elected for one year, one-third for two years, and one-third for three years, to superintend the business of collecting and disbursing the necessary funds, with power to appoint a Corresponding Secretary and Treasurer.

3d. That this Committee of Church Extension be located at the city of St. Louis, Missouri.

It was made the third order of the day for Monday morning next, to make nominations of members for this Committee.

The Assembly then adjourned, to meet on Monday next at 10 o'clock A. M., for business, the two previous hours of that morning being devoted to the solemnities arranged for the funeral of Dr. Lindsley.

Closed with prayer.

MONDAY MORNING, May 28.

The Assembly met, and was opened with prayer and singing, two hours having been occupied with the funeral of Dr. Lindsley, at which the Moderator, Dr. Edgar, Rev. F. N. Ewing, Dr. Stevenson, Dr. Van Rensselaer, and Dr. Lapsley officiated.

The minutes of the preceding session were read and approved.

Dr. Dumont moved to reconsider the resolution adopted on Thursday last, to discontinue, for the present, the interchange of Delegates between the General Assembly and the General Association of Connecticut.

After a brief discussion, in which Drs. Dumont and Boardman participated, the motion was lost.

The first order of the day—to elect members to fill vacancies in the Board of Education—was, on motion of Dr. Plumer, postponed, to be the first order of the day for this afternoon; and the Temporary Clerk was directed to place the nominations, accurately and conspicuously, at the door of the house.

The second order of the day for this morning was then taken up—the report of the Special Committee on the papers relating to the Synod of Baltimore.

The report was read; and a motion was made by Dr. Lacy to adopt it.

Dr. Backus moved to postpone this motion indefinitely, for a substitute, as follows, viz.

1. *Resolved*, That the Synod of Baltimore be and hereby is dissolved, and that its Presbyteries be restored to their former Synodical relations.

2. *Resolved*, That the Synod of Philadelphia be directed, at its next stated meeting, to take into consideration the division of that body, and report to the next Assembly such a line of division as, placing the cities of Baltimore and Philadelphia in different Synods, shall best promote the convenience and wishes of its members, and the advancement of religion in its bounds.

After an extended discussion by Messrs. Backus, Emerson, Sheddan, Spotswood, Phillips, and L. F. Wilson, the last mentioned having the floor, and the hour of adjournment having arrived, it was agreed by the Assembly to take up the third order of the day for this morning—to receive nominations for the Committee on Church Extension located at St. Louis.

Before this business was finished, the Assembly adjourned, to meet this afternoon at 3 o'clock.

Closed with prayer.

MONDAY AFTERNOON.

The Assembly met, and was opened with prayer.

The Rev. T. Thayer, from the Evangelical Consociation of Rhode Island, addressed the Assembly, in taking leave of the house, and the Moderator responded.

The unfinished business of the morning, in relation to the nomination of members for the Committee on Church Extension, was resumed.

On motion of Mr. Lowrie, this nomination was referred to a Committee of five, consisting, by the Moderator's appointment, of Messrs. Jas. Smith, Coe, Peters, Risley, and Berryman.

The first order of the day was then taken up, the election of members to fill vacancies in the Board of Education.

The Committee to which was referred the Report of the Board of Publication, together with sundry papers pertaining to the same general subject, submits for the consideration and action of this Assembly the following resolutions:

Resolved, 1. That our ministers and elders be earnestly exhorted to secure a wider circulation to the "Home and Foreign Record," now published at so reduced a price as to make it accessible to the poorest members of our Church.

Resolved, 2. That this Assembly regards with much satisfaction, the efforts of the Board to furnish a class of books appropriate to the wants of ministers, and also a choice collection of volumes suitable for Sunday-school Libraries. It would also renew its recommendation of the "Visitor," believing it to be a valuable supplement to this department of our religious literature.

Resolved, 5. That we regard with special gratification the resolution of the Reformed Dutch Church to adopt and place its *imprimatur* on a portion of the volumes issued by our Board; and we hereby authorize the use of the German Hymn Book prepared by the Reformed Dutch Church, in the German congregations belonging to our own branch of the Church.

Resolved, 6. That the matter of translating our Confession of Faith into the German language, be left to the discretion of the Board of Publication, and that it be recommended to increase the number of tracts in the German language already issued by the Board.

Resolved, 7. That the Board be authorized to make a selection, not exceeding twenty-five in number, from Rouse's version of the Psalms, and to have the same printed on separate sheets, in such forms as to admit of their being bound up with our other Psalms and Hymns, whenever desired.

The third order of the day, the report of the Standing Committee on Systematic Benevolence, was then taken up; an amendment was offered by Mr. Spring in relation to the training of the young in habits of benevolent giving, which was adopted; and the whole report was then adopted, and is as follows:

This being the first time that a Committee on Systematic Benevolence has entered as an element into the organization of the Assembly, there seems to be a propriety in prefacing its first report with a brief statement of the principle which lies at the basis of the whole scheme.

It is not to be presumed that God's people are niggardly from meanness, or parsimonious from covetousness, and yet, their contributions to the treasury of the Lord are amazingly disproportioned to their blessings and resources. This can only be resolved into ignorance of duty, or a failure to apprehend the real relation of liberality in alms-giving to their Christian profession. As "whatsoever is not of faith is sin," so, whatever does not appeal to their faith cannot permanently interest their hearts. It cannot be denied that our churches have been too much accustomed to look upon giving as purely a matter of Christian liberty, a thing which might or might not be done according to the impulses which happen to prevail at the the moment, without in either case involving the integrity of Christian character; what has been given has been regarded as a bounty, and those who solicit it, represented as beggars. This has been a feeling implicitly recognized where it has not been explicitly announced.

Appeals in behalf of the dearest interests of Christ's kingdom have been in many cases coldly received, in others formally repulsed, on the plea of repugnance to so much begging.

It was not that the people were penurious, or mean, but that they did not understand the nature of the case; and the way to remove the difficulty, is not by denunciation or invective, but by familiar exposition of the scriptural

principle upon which these appeals are made. The law of the Lord, when clearly apprehended, can never fail to tell upon the hearts and consciences of the children of God. That law, in relation to the question before us, is that liberality is a grace of the Spirit, alms-giving an office of Christian worship, and collections for the poor and the spread of the gospel an ordinance of God.

Giving, in the Scriptures, is put upon substantially the same basis as prayer; the one is the sacrifice of the lips, and the other of the substance; and the acceptance of our gifts is a greater proof of the divine condescension than the acceptance of our petitions. God needs none of our offerings; "the cattle upon a thousand hills are his," "and if he were hungry, he would not tell us." But though needing nothing at our hands, he has condescended, for the purpose of uniting our hearts to him in profounder sympathy, to assume a position, in which he appeals to us as really and tenderly as if he needed all things. Though our alms and our righteousness extend not directly to him, yet the Saviour is comforted and refreshed with the humblest ministrations to his saints upon the earth; it is he who receives the cup of cold water administered to his disciples. The believer, accordingly, who enters into the spirit of the Christian doctrine, must feel it hardly less a grievance to be debarred from the throne of grace, than to be prevented from casting his mite into the treasury of the Lord, and would as soon think of turning Christ from his doors, or leaving him unvisited in sickness and and in prison, as think of slighting the appeals of Christ's earthly kingdom to his contributions and his sympathies. It is Christ whom we honour in the interests of his kingdom; or rather, it is Christ who honours us in thus permitting us to honour him; and as all Christian duties are at the same time privileges, and every precept stands upon a promise, so the child of God habitually experiences that "it is more blessed to give than to receive." He is the beggar who solicits the favour of having his gifts accepted, and he feels it to be a distinction that he can glorify God with the fruits of his substance; having given himself to the Lord, all that he possesses is equally devoted, and what he uses for himself, is rather by permission than by right of property. It is this principle which makes alms-giving a species of thanksgiving, and gifts a part of our spiritual worship, that underlies the whole subject of systematic benevolence.

The recognition of this principle in its fulness and energy is all that is wanted to infuse new life into the Church, and to make our offerings commensurate with our resources.

To keep this principle steadily before the Church is one important end of the appointment of this committee.

Alms-giving being at once a duty and a privilege, an ordinance of God, and a means of grace, it is manifestly incumbent upon the courts of the Church to impart this, as well as every other blessing of the gospel, to the Christian people. Any believer has a right to complain that his soul is neglected and the fulness of his Christian inheritance impaired, if he has not the opportunity of presenting his gifts, as well as of hearing the word. The General Assembly, accordingly, has done no more than it was bound to do, in enjoining upon the Presbyteries "to adopt some practicable method by which an opportunity shall be afforded, and an invitation given, to all the members of their congregations, to contribute regularly to the objects of Christian benevolence recognized by the Assembly in the organization of the Boards of the Church, and to such other institutions as to them may seem right."

But it is not enough that the Assembly should command in the name of Christ, it must also see that its injunctions are obeyed, and hence it has

required an annual report from every Presbytery in its bounds of the diligence of ministers and Church Sessions in complying with its requisitions.

Your committee has been specially appointed to receive and examine these reports. We are sorry to say that very few of our Presbyteries, only twenty-six of them, have made any reports at all; but these give a gratifying proof that the blessing of God is not wanting to their efforts to comply with his commands.

Your committee cannot forbear to take a particular notice of the Presbytery of Baltimore, which has co-operated most heartily with the ends and aims of the Assembly, by sending a pastoral letter to its churches, in which the doctrine of Scripture is ably and affectionately enforced. That letter deserves the commendation of the Assembly, and a much wider circulation, and gives a favourable omen of the prospects of religion in that city.

The doctrine of systematic benevolence, however, must be more fully understood before a general attention to the duty can be expected.

Your committee do not think it wise, in the meagre state of the reports from the Presbyteries, to suggest the details of any plan; this matter had better be left to Presbyteries, Sessions, and Ministers. The committee, however, cannot forbear to add, that an important feature in any and every plan should be the training of the young in habits of liberality. Let us not overlook the lambs of the flock.

We unanimously recommend that the Assembly re-affirm the resolutions of last year upon the subject; and that they be printed as a part of this report.*

It is further resolved, that the General Assembly earnestly and affectionately recommend to superintendents of Sabbath-schools, and all having charge of our children and youth, to "give more earnest heed" to the

* The following are the Resolutions referred to above, adopted by the Assembly of 1854:

1. *Resolved*, That this Assembly hereby enjoin upon the pastors of our churches to give greater prominence, in the ministration of the word, to the doctrine of the Scripture, as interpreted and set forth in our standards, (more particularly in Chap. XXVI. Sec. 2, of the Confession of Faith; in Question 141 of the Larger Catechism; in Chap. VII. of the Form of Government, and in Chap. IV. Sec. 5, of the Directory for Worship,) viz. that "Saints, by profession, are bound to maintain an holy fellowship and communion in relieving each other in outward things, according to their several abilities and necessities, which communion, as God offereth opportunity, is to be extended unto all those who in every place call upon the Lord Jesus," "giving and lending freely according to their abilities;" and, in conformity to this doctrine, recognising as one of the ordinances established by Christ, in connection with the sermon, prayer, and praise, "a collection raised for the poor and other purposes of the Church."

2. *Resolved*, That the Presbyteries which have not anticipated the provisions of this action of the Assembly are most earnestly and affectionately enjoined, 1st. At their meetings following the rising of this Assembly, to take order that the ministers and church sessions in their bounds shall be directed to adopt some practicable method by which an opportunity shall be afforded, and an invitation given, to all the members of their congregations to contribute regularly to the objects of Christian benevolence recognized by the Assembly in the organisation of the Boards of the Church, and to such other institutions as to them may seem right. 2d. And at every spring meeting to institute a proper inquiry into the diligence of ministers and church sessions in executing the provisions of such method.

3. *Resolved*, That the Presbyteries are farther enjoined to enter on record, and report to the next Assembly, their action on the first part of the foregoing resolution; and also to record at their next and all subsequent spring meetings, the result of the inquiry prescribed, and report the same to the General Assembly with the usual Annual Presbyterial Report, stating the delinquencies and diligence of pastors and church sessions.

4. *Resolved*, That there shall be appointed a Standing Committee on Systematic Benevolence by the Assembly, which shall be charged with the reception and examination of such reports, and the presentation to the Assembly of their aggregate results.

5. *Resolved*, That the Boards of the Church are invited to aid in the proper execution of the foregoing arrangements of the churches in such official communications with the Presbyteries as may seem proper.

6. *Resolved*, That the Professors in our Theological Seminaries are respectfully requested to give proper attention to the right training of the future pastors of the Church, in view of the duties herein contemplated.

Further, the Committee recommend the following plans for contribution:

1. A committee may be appointed by the session for each object of benevolence, and a particular month assigned in which they are to do their work, by calling upon the people, or otherwise obtaining contributions.

2. All the objects to be aided may be presented in separate columns, and each contributor called upon to say what he will give quarterly or annually.

3. Weekly or monthly collections may be taken up, and thrown into a benevolent fund, which the session may divide among the several objects approved by them, in such proportion as they think proper.

important and much neglected duty of training up our children "in the way they should go," in orderly, systematic habits of benevolence; and that while we most heartily rejoice at the evidence we are receiving, that our churches are, to some extent, interested and engaged in this work, we cannot too earnestly commend to the great majority of them the Saviour's injunction—"Go thou and do likewise."

The unfinished business was then taken up—the report of the Special Committee on the Synod of Baltimore.

After further discussion by Mr. L. F. Wilson, on motion of Mr. Lapsley, the resolutions of Dr. Backus were laid on the table; and the previous question was moved by Mr. Hair, and sustained by the house.

The vote being taken, the report of the Committee was adopted, and is as follows:

The Committee to whom were referred the papers relating to the continued existence of the Synod of Baltimore, respectfully reports that it has had the facts connected with the matter under repeated and anxious consideration, and that it has listened with attention to the statements of different brethren, representing the various interests involved in the subject before it.

The Committee finds the matter in hand to be one of much difficulty and delicacy—one in which the feelings and the rights of beloved and esteemed brethren are deeply interested, and therefore, one demanding much prudence and forbearance from all those immediately concerned.

The Committee also finds that the last General Assembly had before it nearly all the material facts in the case, and that, whatever acts of discourtesy it may have committed, it but exercised what all admitted, and still admit, was a power within its hands, although, perhaps, an extreme one. The question is then reduced mainly to one concerning the propriety of certain boundaries of the Synods of Baltimore and Philadelphia.

The Committee therefore unanimously recommends the following resolutions:

1. That the Synod of Baltimore be continued, composed substantially of its present Presbyteries.

2. That the Synods of New Jersey, Philadelphia, Baltimore, and Virginia, be, and they are hereby directed so to settle their respective boundaries as to best secure the efficiency of their own bodies, the convenience of their individual members, and the harmony of the Church.

3. And the Committee recommends further, that it be suggested to the parties concerned, to agree that the Susquehanna river be the western boundary of the Presbytery of Donegal, and also to consider whether it will not be the best for their own interests to detach the Presbytery of Huntingdon from the Synod of Philadelphia and attach it to the Synod of Baltimore, and to transfer the Presbytery of Luzerne from the Synod of New Jersey to the Synod of Philadelphia; and that they all shall report to the next General Assembly.

4. That the Rappahannock river be established as the boundary between the Presbytery of Winchester, in the Synod of Baltimore, and the Presbytery of East Hanover, in the Synod of Virginia, according to the petition of the Church in Fredericksburg, and the consent of the Synods interested.

The unfinished business relating to the Overture of the Presbytery of Cedar, respecting the theological education of German students in our country, was taken up, and the report of the Committee adopted, viz. That it is deemed inexpedient to undertake the work suggested.

On motion, it was

Resolved, That the Assembly will hold another session this evening.

Dr. Plumer presented the following resolutions, which were adopted, viz.

1. *Resolved*, That the Committee of Church Extension, which has been acting under the direction of the Board of Missions, be directed to transfer to the Committee of Church Extension, elected by this Assembly, all the funds and papers in their possession respecting this business.

2. *Resolved*, That the Committee of Church Extension shall hold its first meeting in the lecture-room of the Second Presbyterian Church in the city of St. Louis, at 10 o'clock, A. M., on the first Tuesday of July next.

3. *Resolved*, That in all meetings of the Committee, five shall be a quorum to do business.

4. *Resolved*, That so far as applicable to the present Committee of Church Extension, the resolutions of previous Assemblies on the subject of Church Extension are renewed for their guidance in their work.

Dr. Boardman, from the Committee on Bills and Overtures, reported

No. 6. From Messrs. A. McBride and S. Brinkerhoff. "Does the Constitution of our Church admit of persons acting as ruling elders who refuse or neglect to have their children baptized?"

The Committee recommend the answer, that, in the judgment of the Assembly, our Book is sufficiently explicit on this subject.

As regards the ordinance of Infant Baptism, which is represented as having fallen into neglect in some few portions of our Church, the Committee recommend that the Committee on the Narrative be instructed to call the attention of the churches to this subject.

The report was adopted.

No. 7. From the Presbytery of Lexington, requesting the Assembly to prescribe the mode in which sessional records shall be kept, with a view of securing greater uniformity in this matter; also, whether the Session is censurable if every meeting be not opened and closed with prayer.

The Committee recommend the following action, viz.

The Form of Government, Chap. ix. Sec. 8, directs that "every Session shall keep a fair record of its proceedings;" and the General Assembly deems it of special importance that this record shall comprise all admissions of persons to the sealing ordinances of the Church, and the dismissions of members to other churches. It is the duty, also, of every Session, to keep the several "Registers" specified in Section 9th of the same Chapter.

In answer to the second part of the Overture, the Assembly decides that every formal meeting of a Session should be opened and closed with prayer.

After some discussion by Messrs. Ewing, Hays, and Samuel Steel, the whole subject was, on motion of Dr. Thornwell, indefinitely postponed.

Overture No. 8. From the Stated Clerk of the Presbytery of Talladega, asking that the Presbyteries of Talladega and East Alabama be united.

On recommendation of the Committee, the Assembly

Resolved, That it is inexpedient to act on this proposal.

No. 10. A petition from the Presbytery of Kaskaskia, that the city of Alton, detached from their oversight by the Synod of Illinois, and committed to that of the Presbytery of Sangamon, be restored to their care.

The petition was granted; and it is ordered that the city of Alton be recognized as within the Presbytery of Kaskaskia.

No. 13. A memorial from the Presbytery of Dane, respecting the dismission and reception of church members and ministers.

The Committee recommend that it is inexpedient to act on this subject at present. Adopted.

Overture No. 14. A number of memorials, proposing various modifications in the annual statistical reports.

The Committee recommend,

1st. That the column now appropriated to the "number of families" in each congregation be hereafter appropriated to the number of children and youth under Sabbath-school and Bible Class instruction.

2d. That it is inexpedient to make any other change in the form of the tables.

This report was adopted.

No. 15. From J. H. Bates: "Are others than communicants entitled to vote for ruling elders?"

It is recommended that the Assembly, in accordance with the decisions of former Assemblies, judges it most consonant to our Form of Government that communicants only should vote in the election of ruling elders. Adopted.

No. 16. Several papers have been placed in their hands, respecting a proposed division of the Synod of Mississippi, but as there is no memorial from the Synod itself, before the Assembly, the Committee return the papers to the Assembly, and ask to be discharged from the further consideration of the subject.

Adopted; and the request of the Committee was granted.

No. 17. A paper signed Moses Ingalls, relating to a judicial case.

The Committee recommend that the writer have leave to withdraw the same, the paper not being in a form to admit of formal action on the part of the Assembly. Adopted.

No. 18. From J. G. Riheldaffer and others, for the erection of a new Presbytery.

Although the Committee had no opportunity to deliberate on this application, it was, on motion,

Resolved, 1. That the Rev. J. G. Riheldaffer, of the Presbytery of Fort Wayne, the Rev. James A. Stirratt and the Rev. Charles Thayer, of the Presbytery of Marion, be and are hereby detached from their respective Presbyteries, and constituted a Presbytery, to be called the Presbytery of Minnesota; that they meet for the purpose of being organized at such time and place as the brethren themselves may appoint, and that the Rev. J. G. Riheldaffer preside until a Moderator be chosen.

2. That this Presbytery, when formed, be attached to the Synod of Iowa, with the understanding that nothing in this action shall be construed as establishing any boundary (see Minutes, Vol. XII., pages 264 and 265) between the Synods of Iowa and Wisconsin, it being left with these Synods to adjust their own boundary.

Dr. Wilson, from the Committee to Nominate Delegates to Corresponding Bodies, reported on the case of grievance alleged against the North River Presbytery, brought to the Assembly by the Rev. Dr. Lee, delegate from the General Synod of the Reformed Dutch Church.

On motion, it was made the first order of the day for this evening at 8 o'clock, and to this hour the Assembly then adjourned.

Closed with prayer.

MONDAY EVENING, 8 o'clock.

The Assembly met, and was opened with prayer.

The nomination of a Delegate to the General Synod of the German Reformed Church was taken up.

On motion of Dr. Plumer, the nomination was laid on the table.

The report of the Special Committee on that of the Church Extension Committee of Washington city, was taken up from the docket and adopted, and is as follows, viz.

Resolved, 1st. That this Assembly cordially and earnestly commend the cause of Church extension in Washington city to all their ministers and churches.

2d. That their ministers and churches are hereby renewedly called upon to give this cause their active co-operation.

3d. That we cordially commend to all our ministers and churches any agent whom the Committee may appoint, and that they also urge the appointment by Presbyteries of Presbyterial agents for the prosecution of this work in any way which in their wisdom may seem to be most effective.

4th. That the present Committee be reappointed.

Dr. Boardman moved to reconsider the appointment of New York as the place of meeting for the next General Assembly.

On motion of Dr. Krebs, this motion was indefinitely postponed.

On motion of Dr. Plumer, it was

Resolved, That this General Assembly rejoices in the evidences submitted to it of the abundant labours and faithfulness of the Secretaries and other executive officers of our several Boards, and feels it a privilege to give this public expression of its confidence in their wisdom and energy.

The first order of the day for the evening was then taken up, viz., the complaint of Dr. Lee, on behalf of the Reformed Dutch Church, against the North River Presbytery.

Papers were read, and Dr. Lee was heard; also, the Rev. B. T. Phillips, on behalf of the Presbytery.

The motion was to adopt the report of the Committee, on which Dr. Dumont and others had briefly spoken, when the Assembly adjourned, to meet to-morrow morning at 8 o'clock.

Closed with prayer.

The report was approved.

Mr. D. V. Smock offered the following resolution, which was adopted, viz.

That a Committee of three be appointed, of which the Moderator shall be chairman, to prepare and publish an address to our ministers and churches on the subject of Church Extension, setting forth the necessities of the case, and the mode by which the General Assembly proposes to meet, in some measure, these necessities, and urging a regular annual collection for this, as well as our other church schemes.

The Rev. Mr. McPheeters and Judge Gamble were appointed, with Dr. Rice, on this committee.

A resolution was offered by Mr. Van Doren, for a subdivision in the statistical columns, so as to give one for Church Extension, and one for Bible collections, and one for the number of children in our Sabbath-schools and Bible Classes; also, for other improvements in statistical columns.

After discussion by Messrs. Van Doren and Pelan, it was laid on the table.

Mr. Beach offered the following resolution, which was adopted unanimously, viz.

Resolved, That the thanks of this Assembly be, and hereby are tendered to the citizens of Nashville and its environs, for the generous hospitality extended to the members of this body during its sessions; and also to such railroad companies and owners of steamboats and stages as have forwarded and returned the members of this Assembly at a reduced price, on their way to and from this city.

Also, that the thanks of this General Assembly be tendered to the proprietors of the "True Whig," of Nashville, for the interest manifested in our sessions, and their reports of our proceedings.

Dr. Andrews, from the Committee on the Narrative, presented and read a report, which was adopted, and ordered to be printed in the Appendix to the Minutes.

On motion of Dr. Plumer, the word "extension" was substituted for the word "erection" in every instance of action and record by the House, on the subject of Church Extension.

The unfinished business of last evening, the complaint of the Reformed Dutch Church against the North River Presbytery, was taken up, on motion of Mr. Warren, who moved to postpone indefinitely the report of the Committee, in order to take up, as a substitute, the following:

Resolved, That the Presbytery of North River, in receiving the Rev. Mr. Smuller and the dissidents from the Second Reformed Dutch Church of Kingston, acted irregularly in not awaiting further action of the judicatories of our sister Church, and this Assembly disapproves the haste of the Presbytery.

Resolved, That this Assembly directs its Stated Clerk to express to the General Synod of the Reformed Dutch Church our regret that such a difference should have occurred between the two bodies.

On this motion an extended discussion arose, in which Messrs. Warren, B. T. Phillips, Samuel Steel, Dumont, Cowles, Boardman, Plumer, Lacy, Samuel Wilson, and Urquhart took part.

The motion was carried, and the question came up on these resolutions.

It was moved by Mr. Urquhart to strike out the first resolution.

A division was called for by Mr. Pelan, in taking this vote on the first resolution.

The first part of the first resolution was stricken out.

On motion of Mr. B. T. Phillips, the whole paper was laid on the table, for the following, submitted by Mr. Van Doren:

Although we love and respect our brethren of the Reformed Dutch Church, and regret exceedingly that anything unpleasant should have occurred to mar the kind feeling between them and us, yet we feel constrained to say that, in the opinion of this General Assembly, all the members and ministers of our churches have, as Christ's freemen, a right to ask and receive letters of dismission to any other bodies of our own or those with whom we are in friendly correspondence as soon as they ask for them, with or without reasons, provided always that they are in good and regular standing.

The motion was made to adopt this paper.

This motion, after a short discussion by Mr. Ewing and others, was laid on the table.

Mr. Pelan then moved the resolution:

That the Presbytery of North River acted incautiously in receiving the Rev. Mr. Smuller and the dissidents of the Second Reformed Dutch Church of Kingston, without awaiting the action of the higher judicatories of our sister Church.

An amendment by Mr. Ewing was voted, to substitute the word "hastily" for "incautiously."

The resolution thus amended was laid on the table, at the motion of Mr. Gildersleeve, with a view to take up the following paper, which he offered, viz.

Resolved. 1. That though the Consistory of the Second Reformed Dutch Church of Kingston may have acted arbitrarily in refusing certificates to its members applying for them, to join one of our churches, this Assembly regards as irregular, and as wanting in the due exercise of Christian forbearance, the proceeding of North River Presbytery, in so hastily organizing

a church, composed mostly of the members whom said Consistory had refused to dismiss.

2d. That though the Classis of Ulster may have done wrong in withholding from the Rev. Mr. Smuller the certificate for which he applied, to join the Presbytery of North River, this Assembly cannot approve of the act of said Presbytery in receiving him, regarding their act, in so doing, as deficient in the exercise of that forbearance which should obtain in the intercourse of sister Churches.

3d. That the Stated Clerk express to the Dutch Church the deep regret which this Assembly feels that there should have been any cause for complaint or recrimination.

This paper was adopted.

On motion of Dr. Plumer, the thanks of the General Assembly were voted to its officers, for their promptness, faithfulness, and courtesy, by which the business of the House has been greatly facilitated.

The minutes of yesterday and to-day were read and approved.

Before the vote of approval was taken, Mr. Pelan moved that the Assembly reconsider the motion to lay on the table the nomination of a Delegate to the German Reformed Church, with a view to substitute Dr. Backus for the nominee of the Committee.

The motion was lost.

On motion of Dr. Boardman, it was then

Resolved, That this General Assembly be dissolved, and that another General Assembly, chosen in like manner, be required to meet in the First Presbyterian Church of New York, N. Y., on the third Thursday of May, A. D. 1856, at 11 o'clock A. M.

Closed with singing, prayer, and the apostolic benediction.

ALEXANDER T. McGILL,
PERMANENT CLERK.

APPENDIX.

NARRATIVE OF THE STATE OF RELIGION

ADOPTED BY THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES, AT THEIR SESSIONS AT NASHVILLE, TENNESSEE, MAY 1855, AND ADDRESSED TO THE CHURCHES UNDER THEIR CARE.

Beloved Brethren:—Our infant lips were taught to say, *I believe in the communion of saints.* Convened in General Assembly, we are enabled to understand, and are led to appreciate this interchange of holy affections. Through the reports sent up from the Presbyteries of the state of religion throughout the extent of our Church, we receive and most cordially entertain your kindest gratulations. In the name of our common Lord, we return you our salutations as one in Christ.

It was but acting out the constraining power of the inner life, when the great apostle of the Gentiles said to Barnabas, "Let us go again and visit our brethren in every city where we have preached the gospel, and see how they do." From such extended personal communion we are precluded. But we ask you to receive, with all confidence, *our good remembrance of you*, and this expression of our interest in your behalf.

As being ourselves also in the body, we sympathize with the sorrowing, from whatever cause. The Great Teacher assigns various lessons for the instruction of his disciples. Thus the vicissitudes of life and our hindrances to worldly success, are not without their divine and spiritual import.

The year now closing has been a year of rebuke to our country, and of trials to our Church. Our brethren, in their narratives, speak of disease, of commercial embarrassment, and of drought still upon us, almost unexampled in duration and extent. For all these, it becomes us to *humble ourselves under the mighty hand of God.* But though death has been abroad amongst us, and even from the midst of us, in counsel assembled, one of our number, a venerable father of the Church, is suddenly stricken down; and our sympathy calls to mind the congregations bereaved of pastors and members, who were examples to us all, of faith and pious toil; yet, as the Presbyterian Church, convened in its representatives, we would record the forbearance of God toward his people, in sparing the lives of his ministers during the past year. And, notwithstanding the apprehensions to which most families have been brought, by the unexpected changes in trade, and of which the end is not yet, we rejoice to learn that the various causes of Christian benevolence, which are regarded as having claims upon us, have received commendable attention from the different portions of our Church. *And we pray, that in this gift, ye may increase more and more.*

The far-spreading heathen world is calling to us for help. The ever-extending territory of our own country makes every year increased demands on the liberality of Christians; and the destitutions of our newly settled districts, with uplifted hands, are imploring aid.

Nor only in settlements newly formed, and where society has just entered its transition state; within the bounds of Presbyteries of many years standing, how often do our brethren conclude their reports with the Saviour's words, as specially appropriate for them to employ—*The harvest truly is great, but the labourers are few.*

With sorrow we learn that, as in former years, in some portions of our Church the Sabbath is still not regarded as the day of the Lord, to be sanctified by a holy resting from worldly employments and cares; that godly men are grieved to see the divine

authority trampled upon, not only by those *who seek their portion in this life*, but, in some instances, by those of whom their profession would constrain us to hope better things.

Great interest is shown by the Presbyteries in the stated observance of family and social prayer. And though it is refreshing to learn, that, in almost every church, the New Testament constitutional *two or three* are statedly gathered in the name of Christ, too many families are prayerless families; there are too many congregations in which the professing people of God seem, for prayer and praise, to *forget the assembling of themselves together*.

The cause of temperance is the common cause of the philanthropist and the Christian; and it is with the highest degree of satisfaction that the General Assembly has received the intelligence brought from the different portions of our Church. Only two Presbyteries designate the cause as retrogade among them. In almost all others it is spoken of as steadily and safely advancing: in States where laws have been passed to regulate or suppress the traffic in intoxicating drinks, its course is onward through the agency of these enactments; and where no such auxiliary is found, the blessing of Heaven attends the efforts of those who labour by moral suasion, to promote the present and eternal welfare of man.

Permit us, brethren, to direct your view to Sabbath-school and Bible-class instruction; not with design of dictating as to the manner in which this shall be attended to; but, for the two-fold purpose, first, of pressing upon pastors and sessions not to allow their congregations, under what disadvantages soever they may seem to labour, to remain without these institutions, so long sanctioned by our Church, and so signally blest to the gathering of the youth into the communion of Christ; and secondly, to encourage such as are already engaged in these good works and labours of love, to review the past, and to contemplate the present which we are permitted to see, that they may *not be weary in well doing, for in due season they shall reap*.

Almost all our Presbyteries refer to the subject of family instruction and training, the greater proportion informing the General Assembly of the diligence with which these duties are performed, and the precious fruits resulting thence.

But, in instances sufficiently numerous to claim our special notice, mention is made of negligence on the part of parents; of some in omitting to confirm their covenant relation to Christ and his Church, not dedicating their children to God at all in baptism; and of still greater numbers, who seem altogether to forget that, as parents, there are claims resting on them to *bring up their children in the nurture and admonition of the Lord*, which cannot be neglected but to their own detriment, and to the lasting harm of their offspring.

No man can tell how much, as a denomination, we have lost, and what irreparable harm has been inflicted on our children, by our lightly esteeming the seal of covenant relation of God, and, consequently, undervaluing that relation itself.

We would affectionately exhort our ministers to preach not seldom on this subject, addressing to both parents and children the admonitions of duty, and opening to view the privileges to which they are both admitted. Let the rights of the children be plainly and with all authority asserted, and the obligations of parents to meet these claims.

We would say to our sessions, give special attention to the baptized children of the Church; show our youth that this sacred use of water is not an unmeaning and profitless ceremony, but connected with Heaven's richest promises.

The prophetic day is sketched as *neither clear nor dark*, yet a day of brighter anticipations; for *at evening time it shall be light*. No Presbytery cheers us with the intelligence of a revival of religion extending to all its churches; but, with more than thirty Presbyteries, we are permitted to rejoice in the fruits of refreshing seasons, vouchsafed to not a few of their congregations. And seldom have we found a narrative to close, without bearing grateful testimony to the unmerited goodness of the Head of the Church, in his making the *word* effectual to salvation among whomsoever preached. We had feared to learn the true history of our Church for the year now past, lest unmitigated sorrow should fill our hearts. But when we hear men speak who know and tell of what they have seen, we are constrained to acknowledge God has been better to us than our fears; and while it becomes us at all times to confess our omissions and our unfruitfulness, in review of what has been spread before us, of God's testimony to the word of his grace, we must say, *the Lord hath done great things for us, whereof we are glad*.

That was a grateful and an accepted answer which pronounced *good the word of the Lord, for there shall be peace and truth in my day*. Nor can we allow it to pass without special mention, that not one Presbytery speaks of strife and division as characterizing its churches, either in their ministry or their congregations. Nor is this subject usually passed by in silence, but, with devout satisfaction, almost every narrative sent up to the General Assembly makes distinct mention of the unity of the Spirit keeping them in the bond of

peace. That, enjoying the true liberty of the gospel, Christians should all think alike, is a state of human view we can neither pretend to exist, nor that for which, except within limitations, we are to strive. But, brethren, we doubt whether, at any period in our history, a time could be designated, when more truly than of the present, it might be said, the Presbyterian Church is one in doctrine, one in effort, and one in aim. In the state of our Church at this day, we have it exemplified, *how good and how pleasant it is for brethren to dwell together in unity.*

The prosperity granted our Church has diversified and increased the duties of our Church. Extending from the lakes to the Gulf of Mexico, and from the Atlantic to the Western Ocean, in a large portion of our territory slavery exists. Nor has that people, whom the Presbyterian Church found here in a state of bondage, been contemned for their degradation, nor neglected as to their spiritual interests. With scarcely an exception, the reports from Presbyteries of the South, speak in Christian tenderness of this lowly but far from undeserving class of our population, and of the efforts everywhere put forth to improve their social and spiritual condition.

In few, if any of our Southern States, are laws enforced forbidding that slaves be taught to read. Usually, as far as among any other class, Sabbath-schools are sustained for their instruction. In cities and larger towns, the slaves have, and they prefer to have their own churches. In rural districts and villages, our pastors devote a part of every Sabbath to their special instruction; while on extended plantations, every facility is offered for the preaching of the gospel, and other methods of religious teaching.

And we believe ourselves to be speaking the language of sober truth, when we say, there are in our Southern churches thousands of slave-owners, whose desire and effort is to prepare those whom an inscrutable Providence has cast upon their care—for a state of liberty and self-control they cannot yet enjoy—and whose fervent prayer is, that God would hasten the day of safe and salutary freedom to men of every clime.

There is much brought to our notice by the Presbyteries, on which we cannot dwell, though of great interest to all who love the welfare of the Redeemer's kingdom. The outward prosperity of our Church; the extending of her territory; the strengthening of her missions, at home and abroad; the multiplying of houses of worship, and the enlarging and improving of others erected in former years; the increasing extent and regularity with which worship is maintained by our congregations, and the encouraging attendance of the people; the interest shown by our Synods and Presbyteries to sustain seminaries of learning, governed and taught on Christian principles, and the increased attention we are permitted to witness, to the instruction of our children and youth in the Catechisms of our Church; the augmented numbers of our candidates for the gospel ministry above that of many years past, and the diversified efforts of our brethren, that they might be instrumental in bringing in that glorious day of promise, when *righteousness and peace shall fill the whole earth*—in these things we will rejoice.

Never in her history did, probably, the Presbyterian Church occupy a position of so much influence and encouragement. In the labours of the gospel, she regards the *world* as her field; and from earth's distant borders there come to this great annual Assembly, the representatives of her polity, with the evidences of self-sacrificing zeal. Our ministry is every year becoming augmented in numbers, and more eminently endowed with the proper qualifications for the gospel work. With humility for our unprofitableness, and with gratitude for the gifts bestowed, we record this testimony.

Accustomed each to worship and to mingle with only the few who may compose the individual Church of our personal membership, we are often inclined to despondency. We think how small is the flock of Christ! how few the builders on Zion's walls! how feeble is our strength! We can hardly but allow that the Ammonitish taunt was recorded for our reproach: *Even that which they build, if a fox go up, he shall even break down their stone wall.*

But to see our entire Church in General Assembly convened, the gravity of its deliberations, the Christian love and forbearance shown, the serious aims and well-founded hopes of our brethren in Christ, it richly repays a long journey of expense and toil. How refreshing to the soul! what holy confidence it is adapted to inspire, of conquest for his cause, and of glory to our Redeemer! Would that all our fellow-Christians did, with us, enjoy the sight. Numbered with such a sacramental host, marching under the banner of the Captain of our salvation, who has led his armies on to victory, we return to our respective congregations, with holiest resolve, that no labours shall be accounted arduous, no adversity discouraging, no sacrifice too great.

But in all this success, in all these blessings, in all this influence for good, in all these

Digitized by Google

gifts, each member of our communion is allowed to share—*all are yours, and ye are Christ's.* One family, we dwell in Him.

May God avert from us his judgment, and cause his anger toward us to cease, by sending us the early and the latter rain. From our country and our Church, the alarm of war is far distant; may its tumult be hushed in all the world. Our children, on whom the covenant seal has been impressed, remember you are not your own. Trample not on the authority of Christ, reject not his overtures, despise not your birthright, break not that agreement between God and your souls. And may the Holy Spirit, the Spirit of all grace, be caused to descend on pastors and people, on ruling elders and members in particular, on parents and their children, until it shall be the expression of every heart, *O, that men would praise the Lord for his goodness, and for his wonderful works to the children of men.*

Abstract of the Report of the Board of Missions, presented to the General Assembly in Nashville, May, 1855.

In presenting to the General Assembly their fifty-third Annual Report, the Board of Missions desire, first of all, to express their gratitude to Almighty God for the degree of success which it has pleased him to crown their efforts in the prosecution of the great work assigned them. The past year has been one of great pecuniary pressure and commercial embarrassment throughout our country; and yet with the balance providentially in hand at the date of our last report, and the liberal contributions of many of the friends of the cause, we have, by the blessing of God, been enabled to get through the year without difficulty.

The salaries of our missionaries have not been reduced, but augmented; and all of them have been promptly and fully paid, so far as they have reported. The appointments recommended by the Presbyteries have, with very few exceptions, been promptly made, and the amount recommended towards their support, appropriated by the Board. The number of missionaries has been slightly increased, our former missionary ground maintained, and various new fields explored and occupied. The receipts have, in the aggregate, been less, in consequence of the monetary difficulties already alluded to; but in the field under the care of the Eastern Executive Committee, the contributions have been slightly augmented. From the reports of our missionaries, it affords us the greatest pleasure to say, that we have reason to believe that God has graciously visited many of their churches with the special outpouring of his Spirit, and that the labours of nearly all of them have not been without tokens of the divine favour, in the edification of God's children and the conversion and salvation of souls.

OPERATIONS OF THE YEAR.

Of Missions.—*Statistical Details.*—The number of Missionaries in commission, April 1, 1854, was 340, to which have been added, to April 1, 1855, 185, making the whole number 525, being more by 2 than in the year previous.

The number of churches and missionary stations, wholly or in part supplied, (so far as reported,) by our missionaries, is 819.

The number of newly organized churches, is 36.

The number of admissions on examination is 1,778, and on certificate 1,568, making a total of admissions of 3,346.

The number in communion with churches connected with the Board is 20,412.

The number of Sabbath-schools is 305; of teachers, 2,350; and of scholars, 14,548. (In this Report the Board have omitted all Union Schools, and have included only those which are Presbyterian or denominational.)

The number of baptisms is 2,125. And the number of houses of worship erected or finished is 51.

Of the 525 missionaries who have been in commission during the year, 179 have sent in no special report for the Assembly, more than one third of the whole number; consequently we must increase all the returns one-third, to make them correct.

Appropriations.—The appropriations made to our missionaries from April 1, 1854, to April 1, 1855, have been, at the office in Philadelphia, $48,735.42, and at the office in Louisville, $25,759.00; making a total of $74,494.42.

The appropriations made from April 1, 1853, to April 1, 1854, were, at the office in Philadelphia, $42,547.50, and at the office in Louisville, $32,874.42; making a total of $75,421.92.

From this statement it appears that the appropriations made at the office in Philadelphia exceeded those made the year before, $6,187.92, and at the office in Louisville they were less by 7,115.42; thus making the total appropriations this year less than the year preceding, by $927.50.

For the purpose of further comparison we may state, that the appropriations made from April 1, 1852, to April 1, 1853, were, at the office in Philadelphia, $35,273.58, and at the office in Louisville, $21,637.50; making a total of $56,911.08.

From this statement it appears that the appropriations made at the office in Philadelphia exceeded those made two years before $13,461.84, and at the office in Louisville $4,121.50; thus making the total *excess* of appropriations this year above those made from April 1, 1852, to April 1, 1853, $17,583.34.

Receipts.—The total amount of receipts from all sources, from April 1, 1854, to April 1, 1855, is $71,834,47, to which add balances on hand in the different Treasuries,

Digitized by Google

April 1, 1854, $22,654.58; making the available resources of the Board during the year, $94,489,05.

The amount paid out at the different Treasuries for the same time, is $78,944.76, leaving an available balance in all the Treasuries on the 1st of April, 1855, of $15,544.29. The amount due the Missionaries at the same date was $10,004.59, leaving an unexpended balance of $5,539.70.

The aggregate receipts have fallen off, as compared with the preceding year, $3,373,33. The falling off has been in individual or special donations and legacies $2,827.03, and in the contributions of the churches $546.30; owing no doubt to the pecuniary pressure and commercial embarrassment throughout our country during the past year. While the receipts at the office in Philadelphia, including the Presbyterial Treasuries, were larger by $1,958.76, the receipts at the office in Louisville show a falling off of $5,332,09. The wants of the Western Executive Committee, were, however, fully met. Drafts by that Committee upon the Treasury at Philadelphia, during the year, to the amount of $13,091.00, (which was more by $7,600.60 than the year preceding,) were promptly paid, and repeated instructions forwarded by the Corresponding Secretary of the Board to that Committee, not to reduce their appropriations to the missionaries, nor to defer the payment of their salaries, but to draw promptly and freely upon the Treasury at Philadelphia, whenever their funds were insufficient to meet their liabilities.

The balance in the Treasury on the 1st of April, 1855, is *less* by $7,110.29, than the amount which was reported in hand on the 1st of April, 1854. This in connection with the fact that at the close of the fiscal year, the amount due the missionaries was $10,004.59, shows the indispensable necessity of enlarged contributions by the friends of the cause, and the imperative duty of increased caution on the part of Presbyteries in recommending, and the Board in granting future appropriations. Indeed, it is obvious that unless the resources of the Board are augmented, they will not be able to continue much beyond this year, their present scale of appropriations without involving themselves in debt; and as the appointments are generally made for twelve months, if the current receipts are not increased as the year advances, retrenchment must commence before the termination of the year, if a debt is to be avoided during the year succeeding.

Re-enforcements and Enlargement of the Church.—During the year, the Board have established new missions in several of the larger cities in the East and West, and in various smaller towns and rural districts. They have also, to the extent of their ability, re-enforced our missionaries in the newer States and Territories. Three additional missionaries have been sent to Texas, and one to California. Arrangements have been made to send two missionaries to Kansas, and one to Nebraska. One has been commissioned to Minnesota; and arrangements are in progress to send three or four additional missionaries to California. The Board would also state that, during the year, thirty-six of our missionaries have been commissioned and employed as itinerants. The greater part of our missionaries perform more or less of such service; but the number above mentioned are either wholly, or almost entirely employed as itinerants.

State of our Missions.—From the reports of our missionaries, we have reason to believe that their labours have been generally prospered of God. Many of them report unusual progress; and not a few of them tell us of the special visitations of the Holy Spirit, by which the graces of God's people have been revived, and many souls converted. Some of the revivals reported to us during the past year, have been powerful and extensive, and their fruits exceedingly precious.

Clothing.—Clothing valued at $9,137.40 has been received during the year, and distributed among the missionaries, who needed it. Of this amount, $6,150.18 were received at the office in Philadelphia; $2,107.34 at the office in Louisville; and $879.88 at the depot in Pittsburgh. From the letters of the missionaries acknowledging the receipt of the clothing sent, we have no doubt that it has been very gratefully received, and that it has added very much to their health and comfort. Our friends, however, are cautioned against permitting their donations of clothing (which are never deducted from the salaries of the missionaries) to interfere with their *cash* contributions to the Board.

CHURCH EXTENSION.

The balance of the Church Extension Fund, on the 1st of April, 1854, was $6,332.17.

The receipts from April 1, 1854, to April 1, 1855, were, from individuals, $1,669.24, and from churches, $3,577.24, making the receipts $5,246.48; which, added to the amount in hand on April 1, 1854, make a total of $11,578.65. The appropriations paid

from April 1, 1854, to April 1, 1855, amount to $7,405.55, which leaves a balance in the Treasury, April 1, 1855, of $4,173.10. There are, however, unpaid appropriations, amounting to $5,840, which would more than consume this balance, and leave the Church Extension Fund in debt $1,666.90.

Appropriations have been made, during the year, to forty-six churches, scattered over twenty-four Synods, and within the bounds of thirty-seven Presbyteries.

Forty-nine churches have been finished during the year, and have received their respective appropriations.

For the purpose of comparison, we state, that the receipts for Church Extension from the 1st of April, 1853, to the 1st of April, 1854, were as follows: From individuals, $3,211.93, and from churches, $3,086.16; making a total of $6,298.09. From this it appears that the receipts this year were $1,051.61 less than the year preceding. The number of churches which were finished last year, and which received their appropriations, was thirty-five; the number this year was forty-nine, being fourteen more than the year previous.

As it may be desirable to know the gross amount that has been received from the commencement of the Church Extension Fund, we add the following statement: Cash received for Church Extension, from July 20, 1844, to April 1, 1855—from individuals, $47,711.27, and from churches, $20,832.79; making a total of $68,544.06. The whole number of churches which have received appropriations, during this period, is 382, and these are scattered over every section of our Church.

IMPORTANCE OF DOMESTIC MISSIONS.

OBJECTS OF THE BOARD.—The objects of the Board of Missions are two-fold:

1. To supply vacant churches and assist weak and feeble congregations in the support of pastors.

2. To extend the boundaries of the Church, by employing ministers to preach the gospel, organize new congregations, and form churches in the hitherto neglected and waste places of our country.

Hundreds of our churches are so weak and feeble, that it would be impossible for them to maintain their pastors without aid from others. Besides these weak congregations, there were no less than six hundred and ninety-six churches, connected with our denomination, which were reported to the last General Assembly as vacant; that is, without pastors or stated supplies. And in addition to both these classes of weak and vacant churches, there are thousands of places scattered throughout our widely extended country, which are destitute of evangelical ministers, and which must be supplied, if supplied at all, by those who already enjoy and appreciate the blessings of the gospel. How immensely important it is, that these spiritual destitutions should be adequately and speedily supplied.

DEMAND FOR MISSIONARIES.—The Board continues to receive the most earnest and affecting appeals for missionary aid. From the North and the South, from the East and the West, the Macedonian cry is raised, "Come over and help us!" Ah! how sadly do they describe their spiritual wants, how urgently and imploringly do they entreat us to supply them with the priceless blessing of an evangelical, intelligent, and faithful ministry!

PROGRESS MADE BY OUR CHURCH IN THE MISSIONARY WORK.

In 1828, the year of the re-organization of the Board, there were but thirty-one missionaries, and an income of $2,400.00 only.

In 1840, two years after the division of the Church, and when the parts were fairly separated, there were 256 missionaries, and an income of $40,734.00.

In 1855, the number of missionaries employed was 525, and the income $71,666.03.

Since the re-organization of the Board, we have increased 12 Synods, 56 Presbyteries, 918 ministers, 1,008 churches, and 79,096 members. Since 1840, two years after the division of the Church, we have increased 11 Synods, 51 Presbyteries, 588 ministers, 1,303 churches, and 98,821 members.

The number of Evangelical Ministers in this land is more than keeping pace with the population of this country. Its ministers in twenty-two years have increased 175 per cent. while its population has increased but 88 per cent. Our own branch of the Church has no reason to be discouraged. In the period of the most rapid growth of our population, the number of our ministers and licentiates *has gained* 12 *per cent.* on the population!

Digitized by Google

And yet, so rapidly is our branch of the Church extending, that it has been found impracticable to supply the demand for Presbyterian ministers.

SALARIES OF MISSIONARIES.

Notwithstanding the great falling off in the current receipts of the Board in the West, and the fact that the current receipts in the East but little more than held their own, the Board, during the past year, not only continued the advanced average appropriations to the missionaries of the year preceding, but actually increased them $10.37.

Within the last two years the Board has increased the average appropriations to the missionaries $30.00.

If the congregations to which they minister had advanced proportionately, our missionaries would have been much more comfortably supported. But while the Board has increased their appropriations 23 per cent., their people have advanced only 13¾ per cent.

NEED OF FUNDS.

In view of the present state of our Treasury and the greatly increased demands which will be made upon the Board during this year, will not the churches more generally and liberally contribute to this vitally important cause?

It now rests with our people to say, whether the Board of Missions shall be able to sustain the Missions which they now have, and go forward in establishing others where they are so urgently needed, or whether they shall be compelled to refuse new appointments, and actually reduce the number and compensation of the missionaries now employed. Without an increase of funds, this latter alternative is unavoidable!

The Board have still to regret that more than one-half of our churches contribute nothing to this cause! Will not every church, during this year, contribute something?

PRESBYTERIES AND CHURCHES RECEIVING AID.

In the present state of the Treasury and the large liabilities which the Board have assumed, it is indispensable that more than ordinary care should be taken that no unnecessary appropriation be recommended by the Presbyteries, and no one of greater amount than is absolutely needed.

No church should apply for aid from the Missionary Fund who could do without it, nor should any apply for more than is absolutely requisite. Every church should do as much as they can for the support of the gospel among themselves and should endeavour to become, as fast and as fully as practicable, a self-sustaining and contributing church.

DUTIES OF MISSIONARIES.

Every missionary should send in an Annual Statistical Report. Last year, no less than 179 neglected this important duty—more than one-third of the whole number who were in commission.

The Board would also call the attention of the missionaries under the Western Executive Committee to the rule which requires them to send *quarterly reports* to the *office* in *Philadelphia*, as well as duplicates to the office in Louisville.

It is the duty of all our missionaries to afford their people an opportunity to contribute to the Missionary Fund of the Church, and to use their best endeavours to induce them to give according to their ability.

CHANGE OF THE FISCAL YEAR.

The Board have found it necessary to resolve that, hereafter, their fiscal year shall terminate at the same time that their missionary year now ends. Heretofore, while the missionary reports were made up to the 1st of March, the cash accounts were not closed until the 1st of April. Hereafter, the fiscal year will terminate on the 1st of March; so that the missionary reports and the pecuniary accounts will be made up to the same date.

CONCLUSION.

The Report concludes with an earnest appeal to Christians to pray more for the outpouring of the Holy Spirit, in order that the resources and usefulness of the Board may be increased.

Abstract of the Annual Report for 1855.

Part I. MINISTERIAL EDUCATION.—The care of the Presbyterian Church, in the perpetuation of an Evangelical Ministry, is the general topic considered in the first part of the report. The care of the Church is exhibited: I. *In her views of a call to the Gospel Ministry.* The call, according to our standards, must come from God; the candidate must have satisfactory evidences of it in his own consciousness and gracious experience; and it must be subject to the examination and approval of the Church.

II. The Church's care is seen in her zeal for *the qualifications of her ministers for the sacred office.* Intellect, as well as piety, is needful; and hence the Church has always insisted upon the education of her Ministry, and has established a number of Seminaries for that purpose.

III. The Church provides for *the temporal comfort and support of her candidates.* From time immemorial provision was made for her indigent sons. The Board of Education was organized in 1819, to give greater efficiency to these measures. Our Theological Seminaries give their instructions gratuitously; and facilities are offered to all who give evidence that they are called to the office. In assisting her indigent sons, the Church does it on the ground of duty to God and to His cause, and endeavours to be discriminating in the amount offered, and to administer the system on principles of parental affection.

IV. The Church's care is further seen in the *supervision and oversight of her candidates during the preparatory course.* The Presbyteries are the source of ecclesiastical authority and supervise the candidates from beginning to end. Pastors, professors and teachers, and the Board of Education, co-operate in the work with the Presbyteries.

V. The Church *uses scriptural means to increase the number* of her candidates. Chief among the means is prayer to the Lord of the harvest. Also, parental consecration and instruction of the young; the establishment of Christian institutions of learning, encouraging all classes of pious youth to examine their personal duty, &c.

VI. The Church exhibits her care in the licensure and ordination of her candidates, which occur after intervals of examination and testing their fitness for the work.

Candidates.—The number of new candidates is 125, which is much the largest number of any year since the division of the Church. The number last year was 104, and in late years it has sunk down even to 60. Thanks be to God for his mercy! the total number of candidates on the roll this year is 364, against 342 of the previous year.

Officers and agents.—Dr. James Wood has been chosen an Associate Secretary. Dr. McCluskey and Rev. Thomas Castleton have acted as agents in different parts of the field, but they have recently entered upon other arrangements.

Part II. CHRISTIAN EDUCATION IN SCHOOLS, ACADEMIES AND COLLEGES.

Parochial or Primary Schools.—Some new schools have been established during the year, several of which are of great interest and importance. But the aggregate number, judging from imperfect statistical returns, has not increased. The munificent sum of $5,000, has been, for the third year, placed at the disposal of the Board, by one of the friends of the cause.

Digitized by Google

Presbyterial Academies.—The number of these institutions is fifty-two. They are found in all sections of the Church, and are doing a great work in the cause of literature and learning. Some of them have been favoured with revivals of religion during the year; and one of them reports, since its organization, the conversion of about one hundred of its youth, of whom ten or twelve are looking forward to the ministry.

Colleges.—The report gives a notice of each college under Synodical supervision. The total number of our ecclesiastical colleges in operation, or with charters expecting to commence operations, is twenty. Several of these, however, are yet in their infancy, and most of them are struggling to effect an endowment. All such institutions have their trials and troubles; but the foundations must be laid in season, and the result be left with God.

The care of the Presbyterian Church for her Children and Youth.—This forms the conclusion of the Report.

I. The Presbyterian Church shows her tender care for her children by consecrating them to God in baptism. Some of the advantages of this divine ordinance are pointed out and insisted upon.

II. The Church exercises her care in the domestic religious training of her children. By divine authority this work belongs to parents. The family comes down with the memories and hopes of paradise. It is a religious institution, and God makes use of it to carry out the covenant made with Abraham. Among the things needed to give more efficiency to the household, is—1st. Scriptural instruction by parents themselves; 2d. Training as well as teaching; 3d. Godly example; 4th. Faith in God and his covenant promise.

III. The Church displays her care over her youth in her own efforts for their conversion by Catechetical and Bible classes, by Sabbath-schools, by preaching and by pastoral intercourse. Each of these agencies, grouped together as ecclesiastical instrumentalities, is briefly commented upon in the Annual Report.

IV. A fourth agency, more exterior to direct ecclesiastical action, but lawfully within its compass, is the establishment of Christian institutions for the public education of the young.

Public education is a powerful agency in moulding character; it is auxiliary to home training; and it is in its nature adapted to the inculcation of religion. The question, whether the Church may assist in providing Christian institutions to meet the wants of her household, is a very simple one. The question is not whether the Church has an exclusive divine right to take part in public education, nor whether she is bound, under all circumstances, to exercise that authority; but simply whether she may lawfully assist in providing institutions to carry forward the religious education of her youth, when she deems that such institutions are required. Every Church in christendom, and the Presbyterian Church in all periods of her history and all places of her extension, has claimed this right. Every Synod in our own Church has either acted on this principle, or admitted its truth. The General Assembly has repeatedly sanctioned it, and with great unanimity. In so doing, our Church cordially hails, as co-partners in the same work, all Christian institutions under whatever supervision they may be, private or public. She yields to others their rights, and maintains her own.

V. The Church provides a sound Christian literature for the edification of the young.

VI. The Presbyterian Church exhibits her concern for her children and youth in a *parental inspection* of their conduct, in *appropriate acts of discipline*, and in inviting them to partake of the *Lord's Supper* when they have sufficient knowledge to discern his body. Our standards fully recognize baptized children as members of the visible Church. The duty of "*inspection*" requires the Church to have an oversight over her baptized children, expressed in acts of interest for their welfare and in inquiries relating to it. Appropriate *discipline* is implied in the idea of church membership. The report, without expressing any opinion on doubtful points, suggests that the character of the discipline, and the general circumstances of its administration, might deserve the examination of our higher judicatories, and especially of the General Assembly.

The Church enjoins the duty of making a public profession of religion upon infant church members when they have reached the years of discretion, and can discern the Lord's body. 1. The Presbyterian organization assumes that children are *already members* of the visible Church. 2. Our standards assume that many baptized children will ordinarily be led by the grace of God, to *profess their faith in the Lord Jesus Christ*. 3. They further assume that many will apply for the Lord's supper, *early in life*. 4. Our Church prescribes *true piety* as the qualification of admission to the Lord's Supper.

Digitized by Google

5. Our Church *uses means* to bring into the full communion of the Church her baptized members, who possess the requisite spiritual qualifications.

The Report concludes with the sentiment that the public measures of education are only subordinate to the other great agencies of home and church in saving our youth. The aim of all is the fulfilment of the covenant made by God with Abraham—the salvation of the soul.

Abstract of the Eighteenth Annual Report, May 1, 1855.

The Board acknowledge with gratitude to God their obligations for the distinguished favours that have been conferred upon every department of their work during the past year.

The receipts from all sources, including a balance from last year of $1,267 52,	$184,074 17
Expenditures,	175,705 10
Leaving a general balance of	8,369 07
Of which, unexpended amount of moneys received for sale of the Omaha Reservation, and appropriated to Indian Missions in Kansas and Nebraska,	8,282 00
Leaving a balance in the Treasury for the general purposes of the Board, of	$87 07

The advance in the receipts of the Treasury, though small, is nevertheless an encouraging token of increasing interest in the Missionary cause, and especially in connection with the pecuniary difficulties which have existed in the country during the greater part of the year, and also in connection with the fact that the Board has not had a single collecting agent employed among the churches during the year. A large number of our

Digitized by Google

ministers have themselves presented this cause to their respective churches, and in most cases with the most happy results.

PUBLICATIONS.—The Board has continued to occupy the usual number of pages in the *Home and Foreign Record*, which has a circulation of something more than 16,000 copies.

Of the *Foreign Missionary*, 20,000 copies of the newspaper, and 3,250 of the pamphlet edition, of thirty-two pages, have been printed and circulated. Various circular letters have been printed and circulated among the churches, and upon these and the Missionary Journals, the Committee have relied mainly to do their agency work.

MISSIONARIES AND ASSISTANT MISSIONARIES SENT OUT.—Six Missionaries (one of whom had been in this country on a visit) and twenty-two male and female Assistant Missionaries, making twenty-eight in all, have been sent out during the year.

MISSIONS AMONG THE INDIAN TRIBES.—The Board has seven Missions among the Indian Tribes, viz., among the Chippewas and Ottawas of the State of Michigan, among the Omahas of Nebraska, among the Iowas and Sacs of Kansas Territory, and among the Creeks, Seminoles, Chickasaws, and Choctaws of the South-Western Indian Territory. Measures have been adopted for the commencement of a new Mission among the Otoes of Kansas.

Connected with these Missions, there are eleven stations and out-stations, and nearly as many more preaching places; nine Missionaries, Rev. Messrs. A. Reid, H. Balentine, J. H. Burns, Robert M. Loughridge, William H. Templeton, S. M. Irvin, Wm. McCain, William Hamilton, and Peter Dougherty, and sixty-three male and female Assistant Missionaries, and five Native Helpers; seven churches and two hundred and ten church members; eight boarding and two day schools, embracing five hundred and fifty pupils, in various stages of their education.

The number of communicants in connection with these churches, has been more than doubled during the past year. The schools have had a larger number of pupils, and better attendance than in former years; whilst most of the tribes, but especially those in the State of Michigan and in the South-Western Territory, are making most encouraging progress in every department of civilization.

MISSIONS IN AFRICA.—There are two Missions in Africa; one in Liberia, which operates upon the coloured American emigrants and the natives of the country; and the other at the Island of Corisco, twelve or fifteen hundred miles to the south and east of Liberia, and nearly under the equator, which operates exclusively upon the aboriginal population of that Island and the neighboring continent.

In connection with these Missions, there are six stations, six ordained Missionaries, Rev. Messrs. David A. Wilson, Amos Herring, James M. Priest, James L. Mackey, George McQueen, and Wm. Clemens, three Licentiate Preachers, nine male and female Assistant Missionaries, of whom eight are white persons, and the remainder coloured emigrants from this country; seven schools, one of which is a classical school, with about one hundred and fifty pupils; five churches, and about one hundred and fifty church members, being an increase of about thirty over the number reported last year. One small volume has just been printed in the language spoken by the Corisco people, and most of the Missionary brethren there are engaged in the study of the language, and will soon be able to proclaim the unsearchable riches of Christ to thousands of the people around them in their own tongue.

MISSIONS IN INDIA.—In India, there are four Missions, viz., Lodiana, Furrukhabad, Agra, and Allahabad; thirteen stations and out-stations; twenty-six ordained missionaries, Rev. Messrs. John H. Morrison, Charles Forman, Golok Nath, Levi Janvier, Adolph Rudolph, Jessie M. Jamieson, James H. Orbison, James R. Campbell, Joseph Caldwell, John S. Woodside, John J. Walsh, Julius F. Ulman, David E. Campbell, John E. Freeman, James L. Scott, Joseph Warren, Robert S. Fullerton, Robert E. Williams, Joseph Owen, Robert M. Munnis, Lawrence G. Hay, Horatio W. Shaw, Gopee Nath Nundi, John Newton, George O. Barnes, Edward H. Leavitt, two of whom are natives of India; twenty-three female Assistant Missionaries from this country; thirty-four native helpers; eleven churches, with two hundred and ninety native communicants; four printing-presses, from which have been issued over 8,000,000 of pages; thirty-six schools, several of which are high-schools, with upwards of 4,700 pupils. These statistics show an increase of two churches, thirty native converts, about 1,700 pupils, and 5,000,000 of printed pages over the last Annual Report.

Some of the church members have finished their course, and have been enabled to triumph over the last enemy. There is still a loud call for more labourers in this field.

Mission in Siam.—In Siam there is one mission, connected with which there are two ordained missionaries—Rev. Messrs. Stephen Mattoon and Marcus M. Carleton, and Samuel R. House, M. D.—one licentiate preacher and physician, two assistant female missionaries, and one native helper; one boarding-school, with twenty-six pupils.

The missionaries have sustained the usual religious services, and have devoted more time than usual to missionary tours in different parts of the country, and in some regions where the Gospel has never before been heard. One of the missionaries is still engaged in the work of translating the Scriptures into Siamese. The Report contains brief notices of large unevangelized communities, other than the Siamese, but who are accessible at Bangkok, and to whom the Gospel ought to be preached. Who will be the first to go and carry them the glad tidings of salvation?

China.—The Board has three missions in China, viz. at Canton, Ningpo, and Shanghai, and a mission also to the Chinese in California. Connected with these missions there are eleven ordained missionaries—Rev. Messrs. Andrew P. Happer, John B. French, Charles F. Preston, Richard L. Way, Henry V. Rankin, Samuel N. Martin, William P. Martin, John L. Nevius, John W. Quarterman, M. Simpson Culbertson, Joseph K. Wight, Reuben Lowrie; and D. B. McCartee, M. D., and Joseph Kerr, M. D.—two physicians; fifteen female missionary assistants; three native helpers; eight schools, with one hundred and seventy pupils; two printing-presses, from which have issued upwards of 4,000,000 of pages. The missionaries have been actively employed in the various duties of preaching, translating, teaching, distributing religious books and tracts; and those of the medical profession in the duties of the dispensaries, in addition to their other labours.

China is still suffering from the dreadful evils of civil war. How long this strife is to continue is known only to God. It should be the earnest prayer of the friends of the Redeemer, that it may be overruled for the advancement of his kingdom among this unhappy people.

Mission in South America.—The only mission that has yet been established in South America is at Buenos Ayres; and this, though of only one year's continuance, has already received very encouraging tokens of the Divine favour. Measures have been adopted for the commencement of another Mission at Bogota, the capital of the Republic of New Grenada; and it is confidently hoped that both of these Missions may be reinforced at an early period, and prove a great blessing to the inhabitants of that country.

Missions to Papal Europe.—The Board has no missionaries in Europe under their immediate direction. Their appropriations have been made to Evangelical Societies, which are known to be prosecuting the work of evangelization with zeal, energy and wisdom; and the results of their labours, especially in France and Italy, are most encouraging. The appropriations made by the Committee to these societies, including $4,827.88 contributed for the endowment of the Theological Seminary at La Tour, during the year has amounted to $12,613.98.

Mission to the Jews.—The Board has two missionaries among the Jews of this country, viz. in New York and Baltimore—two ordained ministers, Rev. Messrs. John Neander, Frederick J. Newhaus; and Julius Straus, licentiate preacher—and one licentiate preacher. These missionaries have free access to their brethren in all these places, and in many cases, it is believed, with happy results.

Summary.—The Board has under its direction, besides what is done for Papal Europe, 20 separate Missions; 59 ordained missionaries; 5 licentiate preachers; 114 male and female assistant missionaries; 43 native helpers; 24 churches, and about 650 native communicants; 26 schools, and 6,596 pupils; 6 printing-presses, from which have been issued more than 12,000,000 of pages during the year.

The Board conclude this statement with the earnest and heartfelt prayer, that this great work of spreading the Gospel among the nations of the earth, may be continued and enlarged until all shall have heard of the salvation of Christ.

Abstract of the Report of the Board of Publication.

The following is an abstract of the 17th Annual Report of the Board of Publication, recently presented to the General Assembly, at Nashville, Tenn., May 23d, and by it accepted and referred to the Board for publication.

The Report reviewed three departments of the operations of the Board: 1st. The department of Production. 2d. Of Distribution. 3d. Of Sustentation.

I. *Of Production.* 1st. The great object of this Board is to furnish to the Church and the world a religious literature. This literature is not to be either a substitute or a rival to the pulpit, but an auxiliary. Bible history contains many intimations, showing the propriety of making a vigorous use of the press, many of which were noted. The providence of God teaches us the same lesson. The Church must use the press in self-defence, for every evil principle is making diligent use of it. The Board of Publication is issuing and diffusing a literature which shall lead men to repentance, faith, and duty, and finally to heaven. All other objects are subordinate to this. 2d. It is an object of the Board to set out the whole system of divine truth in all its completeness. It believes that this is the likeliest way to save souls. 3d. It is another object to provide a denominational literature. While it teaches us to love all who bear the Saviour's image, it exhibits the peculiar claims of our own Zion to our love and veneration. 4. It seeks to furnish such works as may be useful to ministers of the gospel. The minds of her ministers are the fountains from which the ordinary supplies of truth are derived by the Church. Many ministers are able to purchase but very few theological works. The Board aims to supply the best, and as cheaply as possible to them. 5. It aims to supply a juvenile literature, especially a Sabbath-school library. Many of the numerous religious books now published, and especially for Sabbath-schools, are very defective. The Board aims by its publications to "feed the lambs." 6. The Board calls attention to the great variety of its publications.

The Publishing Agent reports that the Board have published during the year April 1, 1854–55, as follows:—37 new books, of which 83,750 copies have been printed; 10 new tracts, of which they have printed 23,000 copies. Total copies of new books and tracts, 148,750. Reprints of former phblications, 317,700 copies. Total copies of books and tracts, 466,450. Total copies of books and tracts published since the organization of the Board, 4,954,688.

Periodicals.—Circulation of *Home and Foreign Record*, 17,000 copies; increase within the year, 1,750 copies. *Sabbath-school Visitor*, 41,000 copies.

II. *Distribution.*—173 colporteurs have been labouring in 27 States and in the British Provinces. They have sold 97,853 volumes; given away 10,780 volumes; distributed 1,046,964 pages of tracts; number of families visited 79,092.

Donations made by the Executive Committee, 6,365 volumes, and 342,662 pages of tracts. Let the distribution of the Board continue to extend at the same rate as for the last six years, and at the end of ten years it will be found distributing annually over two and a half millions of copies of its publications.

III. *Sustentation.*—Receipts for the past year from all sources,	$87,599
Total payments of past year,	91,319
Excess of payments,	3,719
Receipts from sales of books,	65,793
do. for Colportage,	14,015
Balance now in Treasurer's hands,	14,476
Deficiency of Colportage Fund,	4,176

The number of churches contributing to colportage is steadily increasing, although yet far too small. Very little collecting agency has been employed, and the Board has every reason to feel encouraged with the progress of the past year, and the prospects before it.

Form of a Devise or Bequest to the Presbyterian Board of Publication.

To the Trustees of the Presbyterian Board of Publication, and to their successors and assigns, I give and bequeath the sum of , or I devise a certain messuage, and tract of land, &c., to be held by the said Trustees, and their successors for ever, to and for the uses, and under the direction of the said Board of Publication, according to the provisions of their charter.

Of the above, Edward L. Dodder, David Hall, Alexander S. Marshall, Richard H. Morrow, Robert F. Wilson, and John W. White, were received on certificate from the Western Theological Seminary at Allegheny, Pa.; Barnabas S. Krider and William A. Wood, from the Theological Seminary at Columbia, S. C.; Francis F. Ford and William C. White, from the Union Theological Seminary, New York; Walter V. Couch, from the Theological Seminary at Auburn, New York; Joseph W. Morcock, who is a member of a Baptist church, from the Furman Theological Seminary, South Carolina; Lucius Cuthbert, Junior, and Joseph S. Kennard, are also members of Baptist churches.

The whole number of matriculated students, whose names have been upon the roll during the whole or a part of the session just closed, is *one hundred and nine*, besides whom there have been in attendance on its exercises, the following resident licentiates: Robert McMullin, Samuel H. McMullin, and Andrew B. Morse, graduates of this Seminary; Robert T. Drake, graduate of the Seminary at New Albany, and Washington Frothingham.

One student, viz. William H. Canfield, has died in the course of the past session.

In regard to the religious character and deportment of the students, the Professors reported to the Board that the religious walk of the students, as far as it has come under their observation, has been exemplary. They have been respectful to their teachers, and harmonious among themselves, and have continued to engage with frequency and apparent devotion in religious exercises, and in such Christian labours as the vicinity has afforded. Some of them have expressed their intention of becoming missionaries, and others have the missionary work under solemn consideration.

At the close of the session the students were examined for nearly a week, in presence of a committee of the Board. The committee reported to the Board that the examinations were thorough, and the proficiency of the students generally satisfactory.

The Committee also reported, that only seventy of the students were under examination, the remainder being absent, principally in consequence of engagements made by them in other directions. In consequence of this, the Board passed the following resolution, viz.

"That no student, who is absent from the annual examination of his class, be allowed to take his regular standing in the class, at the next session, until he has passed such an examination, on the studies of the preceding year, as the Professors may consider satisfactory."

Certificates of having finished the whole course prescribed in the Plan were conferred on the following *thirty-two* young men, viz., Joseph Batchelder, Joseph Beggs, Edwin R. Bower, H. Clay Cameron, J. Halsted Carroll, Elias N. Crane, Edward L. Dodder, James M. Edwards, Henry M. Giltner, Thomas M. Gray, Horace G. Hinsdale, Thomas M. Hopkins, Everard Kempshall, Sidney G. Jackson Reynolds, Charles H. Skillman, P. Augustus Studdiford, Lorenzo Westcott, John W. White, Robert B. Williamson, Robert F. Wilson, and Gilbert T. Woodhull.

The Board would further report, that on the 12th day of September last, they inaugurated the Rev. Dr. Alexander T. McGill, as Professor of Pastoral Theology, Church Government, and the Composition and Delivery of Sermons.

At the present meeting of the Board, May 8th, 1855, they passed the following resolution, viz.

The Board in the year 1845 reported to the Assembly, that Miss Catharine Naglee, deceased, of Philadelphia, had left in her will, a legacy to the Seminary, consisting of one-ninth part of certain real estate situated in the northern suburbs of the city. This property was sold about two years since, for $81,477.50, one-ninth part of which was claimed for the Seminary. This claim was opposed by some of the other heirs; and the case was carried into Court. In June last, the Court decided in favour of the Seminary. Since which time, two-thirds of the legacy has been received. As the will of Miss Naglee directed that her legacy for the benefit of the Seminary should be applied to such objects as the gentlemen having the charge of it should see fit, the Trustees have resolved that $2,500 of it should be applied to found a Scholarship in the Seminary, to be called the *Catharine Naglee Scholarship*. The remainder of the first two instalments have been placed in the Contingent Fund; and the Board have resolved that the third instalment when received, amounting to a little more than $2,800, shall be appropriated to a Professor's house, to be occupied by Dr. McGill, provided the balance of the funds to purchase or erect such a house, can be collected. The Board would inform the Assembly, that for the successful prosecution of this claim they are much indebted to Messrs. James Bayard, and Henry J. Williams, Esqrs., who were appointed to defend the claims of the Board, and who rendered their valuable services gratuitously.

The Board would also report that Mr. John Hoff, of the City of Philadelphia, has bequeathed to the Seminary a sum exceeding $4,000, to be appropriated in a certain way, pointed out in his will, to the cause of education. This bequest has been in Court, and has lately been decided in favour of the Seminary. For this favourable decision, the Board are much indebted to E. Spencer Miller, Esq., of Philadelphia, for his valuable services, rendered gratuitously.

The Board have also to report, that Dr. Patrick Gannon, deceased, of the city of Albany, N. Y., has bequeathed to the Seminary the sum of $250, to be loaned to indigent Theological Students, and to be returned when they become able.

The Board at their meeting in September last, resolved to take measures to erect or purchase a house, to be occupied by Dr. McGill; and appointed a committee to secure the necessary funds for this purpose. This committee reported at the present meeting, that on account of the state of the money market, they had not been able to do anything. The committee were continued. The Trustees feel that the erection of another Professor's house is very desirable. All the Professors, except Dr. McGill, have houses belonging to the Seminary.

Considerable expense in necessary repairs has been laid out through the year, on the buildings and grounds of the Seminary, amounting to $1,976.33, which has been paid.

From the Librarian's report, it appears that there has been added to the library through the year,

By donations,	964 volumes.
And by purchase,	56 "
Making the total number added,	1,020 volumes.

The whole number of volumes now in the Library is 13,860.

Mr. Samuel Agnew of Philadelphia, has presented 730 volumes, a large number of which are very rare, old, and curious. Mr. Agnew is also engaged upon the collection of volumes on various theological subjects, which he designs ultimately for this Library—one upon Baptism and Communion, now numbering over 1,400 distinct publications; another on the Sabbath, now numbering about 100 different treatises; another on the Divinity of Christ, now numbering near 200; another on Church Government; and another still on the Baptist controversy.

The widow of the late Rev. Orson Douglass of Philadelphia has presented 28 volumes.

James Lenox, Esq., of New York, has presented 70 volumes, together with a number of papers and periodicals. Among the former are the Encyclopedia Britannica, the Penny Cyclopedia, five different editions of the Index Expurgatorius, three volumes of the Natural History of New York, &c.

Messrs. R. L. & A. Stuart, of New York, have presented 54 volumes, among which are Bishop Bull's Life and works, 6 volumes; 2 volumes of Hammer Prugstall's extensive work on the literary history of the Arabs, Athenæ Oxonienses, &c.

The Presbyterian Board of Publication have presented 66 volumes of their publications. Rev. Dr. W. A. Scott of New Orleans, 2 vols. Rev. Dr. J. W. Alexander of New York, 2 vols. Rev. R. K. Rodgers of Bound Brook, N. J., 5 vols. Mrs. Eliza P. Gurney, 2 vols. Dr. J. C. Warren, 1 vol. Rev. S. L. Tuttle, 1 vol. Stephen Colwell, Esq. of Philadelphia, 1 vol. The Smithsonian Institution, 1 vol. The Nestorian Mission, 1 vol. Besides which, 56 volumes of Ersch and Gruber's Encyclopedia have been purchased, being the whole of that great work as far as it has been completed.

Three boxes of valuable clothing have been also received from the ladies of Rev. Dr. Alexander's church in New York; also a package from Rev. Dr. Potts's church in New York; and another from the Female Charitable Society of Morris Plain, N. J., all of which have been distributed agreeably to the wishes of the benevolent donors, among the needy students.

Respectfully submitted. By order of the Board,

The new Seminary edifice is nearly finished, and will be ready for occupancy in September, at the opening of the next term. In its location and arrangements it will be far more convenient than the former. Owing to commercial embarrassments the house for the third Professor has been somewhat delayed; but the building committee has been instructed to take the matter in hand, and put the building under contract at as early a period as possible.

The Board have ordered the purchase of the library of the late Professor Gieseler, the eminent author in Church History, comprising nearly 4000 volumes of valuable works in this and other departments.

The following volumes have been received as donations to the library, viz.

The Board has lost a most worthy and efficient member in the death of Frederick Lorenz, Esq., and would respectfully ask the Assembly to fill the vacancy thus created.

public, with seriousness, that they have prosecuted their inquiries into the various movements of the Church for the extension of the Redeemer's kingdom, and many of them have given prayerful attention to their personal duty respecting the work of missions, foreign and domestic. One of them recently licensed to preach the gospel, has offered himself to the service of our Foreign Board.

The Faculty also report that they have followed strictly the plan of instruction adopted by the last General Assembly, teaching all the students together as one class, with the exception of the department of Hebrew, every Professor meeting every student every day, and each of the Professors going over the third of his entire course of instruction. The actual workings of the plan thus far have commended it strongly, both to the teachers and pupils, as combining many important advantages with fewer practical difficulties than were anticipated.

During the past year the Trustees have purchased for the Seminary a valuable private library at an expense of nearly $5,000. It contains many very rare and important works, especially in the departments of Church History, the Papal Controversy, and Polemic Theology in general, Biblical Literature, &c. The foundation of a complete theological library could hardly be better laid, or on more advantageous terms. The Board also acknowledge the donation of books of great value by Rev. Dr. Stanton of Mississippi, Rev. D. T. Stuart, Rev. J. C. Bayless, Rev. J. C. Harrison, Mrs. M. Dewees and Judge Goodloe of Kentucky, from the Board of Publication the works issued during the year, and from the Rev. J. D. Paxton, D. D. the MSS. of the late Rev. John McFarland of Kentucky.

The Trustees have also purchased on advantageous terms a building in Danville for the use of the Seminary, affording places for the library, reading room, lecture rooms, and accommodations for a number of students. The lecture room is sufficiently large for the use of public worship on the Sabbath, sustained by the Professors and Senior students. This arrangement is merely provisional and temporary, until larger and more suitable buildings shall be provided. At present the students lodge in the Seminary building, and board in private families, or they receive their entire accommodation in the families. The Presbyterian population of the town and neighbourhood is large, and they have extended to the students the kindest hospitality, in many cases receiving them gratuitously.

The Seminary having been in existence only two years, none of the students who commenced their studies here have completed the prescribed course. Four young men, having been previously connected with other Seminaries, have just finished the three years, course of study here. Their names are John L. McKee of Ky., Wm. J. McKnight of Tenn., David R. Todd of Ohio, and John N. Young of Missouri. Four or five others have been recently licensed, who have not taken a full course of instruction. The number of matriculated students who have been licensed to preach the gospel during the two years is about fifteen.

The experience of the Professors indicates that the session extending from the 20th of September to the first week in May, with a short recess at Christmas, is quite as long as can be profitably employed by the students. During the session now closing, the health of several of them has given way under the pressure of their studies, so that they have been compelled to leave the Seminary. It is also ascertained that all the students who desire profitable and useful employment, as teachers, colporteurs, &c., during the summer, can readily obtain it, combining the advantages of pecuniary emolument with experience in efforts to do good, and a knowledge of the great domestic missionary field, in the heart of which the Seminary is planted.

The Rev. J. N. Waddell, D. D., who was appointed by the last General Assembly, Professor of Church Government and Pastoral Theology, has declined the appointment. The Directors have been encouraged to expect that this Professorship will be endowed by the southwestern Synods, and some preliminary measures to that end have been instituted. But the pecuniary condition of the country during the last year, and other providential hinderances, made it necessary to defer the effort to secure the object until after the adjournment of this General Assembly. The Directors suggest to the Assembly, that the duties of the vacant chair be distributed among the existing Professors for the year ensuing, and that the election of the Professor be postponed until the meeting of the next Assembly. The utmost confidence is felt that the Church will do all that it has undertaken to do, in the endowment and support of the Seminary.

The Board will here add, that having attended on all the examinations of the Seminary, they bear cheerful testimony to the evidence therein afforded of thoroughness and ability on the part of the Professors, and of diligence and success on the part of the students.

There is a question of great interest to this Seminary, which its Faculty has been unable to manage in a satisfactory manner, except very temporarily, with the Board of Education, to which the attention of the Assembly is invited. It relates to the manner in which the beneficiaries of that Board must be recommended to it. If the Board of Education demands the recommendation of a *Presbytery* in order to afford aid to our indigent students, the effect will be, either that the students must take dismissions from the Presbyteries to which they naturally belong, and put themselves under the care of Presbyteries near the Seminary, or students from distant parts of the Church must not only be put to great inconvenience and expense, but what is worse, find themselves obstructed, if not absolutely hindered in many instances in getting to this Seminary at all. No two of the Professors in this Seminary belong to the same Presbytery; but each of them being a member of the Committee of his own Presbytery on Education, it is supposed that their joint recommendation ought to be sufficient to justify the Board of Education in extending aid to necessitous Presbyterian students of theology in this Seminary. By this means the freedom of choice in the students to come here is vindicated to them, and the Board has apparently the most constant and satisfactory evidence the nature of the case admits of, that the charity of the Church is well bestowed. The Board of Directors do not see any alternative between some arrangement concerning this matter more satisfactory than exists at present, and an attempt on their part to create a fund, independently of the Board of Education, for the support of students in indigent circumstances. On which account the matter is brought to the notice of the Assembly by the Board of Directors, in its simplest form, and without doing anything more than suggesting the manner in which it appears to them the very serious difficulty in the way of this Seminary may be removed, without the possibility of any injury to the Board of Education.

All of which is respectfully submitted.

SECOND ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE DANVILLE THEOLOGICAL SEMINARY, TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES OF AMERICA.

DANVILLE, *Kentucky, April 25th*, 1855.

The financial year of this Seminary ends on the 1st day of March of each year: the salaries of the Professors being payable, and the interest on the private bonds and subscriptions held by the Trustees of the Seminary being generally due on the 1st of March and the 1st of September, annually. The funds invested in public stocks, make their dividends in January and July; and the General Assembly meets in May, of each year; so that, on every account, the financial year, as above arranged, is the most convenient to the Seminary, and will make its pecuniary affairs most clear to the Assembly.

Instead of making a detailed statement of the finances of this Institution, the Board of Trustees refers the Assembly to the statement made by them to the Assembly of 1854, and printed in the Appendix to its Minutes, pp. 221–224. No addition has been made to the funds of the Seminary during the year ending on the 1st of March, 1855. This has resulted, in part, from the embarrassed condition of the country during the year; in part, from the desire for further delay on the part of those portions of the Church in which the next effort for raising funds was considered proper to be made; in part, from there being no such urgency in the affairs of the Seminary, as to demand a vigorous effort, under the circumstances exhibited in the two preceding statements; and in part, from the failure of the Board of Trustees in making satisfactory arrangements with regard to the required agencies. In the mean time, the subscriptions and bonds before obtained by the Board of Trustees, have been in a rapid and successful course of liquidation; and a large amount of the funds are safely and profitably invested, in various productive stocks; the balance is in the course of collection and investment, with the least delay compatible with all the interest at stake. It is believed by the Board of Trustees, that there will be an unusually small loss on the whole amount of the subscriptions hitherto obtained; notwithstanding the great change which has taken place in the financial condition of the whole country, since the subscriptions to this Seminary were made. As yet, none have been made out of the bounds of the Synod of Kentucky.

The Board of Trustees, in execution of the powers vested in them by the Charter of the Seminary, and the acts of the Assembly of 1854, will use their utmost endeavours to obtain such additional endowments as will place the Institution, at the earliest possible period, on the most secure and substantial foundation, so far as its pecuniary affairs are concerned. And although this must necessarily be a work of time and labour, they see no reason to doubt of their complete success. In the mean time, and in order to secure that result as soon as possible, the present Professors in the Seminary have preferred to risk something in the way of patronage, and to do an increased amount of labour, rather than increase the corps of teachers, by adding a fourth Professor, before additional funds were provided for his comfortable support. This it is hoped will be accomplished within the present year.

The Assembly will learn from the Report of the Board of Directors what has been done within the past year in providing accommodations for the public use of the Seminary, by purchasing and fitting up property, purchasing books, &c., &c. It is believed that in all these arrangements the prosperity of the Institution has been greatly promoted, and at the same time, a wise economy rigidly observed.

The aggregate income of the entire funds of the Institution, as now existing, will be about sufficient for the support of the Seminary on its present scale, as soon as the whole of those funds can be collected and properly invested; so that, in effect, although but a single and brief effort, and that in a single Synod, has been hitherto made, to raise funds, the Seminary may be considered permanently established. This, however, is very far from realizing the original scheme, on which the Seminary was founded; and the Board of Trustees, alive to the great desires of the Assembly, cannot consider their work more than fairly begun. Consolidating, at every step, the interest already created, they propose to go forward steadily and earnestly, until this Seminary shall possess every external advantage, possessed by any other in the Church. With the blessing of God they see no reason to apprehend any serious difficulty in accomplishing all the Church has required them to attempt.

All which is respectfully submitted.

T. BOYLE, *Secretary*.

SPECIAL PRAYER FOR THE GENERAL ASSEMBLY.

In the Minutes of the General Assembly for the year 1821, is the following important rule, which was adopted by the Assembly.

"An overture from the Synod of North Carolina was received and read, and is as follows, viz:

"Whereas the General Assembly is the highest and most important judicatory of the Presbyterian Church: and whereas, to obtain the divine blessing on that judicatory, must appear to every Christian of our denomination to be a matter of the utmost moment; therefore,

"*Resolved*, That the Synod do respectfully suggest to the General Assembly the propriety of recommending to all the churches under their care, to observe, annually, *the afternoon or evening previous to the meeting of that body*, as a season of special prayer to Almighty God for his blessing; that he would, of his infinite mercy, condescend to superintend and direct all their measures, deliberations, and decisions; so that all may redound to the promotion of his own glory, and the general prosperity of that particular Church to which we belong."

A communication from the Stated Clerk of the General Synod of the Reformed Protestant Dutch Church was received and read, and ordered to be put on the Minutes, as follows, viz.

The Committee on Correspondence reported, and their report was accepted, adopted, and is as follows:

The Committee on Correspondence beg leave respectfully to report:

That they have received a communication from the Rev. John Leyburn, Stated Clerk of the General Assembly of the Presbyterian Church, in which, by direction of the Assembly, he expresses to the General Synod, in relation to their complaint of the violation of the terms of correspondence by the Presbytery of North River, in the case of the church recently organized at Kingston, N. Y., "the deep regret felt by them that there should have been any cause for complaint or recrimination; their profound respect and strong fraternal affection for their brethren of the Dutch Church, and their desire that nothing should be allowed to weaken the ties which bind the two Churches together." Your committee recommend the adoption of the following resolutions:

Resolved, 1. That Synod cordially reciprocate the above expressions of fraternal affection and esteem, and their earnest desire for the strengthening and perpetuating of those ties that now bind the two Churches in Christian communion.

Resolved, 2. That the Stated Clerk of Synod furnish a certified copy of the above to the General Assembly of the Presbyterian Church.

The Trust funds are also credited with their appropriate accruing income, and debited with the expenditures appropriate to the Trusts respectively; and the balances appear in the balance sheet as contingent funds of the respective Trusts.

Overture No. 1. An Overture from the Church Extension Committee, asking the Assembly—

1st. To remove the limitation which requires that other than ministerial members of the Committee shall be ruling elders, so that laymen may serve upon this Committee as upon other benevolent organizations of the Church.

2d. To add to the present number of the Committee one minister and two laymen resident in the city of St. Louis, to guard against the contingencies to which a large city is liable in the summer season, and secure at all times a quorum.

3d. To make the Corresponding Secretary, *ex officio*, a member of the Committee.

4th. To authorize the Committee to make such arrangements as may be necessary to enable the Committee to hold and secure legacies.

5th. To recommend to each of the Synods in our connection to set apart a definite time for an Annual Church Extension Collection in all the churches within their bounds.

The Committee recommend that these requests be granted.

The report was adopted.

Overture No. 2; from the Synod of Pittsburgh, memorializing the Assembly on the necessity and importance of deacons in the churches.

The Committee recommend that the Assembly answer this memorial by referring the Synod to the action of the General Assembly in 1840 and 1841. The report was adopted.

Overture No. 3; from the Synod of Illinois, requesting the erection of a new Synod, to embrace the Presbyteries of Chicago, Rock River, and Schuyler, as these Presbyteries now exist, and to be called the Synod of Chicago.

This request was granted; and, on the recommendation of the Committee, it was ordered, that the first meeting be held in Princeton, Illinois, on the third Thursday of October next, at seven o'clock, P. M.; to be opened with a sermon by the Rev. J. Pillsbury; or, in case of his absence, by the oldest minister present, who shall preside until a moderator be chosen.

The Rev. Dr. Musgrave, Corresponding Secretary of the Board of Missions, according to the order of the day, then delivered his Annual Report; after which, Dr. Rogers, from the Standing Committee on this Board, to which an abstract of the report had been referred, presented the following resolutions, which were unanimously adopted, viz.

Resolved, That the Assembly recognizes with devout and humble gratitude the goodness of Almighty God, in the successful prosecution of the great work of the evangelization of our country during the past year. This expression of gratitude is demanded by the fact, that during the year, the number of missionaries employed, the amount of receipts from the churches and from individuals, and the amounts appropriated to the support of missionaries, have been considerably increased.

Resolved, That the Assembly approves the diligence and fidelity of the Board and its officers, in carrying out the important trusts committed to them; and would again call upon the pastors and ruling elders of our churches to come up to their aid, by regular and enlarged contributions to

this cause, which, in its present and prospective relations and objects, is second to no other in magnitude and importance.

Resolved, That this Assembly approve the action of the Board in increasing the number of itinerant Missionaries; and, believing that much may be accomplished in the more destitute parts of the field by such an agency, they would urge upon the Presbyteries, in laying out and arranging their missionary fields, to pay more attention to this subject, and endeavour to enable the Board to carry out the policy which they have wisely and successfully adopted.

Resolved, That while the Assembly are gratified to learn that an addition of one hundred has been made to the number of contributing churches, during the past year, they would call the attention of the Presbyteries to the mournful fact, that there are still about seventeen hundred churches within our bounds who contribute nothing to Domestic Missions, and express their earnest hope that such a fact may never hereafter disfigure their reports.

The Committee recommended nominations of members of the Board to serve for four years, and that the election be made the second order of the day for Tuesday morning.

The next order of the day was then called up—to hear delegates from corresponding bodies.

The Rev. T. Shepard, D. D., appeared on behalf of the Evangelical Consociation of Rhode Island; and the Rev. W. R. Jewett on behalf of the General Association of New Hampshire. The Moderator responded to each with cordial greeting and fraternal salutations.

Dr. Prime, from the Special Committee, to whom were referred the invitations to visit various literary and philanthropic institutions in the city and vicinity of New York, submitted a report, which, after amendment, on the motion of Dr. Campbell, was adopted, and is as follows:

Resolved, 1st. That the General Assembly return their thanks for the courtesies tendered.

Resolved, 2d. That the Assembly will adjourn on Saturday next, at 10 o'clock, for the purpose of giving opportunity to the members to visit these institutions.

Dr. Rogers, from the Committee to nominate Delegates to Corresponding Bodies, presented a report, which was adopted, and is as follows, viz.

To the General Conference of Maine, which meets at Calais, Tuesday, June 24th, Rev. Isaac W. Platt, principal, and Rev. N. A. Pratt, D. D., alternate.

To the General Association of New Hampshire, which meets at Exeter, Tuesday, August 28th, Rev. John M. Krebs, D. D., principal, and Rev. Henry G. Van Dyke, alternate.

To the Moderator of the General Assembly of the Presbyterian Church:

Rev. and dear Sir—Allow me, through you, respectfully to bring to the notice of the General Assembly the following resolution, adopted by the Managers of the American Bible Society at a meeting held at the Society's House on the 15th inst.

Resolved, That the Secretaries be instructed to wait on the General Assembly of the Presbyterian Church, now in session in this city, and invite the members of that body to attend a public meeting in the Church of the Puritans, Union Square, on Thursday, the 22d inst., at 7½ P. When the house was called to order again, Dr. Marshall presented and read the Annual report from the Trustees of the Western Theological Seminary, which was referred to the Committee on Theological Seminaries.

Dr. Junkin submitted the following paper, which, after an extended discussion, was adopted, viz.

Whereas, By reason of the diminished value of money, the increased price of nearly all the necessaries of life, the changed modes and customs of society, and style of living, and other causes, the salaries of ministers of the gospel, never, as a general thing, sufficient, have become distressingly and alarmingly inadequate to their decent and comfortable maintenance, be it

Resolved, That a Committee be appointed to report to the Assembly upon this subject, and to draught a letter in regard to it; to be adopted by the General Assembly, and addressed to the churches

Dr. Phillips, from the Committee on Devotional Exercises, presented a report, which was approved.

The Assembly then adjourned, to meet on Monday morning at 9 o'clock.

Closed with prayer.

MONDAY MORNING, May 19.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of last session were read and approved.

The Moderator announced, as a special committee on the paper adopted in the session of Saturday, respecting the inadequacy of ministerial support, Messrs. Dabney, A. Phillips, Vermilye, Welch, and D. C. Campbell.

Dr. J. N. Campbell, from the Judicial Committee, submitted a report on two judicial cases, viz.

Case No. 1. The complaint of the Session of the church in Stillwater, N. J., against the Synod of New Jersey, for dismissing a complaint of the said Session against the Presbytery of Newton, in the case of Peter B. Shafer.

The report was, on motion, put on the docket.

Case No. 2. Complaint of B. C. Howard, William F. Murdock, and H. Easter, against the Synod of Baltimore.

The Judicial Committee report, that in their judgment this complaint cannot be laid before the Assembly for final action, for the following reasons, viz.

1. The record of the proceedings of the Presbytery of Baltimore, which are directly involved in the consideration of this complaint, has not been exhibited to the committee; and without such record, the complaint cannot be intelligently investigated and decided.

2. The above named B. C. Howard, William F. Murdock, and H. Easter, are the persons who sign the notice of an intention to complain of the action of the Synod of Baltimore; but neither of them appear to prosecute the complaint before the Assembly. The Committee regard this as an abandonment of the complaint, in accordance with the 11th Article of Section 3, Chapter VII. of the Book of Discipline.

The Committee therefore recommend that this complaint be dismissed.

Adopted.

On motion of the Rev. Albert Williams, it was

Resolved, That the thanks of the Assembly be tendered to the Rev. James H. Thornwell, D.D., for his able and eloquent sermon on Foreign Missions, delivered last evening; and that he be requested to furnish a copy of it to the Board of Foreign Missions for publication, in such a form as to secure its wide diffusion among the churches.

On motion, it was made the second order of the day for Wednesday next, to call for reports from the Committees on Synodical Records.

The time for the first order of the day having arrived, and the Committee on the Board of Foreign Missions not being ready to report, it was, on motion, postponed for a short time.

On motion of Dr. Macdonald, the Rev. Joseph Addison Alexander, D.D., was appointed to preach the Annual Sermon on Foreign Missions, before the next General Assembly; and, on motion of Dr. Phillips, the Rev. Edward P. Humphrey, D.D., was appointed his alternate.

The order of the day was then taken up; and Dr. Gibson, from the Committee on the Board of Foreign Missions, presented the following resolutions, viz.

The Committee to whom was referred the Report of the Board of Foreign Missions, after as careful examination as the time allotted for the purpose would permit, recommend to the Assembly that it be approved, and printed for circulation.

They would also present the following resolutions, founded upon the general statements and facts of the Report, for the consideration, and, if approved, adoption by the Assembly.

1. *Resolved*, That this Assembly finds occasion for the devoutest gratitude to God, for the success which has attended its missionary operations during the past year, as appears in the extension of missionary labours, and the blessing of God upon the efforts of our missionaries, unexampled by any former year—no part of the missionary field remaining without some special token of Divine favour, and the admissions to the communion of the missionary churches being more numerous than in any former year.

2. *Resolved*, That this Assembly desires to express its cordial approval of the manner in which the Church's Foreign Missionary operations have been conducted during the past year by the Executive Committee and officers of the Board, and would render adoring praise to God for the success which he has been pleased to vouchsafe.

3. *Resolved*, That the Assembly express special satisfaction in the

increased liberality of the churches towards the Foreign Missionary Board, showing the unabated interest of God's people in this great cause, so immediately connected in its final success with the glory of the Church's Head.

4. *Resolved*, That this Assembly render special gratitude to God, in that our Board of Foreign Missions has been enabled so much to enlarge its operations during the past year, and the increased number of missionaries sent into the foreign field, with sufficient means contributed by the Church for their support; and especially for the unusual indications of the presence of the Holy Spirit in almost all our missionary stations and churches.

5. *Resolved*, That it is the indispensable duty of every member of the Church to contribute, according to his or her ability, to the various schemes of benevolence conducted by the Church; and this Assembly express their regret that so many of our churches have failed to contribute anything to foreign missions during the past year; and would hereby urge upon the pastors and sessions of these delinquent churches to see to it, that the cause be remembered in their prayers and contributions, in the time to come.

6. *Resolved*, That the General Assembly feel greatly encouraged to go forward in the missionary enterprise, from the fact, that from a comparatively recent origin, our Board now takes its place along side of sister associations which have done so nobly in this cause; and would urge upon the churches increased and still more vigorous efforts to occupy the fields which are being opened by the providence of God for the introduction of the glorious gospel of our ever blessed Lord and Saviour Jesus Christ.

7. *Resolved*, That the Assembly approves of the course pursued by the Board in regard to the setting apart a special fund for the education of the children of foreign missionaries; and, because it is due to these men of God that their children be educated in Christian lands, the Committee recommend increased contributions on the part of the wealthy members of the Church to the above fund.

Also, in connection with the above resolutions, the Committee would direct the attention of the Assembly to the fact, that notwithstanding the recommendation of the last General Assembly, the fund of twenty thousand dollars devoted to the endowment of Professorships in the Theological Seminary of the Waldensian Church, is still incomplete by about seven thousand dollars, very little having been contributed for that object during the past year.

On the motion to adopt these resolutions, the Rev. Dr. Wilson, Assistant Secretary of the Board, the Rev. M. S. Culbertson, and the Rev. A. P. Happer, M. D., Missionaries, addressed the Assembly at length, and the resolutions were adopted.

The house then took a recess for half an hour.

When called to order again, the Assembly took up Judicial Case No. 1.

The report of the Committee was approved, and the house proceeded, after the usual charge from the Moderator, to take up the papers relating to the case, in the order recommended, as follows, viz.

1. The complaint of Peter B. Shafer to the Presbytery of Newton, June 20, 1854.

2. The Minutes of that Presbytery, of October 3, 1854, November 21, 1854, and April 18, 1855.

3. The Minutes of the same Presbytery, of October 2, 1855, with the Records of the Session of the Church in Stillwater, of December, 1854, and April, 1855, which were before that Presbytery, and on which their action was taken.

4. The complaint of the Session of Stillwater to the Synod of New Jersey, and the Minutes of that Synod; complaint October 11, 1855, Minutes October 17, 18, 1855.

5. The Minute of the Presbytery of Newton, of April 23, 1856.

6. The complaint to the General Assembly upon the action of the Synod of New Jersey.

The Rev. Thaniel B. Condit was heard in prosecution of the complaint, and the Rev. Dr. Robert Davidson on behalf of the Synod of New Jersey; it having been determined, on motion of Dr. Rice, after Mr. Condit had spoken, that the complainant and the Synod should be considered the only parties in the trial of this cause as it comes before the Assembly.

The regular time of adjournment having arrived, the proceedings were arrested at this stage, and the Assembly adjourned till to-morrow morning, at 9 o'clock A. M.

Closed with prayer.

TUESDAY MORNING, May 20.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of the previous session were read and approved.

Alexander R. Banks, minister, from the Presbytery of Ouachita, appeared as an additional commissioner; and the Rev. Abraham Polhemus presented credentials as Delegate from the General Synod of the Reformed Protestant Dutch Church.

Dr. Junkin, from the Committee on Elections, reported Alfred Hamilton, minister, from the Presbytery of New Castle, as present with an informal commission, recommending that he be admitted to a seat.

The report was adopted.

On motion of Dr. Gibson, it was made the order of the day, for 1 o'clock, to fill vacancies in the Board of Foreign Missions.

The Assembly then took up the unfinished business, Judicial Case, No. 1.

Members of the inferior judicatory, the Synod of New Jersey, were heard, when the hour having arrived, the order of the day for 10 o'clock was called up, the Annual Report of the Board of Education.

Dr. Dickinson, from the Standing Committee on this Board, offered the following resolutions, viz.

1. *Resolved*, That in the review of the operations and results of the Board of Education during the past year, the Assembly has reason for gratitude to the Great Head of the Church. Notwithstanding the embarrassments which at the commencement of the year seemed to threaten the treasury of the Board, and which occasioned no little anxiety, the exigency was met, and by some of the churches with redoubled liberality; so that the receipts of the Board, over those of the preceding year, have amounted to $4,913. Though the appropriations to candidates, in compliance with the recommendation of a previous Assembly, were increased *one-fifth*, the Board has not failed to meet, with all their wonted promptness, these increased demands on their treasury. And it is a fact not to be overlooked, demanding as it does, grateful record, that during the last twenty-five years, the Board has never failed to fulfil the Church's engagements with her own candidates; thus encouraging the hope, if not affording assurance, that the Church will never allow the candidates for her ministry to suffer through any disregard or neglect of her own engagements.

2. *Resolved*, That, though the number of new candidates does not quite

equal that of the preceding year, there is abundant cause for thanksgiving that no less than one hundred and two have been taken under the care of the Board during the past year, thus making the aggregate for this year, three hundred and eighty-two, which is eighteen more than the aggregate in 1855, and forty more than that of 1854.

3. *Resolved*, That in view of the origin and design of the Christian ministry, the greatness of the field which it is called to occupy, the weighty interests which it involves; its relation to the spread of revealed truth, to the extension of the Church, and the salvation of dying sinners, it is solemnly incumbent on Presbyteries in every scriptural way to seek the increase, as well as guard the purity and promote the efficiency of the ministry.

4. *Resolved*, That in view of those untoward influences to which even the children of the Church are exposed, and which tend to depreciate the ministry as a profession in the estimation of the rising generation; in view also of the dangers to which the youthful mind is so imminently exposed from the insidiousness of error, the blandishments of a secularized religion, and the devices of a paganized christianity, this Assembly enjoins it upon the pastors of our churches to devote especial attention to the religious culture of the youth of their respective charges, and urgently advises Christian parents to throw around their children the shield of biblical and catechetical instruction, that by the early inculcation of right views of truth and duty, they may be not only preserved from error and evil, but ultimately inclined, under God's blessing, to devote themselves to his service in the work of the gospel ministry.

5. *Resolved*, That while the Assembly continues to approve of the course of the Board in establishing schools, academies, and colleges, on a definite religious basis, a sound discretion is necessary as to their number and location; and lest the operations of the Board in this relation should be exposed to invidious misconstruction, it should be distinctly understood that the Church does not undervalue the importance of any institution of learning, which, though not subjected to ecclesiastical supervision, recognizes the authority, and inculcates the principles of God's written word, much less disparage the Common School system, as adapted to useful ends, so long as the Bible is not excluded.

6. *Resolved*, That though Christians should pray habitually that the "Lord of the harvest will send forth labourers into the harvest," yet in thankful remembrance of the signal marks of Divine favour with which the observance of a special season of prayer has heretofore been attended, this Assembly recommends that the last Thursday of February, eighteen hundred and fifty-seven, be observed by the churches as a day of prayer for the blessing of God on the work of the ministry, especially in its relation to the baptized children of the Church; and for the outpouring of the Spirit on the youth of our land, particularly those under instruction in our various institutions of learning.

After addresses from the Rev. Dr. Van Rensselaer, Corresponding Secretary of the Board, and Messrs. Baker, George Marshall, Macdonald, Junkin, Prime, Crozier, Harrison, Hewit, and A. Phillips, the resolutions were adopted.

On motion of Dr. Dickinson, the following paper was adopted, viz.

1. *Resolved*, That a Sermon be preached before the next General Assembly on the subject of Christian Education.

2. *Resolved*, That Rev. William S. Plumer, D. D., be appointed to preach the Sermon, and that the Rev. C. C. Jones, D. D., of Georgia, be his alternate.

Dr. Campbell, from the Judicial Committee, presented the following paper, as containing Judicial Case No. 3, with the action, which the Committee recommend to the Assembly. It was adopted, viz.

Judicial Case No. 3, is a complaint of the Rev. H. B. Gardiner against the Synod of Wisconsin, for reversing the proceedings of the Presbytery of Dane, which recognized the election and ordination of Julius T. Clark and

Digitized by Google

others, as elders and deacons of the Church of Madison. And also a complaint of the said J. T. Clark, against the same decision of the said Synod; and also against their decision, reversing the action of the Presbytery of Dane, in putting a call from the said church of Madison in the hands of the said H. B. Gardiner, to become their pastor.

In the matter of this last named complaint, viz., that which refers to the call to the Rev. H. B. Gardiner, although the papers are voluminous, there is a lack of evidence on both sides to enable the Assembly to judge of the verity of certain allegations which are contradictory; and, on this account, although the complaints are in order, the Judicial Committee is of opinion that a satisfactory adjudication could not be made by the General Assembly. The representatives of both parties, however, agree to the following statement of the case, viz.

The church of Madison, Wisconsin, made out a call for the pastoral services of Mr. Gardiner. A portion of the church opposed the putting the call into his hands, alleging that the opposition was too important to make it prudent for him to be settled over that church; and that certain members, who constituted part of the majority voting the call, were disqualified from voting, by Section 4, Chapter XV. of the Constitution of our Church; and that without them there would not have been a majority. This statement of disqualification is contradicted by the other party; and there is no evidence before the Assembly by which this fact can be settled. The Presbytery of Dane put the call into Mr. Gardiner's hands. Complaint was made to the Synod of Wisconsin. That Synod reversed the decision of the Presbytery. For doing this, the present complaint is made to the Assembly against the Synod.

With this statement of the case, and in view of the fact that, under the various discouragements arising from this state of affairs, Mr. Gardiner has left that field of labour, the Judicial Committee, with the consent of the representatives of both parties, recommend that, without expressing any opinion concerning the act of the Synod, this part of the case be dismissed.

In the matter of the other part of the case, viz., the disputed election of elders and deacons, both parties agree on the following statement, viz.

G. B. Smith and J. T. Clark were elected elders of the church of Madison, Wisconsin, at a meeting held on Sunday, 26th August, 1855. David Dennon and H. J. Davidson were elected deacons. Notice of the meeting had been given on the previous Sabbath from the pulpit, and also on the day of meeting. Messrs. G. B. Smith and J. T. Clark were ordained as elders on the evening of that day. David Dennon was at the same time ordained as deacon. At the next meeting of Presbytery, called *pro re nata*, at the request of the party opposed to the present complainants, J. T. Clark and J. Y. Smith both claimed seats as the representatives of the Madison church. Mr. Clark had been appointed by the Session—the vote being a tie, and the casting vote being given for him by the Moderator. The two former elders of the church—one of whom was an ordained minister, and a member of the Presbytery of Dane—withdrew; alleging that they disputed the fact that the other two were elders. At the Presbytery, J. Y. Smith contested the right of Clark to a seat in that body, on the ground that the meeting to elect elders had not been called by order of the existing Session. The existing or former Session, and their party, had due notice of the meeting, and were present at its commencement. They attempted to postpone the election, and withdrew after the majority had voted to proceed with the election.

The Presbytery of Dane admitted Mr. Clark to his seat, thus recognizing the validity of his election and ordination. Against this action of the Presbytery, J. Y. Smith and his party complained to the Synod of Wisconsin.

The Synod sustained the complaint, thus pronouncing the election and the ordination of the new elders invalid. Against this decision of the Synod, Mr. Gardiner and Mr. J. T. Clark complain.

The above is the statement of the case, as agreed upon by the parties. It is submitted with a view of saving the time of the Assembly.

The Judicial Committee recommend to the Assembly the adoption of the following minute, as a final settlement of the case, agreed on by both parties.

1. That the complaint be sustained *pro forma*, and the decision of the Synod be reversed, so far as it pronounces the election and ordination of the elders and deacons invalid—the Assembly being of opinion that the informality in the call of the congregational meeting was not so serious as to vitiate the election and ordination.

2. That the Synod was right in pronouncing the call of the congregational meeting irregular.

3. That although the Assembly thus recognize the validity of the election and ordination of the said elders and deacons, they yet recommend, the said elders having assented thereto by their representatives, that in view of past and existing difficulties, the said elders and deacons cease to act, according to our form of government, until such time as in the estimation of the Presbytery of Dane the church can be reasonably harmonious in receiving them in their official capacity.

On motion of Dr. Phillips, the Rev. William D. Howard, D. D., was appointed to preach the Annual Sermon on Domestic Missions before the next General Assembly; and the Rev. J. L. Yantis, D. D., was appointed his alternate.

The Assembly then took up the unfinished business, Judicial Case, No. 1, the Complaint of the Session of Stillwater against the Synod of New Jersey,

Mr. Condit was heard again.

The parties and members of the inferior judicatory were then required to withdraw; which the Assembly, by a formal vote, interpreted to mean, a literal retirement from the house.

Dr. Rice moved that the complaint be sustained.

Pending a discussion of this motion, in which Messrs. John C. Lord, Daniel Lord, Fine, and Junkin participated, the hour having arrived, the Assembly adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

WEDNESDAY MORNING, May 21.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of last session were read and approved.

Milton W. Brown, minister, from the Presbytery of Coshocton, appeared, and was enrolled as an additional commissioner.

The Rev. John Maltby appeared as Delegate from the General Conference of Maine.

On motion of Dr. Junkin, from the Committee on Elections, Jefferson Ramsey, ruling elder, from the Presbytery of New Castle, present with an informal commission, was admitted to a seat.

On motion of Dr. E. P. Rogers, the subject assigned yesterday to Dr. William S. Plumer, for a Sermon before the next General Assembly, was changed from "Christian Education" to "Ministerial Education."

On motion, the order of the day for 10 o'clock was postponed, in order to hear Delegates from Corresponding Bodies.

Dr. Rogers, from the special committee on the subject of "Disabled ministers, &c.," presented and read a report, which was made the second order of the day for to-morrow, Thursday.

The Rev. B. G. Northrop, Delegate from the General Association of Massachusetts, and the Rev. John Maltby, from the General Conference of Maine, addressed the Assembly, and their fraternal salutations were reciprocated by the Moderator.

The order of the day for 10 o'clock was then called, and the Rev. William E. Schenck presented the the Annual Report of the Board of Publication.

Dr. Hewit briefly addressed the Assembly on the subject.

Dr. Bowman, from the standing committee on this Board, followed him, with a report and resolutions; which, after an address by the Rev. Samuel J. Baird, were adopted, and are as follows, viz.

1. *Resolved*, That every successive year's operations of the Board of Publication exhibit increasing evidence of its great importance and efficiency in promoting all the great interests of the Church. This report of its doings, the past year, presents an unprecedented degree of prosperity, which calls for the most fervent thanksgiving of the Assembly to the Divine Head of the Church, for the increased success with which its labours have been crowned, manifested in the enlargement of its field of operations; in the steadily advancing liberality of the Church; in the largely augmented number of volumes circulated; and in the increase of the number and efficiency of its self-denying Colporteurs, employed to disseminate among all classes of our population the precious truths contained in these volumes.

2. *Resolved*, That in view of the difficulty and delicacy frequently involved in determining as to the expediency of publishing particular books, the Assembly, relying on the wisdom and knowledge of the Board, commits this matter, in general, to their sound discretion; and as it regards the publication of an "Abridged edition of the Psalmodist," mentioned in their Report, the Assembly recommends to them to do whatever, in their judgment, is best adapted to supply the wants of the Church.

3. *Resolved*, That it is to the Assembly an exceedingly gratifying fact, that the Board have been able to publish so many books of sterling value, suited for Sabbath-School Libraries; and the Assembly earnestly recommends to the Board to add to the number of such books as fast as works of the requisite character can be obtained. And the Assembly would urge upon all our ministers, and all in our Church, male and female, whom God has blessed with talents for writing books suited to children and youth, to employ those talents in furnishing the Board with the needed works for publication in this department.

4. *Resolved*, That the Assembly deems it worthy of special notice and commendation, that the Board have received a considerably increased amount of funds during the year, without any paid agencies; and this gratifying result of their experiment to dispense with such agencies, is particularly interesting, because it is believed to be, in part at least, the result of the beneficent working of our "Plan of Systematic Benevolence."

5. *Resolved*, That the Assembly deems it important to direct the attention of the churches to the fact brought in view in the Report of the Board, that

there are, in reality, two distinct departments under its management. One, that of publishing and selling books, a purely business department, conducted on strictly commercial principles; the other, the Colporteur enterprise, a charitable and missionary department, conducted on benevolent principles. Benevolent contributions to the charitable department, constitute all the resources of the Board for its Colporteur work and for gratuitous distribution of books among the needy. A large increase of contributions to this fund is greatly needed, and the churches are earnestly entreated to come to the aid of the Board in this benevolent department of its work with greater liberality. The Assembly is pleased to perceive that the Board have determined that in future all accounts of these two departments shall be kept separate.

6. *Resolved*, That while the Assembly finds so much cause for gratitude and encouragement in the prosperity and usefulness of this Board, and so much to commend in the energy and economy with which its affairs have been conducted, it cannot forbear to give utterance to the painful feelings which are caused by the fact that there are still very many churches which have not, as yet, contributed anything to the Colporteur funds of the Board, and that there are still so many families in our Church who do not take either the "Home and Foreign Record," or "The Sabbath-School Visitor." The Assembly reiterates its earnest exhortations to our ministers and elders to endeavour to secure a more general circulation of these papers among the members of our Church.

The Committee also recommend that the Rev. Joseph B. Stratton be appointed to preach the Sermon before the next General Assembly, in behalf of the Board of Publication, and that the Rev. N. Hewit, D. D., be appointed the alternate.

Mr. Phelps moved the following additional resolution, viz.

Resolved, That in view of the rapidly increasing German population of our country, the opening God in his providence has given to our Church to labour for their evangelization, the success which he has already granted to the feeble efforts that have been made, and the importance and necessity of having the standards of our Church in a language which can be understood by the churches organized on these standards, the Board of Publication be instructed to issue, as speedily as possible, an edition of the Confession of Faith in German, and to have the same bound and published with the English and German on alternate leaves, so that the German and English shall be on opposite pages.

Pending a discussion of this resolution, the Assembly took a recess for half an hour.

When called to order again, the second order of the day was taken up—reports from the Committees on Synodical Records.

The Records of New York, Allegheny, Ohio, Cincinnati, Indiana, Illinois, Kentucky, Virginia, Nashville, Alabama, and Memphis, were approved, without exception, on the recommendation of the respective committees.

The Records of Pittsburgh and Northern Indiana were approved, with the exception, in each case, that the Book had not been sent up for review to the Assembly of last year.

The Records of Buffalo were approved, with the following exceptions, viz.

1st. That they have not been submitted to the Assembly for four years, contrary to the requisition of the Form of Government, Chap. XI. Sec. 6.

2d. That the record on pages 61 and 62 is imperfect in two instances, contrary to the Form of Government, Chap. XI. Sec. 6. The instances are, that the report of a special committee and a report of the Committee of

Digitized by Google

Bills and Overtures are only referred to as documents lettered for distinction.

3d. That it appears by the record on page 75 that a meeting of the Synod was opened without a sermon, whereas the Form of Government, Chap. XI. Sec. 5, requires that a sermon shall be preached.

And again, on page 79, that at the opening of the Synod no sermon was delivered, as the Constitution requires, but on the following evening.

The Records of the Synod of Wisconsin were approved, with the following exceptions, viz.

1. The records are marked by several verbal omissions and the neglect of orthography and punctuation; and the absentees of 1852, 1853, are not recorded.

2. During the sessions of 1852, there is no evidence that the Synod read, corrected, or approved the records; though on page 16, it appears that the records of that year were read twelve months after in Synod, though still there is no evidence that they were approved by it. The Minutes of 1853 do not appear to have been ever read or approved in Synod. And the records of 1854 were not read and approved till the meeting of 1855.

3. On page 23, it appears that the Synod, Oct. 13th, 1853, adjourned to meet at Neenah, the second Thursday of October, 1854. A quorum having failed to meet at that time, the members present adjourned to a *different time and place*, (Madison, October 26th;) and there is no evidence that any steps were taken to cause their Moderator to notify all the ministers and Church Sessions of the new meeting. This is contrary to the spirit of the precedents approved by the Assembly; (see Minutes 1796, p. 113, Baird, p. 212,) and transcends the liberty allowed for such cases by the third general rule for Judicatories.

4. On pp. 23, 27, and 32, are recorded adjournments without any evidence that the sessions were closed with prayer.

5. On pp. 35, 36, the report of a Committee of Review on the Records of the Presbytery of Dane, containing an exception against the action of the Presbytery for appointing *Rev.* J. W. Sterling its *lay* Commissioner to the General Assembly, is entered on the records of Synod, without any record of its adoption by Synod; and again it is stated that this report was amended by striking out the exception; and there is still no evidence of its adoption as amended. Also, on pp. 39, 40, the report of a committee touching the complaints of J. Y. Smith is made a part of the records of Synod, though so far as these records show, it was only *accepted* and *laid on the table*.

6. The records of the Synod's action on the complaints of said J. Y. Smith against the Presbytery of Dane, are not complete enough to fulfil the demands of the Book of Discipline, Chap. IV. § 23, which says that the record ought to "exhibit everything which had an influence on the judgment of the court." No exception is proposed against the *action* of Synod touch those complaints, inasmuch as they have been brought before this Assembly through another channel (the Judicial Committee) and passed upon.

The Committee on the Records of the Synod of North Carolina reported, that the Book had not been put into their hands; and were, on motion, discharged.

The Records of the Synod of Arkansas were commended for approval, with exceptions.

Pending a discussion on these exceptions, the hour of adjournment arrived.

Dr. Prime was permitted to move that, when the Assembly adjourn on Friday next, it adjourn till Monday morning at 9 o'clock, in order to give the members more time and convenience in accepting various invitations to

visit literary and philanthropic institutions of the city and vicinity. The motion was carried.

On motion of Dr. Prime, it was

Resolved, That the Rev. Dr. Thornwell be requested to preach on the subject of Foreign Missions, in the First Presbyterian Church, Brooklyn, on Sabbath evening next.

The Assembly then adjourned to meet to-morrow morning at 9 o'clock.

Closed with prayer.

THURSDAY MORNING, MAY 22.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of last session were read and approved.

Charles Macalester, ruling elder, from the Presbytery of Philadelphia, and Edward Crosby, ruling elder, from the Presbytery of Bedford, appeared, and were enrolled as additional commissioners.

Dr. Hewit, from the Committee on Theological Seminaries, reported, and the report was made the order of the day for 12 o'clock, excepting so much as recommended the granting of a request from the Directors of the Seminary at Princeton, viz. that the plan of the Seminary, Art 2, Sec. 13, be so altered as to read, "During the annual examination, or at its close, a sermon shall be preached before the Seminary, by a member of the Board of Directors."

On motion of Dr. Phillips, this request was granted, and the change was made accordingly.

On motion of Mr. R. K. Rogers, the order of the day for ten o'clock was postponed, in order to receive a report from the Committee on Bills and Overtures.

Dr. Rice, from this Committee, reported

On motion, the report upon this Overture was put on the docket.

Also put on the docket.

The Committee recommend that this request be granted.

The report was adopted; and it was accordingly ordered, that Sessions be so authorized.

Overture No. 10; from sundry members of the Assembly, inquiring whether an ordained minister may accept and exercise the office of ruling elder in a church belonging to the same Presbytery of which he is a member.

At the recommendation of the Committee, this was answered in the negative.

Overture No. 11; from the Synod of Virginia, proposing that the Assembly mature some plan for changing and reducing the present representation of the Presbyteries in the General Assembly, so as to diminish the aggregate attendance of commissioners, and adjust the ratio upon a more equitable basis.

The Committee recommend, that the Assembly decline action on this subject.

The report was adopted.

Overture No. 12; from a Committee of the Board of Colportage of the Synods of Pittsburgh and Allegheny, respecting a greater supply of Sabbath-school books by the Board of Publication.

This was answered, on the recommendation of the Committee, by referring the memorialists to the action already taken by this Assembly, in adopting the Report of the Standing Committee on the Board of Publication.

Overture No. 13; from the Presbytery of Londonderry, asking the Assembly to define more explicitly the rights and relations of baptized members.

The report was put on the docket.

Overture No. 14; from a member of this Assembly, submitting two inquiries, viz.

1. In an application to the Moderator of a Presbytery to call a *pro re nata* meeting of that body, is it competent for the applicants to specify a particular time and place for such meeting?

2. If a particular time or place, or both, be specified in the application for a *pro re nata* meeting of Presbytery, has the Moderator a right, on such application, to call a meeting at a different time and place?

The first question was answered affirmatively, the second negatively, at the recommendation of the Committee.

Overture No. 15; from the Presbytery of Stockton, memorializing the Assembly, in consequence of the peculiar difficulty of convening in the Synod of the Pacific, to constitute a new Presbytery in the present bounds of the Presbytery of Stockton, to be called the Presbytery of Benicia; to consist of the Rev. Sylvester Woodbridge, jr., and the Rev. B. B. Bonham, of the Presbytery of Stockton, and the Rev. James Woods, of the Presbytery of California, ministers, together with the churches of Benicia and (when organized) Santa Rosa; the first meeting of the newly organized Presbytery to be held at Santa Rosa, on the third Tuesday of August, A. D. 1856, to be opened with a sermon by the oldest minister present.

This request was granted.

Dr. Campbell, from the Judicial Committee, reported Case No. 4, embracing a complaint of the Rev. D. J. Waller and Dr. W. J. Gibson; and an appeal of the Rev. John Smalley against the Synod of Philadelphia.

On motion, it was made the order of the day, next after the unfinished business of Judicial Case No. 1 shall have been disposed of.

On motion of Mr. Eckard, the following paper was adopted, viz.

Whereas, Since the dissolution of the late General Assembly, the Presbytery of Baltimore has dissolved the pastoral connection between Rev. J. M. P. Atkinson and the Bridge Street Church, Georgetown, District of Columbia, in order that Mr. Atkinson may devote himself to raising funds for the Assembly's Church, to be erected at Washington City; therefore, be it

Resolved, 1st. That this Assembly reiterates the sentiments and expressions of previous Assemblies in regard to the great importance of the speedy completion of the said church in Washington.

Resolved, 2d. That this Assembly recommends Mr. Atkinson to the sympathies and liberality of all the churches under its care, recognizing his present agency as an act of self-denial, and of laudable zeal for the interests of Christ's cause and Church.

The order of the day for 10 o'clock was then taken up, the Annual Report of the Church Extension Committee.

The Rev. Henry I. Coe, Corresponding Secretary and General Agent, addressed the Assembly.

Dr. Macdonald, from the Committee on this Annual Report, presented the following report, which, after addresses by Messrs. Rice, Albert Williams, and others, was adopted.

The Committee on the Report of the Church Extension Committee, report that they have attentively considered this document, and recommend its approval and publication by the Committee for general circulation in the Church; and recommend further to the Assembly the adoption of the following resolutions, viz.

1. *Resolved*, That we regard the following principles upon which the Church Extension Committee are conducting their operations, as both just and wise, to wit:

1. To make no appropriation to any church under the care of a Presbytery, without the recommendation of that Presbytery or its Church Extension Committee.

2. To be guided in determining the amount to be appropriated in each case by the carefully ascertained necessities of that case, and the state of the treasury.

3. To diffuse appropriations as widely and equitably as possible, over the whole country.

4. To require, as the ordinary prerequisite of the payment of every appropriation from the general fund, a certificate from the Trustees of the church aided, that the church lot is fully secured to the Old School Presbyterian Church, and that the amount granted by the Church Extension Committee will complete their house of worship and leave the whole property free from debt.

5. To withdraw every appropriation not properly called for within two years of its date.

6. To recognize the right of donors to designate the recipients of their donations.

7. Inasmuch as it is frequently of the highest importance to a church to know definitely the amount of aid upon which it may rely, a considerable time before the money can be drawn, the Church Extension Committee have felt at liberty to make, in anticipation of the incoming of funds, several appropriations, payable as soon after a fixed time in the future, as the churches aided comply with the conditions on which the appropriations are made.

2. *Resolved*, That we highly approve of the determination of the Committee to endeavour to dispense with salaried collecting agents.

3. *Resolved*, That in view of that determination, and the great intrinsic importance of the church extension work, the Assembly would "earnestly and affectionately enjoin it upon all our churches to take up collections annually for this object, and upon all Presbyteries to see that this is done."

4. *Resolved*, That it be recommended to the Church Extension Committee to report annually to the General Assembly, the names and localities of the churches to which appropriations have been made, and the names and localities of churches from which appropriations have been withdrawn, when the conditions on which the appropriations were made have not been complied with.

It was made the order of the day for Monday next, at 10 o'clock, to fill vacancies in this committee, and nominations were made.

On motion, the time for prayer and mutual exhortation to-morrow, (Friday,) was limited to two hours—from 9 to 11 A. M.

The second order of the day was then taken up—the report of the special committee on the support of "Disabled ministers."

Pending an extended discussion, in which Messrs. Porter, Jacob, Leavitt, Fine, Benedict, Putnam, and others, participated, the Assembly took a recess for half an hour.

When called to order again, the Assembly allowed Dr. Hewit to present additional items to the report from the Committee on Theological Seminaries, relating to the Union Theological Seminary and the Western Theological Seminary.

Dr. McMullen, from the Committee on Systematic Benevolence, submitted a report, which was put on the docket.

Rev. R. K. Rogers, from the Committee on Leave of Absence, reported that they had given leave to Mr. Philip M. Thompson, ruling elder, from the Presbytery of Memphis; Mr. Henry Fetter and Mr. William M. Marshall, ruling elders, from the Presbytery of Carlisle; Mr. William P. Buffit, ruling elder, from the Presbytery of Long Island; Mr. Peter Cromartie, ruling elder, from the Presbytery of Fayetteville; and the Rev. Mr. Cummings, from the Lake Presbytery.

The report was approved.

The Committee on the Records of the Synod of Mississippi reported, recommending the approval of them, with certain exceptions. The report was put on the docket

The Committee on the Records of the Synod of Georgia reported, recommending the approval of them, without exception. Adopted.

The Committee on the Records of the Synod of Missouri also reported, recommending the approval of them, without exception. Adopted.

The Rev. Dr. Shepard briefly addressed the Moderator again, in taking leave of the Assembly.

The Rev. Abraham Polhemus, Delegate from the General Synod of the Reformed Protestant Dutch Church, then addressed the Assembly, and the Moderator responded in the same appropriate and happy manner that characterized all his addresses in this fraternal exchange of Christian salutations.

On motion of Dr. Junkin, the Assembly agreed to hear the Rev. Mr. Cather, a foreign minister, when the report on Systematic Benevolence should be taken up.

The unfinished business, on the report of Dr. Rogers, from the special committee on "Disabled ministers," &c. was then resumed, and after the discussion had been continued by Messrs. Riggs, George Marshall, and

others, and the adoption of the first resolution and amendment of the second, the whole business was recommitted to the same committee.

It was made the peremptory order of the day for to-morrow (Friday) at 11 o'clock, to take up the report on Theological Seminaries.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

FRIDAY MORNING, May 23.

The Assembly met, and agreeably to the resolution of yesterday engaged in singing, prayer, and mutual exhortation, for two hours—from 9 to 11 A. M.

The Minutes of last session were read and approved.

On motion of Dr. Prime, the remaining business connected with the Board of Publication was made the next order, after the order of the day for 11 o'clock.

This order of the day was then taken up, the report of the standing Committee on Theological Seminaries. The remaining items of the report, which relate to the Seminary at Princeton, were adopted, including the following expression of the Committee: "We would ask leave to be urgent in our own expostulations, in conjunction with those from the Faculty and Overseers of Princeton, in insisting on an uninterrupted prosecution of study the full term required. Instead of shortening the period of preparation for the ministry, we would, if possible, extend it, and enlarge the sphere of study. The enemy, in every quarter, is meeting his foes, and burnishing his weapons. True, the weapons of our warfare are not carnal, but spiritual; and, therefore, as the Spirit is the Spirit of truth, the intellectual, as well as the moral faculties of the soul, must be purified and disciplined. If there be danger, as danger there is, of the pride of learning, let us not forget that none are more certainly lifted up with pride, and fall into the condemnation of the devil, than novices who commonly think they know more than any, because they know the least of all."

To fill vacancies in the Board of Directors, the following were, on motion, elected, *viva voce*, having been duly nominated by the chairman of the Committee:

MINISTERS.	ELDERS.
Jacob J. Janeway, D. D.	James N. Dickson.
Nicholas Murray, D. D.	Moses Allen,
Henry A. Boardman, D. D.	John R. Davison.
John C. Backus, D. D.	
William W. Phillips, D. D.	
John M. Krebs, D. D.	
Cortlandt Van Rensselaer, D. D.	

In place of Dr. A. W. Mitchell, resigned, in consequence of removal to St. Louis, Matthew Newkirk, Esq. of Philadelphia, was chosen.

In place of the Rev. John Johnston, D. D., deceased, the Rev. John Thompson, D. D. was chosen.

And, in place of Hugh Auchincloss, Esq., deceased, Robert Carter, Esq. of New York, was chosen.

The report on the Union Theological Seminary was next considered, and at the request of the Board of Directors, in consequence of the previous

connection of the Presbytery of Winchester with the Synod of Virginia, and its continued interest in the Union Theological Seminary, it was

Resolved, That the Presbytery of Winchester may hereafter appoint one minister and one ruling elder, as Directors of the said Seminary, it being understood that the Synod of Virginia relinquishes these two places to the said Presbytery.

It was further

Resolved, That the change in the course of studies, and the establishment of a fourth Professorship, to be called that of Biblical Introduction, be approved by the Assembly as a part of the Plan of this Seminary, and that the election of the Rev. William J. Hoge, of Baltimore Presbytery, to this Professorship, be approved.

The portion of the report relating to the Western Theological Seminary was then taken up, and the nominations of the Committee to fill vacancies in the Board of Directors were, on motion, confirmed, *viva voce*, and are as follows:

MINISTERS.	ELDERS.
Charles C. Beatty, D. D.	Malcom Leech,
Samuel McFarren, D. D.	James Schoonmaker,
John Robinson,	William Dickson.
H. G. Comingo,	
Joel Stoneroad,	
George Hill,	
James I. Brownson.	

The Committee recommended the election of a fourth Professor in this institution—of Ecclesiastical History, and the Composition and Delivery of Sermons—inasmuch as, in the judgment of its immediate friends, the providence of God had opened a door for the completion of its faculty.

This recommendation was adopted.

And thereupon the Rev. Richard W. Dickinson, D. D., was nominated by Dr. Phillips; and the Rev. Luther Halsey, D. D., was nominated by Mr. Beattie; and the election of this Professor was made the second order of the day for Monday next.

The Assembly then proceeded to that part of the report which related to the Theological Seminary at Danville. An amendment was offered by Dr. Humphrey; and a discussion ensued, until the Assembly agreed, on motion, to take a recess for half an hour.

When called to order again, Mr. Newkirk, on behalf of the Committee on Mileage, presented a report, stating that the amount contributed to the Commissioners' Fund was $1273.35; that the miles travelled were 22,742; which would allow five cents a mile to the Commissioners applying, and leave a balance of $36.25 in the hands of the Treasurer.

This report was approved; and the recommendation of the Committee, that the Treasurer be directed to pay this rate of allowance to said Commissioners, provided no one receive more than the amount of his actual expenses in coming to the Assembly and returning home, was adopted.

The Committee on the Records of the Synod of Wheeling, reported, recommending that they be approved, without exception. Adopted.

The Committee on the Records of the Synod of Northern India reported, that these records had not been put into their hands; and, on motion, they were discharged.

The unfinished business was then resumed—the Report of the Committee on the Seminary at Danville.

The Chairman of the Committee, with leave from the House, accepted the

amendment offered by Dr. Humphrey; and also an amendment offered by Judge Fine.

The report was then adopted unanimously, as follows, viz.

1. *Resolved*, That the General Assembly now reaffirms its purpose, in conformity with its action in 1853, and its stipulations, by way of covenant, in 1854, to proceed, in good faith, and with the least practicable delay, to take measures for endowing and establishing this Seminary as one of the first class. To this end it is earnestly recommended to all the congregations under our care, especially those in the West and South-west, by liberal contributions to aid in its complete endowment; and the Board of Trustees, as the agents of the Assembly, are renewedly invested with ample powers to institute the means necessary to the collection of funds, under this action of the Assembly.

2. *Resolved*, That as the Presbyteries of the Synod of Kentucky, and the Directors, together with the present Professors, ask the Assembly to elect, at its present sessions, a Professor of Pastoral Theology and Church Government, the Assembly will proceed to an election accordingly.

3. *Resolved*, That this Assembly, with thanksgiving to the great Head of the Church, congratulates the more immediate patrons of this Seminary for the smiles of his providence on their wise and persevering efforts in founding and advancing this school of the prophets to its present prosperous and hopeful condition.

Nominations were called for by the Moderator, in pursuance of the second resolution; and the Rev. Stuart Robinson was nominated by Dr. McMullen.

The election was made the third order of the day for Monday next.

In view of both these elections thus made the second and third orders of the day for Monday, and in accordance with the rule and usage in such cases, the Assembly united in prayer; being led by Dr. Phillips, at the request of the Moderator.

The following persons were duly chosen Directors of the Seminary at Danville, to serve three years, viz.

MINISTERS.	RULING ELDERS.
James Coe,	Louis Marshall,
W. L. Breckenridge, D. D.	Samuel Laird,
James Smith,	Samuel E. Hibben,

William M. Scott.	Thomas E. West.

Also, Rev. D. Stevenson, in the place of Rev. Dr. Paxton, resigned; and John McCullough, in the place of J. S. Berryman, deceased.

The unfinished business relating to the Board of Publication was then taken up—the question being on the resolution of Mr. Phelps, to have our standards published in the German language. After some discussion, it was, on motion, of Dr. Prime, referred to the Board of Publication, to act in the matter at their discretion.

The election of members to supply vacancies was then called up, according to a previous order; when a resolution, offered by Mr. Cummins, was introduced, and discussed, and adopted, as follows, viz.

Resolved, That it be the sense of this Assembly, that, in the election of persons to fill vacancies in the several Boards of the Church, the election of

The second order of the day was then taken up, the election of a Professor of Ecclesiastical History and Composition and Delivery of Sermons, in the Western Theological Seminary.

On motion of Dr. Prime, it was

Resolved, That blank votes shall be counted in ascertaining the result of any such election.

A motion was made by Mr. Conrad to postpone this election until the Board of Directors of that Seminary shall have formally decided on the expediency of such a measure.

Mr. Riggs moved to amend this motion, by postponing the election till to-morrow morning.

A discussion ensued, in which Messrs. Conrad, Hastings, Beattie, Humphrey, Frame, and Grimes took part; and during which, the Rev. Dr. Herron, and the Rev. Dr. Plumer were, on motion, introduced successively to address the Assembly on the subject.

The amendment and the original motion were lost; and the Assembly proceeded to elect the Professor, according to the previous appointment.

Messrs. R. K. Rogers and Reuben Frame were appointed tellers to collect and count the ballots.

The third order of the day was then taken up, the election of a Professor of Pastoral Theology and Church Government, in the Theological Seminary at Danville.

Messrs. Conrad and James Williamson were appointed tellers to collect and count the ballots.

The following resolutions, offered by Mr. Harrison, were adopted, viz.

1. *Resolved*, That this Assembly tender their heartfelt thanks to the Governors of the Alms House department, to the President and Managers of the House of Refuge, to the gentlemen of the city, at whose expense the arrangements were made, and to the committee who carried them out, for their courteons invitation to visit the institutions over which they preside, and for the polite and hospitable manner of their reception.

2. *Resolved*, That we hereby express the very great gratification afforded to us in our inspection of these noble charities, and that we will carry home with us a grateful recollection of our delightful excursion.

The committee on "Disabled Ministers, &c." presented their report again.

On a motion to adopt it, and another to amend, there was an extended discussion, in which Messrs. McCorkle, Benedict, Phillips, Matthews, and others, participated.

Dr. Thornwell moved the indefinite postponement of the whole subject; on which motion he and Dr. Junkin spoke.

The Assembly then took a recess for half an hour.

After the recess, Messrs. Rice, Rogers, Cater, Hendrick, and others, continued the discussion on the motion of Dr. Thornwell, until he asked and obtained leave to withdraw it.

Dr. Junkin then moved to strike out a part of the preamble and insert an amendment.

This motion was carried.

He then moved to strike out all the resolutions, as reported by the Committee, and insert others.

Pending a discussion on this motion, the regular time for adjournment arrived. It was then, on motion,

Resolved, That the Assembly will continue its sessions in the evening, until its business be finished.

The committees appointed to collect and count the ballots for Professors,

both reported, and it appeared that the Rev. Richard W. Dickinson, D. D. was duly chosen Professor of Ecclesiastical History and the Composition and Delivery of Sermons in the Western Theological Seminary; and that the Rev. Stuart Robinson was duly chosen Professor of Pastoral Theology and Church Government in the Seminary at Danville.

The Assembly then took a recess till 8 o'clock, P. M.

When called to order again, Mr. Rodgers, from the Committee on Leave of Absence, reported that leave had been given to the following: Rev. Mr. Allen and Mr. Pettingal, ruling elder, Presbytery of Londonderry; Mr. G. A. Mr. Dunlap and Mr. Samuel A. Page, ruling elder, Presbytery of Greenbrier; Rev. A. V. C. Schenck, Presbytery of Upper Missouri: Mr. Bailey, ruling elder, Presbytery of Ohio.

The report was approved.

The unfinished business was resumed—the report of the Committee on "Disabled Ministers," &c.—the question being on the motion of Dr. Junkin to strike out the resolutions of the committee, and take up those offered by himself. This motion was carried; and the whole paper, as thus amended and adopted, is as follows, viz.

PHILADELPHIA, May 1, 1856.

The Committee of Trustees in the case of "Disabled Ministers," &c. report, that during the year, beginning May 1855, they have given aid to twenty persons, on applications received from fifteen Presbyteries. Of these, eleven were widows, one an orphan daughter, and eight clergymen. Some of them are unable to labour, by reason of advanced age; and others are helpless from chronic diseases. The whole amount distributed is $1580 which, divided equally among the twenty, would give $79 to each. The money, however, has been given in different proportions, as the comparative claims of each case have been estimated by the committee. The largest sum granted to any family has been $200, and the smallest $35.

The committee regret that they have been restricted by having so small an amount at their disposal, as in every case they would gladly have given twice, and in some instances, three times the sum asked for, would the fund in the treasury have warranted it. The facts stated in some of the letters from Presbyteries are touching, and make it evident that what is given from the fund of the Assembly ministers only partial relief, although it is very gratefully received.

It is greatly to be regretted that so little attention has been given to the action of the Assembly in 1849, commending this subject to the churches. Two of the wealthiest Presbyteries belonging to the Assembly drew more from the treasury last year than they contributed. The chairman of your committee has addressed letters to several Presbyteries, and to prominent individuals in different parts of the Church, from whom gratifying answers have been received. He has also solicited an exchange of pulpits with several clergymen, with permission to mention the case of their afflicted brethren, and in no instance has the proposal been received with indifference, but always with the greatest cordiality. He has also made, occasion-

ally, short statements in some of the religious papers, or procured them from their editors, and the result has been, as the treasurer lately informed him, a gratifying increase of the contributions of the churches.

J. H. JONES, *Chairman.*

No subject should command more attention and elicit more interest than the general subject referred to in the paper under consideration. That an urgent necessity exists for some prompt and efficient action on the part of the Church to make suitable provision for those who have become worn out in her service, and for their dependent families, cannot for a moment be questioned. Facts of the most painfully interesting nature, which are constantly coming under the notice of those who are more immediately concerned with this matter—facts which speak in simple but eloquent language, telling the sad story of disease, privation, poverty, and helplessness—might be collected in volumes from the history of all our Presbyteries. Could some of these sad pictures from real life be spread before this Assembly, no eye could look upon them without a tear; no heart could contemplate them without deep emotion.

That it is the solemn and imperative duty of the Church to make abundant provision for her disabled ministers and their families, not as a matter of charity, but of right and justice, is equally unquestionable. The records of this General Assembly show conclusively that this duty is fully acknowledged. In 1849, the following action was had on this subject:

Whereas, There are many disabled and superannuated ministers in connection with the Presbyterian Church, and widows and families of Presbyterian ministers who are in indigent circumstances, and as the Church increases, their number is likely to increase; and whereas, it is the duty of the Church to provide for those who have devoted their time and spent their energies in her service, and also for their families; and whereas, no local provision can effectually meet this object, and no efficient general provision has ever yet been made, therefore,

Resolved, 1st. That in order to constitute a fund for the support of the widows and families of deceased ministers, and for the relief of superannuated and disabled living ministers, it is hereby enjoined upon all our Synods and Presbyteries to take such action as may secure a contribution annually.

Resolved, 2d. That a column be added to the table of Statistical Reports, for these contributions.

Resolved, 3d. That the funds thus contributed be placed in the hands of the Board of Trustees of the General Assembly, to be disbursed by the Board of Publication upon the recommendation of Presbyteries, as the funds for Domestic Missions, Education, and Church Extension, are now appropriated.

Resolved, 4th. That in order to the founding of a permanent fund for this same object, special contributions and legacies be invited from all parts of the Church, the principal of which shall be safely invested by the Board of Trustees of the General Assembly, and the interest be added to the general fund provided for in a foregoing resolution.

Yet, as the results of that action, we find that all that has been actually accomplished by our churches during the past year towards such a fund as these resolutions contemplate, is less than $2500, *or less than an average contribution of seventy-five cents from each of our churches.*

The minister of Christ who offers himself to the Church as her servant for Jesus' sake, has no right to expect in that service worldly distinction, or large emolument. But he has a right to expect that while he ministers to

Digitized by Google

God's people in spiritual things, they will not forget to minister to him in temporal. The Church is not always aware of the extent of the capital which the ministry invests in her service, and which produces to them personally such a meagre and insufficient return. The minister not only gives himself, his body, mind, soul, time, talents, and labours, but he actually invests no inconsiderable amount of capital of another sort in the service of the Church. To qualify himself for the sacred office, he needs to devote at at least ten years of life to study in the academical, collegiate, and theological departments of education, and that at no inconsiderable pecuniary expenditure.

What has he received in return for his labours, his tears, his anxieties, his mental toils, his life-long devotion of himself to the interests of the Church? He has received a salary less than that of a third-rate clerk in a merchant's counting-house, a competent overseer on a southern plantation, a clerk on a Mississippi steamboat, or a bar-keeper at a fashionable hotel! And all that is left to his account when he is called to his rest, will hardly pay for a plain coffin for his worn out body, and a simple stone to mark the spot where a faithful man of God sleeps till the resurrection morning! But who can estimate the worth of his life to the Church and to the world? What have the contributions been worth which he has made to the most enduring part of the literature of the world? What have the sympathies been worth which have been drawn from his heart's deep stores by hundreds of tried and endangered souls? What has it been worth to the mother, as in speechless anguish she bends over the beautiful corpse of her darling babe, to hear the accents of the man of God, saying, in solemn tenderness, "It is well with the child?" What is it worth to the convicted sinner, trembling in view of an angry God, and an everlasting hell, to hear from his faithful pastor the words, "Behold the Lamb of God that taketh away the sins of the world?" What are the ten thousand varied and diversified labours of the ministry in behalf of every interest of this life and of that which is to come, worth to the world? No arithmetic can compute them, no money can compensate them. They cannot be gotten for gold, neither shall silver be weighed for the price thereof.

The Church, then, should consider it her solemn duty, at once to take energetic action on two points—the more adequate support of her living and labouring ministry, and a liberal and just provision for those who are disabled, and for their dependent families. If the average salaries of her ministers were doubled at once, she would not surpass the measure of their necessities, and her obligations. Why should the minister of God be the only man in the community who shall not be allowed to lay by something from his hard earned means for the future wants of those who are dear to him? Why should he, in addition to the other trials necessarily incident to his calling, be compelled to walk through life's journey with the dark shadow of a dependent old age, or a helpless family, always brooding over his path? It is cruel, it is wicked, to bind this mill-stone round his neck, to press this burden on his heart. Where is the man, outside of the ministry, who will submit to such palpable injustice? It is easy to talk of a mercenary spirit, and of the spirituality of ministers being in danger from an abundance of the good things of this life. We wonder why one kind of spirituality is considered as necessary for the minister, and another sort for the people. If poverty be essential to growth in grace, let our people be diligent in cultivating and using this means of spiritual progress likewise. It is a poor way, as Dr. Mason observes, to promote a man's spirituality, to rob him of his bread. The farmer, who is a wise and thrifty man, will not stint his cattle nor his labourers. The merchant or the corporation who desire able and

faithful officers and agents, will deem it good policy to pay them adequately. It is reserved for the Church of Christ to ignore the wisdom of this policy, and deny its justice, and to add insult to injury with a miserable cant about a mercenary spirit, and considerations of spirituality. It is reserved for the Church of Christ to demand of her ministry that they shall give all that they are and have to her service, with the inevitable prospect that old age or failing health will find them absolutely pennyless, or death fling their widows and children on the cold charities of an unsympathizing world.

In view of these considerations, the Committee, in recommending that the Report of the Trustees of the Fund for Disabled Ministers and their families, be approved, would also propose the following resolutions, viz.

1. *Resolved*, That it be earnestly recommended to the Presbyteries to take such action in regard to this matter, as will tend to bring up the Church to the performance of her duty in regard thereto.

2. *Resolved*, That every minister and church session be earnestly requested to present this subject to their congregation, during the coming year, and obtain a contribution to the object; which contribution shall be transmitted to the Treasurer of the Board of Trustees of the General Assembly, to be disbursed in an economical way, and upon an equitable ratio, upon application made through the Presbytery to which the party applying for relief naturally belongs, or a committee of that Presbytery; the Board to report to the next General Assembly.

3. *Resolved*, That a committee be appointed to digest and report to the next General Assembly, a scheme for future operations.

The committee, under this third resolution, it was ordered, should consist of five members, and, on motion of Dr. Kirkpatrick, the same committee is to confer with the Corporation of the Widow's Fund, and report to the next Assembly.

On motion of Dr. Hendrick, it was ordered, that committees be appointed to inform the Professors elected to day, of their appointment, and solicit their acceptance of the same.

The unfinished business on Judicial Case No. 1, was then taken up, the question being on the motion of Dr. Rice, that the complaint be sustained.

After Dr. Junkin had concluded his remarks, Mr. Peck moved to reconsider the vote by which the members of the inferior judicatory had been required to withdraw, literally, from the house.

This motion was lost.

Mr. Baird moved, that the roll be called, as in the order prescribed for trying appeals.

This motion was also lost.

The question returning to the motion, that the complaint be sustained, a protracted discussion ensued, in which Messrs. Johns, Jones, Jacob, Fine, Thompson, Allen, and others participated; pending which the Assembly adjourned.

Closed with prayer.

TUESDAY MORNING, May 27.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of last session were read and approved.

The Moderator announced the following committees, viz.

To inform Dr. Dickinson of his election to a Professorship in the Western Theological Seminary—Drs. Phillips and Marshall.

To inform the Rev. Stuart Robinson of his election to a Professorship in the Seminary at Danville—Drs. Humphrey and Matthews.

To digest and report to the next General Assembly, a scheme for the relief and support of "Disabled Ministers, &c."—Hon. H. H. Leavitt, of Cincinnati, Dr. E. P. Rogers, of Philadelphia, Daniel Lord, of New York, Thomas C. Perrine, of South Carolina, and Isaac D. Jones, of Baltimore, Maryland.

Dr. Dabney, from the Committee on the inadequate support of Ministers, presented a report in the form of a pastoral letter to the churches, which, after discussion, was adopted, with a resolution appended, reaffirming the action of the General Assembly on this subject in 1854.

On motion of Dr. Rice, it was ordered that this document, the letter now prepared, and the resolutions referred to, be published in the various weekly newspapers, of a religious character, throughout our bounds.

The Committee on the Records of the Synod of Albany reported, recommending the approval of the same without exception. Adopted.

The unfinished business on Judicial Case No. 1, was then resumed, the motion of Dr. Rice being still before the House, to sustain the complaint.

After continued discussion by Messrs. Rice, Hewit, Junkin, Phillips, and others, Dr. Thornwell proposed the following amendment, viz.

Resolved, That this General Assembly sustain the complaint, *pro forma*, and direct the Session of Stillwater church to give Mr. Shafer a regular trial.

This amendment was accepted by Dr. Rice for the original motion, and adopted by the Assembly as its final action in the case, it being understood that the merits of the case were in no wise adjudicated; but the whole question decided was one of technicality and jurisdiction.

The Assembly then took up Judicial Case No. 4; a complaint of the Rev. D. J. Waller and Dr. W. J. Gibson; and an appeal of the Rev. John Smalley, against the Synod of Philadelphia.

The papers were read in the order recommended by the Judicial Committee; when the Assembly took a recess for half an hour.

After recess, the following paper was, on motion of Dr. Prime, adopted unanimously:

Whereas, The American Bible Society, at its late Anniversary, resolved upon a general re-supply of the United States and Territories with a copy of God's word in every destitute household;

And whereas, The members of this Assembly have enjoyed an opportunity of visiting the Society's House, and observing its admirable arrangements, and unprecedented facilities for the publication of the Sacred Scriptures; therefore,

1. *Resolved*, That this Assembly rejoices in the prosperity with which the great Head of the Church has blessed this important Institution for the diffusion of truth; and particularly in view of the great work which it now proposes to undertake, in supplying the wants of millions in our country who are still destitute of the Bible.

2. *Resolved*, That the Assembly earnestly recommends to the ministers and churches under its care, to co-operate efficiently with the American Bible Society, and with its auxiliaries in their respective counties, towns, or villages, in prosecuting the great work proposed; and that, by regular annual collections, according to the ability that God giveth, they aid the Society in its efforts to give the word of God to the whole world.

On motion of Mr. Jennings, it was

Resolved, That in addition to the action already had on Overture No. 2, from the Synod of Pittsburgh, on the necessity and importance of deacons in the churches, it be enjoined upon all the Presbyteries under the care of the General Assembly, to take such order on this subject as shall secure the appointment of deacons in all the churches, with the exception of those in which it is impracticable from paucity of male members.

Mr. Rodgers, from the Committee on Leave of Absence, reported that leave had been given to the following, viz. Rev. H. M. Painter, Presbytery of Upper Missouri; Rev. Dr. Lord, Presbytery of Buffalo City; Rev. Mr. Cooley, Presbytery of New Brunswick; Mr. Blair, ruling elder, Presbytery of Huntington; Rev. A. P. Happer, Presbytery of Canton; Rev. Mr. Donaldson, Presbytery of Fort Wayne; Mr. Swan, ruling elder, Presbytery of Central Mississippi; Mr. Bishop, ruling elder, Presbytery of East Hanover; Mr. Jones, ruling elder, Presbytery of Baltimore; Rev. Mr. Wilson, Presbytery of Concord; Mr. Brown, ruling elder, Presbytery of Louisville; Rev. Mr. Noyes, Presbytery of Worcester; Rev. Mr. Bartley, Presbytery of Londonderry; Mr. Jacob, ruling elder, Presbytery of Washington.

Approved.

The unfinished business on Judicial Case No. 4, was resumed, and Mr. R. K. Rodgers appeared on behalf of Mr. Smalley, reading to the House the argument of the latter, in support of his appeal. Dr. Gibson was heard in prosecution of his complaint. Dr. McLean and Dr. Leyburn were heard in defence of the Synod of Philadelphia.

The Assembly then took a recess till eight o'clock, P. M.

When called to order again, the following resolution of Mr. Hendricks was adopted, viz.

Resolved, That the sincere thanks of this Assembly are due to the families of this city and its vicinity, so far as we have been their inmates, for the kindness and hospitality extended to us individually. And also to the reporters and publishers of the daily and other papers of this city, for the respectful and accurate reports and notices they have been pleased to make of this body. Also to the pastor, elders, and trustees of the First Presbyterian Church in this city, for the use of their church edifice and lecture-room, during the sessions of this Assembly.

The Committee on the Records of the Synod of New Jersey reported, recommending the approval of the same, as modified by the decision on Judicial Case No. 1—the complaint of the Session of Stillwater Church against this Synod. Adopted.

On motion of Mr. Rodgers, it was

Resolved, That the thanks of this General Assembly are due to the Rev. Samuel J. Baird, for the labour incurred by him in the preparation of the "Assembly's Digest," recently published by the Board of Publication.

Resolved, That the Digest is earnestly commended to the attention and patronage of all in our connection; and that any persons having suggestions to make in reference to any proposed improvement in the work, are invited to make them to the author thereof, before the issue of a new edition.

The unfinished business, Judicial Case No. 4, was resumed. Mr. Waller was heard in prosecution of his complaint; and Drs. McLean and Leyburn were heard again.

The Assembly then adjourned, to meet to-morrow morning at 9 o'clock.

Closed with prayer.

WEDNESDAY MORNING, May 28.

The Assembly met, and was opened with singing, reading the Scriptures, and prayer.

The Minutes of last session were read and approved.

Dr. Rice, from the Committee on Bills and Overtures, reported

Overture No. 16. From the Presbytery of Rock River, asking the Assembly to direct the Board of Education to appropriate a legacy of William Hempstead to the Presbyterial Institution at Dixon, Illinois.

The Committee recommend that it be referred to the Board of Education, to act in the case according to their best judgment. Adopted.

Overture No. 17. From the Trustees of the Westminster Presbyterian Society, Utica, New York, to direct the Trustees of the General Assembly to alter and amend the deed by which the corporation of the said church holds the title to their lot.

The Committee recommend the following resolution, viz.

Resolved, That the General Assembly of the Presbyterian Church, in the United States of America, hereby direct their Trustees to execute a written instrument, whereby they shall decline accepting the Contingent Trust, under the deed made and executed by Hugh S. Dickson, granting to the Trustees of the Westminster church, in the city of Utica, New York, a lot of ground, on which their church building is erected; and also renouncing all interest that might, under any circumstances, accrue, or be derived from the conditions in said deed inserted.

The report was adopted, and the Trustees are hereby so authorized and directed.

Overture No. 18. From the Presbytery of South Carolina, asking the Assembly to devise arrangements with other Christian denominations, so as to secure the attendance of witnesses, in process for discipline.

The Committee recommend that no action be taken on this overture by this Assembly. Adopted.

Overture No. 19. From several members, ministers, in this Assembly, asking for the erection of a new Presbytery, to be called "Kansas."

Upon the recommendation of the Committee, this request was granted, and it was ordered, accordingly, that W. W. Backus, minister, in the Presbytery of Dane, C. D. Martin, in the Presbytery of Kaskaskia, and D. A. Murdock, in the Presbytery of Des Moines, be erected into a Presbytery, to be called the "Presbytery of Kansas;" to hold their first meeting at Leavenworth, on the first Tuesday of September next, at 11 o'clock.

Overture No. 20. From the Presbytery of Donegal, asking the Assembly to take action on the subject of Catechizing and Bible instruction of youth.

The Committee recommend that the Presbytery be referred to the action of former Assemblies as sufficient for the present. Adopted.

Overture No. 5 was, on motion of Mr. Cater, taken up from the docket, and the following resolutions, recommended by the Committee, were adopted, viz.

Resolved, 1st. That the Synod of South Carolina be authorized to open a fraternal correspondence with the Associate Reformed Church of South Carolina, on the same terms as with other evangelical denominations.

Resolved, 2d. That the Assembly appoint a committee to confer with a similar committee to be appointed by that body, with reference to a closer union between the two Churches.

The nomination of this committee was referred to the Committee on Foreign Correspondence.

Overture No 13. Relating to the rights and relation of baptized mem-

bers, was, on motion of Mr. Cater, taken up, and after a brief discussion by Messrs. Fine, Junkin, and others, the Overture and Report were laid on the table.

Dr. Campbell, from the Judicial Committee, reported Case No. 5, R. J. Cross against the Synod of Baltimore. Docketed.

The Report of the Committee on Systematic Benevolence was then taken up, and after a slight amendment adopted, and is as follows, viz.

The Committee on Systematic Benevolence beg leave to report to the General Assembly, that very few of the Presbyteries have given any response to the call of the Assembly for written reports upon the subject.

It is, therefore, not practicable at present, to arrive at exact conclusions as to what has been done, or the degree of favour with which the cause has commended itself to the hearts of the people.

It is a gratifying fact, however, that as far as reports have been presented, there is but a single case in which the effort has not been made to bring the churches up to the performance of their duty in this respect.

The great truth, that it is the duty of every man to give according as the Lord has prospered him, is beginning to find favour, practically, among the people; and so is that other great truth, that this should be done both regularly, and as an ordinance of worship.

It was not to be expected that so great a change in our benevolent operations, involving the changes of habit which have obtained amongst us for so many years, could be made at once, and without difficulty.

The Presbyteries of Sangamon, Fort Wayne, Beaver, Bedford, West Lexington, Memphis, Richland, Knoxville, Hopewell, Tuscaloosa, Ohio, Nassau, Baltimore, Long Island, Des Moines, Greenbrier, Palestine, and New Lisbon, report that they have adopted plans for systematic benevolence, and that those plans are generally working well; both doing good and finding increasing favour with the people. A partial compliance is reported by the Presbyteries of Donegal, Louisiana, and Harmony.

It is much to be regretted that the number of reports presented is so small; but in those which have been presented, there is a gratifying indication of a good work commenced. And we have reason to know that several Presbyteries have taken efficient action upon the subject, from whom we have no formal reports.

In the practical working of this system, we are persuaded that all failures are owing mainly to the neglect or timidity of the ministry, in not bringing the subject fairly and prominently before churches.

The Committee, therefore, recommend the adoption of the following resolution, viz.

Resolved, That all our pastors and stated supplies be earnestly requested, for our Lord's sake, to give to every member of their churches the opportunity to contribute something for the glory of God, presenting the claims of the various objects ordered by the Assembly, publicly and prominently from the pulpit; and that the Presbyteries be earnestly requested to see that the same privilege is afforded to all their vacant churches, and that they report their action on this subject, and the success of it, to the next General Assembly.

The unfinished business—Judicial Case, No. 4—was then resumed. Members of the inferior judicatory were heard, and then required by a vote of the house to withdraw, literally; excepting Dr. Leyburn, who, being an officer of the Assembly and not a Commissioner, was allowed to remain.

The roll was then called; a special motion having been carried to limit each one to five minutes in giving his opinion.

Messrs. Fine, Stockton, Hewit, James Williamson, Kirkpatrick, George

Marshall, Lobough, Bracken, John W. Johnston, Dool, Leavitt, Spence, Badeau, Thompson, Hendricks, Crozier, Baird, Strong, Strahan, Ryors, Shotwell, Dabney, Chevalier, Bingham, Mebane, Lorance, Cater, D. C. Campbell, Marks, McAuley, Frierson, Williams of Arkansas, Banks, Wallis, and W. W. Caldwell expressed their opinions.

The vote was then taken, and fifty-two voted to sustain; one hundred not to sustain; and fourteen, to sustain in part. So the Assembly decided not to sustain the Appeal and the Complaint.

Dr. Prime, from the Committee on Foreign Correspondence, announced as the Committee to correspond with the Associate Reformed Synod of the South, the Rev. Edwin Cater, George Howe, D. D., James K. Douglas, Esq. of South Carolina, and Francis Bowman, D. D. and N. A. Pratt, D. D. of Georgia.

The Assembly then took a recess for half an hour.

When called to order again, Mr. James Williamson, from the Committee on the Records of the Synod of Philadelphia, reported, recommending the approval of the same, with the exception, that on page 277 it is stated, that the Rev. James Latta, in a certain case, entered his protest against the action of Synod; yet no protest is recorded. Adopted.

Dr. Rice, from the Committee on Bills and Overtures, reported Overture No. 21, from the Central Presbytery of Mississippi, respecting the desirableness of greater union among Presbyterians. The Committee recommend the following resolution, viz.

That the General Assembly entertains a sincere desire for the fraternal union of all sound Presbyterians; and even, if possible, their communion in one denomination; and any who may desire to be united with this Church, and who cordially approve of the doctrine and polity of our standards, are affectionately invited to seek this union in the mode prescribed by our Constitution. It was adopted.

Mr. Shotwell moved the appointment of a committee to bring in a minute, expressing the judgment of the Assembly in Judicial Case No. 4; and Dr. Hewit moved, that the same committee be instructed to report a minute, which shall indicate an order suitable to be observed in the installation of elders who have been previously ordained.

Both motions were carried; and the Moderator appointed Drs. Rice, Humphrey, and Hewit, and Messrs. Welch and Walsh, this committee.

The report of the Committee on the Records of the Synod of Mississippi was then taken up from the docket and adopted, approving of the same, with the exceptions,

1st. That the absentees are not recorded, in their meetings of 1854 and 1855.

2d. On page 10, Vol. IV. of these Minutes, Synod takes exceptions to the Minutes of the Louisiana Presbytery; because this Presbytery considers it not inconsistent with the principles of our Church for ruling elders, in the absence of the pastor, to read the Scriptures and explain them, and to endeavour to enforce the truth upon the conscience by suitable exhortations. The Assembly believe the Presbytery of Louisiana were right, according to Chap. XXI. Form of Government.

The unfinished business, on the report of the Committee on the Records of Arkansas, was then taken up, and discussed till the hour of adjournment, when the Assembly ordered that the Narrative on the State of Religion be called for at 8 o'clock this evening; and then took a recess till that time.

When called to order again, the unfinished business on the Records of the Synod of Arkansas, was resumed. These were approved, so far as they

contain the Minutes of 1853 and 1854. In regard to those of 1855, the Assembly declares,

1st. That the proceedings and acts of the members of said Synod, met at Little Rock, Sept. 20, 1855, are unconstitutional and void—inasmuch as they proceeded without such a quorum as the Constitution requires—except so far as relates to the appointment of the time and place of the next meeting.

2. The Synod is directed to review, at its next regular meeting, the proceedings and acts of said members, and to adopt or reject them, in whole or in part, as they may see fit.

On motion of Mr. Baird, the following paper was adopted, viz.

Whereas, The General Assembly, in 1853, determined to endeavour to raise an endowment for the Theological Seminary of the Waldensian Synod, and it appears, from the Report of the Board of Foreign Missions, that this endowment is not completed; therefore,

Resolved, That it be recommended to all those churches which have not contributed to this object, so interesting and important, to do so on the second Sabbath of November next, or on some day as near that date as may be convenient, and remit the same to the Treasurer of the Board of Foreign Missions.

The order of the day was then taken up—the Narrative on the State of Religion. This was reported by Dr. Junkin, from the Standing Committee, and adopted, and ordered to be printed in the Appendix to the Minutes.

Judicial Case No. 5 was then taken up from the docket—the complaint of R. J. Cross against the Synod of Baltimore.

After the usual admonition from the Moderator, the order recommended by the Committee was pursued. The papers were read, including the complaint of Mr. Cross, the action of the Synod, and the action of the Presbytery of Baltimore, respecting the use of proxies in the election.

Mr. Cross was heard in prosecution of his complaint. Mr. Peck was heard on behalf of the Synod; also Dr. Creigh. Mr. Cross followed with a few words.

A motion was then made, and carried by a large majority, that the complaint be dismissed.

Mr. Welch, from the Committee to prepare a minute, expressing the judgment of the Assembly in Judicial Case No. 4, and to prepare a form for the installation of ruling elders, reported the following; which, being amended, was adopted, and is as follows, viz.

1. *Resolved*, That any elder regularly ordained and installed in one church, and subsequently elected to the same office in another church, and who has heretofore, pursuant to such election, served as an elder in such other church *without objection*, shall be presumed to have been duly installed therein, and his right to act shall not be now questioned.

2. *Resolved*, That when an elder shall hereafter be elected to the same office in a church other than that in which he has been ordained and installed, the minister and session are hereby enjoined formally to install him.

3. *Resolved*, That this Assembly hereby delare, that the existing law of the Church, as to the mode of such installation, is as follows: After sermon, the minister shall speak of the office and duties of ruling elders, as in case of ordinations; and shall then propose to the elder elect, in the presence of the congregation, the following questions: "Do you sincerely receive and adopt the Confession of Faith of this Church, as containing the system of doctrine taught in the Holy Scriptures?" "Do you accept the office of

ruling elder in this congregation, and promise faithfully to perform all the duties thereof?" "Do you promise to study the peace, and unity, and purity of the church?" The elder elect having answered these questions in the affirmative, the minister shall ask the members of the church, whether they accept him, as in cases of ordination. The members of the church having answered in the affirmative, by holding up their right hands, the minister shall declare him an elder of that church; and accompany this act by exhortation, and such other proceeding as he may deem suitable and expedient.

On motion of Dr. Prime, it was

Resolved, That a delegate be commissioned to represent this body among the foreign evangelical denominations, in any part of Europe, and at any time within the next ensuing ecclesiastical year.

The Rev. James W. Alexander, D. D., was appointed this delegate; and the Rev. John M. Krebs, D. D., was appointed his alternate. It was also moved and carried, that James Lenox, Esq., be added to this delegation.

The Committee on the Records of the Synod of Iowa reported, recommending the approval of the same, without exception. Adopted.

Overture No. 6—on an Itinerating Ministry—was taken up from the docket, on motion of Dr. Junkin; and, after a brief discussion, was referred to the Board of Missions, with the earnest injunction that they do what is possible in the premises.

The thanks of the Assembly were voted to the Committee of Arrangements, for the courteous and munificent care with which they provided for the entertainment and comfort of the members.

It was then, on motion,

Resolved, That this General Assembly be dissolved; and that another General Assembly, chosen in like manner, be required to meet in the First Presbyterian Church of Lexington, Kentucky, on the third Thursday of May, A. D. 1857, at eleven o'clock, A. M.

Closed with singing, prayer, and the apostolic benediction.

APPENDIX.

NARRATIVE OF THE STATE OF RELIGION,

ADOPTED BY THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH IN THE UNITED STATES, AT THEIR SESSIONS AT NEW YORK CITY, MAY, 1856, AND ADDRESSED TO THE CHURCHES UNDER THEIR CARE.

Brethren Beloved in the Lord—"Watchman, what of the night? Watchman, what of the night?" is an inquiry which will be often upon the lips of those who pray for the peace and prosperity of Jerusalem. And no function of the General Assembly is more pleasant, and few more profitable, than its annual response to this inquiry. Occupying as it does, once every year, the loftiest of Zion's summits, and from that elevation telling the towers thereof, marking well her bulwarks, and gazing abroad over all the coasts of our Israel, it is meet that the Assembly should give, and reasonable for the churches to expect, the results of this survey: and this is attempted in the following narrative. Whilst every year enhances the importance of this annual history, every year also increases the difficulty of its execution. Every year adds to the number of our Presbyteries, and of Presbyterial reports, and to the multiplicity of facts that may justly demand memorial in a narrative like this. And this fact itself is worthy of distinct and emphatic mention. Our Bible-born polity, realizing the great idea of Church organization—many members in one body in Christ the glorious Head—*E Pluribus Unum*—already covers the continent, and may embrace the world. Indeed, upon the floor of the present General Assembly are represented not only the various parts of our own broad land, but also some of the most distant nations. California is here; Texas is here; the remotest North, the furthest South, the densely peopled East, the distant West. China is here; India is here; and the day is not far distant when, with God's blessing upon our missionary enterprises, the *representative world* will stand upon the floor of your General Assembly.

Of course, as our borders are enlarged, and the thousands of our Israel are multiplied, it will be more difficult to condense the tidings that flow in from so ample a field into a narrative of the usual length. The larger portion of our one hundred and fifty Presbyteries have sent written statements of what the Lord is doing among them; and it would rejoice the Assembly to spread before the churches these interesting narratives, in all their freshness, and unabridged. But this is impossible; it would fill a volume. The most meager and compact syllabus is all we can furnish.

The tone of the Presbyterial narratives varies according as the Lord hath dealt with them. Some are vocal with the glad hallelujah, awakened by God's reviving and enlarging grace. A few are sad as the wail of the son of Hilkiah, as they mourn over the drought and the desolations of Zion. Whilst many breathe the calm spirit of gratitude for *some* tokens of God's favour, alternating with the sigh that piety will heave, when conscious that for our unfaithfulness these tokens are afforded in diminished number. As in the days of the herdsman of Tekoah, it may be said of the past year, "One piece was rained upon, and the piece whereupon it rained not withered." Yet is the General Assembly cheered with the belief that the verdure that betokens life is a broader feature in our ecclesiastical landscape than the blackness that follows burning, or the searness that indicates drought or death.

In arranging the facts that are furnished in the numerous Presbyterial narratives, we shall mention, first, such as are prosperous, and call for gratitude and rejoicing; and then such as are of an opposite character.

I.—The facts indicating prosperity.

[*a.*] Most of the Presbyteries speak of large and increasing attendance upon the public worship of God, and the means of public instruction. Congregations are large, decorous, and solemn. God is honoured in the great assembly; and, as the chief end of all religion is to glorify God, the Church should be profoundly grateful for this evidence of the Master's favour.

[*b.*] Many Presbyteries report an increased degree of diligence on the part of ministers, both in pulpit and parochial duties; that Bible and catechetical classes and Sabbath-schools have been multiplied, and are generally well sustained; and that the weekly lecture and prayer-meetings are well attended in most of the churches.

[*c.*] A large proportion of the Presbyteries mention an increased interest, both amongst the church officers and people, in the great department of systematic benevolence, and also a growing attachment to the Boards of the Church, and the various branches of the evangelical enterprise conducted by them; and, in some of the Presbyteries, both the ability and the disposition of the people to support the gospel ministry and ordinances of religion are represented as decidedly on the increase; and, in many congregations, manses for the minister's residence have been provided.

[*d.*] All the Boards of the Church, as will be seen by their several reports, have made truly encouraging progress, and the Church extension enterprise has made marked advances during the year just closed. Several Presbyteries report special success in this branch of the Church's progress. In the newer States very encouraging facts have been reported, and the Presbytery of Philadelphia subscribed $25,000 to this object, in the city itself, during the last year. And the Presbytery of Baltimore reports great interest and progress in this enterprise.

[*e.*] All of our Presbyteries inform us that, with few exceptions, peace, harmony, and brotherly kindness reign throughout the churches; and this is a blessing worthy of special gratitude and praise.

[*f.*] Many new congregations of the Lord have been organized all over the land, and in the widening West and South-west our denomination is making extensive progress. The Presbyteries of Iowa, Wisconsin, and in all the frontier States, make special mention of this encouraging fact; and even amongst the German and other foreign population our principles and polity are finding favour. The Presbytery of Passaic in New Jersey, of Iowa in the West, with others, make mention of this fact, and cheer us with the hope that these strangers may, by God's grace, become at once good Christians and good citizens.

[*g.*] Many of the Presbyteries report a cheering improvement in the observance of the the Lord's day, a gratifying increase of the number of family altars, an improvement in the tone and spirituality of family religion, and increased faithfulness and diligence in family instruction. A return to the more effective use of our Catechism, in the instruction of youth, is mentioned in many instances as a matter of gratitude and hope.

[*h.*] The Presbyteries of Georgia, West Hanover, Harmony, Bethel, Tuscaloosa, East Alabama, South Alabama, and indeed nearly all the Presbyteries of the Southern country, report increased attention and success in the great work of instructing and Christianizing the coloured population, and in many instances most encouraging results are specified. In some of our churches the number of coloured communicants and constant worshippers exceed that of the whites; and delightful accounts are furnished of the conversion of the slaves. Many planters have built churches upon their estates, and employed able and faithful ministers to labour among the servants, and this work is chiefly retarded by the want of preachers. No Church in the land has freer access to this very important field of Christian enterprise than our own, and it is very desirable that more be done.

[*i.*] An encouraging increase of Christian schools, academies, and colleges, for both sexes, has marked the history of the past year; and God has, in many instances, shown his special love for these nurseries of the Church, by shedding upon them the reviving dews of his grace.

[*j.*] The Temperance reformation, although it has in some sections encountered the sternest opposition, appears upon the whole to be on the advance; and the Presbyterian Church still maintains her position as its loyal and efficient friend. It is gradually as-

suming a new and, we hope, a more effective form—the civil aspects of the subject claiming the attention of the legislative bodies, and its moral and religious bearings the attention of the churches, whose mission it is to hold forth that gospel which is the power of God unto salvation from this and all other moral evils.

[*k.*] The past year, we are rejoiced to announce, has not been a year of the absence of God's quickening and reviving Spirit. Good tidings of great joy have reached the ears of your General Assembly, and it is a most delightful privilege to repeat to you some of the great things which God has done for his Church, and whereof we are glad. Some of the revivals of last year have extended into the present, demonstrating their genuineness by their perpetuity. Unlike the morning cloud or the early dew, whose gem-like drops vanish before the beam that gives them beauty, a genuine revival transmits and prolongs its blessings. And such have been not a few of the revivals of last year. Many of the churches, too, that had not reported revivals the former year, have been visited during this. In some cases, the gently distilling dews of heaven, bringing verdure and beauty and fruitfulness to the plants of the Lord, have descended, whilst in not a few churches and colleges the Holy Ghost has descended in special and powerful measure, gloriously reviving his work, awakening, convincing, converting, and gathering large numbers into the kingdom.

CHURCHES AND COLLEGES REVIVED.

Of the churches and colleges that have been more or less favoured, some have not been mentioned by name in the several reports, whilst the following have been specially mentioned:—Williamsport and Hopewell, in the Presbytery of Maury; Pontotoc and Water Valley, in the Presbytery of Chickasaw; the church of Fulton and Westminster College, in the Presbytery of Missouri; the two churches of Morristown, in the Presbytery of Passaic; Valparaiso, Tassimony, South Bend, Rolling Prairie, and Constantine, in the Presbytery of Lake; Lambertsville and Flemington, in the Presbytery of Raritan; Rocky Springs and eight others, in the Presbytery of South Carolina; College Church, Hat Creek, and Charlottesville, in the Presbytery of West Hanover; Springfield, Jacksonville, Union, and Providence, in the Presbytery of Sangamon. Besides these, several Presbyteries mention revivals, without giving the names of the favoured churches. Two are thus reported in the Presbytery of Fort Wayne, one in Long Island, and one in Northumberland, (believed to be Bloomsburg,) and several in the Presbytery of Peoria. Black Creek, in the Presbytery of Wooster; Athens, in the Presbytery of Hocking; the First Church, Allegheny City; the Central Church and Manchester, in the Allegheny City Presbytery; Scranton and Tunkhannock, in the Presbytery of Luzerne; Dunlap's Creek and Tent, with the Dunlap's Creek Academy, in the Presbytery of Redstone; Delaware, Liberty, Marseilles, Canaan, Pisgah, and some others, in the Presbytery of Marion; several churches in the Presbytery of Rochester City; Lower Tuscarora, Sinking Creek, Spring Creek, Jacksonville, and some others, in the Presbytery of Huntingdon; Salisbury and Blairsville, in the Presbytery of Blairsville; and Path Valley, in the Presbytery of Carlisle. The last mentioned church has been signally favoured with the power of God unto salvation; about one hundred have professed faith in Christ, and the work was still in progress when the narrative was written. Seventy conversions are also reported in the church of Kingston, Presbytery of Albany. In the Presbytery of New Brunswick, the churches of Trenton Second and Jamesburgh have been revived, and a blessed work has been wrought among the students of the College of New Jersey. The church of Lexington and Washington College, Virginia, in the Presbytery of Lexington, are now enjoying a blessed revival.

In the Presbytery of Washington, Pennsylvania, God hath wrought great things, whereof we are glad. The churches generally are in a prosperous state: four have enjoyed precious seasons of revival, including Washington and Washington College, in which many of the students have been brought to God. In the Second Presbytery of Philadelphia, one church, Bridesburg, has enjoyed a time of refreshing. The Lodiana Presbytery of Northern India reports an encouraging state of religion among the European residents, and that among the Hindoos and Mohammedans the past year has been one of quiet progress. Few cases of discipline had occurred among the native converts, and the church is relatively in a prosperous state; and the mission churches and stations are all in a hopeful condition.

This rapid abridgment of the information furnished to the Assembly from so many parts of our own vast country, and from other parts of the world, if not so full and satisfactory, will enable you, dear brethren, to form some estimate of the amazing extension of our

Digitized by Google

beloved Church; and will, we doubt not, elicit from every heart thanksgiving and praise for what God hath wrought through her humble instrumentality; and with us you will be ready to exclaim, "Ebenezer! hitherto hath the Lord helped us!"

II.—Facts to be deplored.

But while it is the privilege of the General Assembly to tell of great mercies, and large prosperity vouchsafed to our churches, we are constrained, in truth and faithfulness, to tell also of things that will sadden your hearts, as they do ours.

Sabbath desecration.

Many of our Presbyteries report the discouraging fact, that *Sabbath desecration* is increasing within their bounds. The very facilities for travel afforded by railroads and steamboats, and which, by saving secular time, ought to have a tendency to remove the temptation to rob God of his holy day, seem to produce the very opposite result. Such is the insatiate temper of this generation, that, not content with accomplishing twenty-fold more in a day than was formerly possible, the Sabbath also must be taken for secular purposes. In the face of historical admonitions upon the subject; in the face of God's law; in the face of what has been demonstrated to be a *sound business policy*, many corporations still continue their Sabbath trains. It is in vain they are reminded that this policy excludes from their service all the most careful, conscientious, and reliable employés, who fear God and regard man; that it keeps down their stock, by excluding all that large class of capitalists who do not wish their money used in profaning the Sabbath; that it occasions the almost total loss to the companies of the expenses and wear and tear of one day in seven, when the *same amount* of business would be done in the six; and that a large proportion of the disasters which occur may be traced to the demoralizing effect of Sabbath profanation upon the employés. All seems in vain. Intent upon yielding to a morbid, mammon-worshipping, God-dishonouring public sentiment, men of great practical wisdom in other matters, seem in this to ignore alike the dictates of sound policy and true piety. Some companies, to their honour and pecuniary advantage, have stopped their Sabbath trains; others have effected a partial reform—running only the mail train—but still the evil is so wide-spread as to call for deep humiliation before an offended God, for the earnest, bold, and continued protest of the ministry and the people of God, and for fervent prayer that the Lord of the Sabbath would interpose to rescue that indispensable institution from entire prostration.

Other matters for lamentation.

2. The *crying destitutions* of the ministry and ordinances of religion, of which so many Presbyteries complain, constitute another cause of discouragement, which the people of God should ponder, and over which they should weep and pray.

3. Quite a number of the Presbyteries mention the disheartening and humiliating fact, that one-half of their ministers "are so straightened for want of support, as to find it impossible to discharge their duties in a profitable way." Others report a still greater proportion as suffering the same grievance. O! surely, brethren, the fact need only be mentioned, to call forth the prayers and exertions of God's people to remedy this wide-spread and lamentable evil.

4. The neglect of family worship; the neglect of infant baptism; unwillingness in some cases to submit to discipline; a few instances of unhappy dissensions in churches; the growing worldliness of professing Christians, and the increase of intemperance in some sections of the land, are also mentioned as matters calling for the humiliation and prayers of the Church.

5. Several of the Presbyteries report the death of valuable and beloved ministers of the word; some speak of prevailing sickness; and the Presbytery of East Hanover mentions the terrible visitation of pestilence that desolated the cities of Norfolk and Portsmouth—a solemn providence that has already awakened the deep sympathies of the people of the country.

6. We gather, also, from the Presbyterial narratives, that there is still, after all our advances, a mournful lack of steadfast faith, and of active piety, throughout our churches. Mighty works have not been done, because of unbelief. There is not that *earnest desire* for the advance of the work of the Lord, and that *believing expectation* that it *can* be done, and *will* be done, which men engaged in so glorious a cause, under so wise, good, and mighty a leader, ought to maintain.

EXHORTATION TO REPENTANCE AND INCREASED DEVOTEDNESS.

In view of God's dealings with our beloved Zion during the past year, the General Assembly affectionately exhort the people and the ministers of God to humble themselves before the Lord, in view of past delinquency—to be grateful for God's forbearance, and for mercies bestowed in the midst of our failure, and to gird themselves for renewed and more faithful efforts in time to come. Ours, by the good hand of our God upon us, is a glorious history. Ours, we cannot doubt, is an august, a momentous mission. Vast interests for our country and the world, for time and eternity, are committed to us. Let us prove worthy of our history; worthy of our mission; worthy of the wonderful age in which God has permitted us to live and labour; worthy of our resources and advantages; "worthy of the vocation wherewith we are called." "Wherefore, take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, *to stand!* The toil, and the strife, and the trial will soon be over, and the coronation day will come." "Peace be to the brethren, and love, with faith, from God the Father, and the Lord Jesus Christ. Amen."

Abstract of the Report of the Board of Missions, presented to the General Assembly in New York, May 1856.

In presenting the Fifty-fourth Annual Report of the Board of Missions to the General Assembly, the Board desire, first of all, to acknowledge with thankfulness their indebtedness to Almighty God, for the measure of success which he has graciously vouchsafed to them, during the past year, in the management of the important cause intrusted to their care. We are the more sensible of our obligations to the Great Head of the Church, because, at one period of the year our treasury was well nigh exhausted and our financial prospects were discouraging. With the blessing of God upon the appeals which were made to the churches for pecuniary aid, and the prompt and liberal responses of many friends of the missionary cause, the Board were not only seasonably relieved of all apprehensions of embarrassment, but have been enabled to close the year with an unusual degree of prosperity.

There has been an increase in the number of missionaries employed during the year—an augmentation of receipts, both from the churches, and in individual donations and legacies—an increase in the aggregate appropriations—a larger average salary paid to our missionaries—and an increase in the balance on hand at the close of the fiscal year. In every department there has been an encouraging progress, and we doubt not that the Assembly will heartily unite with the Board in their expressions of gratitude to God for his unmerited goodness and mercy.

OPERATIONS OF THE YEAR.

Of Missions.—*Statistical Details.*—The number of missionaries in commission April 1, 1855, was 346, to which have been added to March 1, 1856, (11 months) 220, making the whole number 566, and more by 41 than the year previous.

The number of churches and missionary stations, wholly or in part supplied, (as far as reported,) by our missionaries, is 943.

The number of newly organized churches is 42.

The number of admissions on examination is 1932, and on certificate 1836, making a total of admissions of 3668.

The number in communion with churches connected with the Board is 22,916.

The number of Sabbath-schools is 332; of teachers, 2,443; and of scholars, 15,887.

The number of baptisms is 2,217.

Of the 566 missionaries who have been in commission during the year, 187 have sent in no special report for the Assembly, very nearly one-third of the whole number; consequently we must increase all the returns very nearly one-third to make them correct.

Appropriations.—The appropriations made to our missionaries, from April 1, 1855, to March 1, 1856, (11 months,) have been at the office in Philadelphia, $50,103.34, and at the office in Louisville, $32,475.83; making a total of $82,579.17.

Adding the appropriations made during the month of March, 1856, to the above, for the sake of comparison with other years, the figures would stand thus: Appropriations made from April 1, 1855, to April 1, 1856, at the office in Philadelphia, $51,703,34, and at the office in Louisville, $33,425.83; making a total of $85,129.17.

The appropriations made to our missionaries from April 1, 1854, to April 1, 1855,

Digitized by Google

were, at the office in Philadelphia, $48,735.42, and at the office in Louisville, $25,759.00; making a total of $74,494.42.

From this statement it appears that the appropriations made at the office in Philadelphia exceeded those made the year before $2,967.92, and at the office in Louisville, they were more by $7,666.83; thus making the total appropriations this year more than the year preceding, by $10,634.75.

For the purpose of further comparison we may state, that the *average* appropriations made during the preceding three years, from 1852 to 1855, were, at the office in Philadelphia, $42,185.50, and at the office in Louisville, $26,756.97; making a total average of $68,942.47.

From this statement it appears that the appropriations made from April 1, 1855, to April 1, 1856, at the office in Philadelphia, exceeded the average of those made during the three previous years, $9,517.84; and at the office in Louisville, $6,668.86; thus making the total excess of appropriations this year above the average appropriations of the three preceding years, $16,186.70.

RECEIPTS.—The total amount of receipts from all sources, from April 1, 1855, to March 1, 1856, (11 months,) is $85,747.73, to which add balances on hand in the different treasuries, April 1, 1855, (less the sum in Flint River Presbytery, $320.25,) $15,223.34, making the available resources of the Board during the year, $100,971.07.

Adding the receipts at the offices in Philadelphia and Louisville during the month of March, 1856, for the purpose of comparison with other years, the total amount of receipts from April 1, 1855, to April 1, 1856, is $94.848.87; to which add balances on hand in the different treasuries, April 1, 1855, as above, $15,223.34; thus making the available resources of the Board during the year, from April 1, 1855, to April 1, 1856, $110,072.21.

The amount paid out at the different treasuries from April 1, 1855, to March 1, 1856, (11 months,) is $79,837.90, leaving an available balance in all the treasuries, on the 1st of March, 1856, of $21,133.17. The amount due the missionaries at the same date was $13,226.54; leaving an unexpended balance of $7,906.63.

The aggregate receipts from April 1, 1855, to April 1, 1856, have been larger, as compared with the receipts from April 1, 1854, to April 1, 1855, $23,014.40. The excess has been in individual or special donations and legacies $16,958.95, and in the contributions of the churches $6,055.45. The receipts at the office in Philadelphia, including the Presbyterial treasuries, were larger by $14,067.95, and the receipts at the office in Louisville $8,946.45.

The amount due the missionaries at the close of the fiscal year, as previously stated, was $13,236.54, leaving an unexpended balance of $7,906.63. The unexpended balance on April 1, 1855, was $5,539.70. From this statement it will be observed, that the unexpended balance in the treasury on the 1st of March, 1856, is only $2,366.93 more than the amount which was reported on the 1st of March, 1855.

Although the available balance on hand at the close of the fiscal year is considerable, and somewhat larger than that of the year preceding, yet it is no more than is needed. With so large an addition to the number of our missionaries and the considerable increase in the average appropriation made to them, there will be of course a proportionate augmentation in the accruing liabilities and current expenditures of the Board. It ought to be distinctly understood by all, that the amount on hand at the period of the year when our balance is reported, is always larger than at any other time. From the month of March the receipts begin to fall off, and during the latter part of the spring, the entire summer, and the early part of the fall, the receipts are comparatively small; so that unless our available balance at the commencement of the fiscal year is comparatively large, it would be impracticable to carry on the operations of the Board during the year. For example, at the beginning of the fiscal year, April 1, 1855, we reported an available balance of more than $15,000.00; and yet by the 1st of November ensuing we had only about $2,000.00 in hand!—not enough to meet the usual payments for a single fortnight!—and but for the prompt and generous responses to our appeals for aid by many of the friends of the cause, our operations must have been seriously embarrassed. These responses show the strong attachment of our people to the Board, and do, as they ought, inspire us with confidence as well as gratitude; but the facts also show how desirable it is to have a proper working balance on hand at the beginning of the fiscal year, and how important and necessary it is for the friends of the cause to respond promptly and liberally to appeals when the low state of our funds compels us to call for aid.

RE-ENFORCEMENTS AND ENLARGEMENT OF THE CHURCH.—During the year the Board have established new missions in various sections of our country, as well in the larger cities and towns, as in the smaller villages and rural districts. They have also, to the extent of their ability, re-enforced our missionaries in the newer States and Territories. Three additional missionaries have been sent to California, two to Wisconsin, one to Minnesota, and one, in addition to those already there, has been employed in Oregon. We have also sent one to Nebraska and one to Kansas. Arrangements have likewise been made to send an additional one to Minnesota and two to Kansas. Thirty-nine of our missionaries have been commissioned as itinerants. The greater part of our missionaries perform more or less of such service, but the number above-mentioned are either wholly, or almost entirely employed as itinerants.

STATE OF OUR MISSIONS.—The reports of our missionaries respecting the state of religion among their people are varied. Some of them communicate to us the cheering intelligence of revivals of religion, and the most of them write encouragingly of the religious state and prospects of their ministerial charges.

CLOTHING.—Clothing valued at $7,837.14 has been received during the eleven months, from April 1, 1855, to March 1, 1856, and distributed among the missionaries who needed it. Our friends are cautioned against permitting their donations of clothing (which are never deducted from the salaries of the missionaries) to interfere with their *cash* contributions to the Board.

CHURCH EXTENSION.

The Board take pleasure in stating that, agreeably to the direction of the last General Assembly, they transferred, on the 20th of July last, all the funds and papers in their possession, respecting the business of Church Extension, to the Church Extension Committee at St. Louis, Missouri. The cash balance on hand at that date was $4,595.74.

ASSOCIATE SECRETARY.

The work of Church Extension, which, while connected with the Board of Missions, was chiefly under the care of the Assistant Secretary, having been transferred to a Committee of Church Extension, it became expedient to re-arrange the duties of the executive officers of the Board. The Corresponding Secretary being willing to perform and superintend all the work in the office without an assistant, it was thought desirable to appoint an Associate Secretary, whose duties should be mainly external. Accordingly the Board elected the Rev. Reese Happersett, Associate Secretary, and passed the following resolution, viz.

"*Resolved*, That the duties of the Associate Secretary shall be, under the direction of the Executive Committee, to attend to the legacies which may from time to time be bequeathed to the Board; to visit the Synods, Presbyteries, and churches, for the purpose of diffusing missionary intelligence, and collecting funds; to visit various sections of the country for the purpose of conferring with our agents, collecting information, and communicating the same to the Board, and promoting the general interests of the cause; and such other service as may from time to time be assigned to him."

OBJECTS OF THE BOARD, AND THEIR IMPORTANCE.

The objects of the Board of Missions are two-fold:

1. To supply vacant churches, and assist weak and feeble congregations in the support of pastors.

2. To extend the boundaries of the Church by employing ministers to preach the gospel, organize new congregations, and form churches in the hitherto neglected and waste places of our country.

Without the aid derived from the Board, hundreds of our weak and feeble churches would be unable to support and retain their pastors. Nor would it be practicable to supply the numerous places scattered throughout our widely extended country, which are as yet destitute of evangelical ministers, without some such agency as the Board of Missions.

The Board continue to receive from almost every section of our country the most urgent appeals for missionary aid. The wants especially of our newer States and Territories are pressed upon us with increasing and affecting earnestness, and the importance

Digitized by Google

of supplying them with intelligent and evangelical ministers, while in their formative state, cannot be too highly estimated.

The Board continue to employ a number of missionaries among our foreign population.

PROGRESS MADE BY OUR CHURCH IN THE MISSIONARY WORK.

In 1828, the year of the re-organization of the Board, there were but thirty-one missionaries, and an income of $2400 only.

In 1840, two years after the division of the Church, and when the parts were fairly separated, there were 256 missionaries, and an income of $40,734.

In 1855–6, the number of missionaries employed was 566, and the income $94,848.87.

Since the re-organization of the Board, we have increased 14 Synods, 58 Presbyteries, 976 ministers, 1111 churches, and 85,096 members. Since 1840, two years after the division of the Church, we have increased 13 Synods, 53 Presbyteries, 646 ministers, 1406 churches, and 104,821 members.

These results may well excite our gratitude to God, and ought to stimulate and encourage us to greater activity, liberality, and prayer.

SALARIES OF MISSIONARIES.

During the past year, the Board have increased their average appropriation to the missionaries $11.35.

During the last three years, the Board have increased their average appropriations to the missionaries $41.90, which is a little over 31¾ per cent. By this advance, the annual liabilities of the Board, with the present number of missionaries, have been augmented nearly $24,000.

If the people whom they serve had advanced proportionately, our missionaries would now be comfortably sustained. But while the Board have increased their appropriations 31¾ per cent. their people have advanced a little less than 20¼ per cent.

NEED OF FUNDS.

The receipts *from the churches*, from April 1, 1855, to April 1, 1856, *fell short* of the payments, during the same period, *upwards of eighteen thousand dollars!* and but for the balance on hand at the commencement of the fiscal year, and the unusually large amount received from individual donations and legacies, we would have been in debt to our missionaries at the close of the year!

With an increased number of missionaries, and a higher scale of appropriations, the expenditures of the Board have been very largely augmented; so that during the year upon which we have entered, we shall need much larger receipts from the churches.

Moreover, it is very important that the Board should not be hampered or embarrassed in undertaking the establishment of new missions.

A larger number of churches contributed to the Board during the past than the preceding year—the increase being about one hundred. Still it is to be lamented, that out of the 3079 churches reported in the Minutes of the General Assembly of 1855, only about 1350 of the number contributed anything to the Board during the past year!

As there will probably be no collecting agents in the field assigned to the Executive Committee, in Philadelphia, and probably none in the larger portion of the field assigned to the Western Executive Committee, we must rely mainly upon the pastors and sessions to see that collections are taken up for the Board during the year.

CONCLUSION.

The report concludes with an earnest appeal to Christians to be more liberal in their contributions, and more fervent in their prayers for the Divine blessing upon the missionary cause.

Abstract of the Annual Report for 1856.

Part I. Ministerial Education.—The number of new candidates received this year is 102. The total number on the roll is 382, being 18 more than the preceding year. 1. This whole subject is eminently connected with God's sovereignty. 2. Our operations call for gratitude to God. 3. The statistics indicate the inadequate impression of the Church in regard to her responsibilities and duties.

The Board next present a plea for educational operations *on the basis of Scripture*, and maintain the following propositions: 1. The perpetuation of the ministry is made by the word of God an object of special concern to the Church. 2. The Church is required to use means for the attainment of the great end in view. 3. The Scriptures authorize the belief that many of the Church's ministers will always be from among the poor. 4. The ministry should be an educated as well as pious ministry, called of God to their work. 5. It is a scriptural principle, that pecuniary aid should be granted to those candidates whose condition requires it.

Agencies.—The whole work of the Board has been performed by the Secretaries, with the single exception of a few weeks' voluntary service, and at a less cost than for any year during the last eleven.

Part II. Christian Education in Schools, Academies, and Colleges.

Primary and Parochial Schools.—The number of these schools is about 100, of which 34 have received aid from the Board, and 7 more have lately applied. One of the elders of a church in New York City has continued his offer of $5000 per annum to this object.

Presbyterial Academies.—The number of Presbyterial Academies is 58. These are located in every section of the Church, north, south, east, and west. They contain on an average from 70 to 80 students each, and are doing a great work in the cause of thorough Christian education.

Colleges.—The colleges directly under the care of the Church are 18, which, with four others indirectly under our control, make a total of 22 institutions. The number of students, regular and irregular, connected with these institutions, is 2100. Of these, about 5000 are communicants of the Church, and 350 are candidates for the ministry. During the year, upwards of 100 students have been hopefully converted to God. Revivals of religion have occurred at Princeton College, Washington College, Pennsylvania, and Oglethorpe University, Georgia.

The Board offer the following remarks on the Collegiate policy of the Church: 1. It ought to be the universal aim to incorporate thorough religious instruction into the course of studies. 2. The Church ought to cultivate the harmony now happily prevalent among our institutions. 3. Our colleges ought to increase in number from time to time, but not too fast or too near each other. 4. Ample endowments ought to be provided for all our colleges, and chiefly from the districts of country where they are located. 5. A larger

Digitized by Google

number of young men ought to be encouraged to seek the advantages of a liberal education. It may be added, that whilst our Colleges are struggling to secure an endowment, especially during their infancy, it is good policy to assist them with a portion of the funds which the liberality of the churches may supply for the general object.

Conclusion.—On the whole, the operations of the Board, in both departments, are in an encouraging state, and with the blessing of God upon the faithful efforts of his people, a constant advance in our work is to be expected.

Funds.—The following is the state of the Treasury:

	Candidates' Fund.	School Fund.	Miscellaneous Fund.	African Fund.
Receipts,	$40,680 04	$6,833 17	$571 50	$85 07
Balance,	1,939 22	60 57	19 76	1,215 36
Income,	$42,619 26	$6,893 74	$591 26	$1,300 43
Payments,	40,591 97	6,889 50	590 00	
Balance,	$2.027 29	$4 24	$1 26	$1,300 43

Total receipts for the year, $48,169 78; total income, $51,404 69; total payments, $48,071 47; total balances, exclusive of the permanent African Fund ($1,000) $2,333 22.

Abstract of the Nineteeth Annual Report, May 4, 1856.

The Board acknowledge, with gratitude to God, the many favours that have been extended to the Missionary work during the past year.

The receipts from all sources, including a balance of last year of $87 07, and also an unexpended balance from the sales of the Omaha reservation of $8,282,	$201,933 61
Expenditure,	201,908 75
Leaving a balance of	$24 86

The advance in the receipts of the treasury from all sources, over those of the last year, has been something more than $10,000, the greater part of which is from the ordinary contributions of the Church, and which is regarded by the Board as an encouraging feature in the Missionary work.

The publications of the Board have been the same as those of the previous year.

MISSIONARIES AND ASSISTANT MISSIONARIES SENT OUT.—Eighteen missionaries, (five of whom have been in this country on a visit) and thirty male and female assistant missionaries, making forty-eight in all, have been sent out during the year. This is a much larger number of missionary labourers than has ever been sent out in any previous year.

MISSIONS AMONG THE INDIAN TRIBES.—There are nine Missions among the various Indian Tribes of our own country; connected with which there are thirteen principal stations and out stations, twelve ordained missionaries, sixty assistant Missionaries, ten churches, three hundred and twenty-one church members, ten schools, and more than five hundred pupils in the various stages of their education. Most of these Missions have been favoured with the special presence of the Holy Spirit during the year, and some of them have enjoyed his blessing in large measure.

MISSIONS IN AFRICA.—There are two Missions in Western Africa, one in Liberia, and the other on the Island of Corisco; connected with these there are nine stations, seven Missionaries, fifteen assistant Missionaries, five churches, one hundred and seventy-one church members, seven schools, and one hundred and seventy-nine pupils. Several of these churches have also enjoyed the special reviving influences of the Spirit during the year.

MISSIONS IN INDIA.—There are two Missions in India, three of them having been consolidated in one during the year. Connected with these Missions there are fifteen stations, twenty-seven ordained Missionaries, and sixty-four assistant Missionaries and native helpers under the care of these Missionaries. There are eleven churches, and two hundred and ninety church members; eighteen schools, and three thousand six hundred and fifty-six pupils. There has been no period in the previous history of these Missions when they presented a more encouraging aspect, or promised richer fruits than at the present time.

MISSION IN SIAM.—In Siam there is one Mission at Bangkok, connected with which there are three ordained missionaries, three female assistant missionaries, one Chinese assistant, and one boarding-school numbering twenty-eight pupils.

MISSIONS IN CHINA.—There are three Missions in China: at Canton, Ningpo, and Shanghai. Labouring in connection with these missions there are twelve missionaries and fourteen male and female assistant missionaries, and three boarding-schools embracing ninety pupils. The church at Ningpo has been favoured during the year by the addition of ten native converts. At the other mission stations, the various departments of missionary labour have been carried on with efficiency, and with many encouraging tokens of good.

The Mission to the Chinese in California is still continued under the care of the Rev. William Speer, whose labours have been of great service to the Chinese in various ways.

MISSIONS AMONG ROMANISTS.—There are two missions under the care of the Board in South America, one at Buenos Ayres, and the other at Bogota, in New Grenada. The one at Buenos Ayres has been of two years' continuance, and has been favoured by the converting presence of the Holy Spirit during the year, fourteen converts having been received to the communion of the church during the last summer. The other mission at Bogota has just commenced.

Funds have been remitted to the Evangelical Missionary Societies of Belgium, Paris, Geneva, and to the Waldenses Synod, to the amount of $6000, exclusive of the interest on the endowment fund of the La Tour Seminary. It is believed that the cause of evangelical religion has been greatly promoted in Europe during the last year by the labours of these various societies.

MISSIONS TO THE JEWS.—Two Missionaries are labouring in this city for the benefit of the Jews, and though no very marked results have as yet attended their labours, they report from time to time encouraging facts in connection with their work.

CONCLUSION.—The Report of the Board contains much to encourage the people of God. The missionary work is going forward with manifest tokens of the Divine blessing.

In each of the general divisions of the missionary field some fruit has been gathered, and the converts admitted to the communion of the Mission Churches are more numerous than in any former year. These proofs of God's favour towards the work of his servants call for devout thanksgiving.

Abstract of the Eighteenth Annual Report of the Board of Publication.

The following is an abstract of the Eighteenth Annual Report of the Presbyterian Board of Publication, presented to the General Assembly, in the city of New York, May 1856.

The Board reports a year of signal prosperity. There has been, during the past year, an increase in receipts, in the number of publications, in the number or colporteurs employed, and in every department of the labours of the Board.

The limits of the financial year of the Board, have recently been changed, so that it will hereafter commence annually on the 1st of March, instead of the 1st of April. Owing to this change, the portion of time under review comprehends this year only *eleven months*.

The operations of the Board were presented under the three following heads: I. Production. II. Distribution. III. Sustenation.

I. *Production.*—The Publishing Agent reports, that there have been issued 39 *new* works, viz. 16 new volumes; and 23 smaller publications. Of these new works there have been published 111,000 copies. The *reprints* of former publications have been 485,250 copies. Thus the *total publications* of the year have been 596,250 copies.

The total number of copies published since the organization of the Board to March 1, 1856, has been 5,550,938.

There has been an *increase* in the number of copies of all kinds printed during the past year, of 129,500 copies over the year preceding.

The largest work issued in the year has been the "*Assembly's Digest*," by the Rev. Samuel J. Baird, a volume of 856 pages, which has received much commendation. The Board has also issued an edition of the "*Life of Dr. A. Alexander*," by Dr. J. W. Alexander. Several additions have also been made to the Board's list of German tracts.

Much attention has been given to the judicious increase of its *Sabbath-school Library*. An anxious desire is expressed for its enlargement, and suitable manuscripts are invited from ministers and laymen in every part of the Church.

Periodicals.—Circulation of the *Home and Foreign Record*, 17,500 copies, being an increase within the year of 500 copies. *Sabbath-school Visitor*, 43,000 copies, increase 2,000 copies.

II. *Distribution.*—There are three distinct channels through which the publications of the Boards reach the hands of the people.

1. Distribution by sales from the publishing house to private individuals and booksellers. These have amounted during the eleven months now reported on, to 171,516

Digitized by Google

volumes, besides tracts, pamphlets, and periodicals. The value of these sales (including the *Sunday-school Visitor*, but not the *Record*,) has been $70,702.28.

2. *Distribution by Colportage.*—In this department there has been great enlargement and encouragement during the past year.

The number of colporteurs commissioned within these eleven months has been 210, an *increase* of 37 over those of the preceding twelvemonth. These have been distributed throughout 28 States and Territories, as well as through all the British Provinces, from the Gulf of St. Lawrence to Lake Superior. They have also begun to occupy Oregon, California, Kansas, Nebraska, the Lake Superior mining region, and hitherto unoccupied portions of Texas, Arkansas, Missouri, Minnesota, Wisconsin, Iowa, Michigan, and Florida.

These Colporteurs have *sold* 125,790 volumes, an increase of 27,940 volumes sold. They have *gratuitously distributed* 13,913 volumes, an increase of 3,133 volumes. They have also distributed gratuitously 1,046,964 pages of tracts. And they have visited 91,734 families, an increase of 12,642 families visited.

There is much evidence that the Colporteurs have also increased in qualifications and efficiency during the past year, and that the Spirit of God has largely attended and blessed their labours.

3. *Distribution by Donation of Executive Committee.*—This has amounted to 3,269 volumes and 111,873 pages of tracts, which have been chiefly given to Sabbath-schools, feeble churches, needy ministers, and to individuals for gratuitous distribution.

The *total distributions* of the eleven months have been as follows:

By sales at Publishing-house,	171,516	volumes.
" " by Colporteurs,	125,790	"
" grants of Colporteurs,	13,913	"
" " of Executive Committee,	3,269	"
Total of volumes distributed besides tracts, pamphlets, and periodicals,	314,488	

III. *Sustenation.*—There has been so gratifying an increase in the receipts of the Board from every source this year, that for eleven months only, they exceed those of the preceding twelve months. They have been as follows:

Total receipts of 11 months,	$88,596 20
" payments " "	86,039 03
Total receipts from sales of books, tracts, and Sabbath-school Visitor,	70,702 28
Total receipts for Colportage,	14,497 28
Balance in Treasury of Board,	17,033 96
Balance of deficiency against Colportage Fund,	2,352 67

Agencies.—Not a single collecting agent has been commissioned during the past year. There is an evidently growing disposition on the part of pastors themselves to instruct and train their people in habits of benevolence, a tendency in which the Board greatly rejoices. During the past year the income of the Board has been derived from a larger number of Presbyteries and churches than ever before, although there has been no collecting agent in the field.

The whole aspect of the work committed to this Board is one of progress and encouragement, such as it rejoices to be able to spread before the General Assembly, and as encourages it to new and enlarged exertions for the time to come.

FORM OF A DEVISE OR BEQUEST TO THE PRESBYTERIAN BOARD OF PUBLICATION.

To the Trustees of the Presbyterian Board of Publication, and to their successors, and assigns, I give and bequeath the sum of or I devise a certain messuage, and tract of land, &c., to be held by the said Trustees, and their successors for ever, to and for the uses, and under the direction of the said Board of Publication, according to the provisions of their charter.

CHURCH EXTENSION COMMITTEE.

COMMITTEE ROOMS, No. 88 MARKET STREET, ST. LOUIS, MISSOURI.

Corresponding Secretary—Rev. H. I. Coe.
Treasurer—Archibald Gamble, Esq.

Communications on the subject of Church Extension, should be addressed to the Corresponding Secretary, No. 88 Market Street, St. Louis, Mo.

Donations should be sent to Archibald Gamble, Esq., St. Louis, Mo.; or, if more convenient, to J. D. Thorpe, Esq., Cincinnati, Ohio; A. Davidson, Esq., Louisville, Ky.; S. D. Powel, Esq., Treasurer of the Board of Missions, No. 265 Chestnut Street, Philadelphia, or to J. D. Williams, Esq., Pittsburgh, Pa.

APPROPRIATIONS FROM THE GENERAL FUND.

No appropriation is made without the recommendation of the Presbytery, or the Church Extension Committee of the Presbytery within whose bounds the church applying for aid is located.

No appropriation is *paid* until the Committee receives a certificate from the Trustees of the church aided, stating that their church lot is properly secured, and that the amount appropriated will complete their house of worship and leave the whole property free from debt.

Appropriations not called for within two years of the date thereof, are regarded as withdrawn.

Abstract of the First Annual Report of the Church Extension Committee.

This new enterprise was organized in the city of St. Louis, Missouri, on the 3d of July, 1855, under the appointment of the last General Assembly. The Committee elected the Rev. N. L. Rice, D. D., Chairman; Archibald Gamble, Esq., Treasurer; and David H. Bishop, Esq., Recording Secretary. On the 4th day of September, 1855, the Rev. H. I. Coe, of Galena, Illinois, was unanimously chosen Corresponding Secretary, and entered on the duties of the office on the 20th day of the same month. His salary was fixed at $1500 per annum. The valuable services of the other officers, especially of the Treasurer, during the past year, have been rendered gratuitously.

In carrying on the work entrusted to them by the General Assembly, the Church Extension Committee have, as far as practicable, acted upon the following principles, viz.

1. To make no appropiation to any church under the care of a Presbytery, without the recommendation of that Presbytery or its Church Extension Committee.

2. To be guided in determining the amount to be appropriated in each case by the carefully ascertained necessities of that case, and the state of the treasury.

3. To diffuse appropriations as widely and equitably as possible over the whole country.

4. To require, as the ordinary pre-requisite of the payment of every appropriation from the general fund, a certificate from the Trustees of the church aided, that the church lot is fully secured to the Old-school Presbyterian Church, and that the amount granted by the Church Extension Committee will complete their house of worship, and leave the whole property free from debt.

5. To withdraw every appropriation not properly called for within two years of its date.

6. To recognize the right of donors to designate the recipients of their donations.

7. Inasmuch as it is frequently of the highest importance to a church to know definitely the amount of aid upon which it may rely, a considerable time before the money can be drawn, the Church Extension Committee have felt at liberty to make, in anticipation of the incoming of funds, several appropriations, payable as soon after a fixed time in the future as the churches aided comply with the conditions on which the appropriations are made.

These principles are chiefly deductions from the eleven years' experience of the Church Extension Committee of the Board of Missions, and the past has only added to the evidences of their wisdom.

The number of new applications for aid in erecting churches, received from April 1st,

Digitized by Google

1855, to April 1st, 1856, (including thirteen applications acted upon by the late Church Extension Committee of the Board of Missions, previous to the transfer of their books, papers, and funds, to the present Committee of the General Assembly,) is one hundred and five. These one hundred and five new applications come from churches in the bounds of twenty-six of our thirty Synods, and fifty three of our one hundred and forty-eight Presbyteries. The amount of aid asked for in these one hundred and five applications is over $27,000.

Besides these, forty-one old applications, amounting to nearly $7000, (action upon which was deferred by the Committee of the Board of Missions for want of funds,) remain on file, awaiting later information.

In addition to all these, forty-two unpaid appropriations of the Church Extension Committee of the Board of Missions, amounting to $5090, have been assumed by the General Assembly's Church Extension Committee, and may properly be regarded in the light of applications. The whole number of requests for aid during the year just closed, that may be ranged under the general head of applications, is therefore 188, amounting to over $39,000.

During the year ending April, 1, 1856, appropriations have been made to seventy-one churches, to the amount of $12,785.99.

Appropriations to twelve churches, amounting to $1525, have been withdrawn.

The balance in the treasury of the Church extension Committee of the Board of Missions, April 1st, 1855, was $4173.10. The receipts from April 1st, 1855, to April 1st, 1856, were—from churches, $8059.72; from other sources $1697.59—making in all $9757.31. This, with the balance on hand, April 1st, 1855, gives for the available resources of the year ending April 1st, 1856, $13,930.41.

The receipts of this year are $4510.83, or more than 85 per cent. in advance of the receipts of the last year.

The number of churches that have contributed this year is nearly two and a half times as great as the number that contributed last year, and the amount received from churches is considerably more than double the amount received from churches in any previous year.

The number of churches which this year for the first time have sent in donations, is at least one and a half times greater than the whole number of different churches which have contributed in any former year.

The expenditures of the year closing April 1st, 1856, were $11,083 51, including a temporary loan of $700 to the Church Extension Committee of the city of St. Louis, out of the contributions of the Second Presbyterian Church of St. Louis, made in accordance with the desire of that church.

The balance on hand in the different treasuries, April 1st, 1856, was $2846.90, to meet appropriations made to the amount of $8575. The liabilities therefore of the Committee exceeded its resources, April 1st, 1856, $5728.10.

THE CONTINGENT FUND.

There is still a necessity for calling the particular attention of the churches and Presbyteries to this Fund. The expenses for which it provides are indispensable, not only to the vigorous working, but to the maintenance of our ecclesiastical organism. And in this certainly every church, and every member of the church, will feel an interest.

REGULATION RESPECTING THE MINUTES.

Adopted by the Assemblies of 1836 *and* 1837, *and directed to be republished in the Appendix to the Minutes.*

"Each Presbytery shall forward to the Treasurer, for the *Contingent Fund* of the Assembly, at or before the meeting of the Assembly in each year, a sum equal to *fifty cents* for each member of the Presbytery, and for any licentiate or other person who shall desire the Minutes, and whose post-office address shall be given. And the Stated Clerk shall not forward the Minutes to the members of any Presbytery from which no such remittance shall be made, but only to the Stated Clerk of such Presbytery, and to such members as shall forward the sum above stated."

In addition to the above, where copies are sent by mail, *five cents* additional must be forwarded to pre-pay postage.

TO THE STATED CLERKS OF SYNODS.

It is the duty of the Stated Clerks of the respective Synods, to send up to the Stated Clerk of the General Assembly an annual report, stating, in brief, the number of Presbyteries, ministers, churches, licentiates, and candidates within their bounds, and particularly all changes which may have been made in the arrangement of Presbyteries. By the Assembly of 1841, (see p. 425,) it has been made their duty also to transmit to the Stated Clerk of the Assembly, the time and place of meetings of their respective Synods.

The whole number of matriculated students whose names have been on the roll during the whole or a part of the year, is *one hundred and one.*

One student, viz Charles Boyd, has died in the course of the year.

In regard to the religious character and deportment of the students, the Professors have made the following report: "The religious life of the Seminary compares favourably with that of previous sessions. The customary religious exercises have been well attended by the students; their diligence in study has been of a gratifying character; and their walk has been generally exemplary. Some of the graduating class expect to go as foreign missionaries; and others in the lower classes have the same work in contemplation."

The Professors reported to the Board that seven of the students of the second class in the Seminary have been licensed to preach the gospel by their respective Presbyteries. To this statement they add the following paragraph, viz. "The Faculty in reiterating their conviction of the injustice done to the Seminary, and the injury to the students themselves, by their licensure in the early part of their course, beg leave to refer the Board to the numerous and earnest representations on this subject, in their reports from the very origin of the Seminary." The opinion expressed in this paragraph, the Board approved, and they appointed a committee to prepare an article for publication on this subject.

At the close of the session the students were examined for nearly a week, in presence of a Committee of the Board. The Committee of Examination in their report to the Board, "express their high gratification with the whole examination, as furnishing evidence of the faithfulness of the Professors, and of the diligence of the students."

Certificates of having finished the whole course prescribed in the Plan, were conferred on the following *twenty-four* young men, viz. Amzi L. Armstrong, Henry R Avery, Henry M. Baird, Walter V. Couch, Francis F. Ford, Samuel R. Gayley, Francis B. Hall, J. Aspinwall Hodge, Joseph F. Jennison, Jacob A. Lefevre, Joseph W. Lewis, Daniel McGilvary, Robert S. Manning, Charles R. Mills, William J. Morcock, J. Howard Nixon, J. Lansing Pearse, D. Dubois Sahler, John H. Sargent, Frank C. Statham, A. Sinclair Stewart, William C. White, Henry Willard, and Jonathan Wilson.

The Board at their present meeting passed the following resolution, viz.

"*Resolved*, That the General Assembly be requested to alter the Plan of the Seminary, Article II. Section 13, so as to read as follows:

"During the annual examination, or at its close, a sermon shall be preached before the Seminary, by a member of the Board of Directors."

The Board have to report, that it has pleased Divine Providence, through the year, to remove two of their members by death, viz. Mr. Hugh Auchincloss, who departed this life, July 9th, 1855, and the Rev. Dr. John Johnston, who died August 22d, 1855. Mr. Auchincloss had been a member of this Board twenty-four years, and Dr. Johnston had been a member thirty-eight years. Two years of the time for which Mr. Auchincloss was elected remain unexpired, and one year of the time for which Dr. Johnston was elected.

		$10,544 79

He has loaned out to the students, on three notes, the legacy of Dr. Patrick Gannon, of Albany, in the manner pointed out in the Testator's will, amount, - $350 00

With regard to the John Hoff legacy, the Board passed the following resolution, viz.

Resolved, That the Treasurer be directed to invest, of the legacy of $2,500, of John Hoff deceased, with such portion of the accumulated interest as will amount to the sum of $3,000, to endow a Scholarship, to be called the John Hoff Scholarship; and to invest of the said legacy the further sum of $1000, the interest of which is to defray the expense of printing the annual address contemplated by the testator; and the residue of said legacy, being $364.50, to be applied under the direction of the Professors, to carry out, as far as practicable, the intention of the testator.

At the meeting of the Board in September last, the Treasurer reported that he had received the third and last instalment of the legacy of Miss Catharine Naglee, amounting to $3,525.01. In consequence of this receipt, the Board resolved that $3000 be appropriated from the legacy of Miss Catharine Naglee, towards the purchasing or erection of a

house for a Professor; and that when the residue of the money necessary for such house is secured, the committee appointed for the purpose, purchase, or commence building said house. At the present meeting of the Board, the committee on a Professor's house reported, that since the last meeting Professor Green had vacated the house he occupied, belonging to the Board, having provided a house of his own; and that Dr. McGill had removed to the house thus vacated. The need of a new Professor's house, has thus been obviated for the present, and the committee were discharged. In consequence of the above, the Board passed the following resolution,

Resolved, That the Treasurer invest from the legacy of Miss Catharine Naglee $1000, and add it to the Permanent Fund; and that the residue of said legacy, not otherwise appropriated, continue in, and belong to the Contingent Fund.

From the Librarian's report it appears that there has been added to the library, through the year, by donation, 195 volumes, and by purchase, 2 volumes. The whole number of volumes now in the library is 14,057.

Of the donations, Messrs. R. L. and A. Stuart, of New York, have presented 125 volumes; among which is a complete set of Tischendorf's elegant and valuable publications, Bickersteth's works, 16 volumes, Bunsen's Hippolytus, 4 volumes; 2 copies of Turretin; Grimm's Deutsche Worterbuch, Vol. I., and Dillman's Ethiopic Old Testament, Vol. I.

The Presbyterian Board of Publication have presented 12 volumes of their publications; 18 volumes have been presented from the library of the late Rev. J. M. Connell; Rev. J. Perkins, of the Nestorian Mission, has presented the Old Testament in ancient and modern Syriac; the Smithsonian Institution has presented 1 volume; the United States Commissioner of Indian Affairs, 2 volumes; the United States War Department 1 volume; a Friend in Baltimore 15 volumes, among which are 3 volumes of Ritter's Erd Kunde, Dorner's Lehre von der Person Christe, Dillman das Buch Henoch; and Rev. James Smith 2 copies of Turretin.

The Librarian also reported that a box of valuable clothing had been received from the ladies of the Third Presbyterian Church of Newark, N. J.; also one from the Female Charitable Society of Morris Plain, N. J.; two from the Nineteenth Street Church, New York; and a bundle from the Church on University Place; all which has been distributed among the needy students, agreeably to the wishes of the benevolent donors.

The Board deeply regret that their financial agent in the City of New York, James Donaldson, Esq., has felt it to be his duty to resign this office. The following is a copy of the letter of Mr. Donaldson to the Board:

NEW YORK, *May* 6, 1856.

Gentlemen—I beg leave to lay before you my usual annual statement, which I hope will be found correct.

It has afforded me much pleasure for ten years past to attend to the duties of the appointment conferred upon me in 1845, and if my health admitted of it, I should be glad to continue in the discharge of them. Such, however, is not the case, and I am therefore compelled to ask for my release, and for the appointment of another in my stead; to whom, under your authority, I will deliver the securities in my hands. I am happy to say that the mortgages are *now* all yielding *seven* per cent., that they are of unexceptionable character, and that the interest is punctually paid.

Very respectfully, yours, JAMES DONALDSON.

Accompanying the above letter is a list of securities belonging to the Trustees, in the hands of Mr. Donaldson, amounting to $80,000.

The action of the Board on the above communication from Mr. Donaldson, was as follows, viz.

Resolved, That the resignation be accepted, and that the thanks of this Board be presented to Mr. Donaldson for his long and valuable services, gratuitously rendered, in managing the funds of this Institution.

Mr. John C. Green of New York, was appointed Financial Agent in place of Mr. Donaldson.

Respectfully submitted. By order of the Board,

Princeton, May 7, 1856. JOHN MCDOWELL, *Secretary*.

The Board of Trustees take great pleasure in announcing the completion of the new Seminary Edifice, as anticipated in our last Report, in time for the accommodation of the students during the past session.

The building although not so large as the old one, is much its superior in point of location, arrangement, accommodation and general fitness for the purpose contemplated. And this too, without a heavy debt resting like an incubus on the Institution. The Building Committee feel that they have of available funds in their hands, enough to meet all the small outstanding claims.

The following rooms for the accommodation of students have been furnished as follows, viz.

Room L. by James Laughlin.
Room D. by Mrs. Harmar Denny.
No. 17 by Mrs. Mary Morgan McCombs.
No. 16 by First Presbyterian church, Brooklyn.
No. 15 by Raccoon church.
No. 14 by Mrs. Dr. Gazzam.

In addition, the Board has the satisfaction of being able to report the completion of a third and fourth Professors' houses. And although by building said houses a considerable debt has been incurred over and above the amount of funds in the hands of the Treasurer for this purpose, the Board feels confident that the friends of the Institution will show their approval of the measure by cheerfully contributing to remove the present indebtedness and complete the endowment of the fourth Professorship; a consummation strongly recommended by former General Assemblies.

Pittsburgh, May 9th, 1856.

ANNUAL REPORT OF THE DIRECTORS OF UNION THEOLOGICAL SEMINARY, IN PRINCE EDWARD COUNTY, VIRGINIA, FOR 1856.

The Board of Directors of Union Theological Seminary, Virginia, submit to the General Assembly the following report of the state of the Seminary for the year ending May 12th, 1856.

During this year there have been connected with this Seminary twenty-three students of which number the following have matriculated since our last report.

James C. Alexander,	graduate of	Davidson College, N. C.
Edward P. Arnold,	"	Washington College, Va.
Ephraim H. Harding,	"	Hampden Sidney " Va.
Thomas W. Hooper,	"	" "
Frontis H. Johnston,	"	Davidson College, N. C.
John B. Shearer,	"	University of Virginia.
George Wm. White,	"	" "
Richard McIlwaine,	"	" "
Samuel Holmes,	"	La Fayette College, Pa.

The following students have completed the course of study prescribed in the Plan of the Seminary:—William Caruthers, S. Hamner Davis, John H. Davis, William W. Pharr, Robert C. Walker.

A comparison of our Reports for the last three years with those of several years previous, evinces a gratifying increase in the average attendance of students. Though the number is absolutely smaller than our expectations and our wants would alike have suggested, yet relatively it is nearly double that for the previous years alluded to. This increase commenced coincidently with the determination of the Synods, under whose care the Institution has been placed and by whose agency it has mainly been endowed, that this endowment should be completed, and the means of theological instruction there should be as adequate as those elsewhere afforded. We are further gratified to state that this enterprise of completing the endowment has been so far successful that we are now able to report that our whole investments are $75,000. This sum yields an income in five per cent. interest on $10,000, and six per cent. on $65,000, amounting in all to $4400 per annum. There are subscriptions of responsible men now in process of collection and investment, amounting to about $20,000. Our efforts to increase the endowment shall not be relaxed till we feel satisfied that the enlarged and liberal plans of the founders of the Seminary shall have been accomplished. Though endowed and mainly sustained by the two Synods of Virginia and North Carolina, represented by this Board, the Seminary has ever been contemplated by its friends as designed for a sphere of usefulness only limited by the boundaries of the Church. While on the one hand its central position restricted very much its peculiar sources of a supply of students, at the same time this very fact renders it more accessible from all portions of our Church; and increasing facilities of travel have recently removed physical inconveniences hitherto hindering such convenient access.

This Institution has been frequently and sorely bereaved by the death of its Professors. No less than four of the most valued and able among them have died in office within twenty-five years, and two of the number within five years. It received also a severe shock in the disruption of our Church in 1838–9. Such causes conspiring with its incomplete endowment, will sufficiently account for its long-continued state of depression, especially since co-incidentally with their operation three other Seminaries have grown up in our bounds. We humbly trust a more cheering day is at hand.

The wants of our Synods demand a supply of ministers for which there are no other reliable sources; while the obligations of our 20,000 communicants and nearly 300 churches to contribute their proper quota to the ranks of the ministry at large fully justify the maintenance of such an institution within the field assigned them by God. Their providential location must for ever prevent the proper enterprise and success in cultivating that field, if they are left dependent for a supply of ministers on other sections of the Church, or if they are exposed to the natural operation of influences to which their choicest young men might be subjected, when sent out of their bounds to pursue a professional education.

With the increase in our funds and students, we have felt encouraged to complete our corps of instructors by the establishment of a fourth Professorship. To this has been assigned all that part of a theological course which properly falls under the denomination of *Biblical Introduction*. It includes the subjects of Biblical Criticism, the Canon, Special introduction to the various books of the Scriptures, Archæology and History of the Church prior to the new dispensation, and the interpretation of the Gospels as an exercise of training in the art of interpretation, as well as a means of developing by the teachings of the Saviour and his inspired biographers, the elementary truths of the Christian system.

The arrangement of the course of studies in the other departments is substantially that hitherto adopted by us, and carried out in other seminaries. Their names, "Theology," "Church History and Polity," and "Oriental Literature," suggest the tenor of their respective subjects. Each Professor, however, gives exegetical instruction in the Scriptures, the Professor of Theology on the pastoral epistles in connection with pastoral Theology; the Professor of Church History on the Acts of the Apostles; the Professor of Oriental Literature on parts of the Old Testament and the Pauline Epistles; and the Professor of Biblical Introduction, as already mentioned, on the Gospels.

The propriety of this somewhat extended notice of our present transactions will appear fully obvious, when it is remembered that the establishment of a fourth Professorship, and the arrangement of the course of studies therewith connected, are topics on which the constitution of our Seminary requires us to present a detailed report to the General Assembly. The assent of the Assembly is respectfully solicited to the organic changes above described.

The *real estate* of the Institution consists of about 35 acres of land. On this have been erected a building 200 feet long, by 40 wide, and of three stories, besides a commodious basement, (affording accommodations for a Professor and family, a chapel, library, lecture-rooms, and forty rooms for students, most of which will accommodate two each,) a large and commodious steward's house, and two other residences for Professors now occupied. Another similar residence is now in process of erection. The students' rooms are provided with suitable furniture, much of which is new, and efforts are making for the renewal of the whole.

The Library has received this year an accession of 39 volumes. The whole number is 4370.

The officers of the Board of Directors are:

Rev Drury Lacy, D. D., *President*.
Rev. William H. Foote, D. D., 1*st Vice-President*.
Rev. Archibald Baker, 2*d Vice-President*.
Mr. Clement C. Read, *Secretary*.
Mr. Francis N. Watkins, *Treasurer*.

The Faculty of the Seminary during the last session has been:

Rev. Samuel B. Wilson, D. D., Professor of Systematic and Pastoral Theology.

Rev. Robert. L. Dabney, D. D., Professor of Church History and Polity, and Sacred Rhetoric.

Rev. B. M. Smith, D. D., Professor of Oriental Literature.

Mr. Dabney Carr Harrison, Licentiate, Assistant Teacher of Hebrew and Biblical Introduction.

The Electors of the Seminary met on the 12th ult., and elected the Rev. William J. Hoge, pastor of the Westminster Church, Baltimore, to the fourth Professorship.

The Seminary enjoys at this time the confidence and affections of the churches which have sustained it by their prayers and contributions. At no previous period of its history has it ever received more marked evidence of this fact. The success which has attended the labours of its instructors in training able and efficient ministers, known by their works in all parts of our Church and country, constitutes at once their best commendation to the Christian public, and forms the best guarantee for the future. Besides the endowments provided for the support of its Professors, their are four Scholarships, whose proceeds are available to aid its indigent students. These are the "Winchester," under the control of the Winchester Presbytery; the "Hoge," and the "Samuel Davies," under that of West Hanover; and the "Francis Dévéreux," under that of Orange Presbytery. And in addition to the facilities afforded by the Board of Education, responsible members of the Directory of the Seminary have pledged themselves to the Board that no suitable candidate for the ministry shall lack means of support while pursuing his studies at this Institution.

The Winchester Presbytery which until recently formed a part of the Synod of Virginia, but now belongs to the Synod of Baltimore, has contributed money both formerly and recently to the endowment, and owns a Scholarship in this Seminary. It therefore desired to be represented in the government of the Institution. To this end it has been agreed by the Synods of Virginia and North Carolina, that this Presbytery shall henceforth appoint one minister and one ruling elder as members of the Board of Directors, the Synod of Virginia relinquishing these two places in its favour. The assent of the Assembly is needed to make this change a part of our constitution.

Believing that the Assembly will bid us "God speed" in our important service, and relying on the prayers of the Church for the Divine aid, we respectfully submit this Report to your consideration. Signed by order of the Board.

The whole number of students in attendance during the session has been forty-five.

The following, ten in number, have just finished their entire course of study:—W. F. Culbertson, George Fraser, William Hall, W. H. Hannell, John Hunter, William J. Lemaster, R. L. Neely, J. C. Randolph, J. M. Scott, Dan. P. Young.

The Seminary has now completed its first period of three years, through which, under the operation of its plan, the course of instruction extends. The general results of this first period of its existence may thus be summed up.

1. Sixty-six candidates for the ministry have received instruction.

2. Twenty-seven are now preaching the gospel either as ministers or licentiates. Of these, five have entered the ministry among our Baptist and Methodist brethren.

3. A plan of instruction, new to the Seminaries of this Church, has been instituted and carried through the entire course of study, with results most satisfactory to the Faculty and students.

4. The burden of instruction originally, assigned by the Assembly to four full Professors, has been borne through this whole period by two Professors and an assistant teacher; all of whom entered office without any previous experience in these arduous and difficult labours.

5. Many of the embarrassments and inconveniences incident to the establishment of a new institution, have been in a great measure overcome. Buildings adequate to the present uses of the Seminary, and a valuable library, have been procured; means for the spiritual and intellectual culture of the students have been instituted, and the minute but important conditions belonging to the interior life of such an institution have been adjusted.

6. The report of the Board of Trustees shows that the funds of the institution have been so managed as to support the school on their income, leaving the principal undiminished.

7. The favour of God made manifest towards the Seminary through every period of its existence, and the course of his Providence in bringing it face to face with unlooked for perils, and then interposing with unlooked for methods of deliverance, and in making every one of its perils the occasion of increased prosperity; all these things indicate the commencement here of a great and enduring work for the Church.

In the judgment of the Directors, the interests of the Seminary demand the appointment of a new Professor at the present time. Such also is the fixed conviction of the office bearers of this Church within the Synod, in the bosom of which the institution is established. Their conviction has made itself known through the action of all the Presbyteries in Kentucky. The measures proposed by these judicatories in the resolutions adopted at their late meeting, copies of which resolutions are appended to this Report, and made parts thereof. These Presbyteries desire the General Assembly at this time to appoint a third full Professor, and they engage to pay his salary by annual collections in their congregations, until the chair shall be permanently endowed. This generous proposal is additional to the $77,000 with which the churches of Kentucky have already endowed the Seminary. We are also encouraged to believe that two of the churches in the Synod of Cincinnati taken together will contribute annually as much as any single Presbytery in Kentucky towards this object.

The Directors do not doubt that these engagements will be fulfilled; and such is the confidence of the present Professors in the good faith of their brethren, that they have voluntarily proposed to place the new Professor on the vested funds of the Seminary, and rely for their salaries on these pledges, so far as may be necessary. The Directors therefore unite with these Presbyteries in asking the General Assembly to elect, at this time, a Professor of Pastoral Theology and Church Government.

It is the opinion of the present Professors, that three full Professors, all in vigorous health, with some assistance in the elementary teaching of the Hebrew tongue, might carry on the whole instruction of a Theological Seminary. At an early period of this school, our Professors made this suggestion to their brethren in the other schools of the Church, with a view of settling this part of the policy of the Church on this basis. But some of the most successful and experienced teachers in the other seminaries expressed the opinion that the work could not be well done by less than four full Professors. The General Assembly has given its final judgment to the same effect, by appointing a fourth Professor in its oldest and best endowed Seminary. As the General Assembly has resolved to make this a Seminary of the first class, the Directors have no other course to pursue than to accept the judgment of the Assembly as to the number of Professors necessary to such a school, and to place this institution as soon as practicable on that footing.

Digitized by Google

But all that is at present proposed is to organize a Faculty with three Professors and an assistant teacher. The Directors ought to add that one of the incumbent Professors has been in such feeble health during the last winter, and has discharged his duties amidst such bodily suffering, and with such extreme hazard of life, that he has expressed it as his deliberate judgment that he ought to resign his chair. But the friends of the Seminary peremptorily refused to accede to his views; and this circumstance renders the appointment of an additional Professor an urgent and vital necessity. This measure will render practicable such a distribution of the labour of the institution as will afford material relief in any case of sickness or infirmity that may occur in the Faculty, and will, it is hoped, induce the particular Professor who has been recently afflicted to retain his chair.

The generous action of the Kentucky Presbyteries has relieved the Seminary of the most serious embarrassments and of the greatest perils. But this relief is only temporary and provisional. To render this relief permanent the endowment of the Professorship is indispensable, otherwise the perils through which we have now passed will be renewed at no distant period. To this end we earnestly invoke the aid of the General Assembly. In the beginning it "commended the subject to the prompt liberality of all the churches under its care, and more especially to those churches which lie in the wide region which will be first and most largely blessed by the institution." For the satisfaction of these churches, we ask the Assembly by some further action to use its influence in opening the way for our plea. We wish to obtain a hearing from our brethren throughout the whole Church. We respectfully ask the Assembly to clothe us renewedly with the same authority with which it constantly invests the other institutions and Boards of the Church, by virtue of which we may be enabled to appeal to the liberality of the whole Church, with every motive suggested by the immense interest of the Church in the Seminary, and by the fact, to be now once more distinctly made known through the voice of the General Assembly, that the Danville Seminary is one of the permanent, acknowledged institutions of the whole Church, and is to be accepted as such by all those who revere her authority.

The Directors further report that the term of office of the following Directors expires with the present General Assembly.

PAPERS REFERRED TO IN THE FOREGOING REPORT.

Resolutions of the Presbytery of Transylvania touching the Theological Seminary at Danville.

Resolved, 1*st*. That God's exceeding great kindness, as manifested in the rapid growth of the Danville Seminary, both as to endowment and number of pupils, (a growth unparalleled, as far as we can learn, in the history of similar institutions) is adapted not only to inspire us with gratitude and humility, but also to encourage us to proceed with promptitude and energy in completing those arrangements which may be necessary to its highest success.

Resolved, 2*d*. That the fact that two Professors and a competent Teacher of Hebrew have been sustained for three years, and a building purchased and fitted up so as to furnish ample accommodations for the instruction of all the pupils, and the lodging of a portion of them, without trenching upon the permanent fund for the three Professorships, which the Kentucky churches had undertaken to endow, and without diminishing by

more than a few hundred dollars any portion of the capital of the Institution, is full proof of the skill and economy with which its funds are managed.

Resolved, 3*d*. That the completion of the endowment of all the Professorships, before the close of the third year of the Seminary's existence, would have been an event so far beyond what had ever occurred in the history of other institutions, that a failure to complete the endowment within this period does not present any ground of discouragement to the friends of the Institution.

Resolved, 4*th*. That a full corps of instructors is necessary to place the Institution on an equal footing with our older Seminaries, as well as to furnish to its pupils the advantages of a larger aggregate of instructing talent, and to its professors the opportunity, through a minuter subdivision of labour, of qualifying themselves more thoroughly for instruction in their respective departments.

Resolved, 5*th*. That while our churches have fully redeemed their pledges in regard to endowment, having promised the General Assembly to raise $60,000 for the Seminary, and having actually raised nearly $80,000; and while we regard it as, for many reasons, exceedingly desirable that the funds for establishing and maintaining the Institution should be contributed from different parts of the Church, we are confident that sooner than see the Seminary decline, the churches of our own Synod would raise any additional amount needed for its full and permanent endowment.

Resolved, 6*th*. That we have full confidence in the speedy endowment of an additional Professorship, either through the action of some of our sister Synods, or through the liberality of some of our wealthy members.

Resolved, 7*th*. That the favour with which, through the blessing of God, our churches regard the Seminary, warrants us in unhesitatingly pledging ourselves to sustain, in conjunction with our sister Presbyteries of this Synod, an additional Professor, until permanent provision can be made for his support.

Resolved, 8*th*. That the Board of Directors of the Seminary be respectfully requested to ask of the General Assembly the appointment of an additional Professor; so that there may be a full corps of four instructors prepared to enter upon their work at the commencement of the next session.

Resolved, 9*th*. That in order to perform our part of the work of supporting this additional Professor, the Committee on the Commissioners Fund be instructed to lay on our churches such a pro-rata assessment as will yield $400 per annum, and report before the rising of the Presbytery; and that the Stated Clerk be directed to notify each church not represented on the floor of Presbytery, the amount of its assessment.

Resolved, 10*th*. That if the Assembly shall appoint such additional Professor, and he shall accept, our churches be and hereby are directed to bring to the next stated meeting of Presbytery the respective sums which they shall have been assessed, and pay them over to the Treasurer of Presbytery, to be by him transmitted to the Treasurer of the Board of Danville Seminary.

Action of the Presbytery of Paducah.

The special Committee, appointed to take into consideration the subject of the Danville Theological Seminary, would respectfully report:

1st. That we regard that Institution as one of the greatest interests of the Church.

2d. That the work it has already done, and the success it has had, is a call and encouragement to us to carry it on; and, therefore,

Resolved, 1. That we tender our thanks to the Professors for what they have done and suffered for the good of the Seminary, and express our desire that they should remain in it.

Resolved, 2. That if Providence lays it upon the Synod of Kentucky to endow it, we deem it our duty to do so; and we hereby recommend to all our churches to give of their substance for that purpose.

Resolved, 3. That our Commissioners be instructed to request the General Assembly to appoint a third Professor.

Resolved, 4. That this Presbytery hereby pledges the sum of at least $100 per annum to support this third Professor, until his chair be fully endowed.

Action of the Presbytery of Muhlenburg.

The Presbytery of Muhlenburg, deeply impressed with a sense of the unspeakable importance of the Danville Theological Seminary to the general interests of religion in our country, and especially to our Church in all the South-West, desire to express—

1st. Their unbounded confidence in, and sympathy with the Professors of said Institution, because of the very able and efficient manner in which they have, with much labour and sacrifice, sustained the interests of the Seminary, successfully, through the first term of its existence.

2d. Our deliberate conviction that the time has come when all the friends of the enterprise should unite, in vigorous efforts, to complete the endowment, and to make the Institution every way worthy of the great interests which it represents.

Digitized by Google

3d. Our belief that the speedy, permanent success of this Seminary presents eminent and urgent claims upon our churches for their prayers, sympathy, and pecuniary aid.

4th. That the appointment of a third Professor is imperatively demanded, in justice to the present Professors; and, to this end, we hereby direct our Commissioners to request of the Assembly, at its approaching meeting, to make such appointment; and, for the support of such Professor, we pledge our churches for at least $200 annually, till such time as said Professorship be fully and permanently endowed.

Action of the Presbytery of Ebenezer.

The Special Committee appointed to draft a minute touching the present posture, wants, and necessities of the Danville Theological Seminary, would respectfully report:

1. That the success which has thus far attended the enterprise is beyond our fondest anticipations, and should be regarded as a loud and distinct call of the great Head of the Church upon all its true friends, to united, vigorous, and immediate effort to complete the endowment, and to make the institution at once worthy, in all respects, of the great interests which it represents.

2. It is the deliberate sense of this Presbytery, that the present Professors of the Danville Seminary have done their work ably and faithfully, and that the whole Presbyterian Church in Kentucky (to say nothing of the true friends of the institution elsewhere) owe them a debt of profound gratitude for the sacrifices which they have so nobly and patiently made, in successfully conducting the institution through the first term of its existence—performing, with their assistant, all the time, substantially the work of four men.

3. In the judgment of this Presbytery, it would be manifestly unwise and unjust in the friends of Danville Seminary, to allow its present Professors longer to bear the burthens and endure the sacrifices which the necessities of its infancy have hitherto imposed upon them. And to prevent this, we hereby request the next General Assembly to appoint an additional or third Professor; and we instruct our Commissioners to the next General Assembly to do all they can to effect this object. To accomplish this desirable object, this Presbytery hereby pledges the churches to do their part towards raising a temporary salary for the support of the new Professor, until the Synod of Nashville, or the friends of the Seminary in Tennessee, shall have fulfilled their promise and redeemed their pledge, in permanently endowing the newly filled chair. And further:

Resolved, That just so soon as the General Assembly shall appoint the additional Professor asked for, and he shall have signified his acceptance, the Moderator or Stated Clerk of this Presbytery is hereby instructed to issue a call for a meeting, to be held in the Maysville Presbyterian Church, for the specific purpose of devising ways and means for reliably raising a sum, not less than three hundred dollars, towards supporting the Professor for the time, until the chair be permanently endowed.

Resolved, That the agent of the Danville Seminary, Rev. Joel K. Lyle, has the thanks of this Presbytery for his visit and address; and that he leaves us with our warmest wishes and sincere prayers for his perfect success in the great work of its permanent pecuniary endowment.

Received, and unanimously adopted.

April 12th, 1856.

Resolutions adopted by the Presbytery of Louisville, April 18th, 1856.

Resolved, 1. That the favour of God has been so clearly manifested toward the Danville Theological Seminary as greatly to encourage its friends and to require them to persevere until the Institution shall be firmly established.

Resolved, 2. That in the opinion of this Presbytery, the General Assembly, by whose authority the Seminary was founded, ought to carry out all the pledges made to the Institution, and ought to use all the means in its power to secure its permanent and enlarged usefulness.

Resolved, 3. That the next General Assembly be requested to appoint a fourth Professor for the Seminary.

Resolved, 4. That the ministers and elders of this Presbytery will lay this cause before our respective charges, and recommend and urge them to contribute their due proportion of five hundred dollars annually towards the maintenance of a fourth Professor, until the permanent endowment of a Professorship.

Resolved, 5. That W. L. Breckinridge, Curran Pope, and J. P. Curtis be appointed a Committee, whose duty it shall be, so soon as the appointment and acceptance of a third Professor is announced, to fix upon what they may deem the equable proportion of each church towards this amount, and forward the same to the session of each church, with the request that they will make efforts to raise the said sum, and this committee shall receive all moneys thus raised and pay them over to the Treasurer of the Seminary for the support of the Professor.

Resolved, 6. That there is no necessity for a lingering and feeble infancy to this Institution; but the interests of the Seminary, the cause of Christ and the ability of the churches, all demand that the Seminary shall be fully and speedily endowed.

Resolved, 7. That we recommend it to our churches to aid yet more, according to the ability which God has given them, in the permanent endowment, and that the Professors be requested to present the claims of the Seminary to our churches as they may have opportunity.

Action of West Lexington Presbytery, April 20, 1856.

The Committee appointed to take into consideration the present position and wants of the Danville Theological Seminary, reported the following resolutions, which were adopted:

1. *Resolved*, That the success which has thus far attended that enterprise, exceeds what could have been reasonably anticipated; and should be regarded (especially by the Presbyterian people of Kentucky) as a distinct call of the Great Head of the Church upon all its friends, to unite in a vigorous and an immediate effort to complete the endowment, and thus make the Institution at once efficient in the highest degree, and worthy of the great interests which it represents.

2. *Resolved*, That it is the deliberate sense of this Presbytery, that the present Professors of the Danville Seminary have done their work ably and faithfully, and that the whole Presbyterian Church owes them a debt of profound gratitude for the sacrifices they have made and the labours they have endured in so successfully conducting the Institution through the first full period of its existence—performing, with the teacher of Hebrew, the work of four competent men.

3. *Resolved*, That in the judgment of the Presbytery it would be manifestly unwise and ungenerous in the friends of the Danville Seminary to allow the present Professors longer to bear the burdens which the necessity of its infancy have hitherto imposed upon them; and we hereby formally and distinctly recognize the propriety (and considering the complete condition at the present time of similar institutions of the Church) the necessity of appointing immediately at least one additional professor; and we instruct our Commissioners to the next General Assembly to use all diligence to effect this object.

Resolved, 4. That to remove every obstacle in the way of securing the services of an additional Professor, we pledge ourselves individually, and our churches, so far as we can assume any obligation in their behalf, to raise from year to year not less than four hundred dollars towards the support of the new Professor, until the chair shall have been endowed; and it shall be the duty of church sessions to report annually to Presbytery what has been done within their respective churches in this cause.

Resolved, 5. Should the Synod of Kentucky be disappointed in her just expectations of aid in the endowment of a Seminary under the care of the General Assembly, and designed for the common benefit of the Church; should the pledges and promises, express and implied, made by brethren and judicatories in other parts of the Church, fail to be fulfilled;

Resolved, 6. That it is for the interest and would be to the just renown of the eldest of our Western Synods, to complete the endowment herself; and we hereby pledge ourselves to the other Presbyteries of Synod, should she be abandoned by all others in this common and sacred cause, to co-operate with them in a manly and earnest effort to effect this great purpose.

To carry out the fourth resolution Presbytery recommends to the churches under its care, to raise as soon as practicable at least three times the amount of their present Presbyterial assessment, and to forward the same to the Treasurer of the Seminary at Danville.

THIRD ANNUAL REPORT OF THE BOARD OF TRUSTEES OF THE DANVILLE THEOLOGICAL SEMINARY TO THE GENERAL ASSEMBLY OF THE PRESBYTERIAN CHURCH.

DANVILLE, Ky., April 29th, 1856.

On the 9th of May, 1854, this Board of Trustees made its *First* Report to the General Assembly. It will be found on pp. 221–4, of the printed Minutes of that year. In that Report the entire funds and property of this Seminary are stated at $76,868; consisting at that time of certain bonds and stocks, but mainly of individual notes and subscriptions, which had been put at the disposal of the Assembly by the Synod of Kentucky; or had been taken up by a special effort in Kentucky, within the year preceding the said Report to the Assembly; and the whole was designed to form a part of the endowment of this Seminary; and to be used in its support until an adequate and permanent endowment could be secured. All this had occurred with relation to, and most of it after the action of the Assembly of 1853, in the establishment of this Seminary.

The *Second* Report of this Board of Trustees to the Assembly, is dated April 25th, 1855, and was made to the Assembly of that year; it will be found on its printed Minutes, p. 339. That second Report did not enter into a detailed statement of the funds and property of the Seminary; but made special reference to the Report of the preceding year, and a general statement of the plans and operations since the first Report was made, and of its purposes and hopes for the future.

It is the design of this Report to state, in a clear and detailed manner, the exact condition and amount, at this time, of all the property and funds of the Seminary; having reference, all the while, to the original Report of this Board in 1854, to which particular attention is invited, in order to a perfect understanding of the subject.

1. Present amount of funds under the control of the Trustees of the Synod of Kentucky, turned over to the use of this Seminary under the action and pledges of 1853, - - - - - -	$22,507 94
Present amount of funds under the control of the Trustees of the Centre College of Kentucky, turned over to the use of this Seminary, in like manner as the foregoing amount, - - - - - -	$5,343 00
Total amount of funds turned over to this Seminary, under the contract between the General Assembly and the Synod of Kentucky, dated October 12th 1853, - - - - - -	$27,850 94
2. Real estate held by this Board for this Seminary,	
The Caldwell property, 10 acres of land adjoining Danville, for the permanent site of the Institution, - - - - - -	$2,000 00
The present grounds and buildings in Danville, occupied by the Seminary, and owned by this Board of Trustees, - - - -	$4,000 00
The McNulty property in Louisville, the gift of Miss Elizabeth McNulty of that city, - - - - - - - -	$3,000 00
Total real estate now owned by the Seminary, - - -	$9,000 00
3. Cash, stocks, notes, and bonds, collected for this Seminary under the action and covenants of the General Assembly, and now held and controlled by this Board.	
Cash in the hands of the Treasurer, ready to be invested, - -	$2,823 45
Rail-road and Turnpike stocks given to the Seminary, - -	$1,900 00
Individual notes and bonds, the greater part due, and bearing interest at 6 per cent. per annum, - - - - - - -	$35,760 73
Total amount under this third head, - - - - -	$40,484 18
Grand total under all the three heads embracing the whole property of this Seminary, - - - - - - - -	$77,335 12

This sum, it will be observed, is many thousand dollars more than the largest sum for which Kentucky was pledged to the General Assembly of 1853, conditionally and in consequence of the pledges of the General Assembly itself. It is somewhat greater than the sum reported by this Board to the Assembly of 1854, in its first annual Report; although in the meantime, the expenses of the Seminary for three years, amounting to $10,500 have been borne; the expenses of all agencies have been paid; and the whole fund held, has been either collected and invested, or reduced to individual notes and bonds. Nothing could more clearly prove the moderation, the justice and the truth of the statements which have been heretofore made by this Board to the Assembly; and nothing could more distinctly show how sound the immense subscriptions were, which were given by the people of Kentucky to endow this Seminary. Perhaps, too, the Board of Trustees owes it to that part of its members as well as to its officers and agents, who have had the chief part in conducting so great an interest, through so great difficulties to such a result, to express the deep sense it entertains of their energy, fidelity and skill.

There will, no doubt be considerable difficulty as well as delay, in making a clean collection and a permanent investment of the large outstanding debt due from individuals to the Seminary; and after all that can be done the uncertainty of human affairs makes it nearly impossible to avoid an ultimate loss more or less considerable. Moreover it is to

be remembered that the real estate of the Seminary, set down at $9,000, of which $5,000 worth were given to it, is wholly unproductive at present; and that ultimately heavy expenses must be incurred in the erection of suitable and permanent buildings for the accommodation of the Institution. Besides this, the sum of $1,900, which appears under the third division of the preceding statement, as "Rail-road and Turnpike stocks, given to the Seminary," does not at present produce any income. Add the further fact, that the interest payable on the notes and bonds of individuals, in which so large a part of our funds still consist, cannot be collected with regularity, nor without considerable expense. All these considerations place the whole matter of reliable income in such a position, that this Board of Trustees is confident, and so report to the General Assembly, that while the sum of $4,000 a year, may with good management and good fortune, be relied on as a yearly income from the present funds of the Seminary, no greater yearly amount can be expected from them, or can be expended for some time to come, without consuming a portion of the principal of the fund itself. That sum pays the salaries of two Professors, at $1,500 each, and of an assistant teacher at $1,000; which is the present corps of instructors in the Seminary.

The Board of Directors of the Seminary will, no doubt, report fully to the Assembly the late action of the Presbyteries in Kentucky, which has resulted in their undertaking to raise on certain conditions and for a limited period, an annual sum sufficient for the support of another instructor, who shall be additional to those already connected with the Seminary, and who shall be a full Professor. It will be recollected that the General Assembly of 1853, (Minutes p. 445,) appointed a committee of which Dr. William L. Breckinridge was chairman, to take charge of the endowment of this Seminary, and report to the Assembly from year to year. Under date of the 17th of May, 1854, that Committee reported to the Assembly, that more than $70,000 had been secured to the Seminary by a voluntary and unpaid agency in Kentucky; that the Synod of Nashville had engaged to raise $25,000 in addition, and had instituted an agency for that work; and that the Legislature of Kentucky had created by charter, a Board of Trustees for the Seminary, with ample powers. Under these circumstances, the Committee of endowment asked the Assembly to discharge them, and to commit the further work of endowment to the Trustees of the Seminary. (Minutes of 1854, p. 224.) Upon the recommendation of the Assembly's Committee on Seminaries, these suggestions of the standing Committee for the endowment of this Seminary, were approved, and the unfinished part of that work was turned over to this Board of Trustees. (Minutes of 1854, p. 42.) The Assembly of 1854, also approved the "*Plan of the Danville Seminary*," and directed it to be officially certified, and transmitted to the Board of Directors; the Plan itself had been reported by a Committee, of which Dr. J. C. Young was Chairman, appointed for that very purpose by the Assembly of 1853. (Minutes of 1853, p. 445—Minutes of 1854, p. 42.) This *Plan* devotes a whole chapter (the Fifth) to Boards of Trustees and Funds; and while the Assembly authorized all three of the Boards of Trustees, whose most valuable charters were put at its service in Kentucky, to go on at their discretion and collect additional funds for the benefit of the Danville Theological Seminary; it did at the same time, especially charge this particular Board of Trustees with this vital obligation; and did, in addition, make a distinct enumeration of the objects to be immediately aimed at. The very first of these is, *the current support of the Seminary on an effective basis.* (Plan, pp. 22–3.) Thus empowered and thus urged by the Assembly itself, upon the presentation of the First Annual Report in 1854, it was not without reason that this Board felt itself called on, in its Second Annual Report to that venerable court in 1855, to set forth the causes which had prevented it for a whole year, from making any further effort at new collections in Kentucky, and any efforts at all out of that State; an omission altogether temporary, and approved by the Assembly itself. (Minutes of 1855, p. 289, and p. 339.)

It is now about a year since this Board of Trustees has commenced in earnest to lay its plans with a view to a persistent effort to complete the endowment of this Seminary, at least to the extent of providing it with a full corps of Instructors, and with such additions to its Library as the wants of the Professors and Students demanded; designing at the same time to follow the indications of Providence in securing, if it were possible, the further objects to which our attention has been especially directed by the Assembly, to wit, funds for the erection of permanent and suitable buildings, funds to aid in the support of indigent students, &c. (Plan, p. 22.) We did not think that it was right, nor did it seem to us that the General Assembly could approve our conduct, if we should make a new appeal to the Christians of Kentucky, before giving other portions of the Church a fair opportunity of doing their part in a work in which the whole Church had

Digitized by Google

embarked, and to which the whole Church was committed. The Synod of Kentucky had given to the General Assembly more than $27,000 for the use of this Seminary; funds collected by that Synod for ministerial education, before the Assembly established this Seminary. That Synod had also granted to the Assembly the complete use of two charters held by it—both of them of the greatest value—and had, still further, granted free of all charge, and in perpetuity, the entire advantages of the Centre College of Kentucky to the pupils of this Seminary established by the Assembly. And the Presbyterian people of Kentucky, in the same generous spirit which actuated their Synod, had given about $50,000 in sound subscriptions, and had given two of their Pastors occupying positions of the greatest importance, to the immense labour and risk of practically founding, what the Assembly had ordained, and Kentucky had that far endowed. We did certainly feel that the time had come for other pledges to be redeemed, and other portions of the Church to contribute of their abundance to this general work. We made the effort in good faith, and with strong confidence of success. We made it in various ways; over wide regions of country; with repetition increasing in earnestness for the greater part of the past year. *We have totally failed.* Pressed by so great a misfortune, nevertheless two most important results have followed that failure. In the *first* place, a new appeal to the Presbyteries of Kentucky, based on that failure, was made; the noble response has been already stated to be their resolve to ask the Assembly to appoint an additional Professor, and their pledge to support him temporarily. In the *second* place, this appeal to the Assembly, for further and effective action, promotive of the further and adequate endowment of the Seminary—which we now distinctly make. What we desire the Assembly to do, is to make such an expression of its sense of the relation in which this Seminary stands to the Church and to the Assembly, and of the duty of the Church towards this Seminary, as will secure to us the same sort of access to Presbyterian Congregations everywhere in our connection, as have been possessed by the managers of all other causes, distinctly under the direct control and immediate authority of the Assembly. If the Assembly does not consider this Seminary, as at present organized and controlled, worthy of such an effort to establish it, let the Assembly exert its complete power over it, and place it in such a position, as will justify such a proceeding as we ask for on its part. If it believes there is no moral objection of this sort in existence, then let the Institution have the benefit of such an authoritative action of the Assembly, as will at least give us the same sort of access to those whose charity we need, as has been enjoyed under favour of the power and good-will of the Assembly, by other great interests which it seeks to promote, including both the Seminaries previously established by it. What we expect to secure, by means of such an action on the part of the Assembly as we desire, would be a general, but not excessive contribution from the churches of our denomination, so far as the Christian people were willing, under those circumstances, to contribute to this object; by means of which, the comparatively moderate sum of money needed for the complete endowment of this Seminary, could be raised in a reasonable time.

That the action which we have ventured to urge that the Assembly should take, additional to what it has hitherto done, though less than it has done heretofore for the other two Seminaries established by it, may, under the blessing of God and the liberality of the Church, be found sufficient, if wisely and energetically pursued, is, we think, reasonably to be expected. We have, on that account, the more carefully endeavoured to convey to the Assembly our impression of the actual posture of the great interests at stake here, and of the particular method, which seems to us at once simple and effective, for their present relief and permanent security.

The career of this Institution has been very extraordinary. Three months before the Assembly founded it, no one, perhaps, had any idea of its ever existing here. When it was first suggested, no one had any idea how it could be supported; yet, within a few months, between seventy and eighty thousand dollars were subscribed for its support. Up to the moment the course of instruction actually commenced, no one knew certainly that it would have a single student; yet its prosperity in that respect has been wholly unprecedented. Beginning with only individual subscriptions for its fund, at the end of its third year, its successful efforts to collect, invest, and consolidate those subscriptions, leave it better off than when it began, having paid its way by the skilful management of so strange an endowment, and having in the meantime put that endowment into a safe and productive form. It has been, apparently, always in the most perilous condition—and yet has always escaped every peril, and seemed to gain new strength amidst every new danger. And now this last danger which seemed greater than all—appears almost ready to vanish: for the prompt and generous action of the Kentucky Presbyteries secures the temporary support of another Professor, and the Assembly has it completely in its

Digitized by Google

power, to open to its plea a free access to all the churches of our denominations, thus ensuring the early completion of its permanent endowment. At every step, the particular blessing of God has been indispensably necessary, and has been signally bestowed: at every crisis everything has been in peril, yet every crisis has brought a signal triumph. We who have not only seen all this continually from the beginning until now, but have been obliged to endure the responsibility attached to such a state of things, may be allowed the more emphatically to express our confidence, that after so many interpositions, God will assuredly, and in one way or another, bring to pass the objects, for the sake of which he has thus dealt with the great work which his Church has been endeavouring to establish here, to the glory of his name.

All of which is respectfully submitted. By order of the Board,

JAMES S. HOPKINS, *President.*

Danville, Ky., May 1, 1856.

SPECIAL PRAYER FOR THE GENERAL ASSEMBLY.

In the Minutes of the General Assembly for the year 1821, is the following important rule, which was adopted by the Assembly.

"An overture from the Synod of North Carolina was received and read, and is as follows, viz.

"Whereas, the General Assembly is the highest and most important judicatory of the Presbyterian Church: and whereas, to obtain the divine blessing on that judicatory, must appear to every Christian of our denomination to be a matter of the utmost moment; therefore,

"*Resolved*, That the Synod do respectfully suggest to the General Assembly the propriety of recommending to all the churches under their care, to observe, annually, *the afternoon or evening previous to the meeting of that body*, as a season of special prayer to Almighty God for his blessing; that he would of his infinite mercy, condescend to superintend and direct all their measures, deliberations, and decisions; so that all may redound to the promotion of his own glory, and the general prosperity of that particular Church to which we belong."

THE STATED CLERKS OF PRESBYTERIES

Are earnestly requested,

1. To make their Annual Reports to the Assembly, if they have no printed blanks, after the form on the following page, 585. Blanks can always be obtained gratis on application to the Stated Clerk.

2. To make their Reports in fair, distinct writing, especially the columns of figures.

3. To make them as accurate and full as possible. If, in any instance, churches do not report to Presbyteries, it is desirable that their number of communicants should be inserted from their last report.

4. To report *no cents*. The Assembly has so ordered. If therefore they are reported, the Stated Clerk of the Assembly is obliged to throw them out altogether, or to incorporate them with the dollars. This costs him a serious amount of labour, to which he ought not to be subjected.

5. To *add up* each column of figures with care. Many still neglect this, and thus oblige the Clerk of the Assembly to do what they should do themselves.

6. To append to the statistics of Presbyteries a brief account of changes which have occurred during the year, such as the *number* of licensures, ordinations, installations, dismissions of pastors, organization of new churches, and the names of ministers deceased.

7. To transmit their Reports to the Stated Clerk, either at the meeting of the Assembly, or to Philadelphia, not later than the first day of June.
